A research proposal is a document of
around 3000-4000 words outlining the
research you are going to undertake.

The majority of universities require PhD applicants to submit a research proposal when applying for a PhD position.

Guidelines for submission of DOCTORAL RESEARCH PROPOSAL

A research proposal should present your idea or question and expected outcomes with clarity and definition – the what. It should also make a case for why your question is significant and what value it will bring to your discipline – the why. What it shouldn't do is answer the question – that's what your research will do.
