Since We're Friends Workman Publishing Company

Seven People, Seven Amazing Stories A Wall Street broker, a party girl, a student, a homeless man, an addict, a teenage mom, a drug enforcer—all of them spiraling out of control. Each has a reason to despair and a wound that won't heal. Until something unexpected happens—something that will change their lives forever. The Rescue tells the powerful, true stories of men and women whose lives should have ended badly but didn't. What happens to each of them will take you by surprise and give you hope. It will restore your sense that no matter what you are facing, Someone good is in control of the universe. Fortunately, that Someone cares about you. If you or people you care about are facing challenges beyond their strength, it may be time to experience The Rescue.

Announcing a brand new idea in publishing books for babies: the completely durable, completely safe Indestructibles. Published on the same paper-like material used in shipping envelopes, Indestructibles are 100% baby-proof: chew-proof, drool-proof, and rip-proof. That's because Indestructibles not only will not tear or turn gummy with teething, but they are also completely washable. Indestructibles are also energetic, beautiful, and created just for baby. The printing material reproduces color artwork with uncommon depth, and with no residual inkiness; the artwork, paintings by Kaaren Pixton and reminiscent of Eric Carle, is happy, each page a simple, colorful image of an animal or bird or insect against a rich, textured background. The effect is 3D-like and completely visual. There are no words, making each perfect for parents and babies to look at together, with mom or dad telling the story. Three titles launch the series: *Creep! Crawl!* about animals that crawl, *Flutter! Fly!* about animals that fly, and *Wiggle! March!* about farm animals—books babies can really sink their teeth into.

[Indestructibles: Baby Night-Night](#) Charlesbridge

Featuring spreads each with raised shaped objects that fit into scooped cutouts on their opposite page, these two new TouchThinkLearn books offer the youngest learners an irresistible opportunity to explore their universe in a hands-on, multisensory way. Seeing the image, tracing its shape, saying its name: these modes of perception combine in a dynamic way to stimulate understanding of essential concepts. Discover—and experience a train by tracing the raised railcar on one side and feeling the excavated shape of the track on the other! Clusters of related words on each spread offer parents and children a springboard for further conversations to encourage the language skills so crucial to later successful learning. In a format unlike any other, these groundbreaking books translate abstract thought into tangible knowledge.
