"God bids us to "come unto him..." We have been given a great invitation to "come boldly" into His presence that we may find help and strength. If we will draw close to Him he has promised to reward us by drawing close to us. The more you spend time in His presence, the more you will say like Moses, "If you don't go with us we will not go..." "Tobe Momah MD will give you the valuable keys to God's presence to help you Stay in Tune. Dr. Momah is a phenomenal teacher who flows in the gift of revelation and wisdom. As his Pastor I can assure you that he not only teaches this truth, he lives it! Dr. Momah can help you find that wonderful place of intimacy with God so that His mighty power might be demonstrated in your life daily!" Pastor Shane Warren The Assembly West Monroe, LA This book is written with the desire to see an accentuated spiritual experience among believers. Psalms 91:1 says, "He that dwelleth in the secret place of the most high shall abide under the shadow of the Almighty." The word interpreted, as dwell in the Hebrew is Yoseb and it means to sit in a disarticulated position. Any believer who stays in tune with God or S.I.T.s in His presence will experience the shadow of the Almighty around them like a worn garment.

The Handbook for the End Times Made for Success Publishing

Understand the connection between the Old Testament and the end times, what to expect during the last days, and how to stand firm in Christ in the face of opposition. Rabbi K. A. Schneider decodes the Book of Revelation, showing how the end-time events prophesied in the New Testament book correspond with the teachings of the Torah and the Hebrew prophets. You will discover how the Passover foreshadows the great tribulation, and what the Hebrew prophets reveal about the anti-Messiah, Armageddon, hell, the return of the Messiah, the millennial kingdom, heaven, and much more. As the world grows darker and darker, many people have a sense of impending doom. This book will teach you what to expect during the last days and how to stand firm in Christ even in the face of opposition.

Fear is a form of torment the enemy tries to plague people with in order to paralyze them, to steal their purpose and destiny from God's best. None of us is immune to these attacks. Jesus came to destroy fear and set the captives free. Speaking as one whom Jesus Christ set free from the devil's grip, John Ramirez, once a satanic high priest, exposes the tormenting weapons of fear of our number one spiritual enemy, the devil, and equips and arms believers with the weapons of our warfare that God has given us through his Son, Jesus Christ, to abort the enemy's mission. In this book, *Destroying Fear*, you will learn how to get back your peace and purpose and walk fearless into your destiny by dismantling every stronghold and stopping the enemy's attacks once and for all, for a life of freedom!

The darkest time in all of history, as well as the most brilliant for the people of God, lies before us. Jesus' own words about the wheat and the weeds warn us of this: "Let both grow together until the harvest." In a hopeful, inspiring call to action, bestselling author and pastor Don Finto challenges believers the world over to become radical, God-empowering, miracle-working, people-rescuing followers of Jesus as the final harvest nears. Delving into Scripture, he shows how we can prepare for the exciting possibilities of the days ahead, including how to press into the light, shine more brightly in the deepening darkness, protect ourselves during the ultimate Passover, watch for the signs of Jesus' return, wrestle for victory, and more! Evil may be on the rise. But even greater is God's army--and our best days lie ahead.

This book examines the contributions, both intentional and unintentional, of Nigerian Pentecostal churches and NGOs to development, studying their development practices broadly in relation to the intersecting spheres of politics, economics, health, education, human rights, and peacebuilding. In sub-Saharan Africa, Pentecostalism is fast becoming the dominant expression of Christianity, but while the growth and civic engagement of these churches has been well documented, their role in development has received less attention. The Nigerian Pentecostal landscape is one of the most vibrant in Africa. Churches are increasingly assuming more prominent roles as they seek to address the social and moral ills of contemporary society, often in fierce competition with Islam for dominance in Nigerian public space. Some scholars suggest that the combination of an enchanted worldview, an emphasis on miracles and prosperity teaching, and a preoccupation with evangelism discourages effective political engagement and militates against development. However, Nigerian Pentecostalism and Development argues that there is an emerging movement within contemporary Nigerian Pentecostalism which is becoming increasingly active in development practices. This book goes on to explore the increasingly transnational approach that churches take, often seeking to build multicultural congregations around the globe, for instance in Britain and the United States. Nigerian Pentecostalism and Development: Spirit, Power, and Transformation will be of considerable interest to scholars and students concerned with the intersection between religion and development, and to development practitioners and policy-makers working in the region.

Early to bed, early to rise, what? "So teach me to number my days, that I might apply my heart unto wisdom" (Psalm 90:12). You don't count your days, you number your days and make your years count. Then can it be said that you lived. Then can it be said that you lived. Then can it be said that you lived. There is no celebration for someone who achieved. There is no celebration for someone who achieved at eighty. What he would have achieved at age twenty. Since there must be a doing, why do it when you are old? I think it is of uttermost benefit to the door to have an early start-the-doing-and-on early finish, leading to a lifetime celebration Early to Bed, Early to Rise is a wake-up call to everyone to make the most of them now for you don't learn to walk at age twenty, you should be aiming at touch of the skies.
