Tony Bramwell's remarkable life with The Beatles began in a post-war Liverpool suburb where he was childhood friends with John, Paul and George.

By the time he unexpectedly ran into George Harrison on top of a bus, Tony was well into a life story absolutely unlike any other. At Apple Record's insistence,

Tony stayed with The Beatles for every step of their meteoric rise. His story has been sought for over thirty years, and here it is, detailing with an insider's shrewd eye the incomparable success and inevitable failure of the Apple empire; Brian Epstein's frolics; Ken Kessy's Merry Pranksters; Phil Spector's eccentric behaviour; as well as never-heard-before stories about Yoko Ono. 'Magical Mystery Tours' reveals fresh insights that have never been published in any of the 800 plus books already on the market, including compelling details of the early recordings and songwriting and Yoko's pursuit of John and her growing influence over The Beatles' lives. From the

first number one to the last and from scraps of song lyrics to the discovery of the famous Mr Kite circus poster, this is a broad ranging account of the swinging sixties and the decade's most successful rock band. *Fast Cakes Elektrohas* A controversial figure of the postwar French literary and cultural scene, Marguerite Duras has exerted a powerful hold on readers around the world. This volume of interviews--hailed on its French publication as Duras's "secret confession"--offers readers a rich vein of new insight into her work, opinions, life, and relationships. The interviews that make up the book were conducted in 1987, when Italian journalist Leopoldina Pallotta

della Torre met the seventy-three-year-old Duras at her Paris flat and convinced her to sit for a series of conversations. The resulting book was published in Italian in 1989, but it somehow failed to attract a French publisher, and it was quickly forgotten. Nearly a quarter of a century later, however, the book was rediscovered and translated into French, and, it has now become a sensation. In its revealing pages, Duras speaks with extraordinary freedom about her life as a writer, her relationship to cinema, her friendship with Mitterand, her love of Chekhov and football, and, perhaps most significantly, her childhood in pre-war Vietnam, the

experiences that propelled her most famous novel, *The Lover*. A true literary event, finally available in English, *The Suspended Passion* is a remarkable document of an extraordinary literary life.

On the Trail of the Serpent SAGE

An elegant guide for preparing 100 cocktails, from the classic to the latest trends, from the famous to the most recent ones, this book provides original and easy recipes for all those who wish to show themselves as skilled bar-tenders when they entertain guests, without having any specific expertise and without investing too much time and money.

Everyone talks about

style, but no one explains it. The authors of this book do; and in doing so, they provoke the reader to consider style, not as an elegant accessory of effective prose, but as its very heart. At a time when writing skills have virtually disappeared, what can be done? If only people learned the principles of verbal correctness, the essential rules, wouldn't good prose simply fall into place? Thomas and Turner say no. Attending to rules of grammar, sense, and sentence structure will no more lead to effective prose than knowing the mechanics of a golf swing will lead to a hole-in-one. Furthermore, ten-step programs to better writing exacerbate the problem by failing to recognize, as Thomas

and Turner point out, that there are many styles with different standards. In the first half of *Clear and Simple*, the authors introduce a range of styles--reflexive, practical, plain, contemplative, romantic, prophetic, and others--contrasting them to classic style. Its principles are simple: The writer adopts the pose that the motive is truth, the purpose is presentation, the reader is an intellectual equal, and the occasion is informal. Classic style is at home in everything from business memos to personal letters, from magazine articles to university writing. The second half of the book is a tour of examples--the exquisite and the execrable--showing

what has worked and what hasn't. Classic prose is found everywhere: from Thomas Jefferson to Junichirō Tanizaki, from Mark Twain to the observations of an undergraduate. Here are many fine performances in classic style, each clear and simple as the truth. Originally published in 1994. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to

vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

\*\*\*NOW THE SUBJECT OF THE MAJOR BBC TV SERIES \*\*\* DISCOVER THE INCREDIBLE TRUE CRIME STORY OF SERIAL KILLER, CHARLES SOBHRAJ, AND THE RACE TO BRING HIM TO JUSTICE Charles Sobhraj remains one of the world's great con men, and as a serial killer, the story of his life and capture endures as legend. Born in Vietnam to a Vietnamese mother and Indian father, Sobhraj grew up with a fluid sense of identity,

moving to France before being imprisoned and stripped of his multiple nationalities. Driven to floating from country to country, continent to continent, he became the consummate con artist, stealing passports, smuggling drugs and guns across Asia, busting out of prisons and robbing wealthy associates. But as his situation grew more perilous, he turned to murder, preying on Western tourists dropping out across the 1970s hippie route, leaving a trail of dead bodies and gruesome crime scenes in his wake. First published in 1979, but updated here to include new material, *On the Trail of the Serpent* draws its readers into the story of Sobhraj's life as told

exclusively to journalists Richard Neville and Julie Clarke. Blurring the boundaries between true crime and novelisation, this remains the definitive book about Sobhraj - riveting tale of sex, drugs, adventure and murder.

With this widely acclaimed work, Michael Fried revised the way in which eighteenth-century French painting and criticism are viewed and understood. Analyzing paintings produced between 1753 and 1781 and the comments of a number of critics who wrote about them, especially Dennis Diderot, Fried discovers a new emphasis in the art of the time, based not on subject matter or style

but on values and effects.
