**Kiki & Jax** Ten Speed Press  
 #1 NEW YORK TIMES BESTSELLER • The book that sparked a revolution and inspired the hit Netflix series *Tidying Up with Marie Kondo*: the original guide to decluttering your home once and for all. ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE—CNN Despite constant efforts to declutter your home, do papers still accumulate like snowdrifts and clothes pile up like a tangled mess of noodles? Japanese cleaning consultant Marie Kondo takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you'll never have to do it again. Most methods advocate a room-by-room or little-by-little

approach, which doom you to pick away at your piles of stuff forever. The KonMari Method, with its revolutionary category-by-category system, leads to lasting results. In fact, none of Kondo's clients have lapsed (and she still has a three-month waiting list). With detailed guidance for determining which items in your house "spark joy" (and which don't), this international bestseller will help you clear your clutter and enjoy the unique magic of a tidy home—and the calm, motivated mindset it can inspire.

### **Code to Joy** Stash Books

A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the

boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, *Lord of the Flies* is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on *Lord of the Flies* by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom

and at home.

**The Unexpected Joy of the Ordinary**

Ave Maria Press

“Playful, smart, easy to implement, and, dare I say, punk rock, this book will wake you up to your personal power and remind you just how enjoyable your life, and work, can be.”—Jen Sincero, #1 New York Times bestselling author of *You Are a Badass* WINNER OF THE PORCHLIGHT BUSINESS BOOK AWARD “You don’t have to turn into a corporate drone to kick ass in the working world,” says inspirational speaker Tania Katan. After more than ten years of smuggling creativity into the business sector, Katan is here to tell you that any task or pursuit can be a creative one. You just need to be willing to defy conformity and be ready to conjure imagination anywhere, at any time. That’s where *Creative Trespassing* comes in. *Creative Trespasser* /cre-at-ive tres-pass-er/ noun 1: Someone who sneaks creativity and imagination into the most mundane tasks or buttoned-up workplaces. 2: Someone who finds extraordinary ideas in ordinary places. 3: Someone who uses creativity as fuel for a freer, more joyful life. Peppered with stories of her own shenanigans—from organizing a wrestling match in the middle of an art museum to staging a corporate culture intervention via post-its—and lessons from the rule-breaking exploits of artists, change-makers, and totally legit business leaders alike, *Creative Trespassing* is a rollicking, uninhibited guide to using creativity as fuel for a freer and more joyful life. Whether you’re seeking new ways to innovate, trying to spice up routine entry-level work, or looking to bring more of your rich creative life into your day job, Katan shows you how to transform monotony into novelty and be more energized in your work and in the world.

Solve for Happy New Directions Publishing Shannah Kennedy, author of *The Life Plan*, takes you on a journey to accept change, heal, reset and move forward with clarity, direction and purpose once again. Change can turn our plans, our lives and our dreams upside down. Whether you have faced a redundancy, dealt with a break-up, been in an accident, lost a loved one, had a health scare, or been impacted by an economic downturn, your ability to navigate through the change process and create an alternative plan will be the key to your future happiness. Shannah Kennedy has created a simple yet powerful four-part guide that is designed to give you the confidence to accept, heal, grow and adapt. Full of practical tips and exercises to help you process your emotions, restore and recover, shift your

mindset, set clear goals and take control, Plan B is your roadmap to finding happiness once again.

**A Little Spark** Chronicle Books

The International ADHD Coach Training Center is a coach-training program that prepares its graduates to confidently coach persons with ADHD and create coaching businesses that are profitable and sustainable. Laurie Dupar established the International ADHD Coach Training Center in 2015 with the goal of preparing coaches to work competently and confidently with a broad spectrum of individuals, families, and groups living with ADHD. Upon completion of the International ADHD Coach Training Center graduates will have earned a Certified ADHD Life Coach (CALC) designation and be well on their way to meeting the credentialing application requirements for the International Coach Federation (ICF) . *Spark Joy* Crown Currency

Life is noisy. But what would happen if every day - for the next 40 days - you soaked in God's love as He intimately whispered words of rest just for you? *Whispers of Rest* is a 40-day devotional detox for your soul, a spiritual journey to refresh you and guide you to greater peace, while helping you discover who God truly made you to be: His beloved. Renew your spirit with powerful affirmations of God's love with uplifting words of Scripture, journaling prompts for reflection, and practical challenges to spark joy. Bonnie will lead you to places of rest, where you can deeply experience the Savior's presence in your everyday life. This beautiful guidebook will create space for your soul to breathe: *Soul Care Tips & Trail Notes* - Reduce stress and nurture your body and spirit. *Daily Beloved Challenges* - Brighten your day by taking simple soul care actions. *A Simple Prayer Practice* - Deepen your intimacy with God through easy-to-enjoy prayer prompts, inspired by classic devotional practices. A lot can happen in 40 days. A new rhythm. A new heart. A renewed faith. Transform your life as you take the journey to say yes to God, embrace your true identity, rediscover your dreams, and begin your healing. Dare to enjoy each day fully and celebrate your calling as the beloved.

Beowulf Chronicle Books

The *Lacanian Review* (TLR) is a semiannual English-language journal of psychoanalysis, with bilingual (French - English) presentations of texts by Jacques Lacan and Jacques-Alain Miller. TLR publishes writing from prominent international figures of the Lacanian Orientation, featuring new theoretical developments in psychoanalysis,

testimonies of the pass, dialogues with other discourses, and articles on contemporary culture, politics, art and science. Each issue explores a theme intersecting the symptoms of our era and emerging work in the New Lacanian School (NLS) and the World Association of Psychoanalysis (WAP). In issue 6 of *The Lacanian Review* (TLR), there is not a moment to lose. The acceleration of culture and the vertiginous pressure of the drive seem to collapse the instant to see, the time to understand and the moment to conclude. The urgent subject of the now cannot catch up to rapid cycles of political upheaval and social media streams turned into torrents of data. Production overflows consumption in a tidal wave of imaginary cacophony. How does psychoanalysis today respond to urgent times? For its 6th issue, *The Lacanian Review* (TLR) tasks the signifier, Urgent!, to orient the work of the New Lacanian School (NLS) in examining the urgent cases that occupy our clinic in preparation for the 2019 NLS Congress in Tel Aviv: ¡URGENT! Tracing the edge of the latest Lacan, Bernard Seynhaeve (President of the NLS) curated a series of newly established texts by Jacques Lacan and Jacques-Alain Miller, translated by Russell Grigg, appearing in the first ever bilingual featured section of TLR. Four lessons from the seminars of Jacques-Alain Miller frame this issue. TLR 6 draws heavily from the work of the current Analysts of the School to explore four new fundamental concepts of psychoanalysis: Pass, Real Unconscious, Urgent Cases, and Satisfaction. Interviews with Angelina Harari (President of the WAP), Ricardo Seldes (Director of Pausa), and Lee Edelman (Professor of English Literature at Tufts University) elaborate fundamental concepts across the work of the School One, the clinic of applied analysis, and literary theory in dialogue with psychoanalysis. A groundbreaking orientation text by Éric Laurent from the 2018 Congress of the World Association of Psychoanalysis (WAP) will be published for the first time in English, along with clinical cases exploring transference and psychosis. And finally, approaching the problem of temporality in psychoanalysis, this issue spans Freudian time-management to the logic of the cut in the Lacanian Orientation. TLR is published by the New Lacanian School (amp-nls.org) and distributed by the Lacanian Compass Bookshop (lacaniancompass.com) and Eurl Huysmans (ecf-echoppe.com). *The Handmaid's Tale* Penguin Marie Kondo will help you declutter your life with her new major Netflix series *Organise the World with Marie Kondo*

Spark Joy is an in-depth, line illustrated, room-by-room guide to decluttering and organising your home, from bedrooms and kitchens to bathrooms and living rooms as well as a wide range of items in different categories, including clothes, photographs, paperwork, books, cutlery, cosmetics, shoes, bags, wallets and valuables. Charming line drawings explain how to properly organise drawers, wardrobes, cupboards and cabinets. The illustrations also show Ms Kondo's unique folding method, clearly showing how to fold anything from shirts, trousers and jackets to skirts, socks and bras. The secret to Marie Kondo's unique and simple KonMari tidying method is to focus on what you want to keep, not what you want to get rid of. Ask yourself if something 'sparks joy' and suddenly it becomes so much easier to understand if you really need it in your home and your life. When you surround yourself with things you love you will find that your whole life begins to change. Marie Kondo's first book, *The Life-Changing Magic of Tidying*, presents her unique tidying philosophy and introduces readers to the basics of her KonMari method. It has already transformed the homes and lives of millions of people around the world. Spark Joy is Marie Kondo's in-depth tidying masterclass, focusing on the detail of how to declutter and organise your home.

Hidden within each is a spark of the Divine. We search for it in the far reaches of the most distant quasars and within the smallest quarks in the atom. Yet, its mysteries lay waiting to be uncovered within us. *Spark of the Divine*, by world-renowned spiritual Master of meditation on the inner light and sound, Sant Rajinder Singh Ji Maharaj, describes the journey taken by those who have discovered these secrets. It is not a knowledge reserved for the few; it is available to all. The way is simple. We can bask in the eternal sunshine. Through meditation, we can experience spiritual realms of consciousness. He has taken this journey and provides us with an easy blueprint. A must-read book for anyone who wants a simple meditation practice to experience for one's self the wonders within us.

**Life-changing Magic** Harper Collins

In this "powerful personal story woven with a rich analysis of what we all seek" (Sergey Brin, cofounder of Google), Mo Gawdat, Chief Business Officer at Google's [X], applies his superior logic and problem solving skills to understand how the brain processes joy and sadness—and then he solves for happy. In 2001 Mo Gawdat realized that despite his incredible

success, he was desperately unhappy. A lifelong learner, he attacked the problem as an engineer would: examining all the provable facts and scrupulously applying logic. Eventually, his countless hours of research and science proved successful, and he discovered the equation for permanent happiness. Thirteen years later, Mo's algorithm would be put to the ultimate test. After the sudden death of his son, Ali, Mo and his family turned to his equation—and it saved them from despair. In dealing with the horrible loss, Mo found his mission: he would pull off the type of "moonshot" goal that he and his colleagues were always aiming for—he would share his equation with the world and help as many people as possible become happier. In *Solve for Happy* Mo questions some of the most fundamental aspects of our existence, shares the underlying reasons for suffering, and plots out a step-by-step process for achieving lifelong happiness and enduring contentment. He shows us how to view life through a clear lens, teaching us how to dispel the illusions that cloud our thinking; overcome the brain's blind spots; and embrace five ultimate truths. No matter what obstacles we face, what burdens we bear, what trials we've experienced, we can all be content with our present situation and optimistic about the future.

**A Spark of Light** Courier Corporation  
What's at stake when a woman from Michigan—who's always stood out at six feet tall—tries to fit in on a remote island in Japan? Stacy Gleiss's captivating memoir answers just that. After a childhood defined by a horrific car accident, Gleiss spends years trying to regain a sense of identity; eventually making her way across the globe where she falls in love with the enchanting culture of Japan. But as Gleiss becomes increasingly immersed in the Japanese way of life—first as a teenage bride and then as a mother—she discovers this faraway land isn't as perfect as she first imagined. *The Six-Foot Bonsai* goes behind closed doors in a traditional Japanese family during the 1980s and '90s, uncovering harsh truths. Gleiss must learn how to transform herself into the ideal Japanese housewife in a culture that holds females to particularly high standards. At the same time, a shocking revelation about her husband tests everything Gleiss once thought she believed in. A detailed look at the Japanese traditions of marriage, womanhood, and child exploitation, *The Six-Foot Bonsai* is an intimate account of what it's like to discover a new place while also discovering yourself. "Only someone like Stacy Gleiss, once immersed in a

mysterious, all-encompassing, and nearly-cultic culture, could write a book with the authenticity and heart of *The Six-Foot Bonsai*. Her vulnerability to the aching losses of everything she loved, described dispassionately and with great detail, paves the way for a surprising redemption in the end." Dr. Latayne C. Scott, author of books on cults, including *The Mormon Mirage*

**The Art of Discarding** HarperCollins Leadership

*The Life-Changing Magic of Tidying Up: The Japanese Art of Decluttering and Organizing* | Book Summary (BONUS INSIDE) Marie Kondo is a life changer who has devoted 80% of her life to the study of tidying as well as teaching it. Although people may be skeptical as to why a person would spend her life on such a subject, Kondo has developed a fool-proof method. The Secret to Success is to discard the things you don't need, then organize as you go. Now that may seem simple, but it is easier said than done, and this is what Kondo has come to realize through her own experiences. This is not just a book about keeping your home clean. Kondo not only provides you the path to a well-kept environment, but her method also allows you to change your lifestyle and your perspective for the better. She has deduced that when you put your house in order, you put your affairs and your past in order, too. It is a guide book to help you acquire the right mindset to be a tidy person. According to Kondo, success is 90% dependent on mindset, and we all want to be successful. Here Is A Preview Of What You'll Learn... Why can't I keep my house in order? Finish discarding first Tidying by category works like magic Storing your things to make your life shine The magic of tidying dramatically transforms your life The Book at a Glance Conclusion Final Thoughts Now What? We've been conditioned to think about creative genius as a dichotomy: dreamers versus doers, creativity versus discipline, the spark versus the grind. But what if we're wrong? What if it's the spark and the grind? We love people whose creative genius arrives in sudden sparks of inspiration. Think of Archimedes in his bathtub or Newton under his apple tree. But we also admire people who work incredibly hard and long for their creative

breakthroughs. Think of Edison in his lab, grinding through hundreds of failed variations on the lightbulb. We remember his words in tough times: “Genius is 1 percent inspiration, 99 percent perspiration.” Now Erik Wahl, a visual artist, speaker, and entrepreneur, helps us unite the yin and yang of creativity—the dynamic new ideas with the dogged effort. He shows why we won’t get far if we rely on the spark without the grind, or the grind without the spark. What the world really needs are the creators who can hold the two in balance. Fortunately, it’s possible to get good at both, as Wahl knows from experience. After his corporate career suddenly ended, he pursued a spark—to paint photorealistic portraits—and ground it out until he got good enough to make very good art very quickly. That’s the basis of his riveting live shows, which have captivated skeptical audiences who never expected to be inspired by art—and taught them to embrace creativity in a whole new way. This book offers surprising insights and practical advice about how to fan the sparks and make the grind more productive. Wahl deftly synthesizes the wisdom of other artists, philosophers, scientists, and business visionaries throughout history, along with his own views. Here’s how he sums up his approach: The world needs people who enjoy swimming in ideas until they discover a great one. The world also needs doers who have a gift for activation, a.k.a. “getting s\*\*\* done.” But the most potent individual creators in any industry or environment have learned how to be both. They’ve learned how to spark their grind and they’ve learned how to grind their sparks. As a result, they not only make things happen, they make great things. If you want to ensure constant creativity in your life and produce your most innovative work—this is your guide.

**The Six-Foot Bonsai** Faber & Faber International tidying superstar and New York Times bestselling author Marie Kondo brings her unique method to young readers in this charming story about how tidying up creates space for joy in all parts of your life, co-written and illustrated by beloved children’s book veteran Salina Yoon. The KonMari Method inspires a charming friendship story that is sure to spark joy! Kiki and Jax are best friends, but they couldn’t be more different. The one thing they always agree on is how much fun they have together. But when things start to get in the way, can they make space for what has always sparked joy—each other?

**My Stroke of Insight** Crown Books for

Young Readers

“Code to Joy offers a simple, powerful, and brilliant method for experiencing authentic happiness from the inside out . . . the basis of outer success.” —Marci Shimoff, New York Times bestselling author of *Happy for No Reason* We are meant to be happy. Instinctively, we all know this, somewhere deep inside. We all know what it’s like to feel a burst of delight. Every one of us has at some point in our lives experienced a sense of ecstatic joy, of euphoria at the sheer sensation of being alive. Have you ever wondered why that experience has to be so rare and fleeting? The answer is, it doesn’t. —from *Code to Joy* All the positive thinking, affirmations, talk therapy, and pharmaceuticals in the world will never be enough to make us as happy as we were designed to be, according to acclaimed clinical psychologists George Pratt, PhD, and Peter Lambrou, PhD. That’s because those approaches fail to address a third aspect of the human organism, one that bridges the gap between mind and body: the biofield. Combining six decades of clinical experience with cutting-edge research, Drs. Pratt and Lambrou have developed a revolutionary program for rediscovering (and then never again letting go of) your innate happiness in four simple, proven steps. Pratt and Lambrou’s program has already transformed the lives of more than 45,000 clients, including professional athletes, top executives, and celebrities. Code to Joy can transform yours, too, with all the science-based tools and guidance you need to complete the process of becoming a more focused, more powerful, and more deeply joyful you. “Drs. Lambrou and Pratt’s work has had a fabulous impact on my life.” —Ken Blanchard, Ph.D., #1 New York Times bestselling author

**Spark Creativity** Hachette UK

Finest heroic poem in Old English celebrates the exploits of Beowulf, a young nobleman of southern Sweden. Combines myth, Christian and pagan elements, and history into a powerful narrative. Genealogies.

**The Lacanian Review** 6 Simon and Schuster

#1 NEW YORK TIMES BESTSELLER • The author of *Small Great Things* returns with a powerful and provocative new novel about ordinary lives that intersect during a heart-stopping crisis. “Picoult at her fearless best . . . Timely, balanced and certain to inspire debate.”—The Washington Post The warm fall day starts like any other at the Center—a women’s reproductive health services clinic—its staff offering care to anyone who passes

through its doors. Then, in late morning, a desperate and distraught gunman bursts in and opens fire, taking all inside hostage. After rushing to the scene, Hugh McElroy, a police hostage negotiator, sets up a perimeter and begins making a plan to communicate with the gunman. As his phone vibrates with incoming text messages he glances at it and, to his horror, finds out that his fifteen-year-old daughter, Wren, is inside the clinic. But Wren is not alone. She will share the next and tensest few hours of her young life with a cast of unforgettable characters: A nurse who calms her own panic in order to save the life of a wounded woman. A doctor who does his work not in spite of his faith but because of it, and who will find that faith tested as never before. A pro-life protester, disguised as a patient, who now stands in the crosshairs of the same rage she herself has felt. A young woman who has come to terminate her pregnancy. And the disturbed individual himself, vowing to be heard. Told in a daring and enthralling narrative structure that counts backward through the hours of the standoff, this is a story that traces its way back to what brought each of these very different individuals to the same place on this fateful day. One of the most fearless writers of our time, Jodi Picoult tackles a complicated issue in this gripping and nuanced novel. How do we balance the rights of pregnant women with the rights of the unborn they carry? What does it mean to be a good parent? A Spark of Light will inspire debate, conversation . . . and, hopefully, understanding. Praise for *A Spark of Light* “This is Jodi Picoult at her best: tackling an emotional hot-button issue and putting a human face on it.”—People “Told backward and hour by hour, Jodi Picoult’s compelling narrative deftly explores controversial social issues.”—Us Weekly

**God Moments** Aster

Discover your unique imprint for work that makes you come alive, fills you with meaning, joy, purpose, and possibility, then spend the rest of your life doing it. We’re all born with a certain “imprint” for work that makes us come alive. This is your “Sparketype®,” your DNA-level driver of work that lets you know, deep down, you’re doing what you’re here to do. Work that motivates you, fills you with purpose and, fully-expressed in a healthy way, becomes a main-line to meaning, flow, performance, and joy. Put another way, work that “sparks” you. Sparked draws upon years of research, experimentation, more than 25-million data-points generated by over half-a-million people, and hundreds of deep-dive conversations

with luminaries from science to art to industry and wellbeing. Award-winning author, serial wellness-industry founder, and host of the top-ranked Good Life Project®, Jonathan Fields, and his team at Spark Endeavors, developed the Sparketype imprints and methodology that is the basis of this book. In this book, Fields and his team will help you: Discover what sparks you, what drains you, where you stumble and come alive, so you can reclaim a sense of direction, control, and purpose; Understand the “real” reasons certain experiences, jobs, and roles leave you empty and know how to make things better, without having to endure big disruptive changes; Learn from real-world, relatable stories, case-studies, and data-driven insights; Identify the action steps to begin immediately transforming the way you work and live. Sparked takes you deep into the world of the Sparketypes, revealing an entirely new depth of insights about what makes you come alive in work life, along with what empties you out and trips you up, so you can avoid those life-drains. You’ll discover tons of case studies, stories, and real-world applications, creating a comprehensive guide to help you discover what you are meant to do and how to get started.

**Sparked** Ballantine Books

\*\*From the Sunday Times Bestselling Author\*\* Life-affirming - THE TELEGRAPH Wonderful - INDEPENDENT She made it her mission to learn how to be default happy rather than default disgruntled - RADIO 4 - WOMAN'S HOUR Take a leaf out of Gray's

book and be kinder to yourself by appreciating life just as it is - IRISH TIMES This book came to me in an hour of need - during lockdown when I had to focus on the positive, appreciate simple things, not lose my shit, and value each day. It was a pure joy for me and held my hand - SADIE FROST Interesting and joyful. Lights a path that could help us to build resilience against society's urging to compare life milestones with peers - LANCET PSYCHIATRY Underwhelmed by your ordinary existence? Disillusioned with your middlin' wage, average body, 'bijou' living situation and imperfect loved ones? Welcome to the club. There are billions of us. The 'default disenchanting'. But, it's not us being brats. Two deeply inconvenient psychological phenomena conspire against our satisfaction. We have negatively-biased brains, which zoom like doom-drones in on what's wrong with our day, rather than what's right. (Back in the mists of time, this negative bias saved our skins, but now it just makes us anxious). Also, something called the 'hedonic treadmill' means we eternally quest for better, faster, more, like someone stuck on a dystopian, never-ending treadmill. Thankfully, there are scientifically-proven ways in which we can train our brains to be more positive-seeking. And to take a rest from this tireless pursuit. Whew. Catherine Gray knits together illuminating science and hilarious storytelling, unveiling captivating research showing that big bucks don't mean big happiness, extraordinary experiences have a

'comedown' and budget weddings predict a lower chance of divorce. She reminds us what an average body actually is, reveals that exercising for weight loss means we do less exercise, and explores the modern tendency to not just try to keep up with the Murphys, but keep up with the Mega-Murphies (see: the social media elite). Come on in to this soulful and life-affirming read, to discover why an ordinary life may well be the most satisfying one of all.

*The Spark and the Grind* Penguin

Frankenstein is a novel by Mary Shelley. It was first published in 1818. Ever since its publication, the story of Frankenstein has remained brightly in the imagination of the readers and literary circles across the countries. In the novel, an English explorer in the Arctic, who assists Victor Frankenstein on the final leg of his chase, tells the story. As a talented young medical student, Frankenstein strikes upon the secret of endowing life to the dead. He becomes obsessed with the idea that he might make a man. The Outcome is a miserable and an outcast who seeks murderous revenge for his condition. Frankenstein pursues him when the creature flees. It is at this juncture that Frankenstein meets the explorer and recounts his story, dying soon after. Although it has been adapted into films numerous times, they failed to effectively convey the stark horror and philosophical vision of the novel. Shelley's novel is a combination of Gothic horror story and science fiction.
