The Great Escape for the Great War: the astonishing true story of two World War I prisoners who pulled off one of the most ingenious escapes of all time. FINALIST FOR THE EDGAR® AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND NPR • "Fox unspools Jones and Hill's delightfully elaborate scheme in nail-biting episodes that advance like a narrative Rube Goldberg machine."—The New York Times Book Review Imprisoned in a remote Turkish POW camp during World War I, having survived a two-month forced march

and a terrifying shootout in the desert, two British officers, Harry Jones and Cedric Hill, join forces to bamboozle their iron-fisted captors. To stave off despair and boredom, Jones takes a handmade Ouija board and fakes elaborate séances for his fellow prisoners. Word gets around, and one day an Ottoman official approaches Jones with a query: Could Jones contact the spirit world to find a vast treasure rumored to be buried nearby? Jones, a trained lawyer, and Hill, a brilliant magician, use the Ouija board—and their keen understanding of the psychology of deception—to build a trap for their captors that will ultimately lead them to freedom. A gripping nonfiction thriller, *The Confidence Men* is the story of one of the only known con games played for a good cause—and of a profound but unlikely friendship. Had it not been for "the Great War," Jones, the

Oxford-educated son of a British lord, and Hill, a mechanic on an Australian sheep ranch, would never have met. But in pain, loneliness, hunger, and isolation, they formed a powerful emotional and intellectual alliance that saved both of their lives. Margalit Fox brings her "nose for interesting facts, the ability to construct a taut narrative arc, and a Dickens-level gift for concisely conveying personality" (Kathryn Schulz, *New York*) to this tale of psychological strategy that is rife with cunning, danger, and moments of high farce that rival anything in *Catch-22*. **The Odyssey** BEYOND BOOKS HUB Examines literary, geological, and archaeological evidence in an attempt to identify the true location of the island of Ithaca described in Homer's "Odyssey." **Odysseus in America** Simon & Schuster The Quran is among the most influential

books in the history of literature, and is a source of Islam. This translation by Sir Yusuf Ali is one of the most widely known and used in the English-speaking world. *Brill's Companion to Prequels, Sequels, and Retellings of Classical Epic* Simon and Schuster

Brill's Companion to Prequels, Sequels, and Retellings of Classical Epic explores the long tradition of continuing Greek and Roman epics from Homer and the epic cycle to the contemporary novels of Ursula K. Le Guin and Margaret Atwood.

The Last Temptation of Christ Random House

These two timeless epics by the ancient Greek poet—each translated by a world-renowned author—have captured the Western imagination for millennia. The Iliad: Alexander Pope "works miracles" in this beautiful verse translation of Homer's epic poem set near the end of the Trojan War. It centers on a quarrel between the invading Greek king Agamemnon and his greatest asset in battle, the warrior Achilles. From this conflict, Homer weaves a tale of warring nations, vengeful gods, and the terrible consequences of prideful rage (The New York Times). The Odyssey: The Trojan War is over and Odysseus, the king of Ithaca, embarks to return home. But he is cursed by the god Poseidon to wander the perilous earth for ten years before reaching his destination. Homer's epic adventure of survival by wit and battling mythical creatures is presented here in a stirring prose translation by Samuel Butler.

Portrait of a modern hero whose capacity to live each moment to its fullest is revealed in a series of adventures in Crete.

Simon and Schuster

In this ambitious follow-up to Achilles in Vietnam, Dr. Jonathan Shay uses the Odyssey, the story of a soldier's homecoming, to illuminate the pitfalls that trap many veterans on the road back to civilian life. Seamlessly combining important psychological work and brilliant literary interpretation with an impassioned plea to renovate American military institutions, Shay deepens our understanding of both the combat veteran's experience and one of the world's greatest classics.

[How Two Prisoners of War Engineered the Most Remarkable Escape in History](#) Little, Brown

ULYSSES James Joyce's novel Ulysses is said to be one of the most important works in Modernist literature. It details Leopold Bloom's passage through Dublin

on an ordinary day: June 16, 1904.

Causing controversy, obscenity trials and heated debates, Ulysses is a pioneering work that brims with puns, parodies, allusions, stream-of-consciousness writing and clever structuring. Modern Library ranked it as number one on its list of the twentieth century's 100 greatest English-language novels and Martin Amis called it one of the greatest novels ever written.

ULYSSES Ulysses is a modernist novel by Irish writer James Joyce. It is considered to be one of the most important works of modernist literature, and has been called "a demonstration and summation of the entire movement". Ulysses chronicles the peripatetic appointments and encounters of Leopold Bloom in Dublin in the course of an ordinary day, 16 June 1904. Ulysses is the Latinised name of Odysseus, the hero of Homer's epic poem Odyssey, and the novel establishes a series of parallels between its characters and events and those of the poem (the correspondence of Leopold Bloom to Odysseus, Molly Bloom to Penelope, and Stephen Dedalus to Telemachus). Joyce divided Ulysses into 18 chapters or "episodes". At first glance much of the book may appear unstructured and chaotic; Joyce once said that he had "put in so many enigmas and puzzles that it will keep the professors busy for centuries arguing over what I meant", which would earn the novel "immortality". James Joyce (1882-1941) was an Irish novelist and poet, considered to be one of the most influential writers in the modernist avant-garde of the early 20th century. Joyce is best known for Ulysses, the short-story collection Dubliners, and the novels A Portrait of the Artist as a Young Man and Finnegans Wake. ULYSSES As the day begins, Stephen Dedalus is displeased with his friend and remains aloof. A little later, he teaches history at Garrett Deasy's boys' school. ULYSSES Leopold Bloom begins his day by preparing breakfast for his wife, Molly Bloom. He serves it to her in bed along with the mail. ULYSSES As their day unfolds, Joyce paints for us a picture of not only what's happening outside but also what's happening inside their minds. ULYSSES Drawing on the characters, motifs and symbols of Homer's Odyssey, James Joyce's Ulysses is a remarkable modernist novel. It has lived through various criticisms and controversies and has undergone several theatre, film and television adaptations. It continues to remain a literary masterpiece. ULYSSES [The Odyssey by Homer](#) BRILL

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its

scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. Club, Christian Science Monitor, Refinery 29, BuzzFeed, Paste, Audible, Kirkus, Publishers Weekly, Thrillist, NYPL, Self, Real Simple, Goodreads, Boston Globe, Electric Literature, BookPage, the Guardian, Book Riot, Seattle Times, and Business Insider. [Combat Trauma and the Trials of Homecoming](#) Princeton University Press The life of Nikos Kazantzakis—the author of Zorba the Greek and The Last Temptation of Christ—was as colorful and eventful as his fiction. And nowhere is his life revealed more fully or surprisingly than in his letters. Edited and translated by Kazantzakis scholar Peter Bien, this is the most comprehensive selection of Kazantzakis's letters in any language. One of the most important Greek writers of the twentieth century, Kazantzakis (1883–1957) participated in or witnessed some of the most extraordinary events of his times, including both world wars and the Spanish and Greek civil wars. As a

foreign correspondent, an official in several Greek governments, and a political and artistic exile, he led a relentlessly nomadic existence, living in France, Czechoslovakia, Austria, Germany, Italy, Spain, the Soviet Union, and England. He visited the Versailles Peace Conference, attended the tenth-anniversary celebration of the Bolshevik Revolution, interviewed Mussolini and Franco, and briefly served as a Greek cabinet minister—all the while producing a stream of novels, poems, plays, travel writing, autobiography, and translations. The letters collected here touch on almost every aspect of Kazantzakis's rich and tumultuous life, and show the genius of a man who was deeply attuned to the artistic, intellectual, and political events of his times.

The Odyssey Cambridge University Press
Disarmingly personal and intensely philosophical, *Report to Greco* is a fictionalized account of Greek philosopher and writer Nikos Kazantzakis's own life, a sort of intellectual autobiography that leads readers through his wide-ranging observations on everything from the Hegelian dialectic to the nature of human existence, all framed as a report to the Spanish Renaissance painter El Greco. The assuredness of Kazantzakis's prose and the nimbleness of his thinking as he grapples with life's essential questions—who are we, and how should we be in the world?—will inspire awe and more than a little reflection from readers seeking to answer these questions for themselves.

A Modern Sequel Simon and Schuster
The epic journey of Odysseus, the hero of Ancient Greece... After ten years of war, Odysseus turns his back on Troy and sets sail for home. But his voyage takes another ten years and he must face many dangers - Polyphemus the greedy one-eyed giant, Scylla the six-headed sea monster and even the wrath of the gods themselves - before he is reunited with his wife and son. Brilliantly retold by award-winning author, Geraldine McCaughrean.
A Modern Sequel Independently Published
A literary portrait of the epic songwriter and poet traces the historical origins of the *Odyssey* and the *Iliad*, describing the culture that shaped their first-generation audiences while exploring theories about how both poems were written by a single, female poet. Reprint.

The Search for Homer's Ithaca University of Virginia Press
Europe is facing a wave of migration unmatched since the end of World War II - and no one has reported on this crisis in more depth or breadth than the

Guardian's migration correspondent, Patrick Kingsley. Throughout 2015, Kingsley travelled to 17 countries along the migrant trail, meeting hundreds of refugees making epic odysseys across deserts, seas and mountains to reach the holy grail of Europe. This is Kingsley's unparalleled account of who these voyagers are. It's about why they keep coming, and how they do it. It's about the smugglers who help them on their way, and the coastguards who rescue them at the other end. The volunteers that feed them, the hoteliers that house them, and the border guards trying to keep them out. And the politicians looking the other way. *The New Odyssey* is a work of original, bold reporting written with a perfect mix of compassion and authority by the journalist who knows the subject better than any other.

A Modern Sequel W W Norton & Company Incorporated

As a writer and philosopher, Nikos Kazantzakis struggled all his life with existential questions, once spending several months in a monastery in an attempt to attain a closer relationship with God. His relentless quest to understand the nature of life through travel, extensive reading, and constant conversation with a diverse array of compatriots ultimately led Kazantzakis to compose this book of "spiritual exercises" meant to help the reader achieve harmony between the countervailing human impulses toward an immortality-seeking asceticism and toward a more nihilistic and materialist view of death. As with all Kazantzakis's philosophical works, *The Saviors of God* sheds light on a mind uniquely suited to a nuanced examination of what it means to be human, and establishes a hopeful vision for a dazzlingly syncretic approach to spiritual life.

Rediscovering Homer Nostos Books
The internationally renowned novel about the life and death of Jesus Christ. Hailed as a masterpiece by critics worldwide, *The Last Temptation of Christ* is a monumental reinterpretation of the Gospels that brilliantly fleshes out Christ's Passion. This literary rendering of the life of Jesus Christ has courted controversy since its publication by depicting a Christ far more human than the one seen in the Bible. He is a figure who is gloriously divine but earthy and human, a man like any other—subject to fear, doubt, and pain. In elegant, thoughtful prose Nikos Kazantzakis, one of the greats of modern literature, follows this Jesus as he struggles to live out God's will for him, powerfully suggesting that it was Christ's ultimate triumph over his flawed

humanity, when he gave up the temptation to run from the cross and willingly laid down his life for mankind, that truly made him the venerable redeemer of men. "Spiritual dynamite." —San Francisco Chronicle "A searing, soaring, shocking novel." —Time
Circe Simon and Schuster
This excellent prose translation of Homer's epic poem of the 9th century BC recounts one of Western civilization's most glorious tales, a treasury of Greek folklore and myth that maintains an ageless appeal for modern readers. A cornerstone of Western literature, *The Odyssey* narrates the path of a fascinatingly complex hero through a world of wonders and danger-filled adventure. After ten bloody years of fighting in the Trojan War, the intrepid Odysseus heads homeward, little imagining that it will take another ten years of desperate struggle to reclaim his kingdom and family. The wily hero circumvents the wrath of the sea god Poseidon and triumphs over an incredible array of obstacles, assisted by his patron goddess Athene and his own prodigious guile. From a literal descent into Hell to interrogate a dead prophet to a sojourn in the earthly paradise of the Lotus-eaters, the gripping narrative traverses the mythological world of ancient Greece to introduce an unforgettable cast of characters: one-eyed giants known as Cyclopes, the enchantress Circe, cannibals, sirens, the twin perils of Scylla and Charybdis, and a fantastic assortment of other creatures.

 No home library is complete without the
 classics! Iliad & Odyssey brings together
 the two essential Greek epics from the

poet Homer in an omnibus edition-a
 keepsake to be read and treasured. The
 Iliad and The Odyssey are two of the
 oldest works of Western literature--yet
 these ancient myths still offer powerful
 lessons for our times. From the fascinating
 fall of Troy to Odysseus' perilous journey
 home, from the gods and goddesses to the
 Sirens and the suitors, the events and
 characters of these epic tales captivate us,
 teach us, and inspire us. Their influence

can be seen far and wide, from James
 Joyce's Ulysses to the movie sensation
 Troy, starring Brad Pitt. Whether you've
 read Homer's original stories or you've
 only enjoyed their modern-day
 descendants, you'll love this Canterbury
 Classics edition of Iliad & Odyssey, and will
 be moved by these magical works. A
 classic keepsake for fans of Greek
 mythology, as well as all great literature,
 Iliad & Odyssey is the perfect addition to
 any library.
