 Wicca, a positive, Earth-based spiritual practice, is both old and new, traditional and ever-changing- and Michele Morgan has captured its essence in this small book. She invites readers to follow their hearts into a spiritual practice that has sustained ancestors from time immemorial. In Simple

Wicca, practitioner Michele Morgan dispels the many myths that surround this centuries-old tradition, explains its main tenets, and offers interested readers the basics of how to begin to practice. While other books have been written on Wicca, none are as straightforward and easy to follow. Simple Wicca offers not only practical guidance in the craft, but also an emotional and spiritual understanding of the practice. *Spellbound* Seal Press

Need to bless a newborn babe? Wondering what color candle to use for a winter handfasting? What herbs are best to use when the Moon is in Cancer? Magick is intent, but any witch will tell you that intent requires forethought and preparation. And even the most seasoned ritualist needs a reference to determine the best timing and most powerful ingredients for their magical work. From Solstice to Saturday to Seven O' Clock, from Vervain to Mandrake to Amber, using the right magickal correspondences strengthens any spell, ceremony, or ritual. Here Eileen Holland has gathered together a wealth of magickal knowledge, complete with everything from hours, days, weeks,

and astrological alignment to proper corresponding plants, animals, oils, herbs, and deities, and compiled them into the ultimate reference book for anyone seeking guidance in creating their own enchantments . Includes a glossary of less familiar terms and deities, as well as a glossary of ingredients.
