 Classical criminology came into existence during the middle of the eighteenth century as a result of an aversion towards the barbaric system of justice and punishment of those days. Utopian and social contract writers Jeremy Bentham and Cesare Beccaria were the main proponents of this school of criminology.
 What is Classical Criminology | Actforlibraries.org
 Classical criminology is an approach to the legal system that arose during the Enlightenment in the 1700s (18th century). Philosophers like Cesare Beccaria, John Locke, and Jeremy Bentham expanded upon social contract theory to explain why people commit crime and how societies could effectively combat crime.

Criminology? (with pictures)
 In criminology, the Classical School usually refers to the 18th-century work during the Enlightenment by the utilitarian and social-contract philosophers Jeremy Bentham and Cesare Beccaria. Their interests lay in the system of criminal justice and penology and indirectly, through the proposition that "man is a calculating animal", in the causes of criminal behavior. The Classical School of thought was premised on the idea that people have free will in making decisions, and that punishment can be
