DILLON MIGUEL

Lud-in-the-Mist A&C Black
From the world of
Jonathan Strange and Mr
Norrell, the major BBC
production. Faerie is
never as far away as you
think. Sometimes you find
you have crossed an
invisible line and must
cope, as best you can,
with petulant princesses,
vengeful owls, ladies who

pass their time
embroidering terrible
fates or with endless
paths in deep, dark woods
and houses that never
appear the same way
twice. The heroines and
heroes bedevilled by such
problems in these fairy
tales include a conceited
Regency clergyman, an
eighteenth-century Jewish
doctor and Mary, Queen
of Scots, as well as two
characters from Jonathan
Strange & Mr Norrell:
Strange himself and the

Raven King.
**Memoirs of a
Spacewoman**

Bloomsbury Publishing
Set during the events of
the cult-classic book,
Jonathan Strange & Mr
Norrell sees players delve
into the world of English
magic, developing their
talents and expanding
their social reach as they
aim to become the most
celebrated magician of
the age. Take on the role
of an aspiring magician,
including the titular

characters Jonathan Strange and Mr Norrell themselves, and start down the path to greatness. Build up your power and status by traveling across Europe and London, performing feats of magic, and attending social engagements. The most celebrated magician will face the gentleman with the thistle-down hair, but only the strongest will defeat him. Number of Players: 2 - 4 Ages: 14+ Playing Time: 60 - 80 minutes Components: Map of Europe, 4 Magician

boards, 4 Player markers, Fairy marker, 12 Cards of Marseilles, social engagements, character cards, feats of magic, and more Format: Book-style Jonathan Strange & Mr. Norrell Boxed Three Volume Collector's Edition Bloomsbury Publishing USA Victorian missionaries travel into the heart of the newly discovered lands of the Fae, in a stunningly different fantasy that mixes Crimson Peak with Jonathan Strange & Mr Norrell. Catherine Helstone's brother, Laon,

has disappeared in Arcadia, legendary land of the magical fae. Desperate for news of him, she makes the perilous journey, but once there, she finds herself alone and isolated in the sinister house of Gethsemane. At last there comes news: her beloved brother is riding to be reunited with her soon - but the Queen of the Fae and her insane court are hard on his heels. concentration camps in
South Africa

Sorcerer to the Crown
Penguin Group

In a future when Earth is a
toxic, abandoned world
and humanity has spread

into the outer solar
system to survive, the
tightly controlled use of
time travel holds the key
to maintaining a fragile
existence among the
other planets and their
moons. James Griffin-Mars
is a chronman – a
convicted criminal
recruited for his unique
psychological makeup to
undertake the most
dangerous job there is:
missions into Earth's past
to recover resources and
treasure without altering
the timeline. Most
chronmen never reach old
age, and James is

reaching his breaking
point. On his final mission,
James meets scientist
Elise Kim, who is fated to
die during the destruction
of an oceanic rig. Against
his training and common
sense, James brings her
back to the future with
him, saving her life, but
turning them both into
fugitives. Remaining free
means losing themselves
in the wild and poisonous
wastes of Earth, and
discovering what hope
may yet remain for
humanity's home world.

Here John Turner was cast away in a heavy snow storm in the night in or about the year 1755. The print of a woman's shoe was found by his side in the snow where he lay dead. This enigmatic memorial stone, high on the bank of a prehistoric Pennine track in Cheshire, is a mystery that lives on in the hill farms today. John Turner was a packman. With his train of horses he carried salt and silk, travelling distances incomprehensible to his ancient community. In

this visionary tale, John brings ideas as well as gifts, which have come, from market town to market town, from places as distant as the campfires of the Silk Road. John Turner's death in the eighteenth century leaves an emotional charge which, in the twenty-first century, Ian and Sal find affects their relationship, challenging the perceptions they have of themselves and of each other. Thursbitch is rooted in a verifiable place. It is an evocation of the lives and the language of all

people who are called to the valley of Thursbitch. Jonathan Strange and Mr Norrell Random House Digital, Inc. Året er 1806, og engelskmennene har for lengst sluttet å tro på magi. Desto større blir overraskelsen da den tilbakeholdne Mr. Norell erklærer og beviser at han praktiserer magi. Han reiser til London for å bruke sine krefter til å hjelpe regjeringen i krigen mot Napoleon. Her møter han den unge, sjarmerende og svært arrogante trollmannen

Jonathan Strange, som blir hans elev og medhjelper. Men de to mennene viser seg å være forskjellige på alle måter, og snart har samarbeidet utviklet seg til en kamp der begge vil vise sin styrke. Omtalen er utarbeidet av BS.

Houston, young men who drift out of the Arizona desert into a war, intertwine in a compelling novel of America during the Vietnam War.

A Novel McFarland

Shadow is a man with a past. But now he wants nothing more than to live a quiet life with his wife and stay out of trouble. Until he learns that she's been killed in a terrible accident. Flying home for the funeral, as a violent storm rocks the plane, a strange man in the seat next to him introduces himself. The man calls

himself Mr. Wednesday, and he knows more about Shadow than is possible. He warns Shadow that a far bigger storm is coming. And from that moment on, nothing will ever be the same...

Jonathan Strange et Mr Norrell Random House

New York Times Bestseller

Winner of the Women's Prize for Fiction

World Fantasy Awards Finalist

From the New York Times bestselling author of Jonathan Strange & Mr Norrell, an intoxicating, hypnotic new novel set in a dreamlike alternative

reality. Piranesi's house is no ordinary building: its rooms are infinite, its corridors endless, its walls are lined with thousands upon thousands of statues, each one different from all the others. Within the labyrinth of halls an ocean is imprisoned; waves thunder up staircases, rooms are flooded in an instant. But Piranesi is not afraid; he understands the tides as he understands the pattern of the labyrinth itself. He lives to explore the house. There is one other person in the

house—a man called The Other, who visits Piranesi twice a week and asks for help with research into A Great and Secret Knowledge. But as Piranesi explores, evidence emerges of another person, and a terrible truth begins to unravel, revealing a world beyond the one Piranesi has always known. For readers of Neil Gaiman's *The Graveyard Book* and fans of Madeline Miller's *Circe*, Piranesi introduces an astonishing new world, an infinite labyrinth, full of

startling images and surreal beauty, haunted by the tides and the clouds.

Under the Pendulum Sun Jonathan Strange and Mr Norrell

A new vision of knights, dragons, and the fair maiden caught in between . . . Four decades of peace have done little to ease the mistrust between humans and dragons in the kingdom of Goredd. Folding themselves into human shape, dragons attend court as ambassadors, and lend their rational,

mathematical minds to universities as scholars and teachers. As the treaty's anniversary draws near, however, tensions are high. Seraphina has reason to fear both sides. An unusually gifted musician, she joins the court just as a member of the royal family is murdered. While a sinister plot to destroy the peace is uncovered, Seraphina struggles to protect the secret behind her musical gift, one so terrible that its discovery could mean her very life. Seraphina's tortuous journey to self-

acceptance will make a magical, indelible impression on its readers. *Jonathan Strange and Mr Norrell* Bloomsbury Publishing USA In the Hugo-award winning, epic New York Times Bestseller and basis for the BBC miniseries, two men change England's history when they bring magic back into the world. In the midst of the Napoleonic Wars in 1806, most people believe magic to have long since disappeared from England - until the reclusive Mr.

Norrell reveals his powers and becomes an overnight celebrity. Another practicing magician then emerges: the young and daring Jonathan Strange. He becomes Norrell's pupil, and the two join forces in the war against France. But Strange is increasingly drawn to the wild, most perilous forms of magic, and he soon risks sacrificing his partnership with Norrell and everything else he holds dear. Susanna Clarke's brilliant first novel is an utterly

compelling epic tale of nineteenth-century England and the two magicians who, first as teacher and pupil and then as rivals, emerge to change its history.

A Game of English Magick

Robert Laffont

A fantasy classic by the author of *The House with a Clock in Its Walls*—basis for the Jack Black movie—and “a writer who knows what wizardry is all about” (Ursula K. Le Guin). A richly imaginative story of wizards stymied by a power beyond their control, *A Face in the*

Frost combines the thrills of a horror novel with the inventiveness of fairy tale-inspired fantasy. Prospero, a tall, skinny misfit of a wizard, lives in the South Kingdom—a patchwork of feuding duchies and small manors, all loosely loyal to one figurehead king. Along with his necromancer friend Roger Bacon, who has been on a quest to find a mysterious book, Prospero must flee his home to escape ominous pursuers. Thus begins an adventure that will lead him to a grove

where his old rival, Melichus, is falsely rumored to be buried and to a less-than-hospitable inn in the town of Five Dials—and ultimately into a dangerous battle with origins in a magical glass paperweight. Lin Carter called *The Face in the Frost* one of “the best fantasy novels to appear since *The Lord of the Rings* . . . Absolutely first class.” With a unique blend of humor and darkness, it remains one of the most beloved tales by the Edgar Award-nominated author

also known for the long-running Lewis Barnavelst series.

Wittgenstein's Poker

University of Texas Press
One of NPR's 50 Favorite Sci-Fi and Fantasy Books of the Past Decade
Magic and mayhem clash with the British elite in this whimsical and sparkling debut. The Royal Society of Unnatural Philosophers maintains the magic within His Majesty's lands. But lately, the once proper institute has fallen into disgrace, naming an altogether unsuitable gentleman as their

Sorcerer Royal and allowing England's stores of magic to bleed dry. At least they haven't stooped so low as to allow women to practice what is obviously a man's profession... At his wit's end, Zacharias Wythe, Sorcerer Royal of the Unnatural Philosophers, ventures to the border of Fairyland to discover why England's magical stocks are drying up, an adventure that brings him in contact with Prunella Gentlewoman, a woman with immense power and an unfathomable gift, and

sets him on a path which will alter the nature of sorcery in all of Britain—and the world at large...

Thursbitch Watkins Media Limited

The book that New York Times bestselling author Neil Gaiman considers "one of the finest [fantasy novels] in the English language." Between the mountains and the sea, between the sea and Fairyland, lay the Free State of Dorimare and its picturesque capital, Lud-in-the-Mist. No Luddite ever had any truck with

fairies or Fairyland. Bad business, those fairies. The people of Dorimare had run them out generations ago--and the Duke of Dorimare along with them. Until the spring of his fiftieth year, Master Nathaniel Chanticleer, Mayor of Lud-in-the-Mist and High Seneschal of Dorimare, had lived a sleepy life with his only son, Ranulph. But as he grew, Ranulph was more and more fond of talking nonsense about golden cups, and snow-white ladies milking azure cows,

and the sound of tinkling bridles at midnight. And when Ranulph was twelve, he got caught up with the fairies, and Nathaniel's life would never be the same. *Roman* Bloomsbury USA In nineteenth-century England, all is going well for rich, reclusive Mr Norell, who has regained some of the power of England's magicians from the past, until a rival magician, Jonathan Strange, appears and becomes Mr Norrell's pupil.

Middlegame Open Road Media

A meditation on the Victorian novel and a sprawling epic tale of a man's quest for his identity follows John Huffman as he journeys to the heart of the Quincunx to reveal his elusive past [War for the Oaks](#) Macmillan "This masterful work positions Lu among the vanguard of contemporary futurism and speculative fiction."—Publishers Weekly, starred review In the tradition of Italo Calvino's *Invisible Cities*, debut author S. Qiouyi Lu

has written a multifaceted story of borders, power, diaspora, and transformation with *In the Watchful City*. The city of Ora is watching. Anima is an extrasensory human tasked with surveilling and protecting Ora's citizens via a complex living network called the Gleaming. Although her world is restricted to what she can see and experience through the Gleaming, Anima takes pride and comfort in keeping Ora safe from harm. When a mysterious outsider enters the city carrying a

cabinet of curiosities from around with the world with a story attached to each item, Anima's world expands beyond the borders of Ora to places—and possibilities—she never before imagined to exist. But such knowledge leaves Anima with a question that throws into doubt her entire purpose: What good is a city if it can't protect its people? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Jonathan Strange and Mr Norrell Osprey Publishing True crime meets cultural history in this story of how America's interstate highway system opened a world of mobility and opportunity . . . for serial killers. Starting in the 1950s, Americans eagerly built the planet's largest public work: the 42,795-mile National System of Interstate and Defense Highways. Before the concrete was dry on the new roads, however, a specter began haunting them: the highway killer. He went by many names:

the “Hitcher,” the “Freeway Killer,” the “Killer on the Road,” the “I-5 Strangler,” and the “Beltway Sniper.” Some of these criminals were imagined, but many were real. The nation’s murder rate shot up as its expressways were built. America became more violent and more mobile at the same time. Killer on the Road tells the entwined stories of America’s highways and its highway killers. There’s the hot-rodding juvenile delinquent who led the National Guard on a

multistate manhunt; the wannabe highway patrolman who murdered hitchhiking coeds; the record promoter who preyed on “ghetto kids” in a city reshaped by freeways; the nondescript married man who stalked the interstates seeking women with car trouble; and the trucker who delivered death with his cargo. Thudding away behind these grisly crime sprees is the story of the interstates—how they were sold, how they were built, how they reshaped the nation—and how we

came to equate them with violence. Through the stories of highway killers, we see how the “killer on the road,” like the train robber, the gangster, and the mobster, entered the cast of American outlaws, and how the freeway—conceived as a road to utopia—came to be feared as a highway to hell. “Strand . . . Explores the connection between America’s sprawling highway system and the pathology of the murderers who have made them a killing ground. . . . The grim

stories of murder on the highway may do for road trips what Jaws did for surfing. An interesting detour into a true-crime niche.” —Kirkus Reviews
 “Strand’s cross-threaded tales of drifters, stranded motorists, and madmen got its hooks into me.

Reading Ms. Strand’s thoughtful book is like driving a Nash Rambler after midnight on a highway to hell.” —Dwight Garner, The New York Times
 “A titillating, clever volume that mixes the sweeping sociological

assertions of an urban-studies textbook with the chilling gore of true-crime stories.” —Bookforum
 “Ginger Strand is in possession of a sharp eye, a biting wit, a beguiling sense of fun—and a magnificent obsession.” —Bloomberg
