### ANDREW ALVAREZ

A Novel Simon and Schuster

#1 New York Times bestselling author Kathy Reichs returns with her twenty-first taut novel of suspense featuring forensic anthropologist Temperance Brennan who, after receiving a box with a human eyeball in it, uncovers a series of ever more grisly killings eerily reenacting the most shocking of her prior cases. Winter has come to North Carolina and, with it, a drop in crime. For a while, temporarily idle forensic anthropologist Tempe Brennan is content to dote on her daughter Katy, finally returned to civilian life from the army. But when mother and daughter meet at Tempe's place one night for dinner, they find a box on the back porch. Inside: a very fresh human eyeball. GPS coordinates etched into the eyeball lead to a Benedictine Monastery where an equally macabre discovery awaits. Soon after, Tempe examines a mummified corpse in a state park, and her anxiety deepens. There seems to be no pattern to these random killings, except that each mimics in some way a killing that a younger Tempe witnessed, analyzed, or barely escaped. Who or what is targeting her, and why? Helping Tempe discover the answers is Detective Erskine "Skinny" Slidell, retired but still volunteering with the CMPD cold case unit—and still displaying his gallows humor. But as the two infiltrate a bizarre survivalist's lair, even Skinny's mood darkens. And then Tempe's daughter Katy disappears. At its core, *Cold, Cold Bones* is a novel of revenge and why revisiting the past may be the only way to rescue the present.

### Bones Never Lie Random House

In this blockbuster novel from bestselling author Kathy Reichs, forensic anthropologist Temperance Brennan investigates what looks to be a typical missing person case, only to find herself digging up bones possibly left by a serial killer, a cult, or perhaps something not entirely of this world. For every case that Temperance Brennan has solved, there remain numerous bodies that remain unidentified in her lab. Information on some of these cold cases is available online, where amateur detectives sometimes take a stab at solving cases. When Tempe gets a call from Hazel "Lucky" Strike, a web sleuth who believes she's successfully connected a body in Tempe's lab to a missing eighteen-year-old girl, Tempe writes it off as another false alarm. Still reeling from her mother's diagnosis and the shock of Andrew Ryan's potentially life-change proposal, Tempe has little patience for chasing false leads. But when the bones in the lab match the missing girl's medical records, Tempe re-opens the case, returning to the spot where her remains were originally found. What seems at first to be an isolated tragedy takes on a more sinister cast as Tempe uncovers two more sets of bones nearby. Even more troubling is that the area is known as a viewing point for a famous unexplained light phenomenon, and that a local cult nearby has significant interest in the site. Tempe's suspicions turn to murder by ritual sacrifice—a theory that gains even more urgency when Hazel herself turns up dead. Struggling to follow the tracks of a killer who will do anything not to be discovered, Tempe races to solve the murders and unravel the mysteries surrounding the site before the body count climbs higher. A suspenseful addition to Temperance Brennan's story, *Speaking in Bones* proves that Kathy's pulse-pounding *Bones* series never slows down.

**Bones of the Lost** Random House

Dr Temperance Brennan is in unfamiliar territory as she races to learn the truth from the bones – before it’s too late. A new, exclusive straight-to-digital short story from Kathy Reichs, world leading forensic anthropologist and No.1 bestselling author of *Deja Dead*, *Bones Are Forever* and *Bones of the Lost*. Dr. Tempe Brennan has seen it all. Human bones. Animal bones. Old bones. Young bones. Male bones. Female bones. What she hasn't seen is all of them mixed together in the same case. Until now. The foothills of North Carolina aren't the only unfamiliar territory Tempe faces as she races to learn the meaning of the Bones in Her Pocket. Multi-million copy, international bestselling thriller writer Kathy Reichs is an expert in forensic science, giving her fiction an authenticity other crime writers would kill for. *Bones In Her Pocket* also gives readers the first chance to read the opening chapters of Kathy’s new thriller, *Bones of the Lost*, out in August.

**Deja Dead** Simon & Schuster

Tory and the rest of the Virals are put to the ultimate test when they find a geocache containing an ornate puzzle box. Shelton decodes the cipher inside, only to find more tantalizing clues left by "The Gamemaster." A second, greater geocache is within reach—if the Virals are up to the challenge. But the hunt takes a dark turn when Tory locates the other box—it contains a fake bomb, along with a sinister proposal from The Gamemaster. Now, the real game has begun: another bomb is out there—a real one—and the clock is ticking.

*The Bone Collection* Simon and Schuster

A new story featuring forensic anthropologist Temperance Brennan—available only in ebook—from #1 New York Times bestselling author and FOX TV’s *Bones* producer, Kathy Reichs. When a fly-covered canvas bag floats to the surface of North Carolina’s Mountain Island Lake, forensic anthropologist Tempe Brennan is called to the scene. Animal remains? Or could this be related to bone fragments from a human male found nearby? To Tempe’s surprise, the decomposed body indicates the person was a female young adult. The profile fits the description of a missing graduate student named Edith Blankenship. Was Blankenship murdered? If so, why? Blankenship’s body turned up on an artist colony where an eco-radical named Herman Blount has been squatting. Blount has posted online rants threatening to blow up a power station he says is polluting the area. Is Blount capable of violence? Blankenship was a loner, but she proved a dedicated advocate for birds at UNC–Charlotte and the Carolina Raptor Center. Did Blankenship’s passion lead her into danger? Alongside Detective “Skinny” Slidell, Tempe puts life on hold until she discovers the truth behind Blankenship’s death. But Tempe’s own passion for crime solving will lead her into danger of her own. This ebook exclusive story—which comes with a special excerpt of Kathy Reichs’s new novel, *Bones of the Lost*—is an exhilarating new installment in the *Temperance Brennan* series.

**Exposure** Random House

From New York Times bestselling author Kathy Reichs, *Grave Secrets* is a bone-chilling Tempe Brennan novel of international black marketeering, decades-old mass murder, and contemporary homicide, now repackaged in a new trade paperback edition. They are “the disappeared,” twenty-three massacre victims buried in a well in the Guatemalan village of Chupan Ya two decades ago. Leading a team of experts on a meticulous, heartbreaking dig, Tempe Brennan pieces together the violence of the past. But a fresh wave of terror begins when the horrific sounds of a fatal attack on two colleagues come in on a blood-chilling satellite call. Teaming up with Special Crimes Investigator Bartolomé Galiano and Montreal detective Andrew Ryan, Tempe quickly becomes enmeshed in the cases of four privileged young women who have vanished from Guatemala City—and finds herself caught in deadly territory where power, money, greed, and science converge.

**Red Mist** Penguin

#1 New York Times bestselling author Kathy Reichs returns with her twentieth gripping novel featuring forensic anthropologist Temperance Brennan, whose examinations of unidentified bodies ignite a terrifying series of events. “This is A-game Reichs, with crisp prose, sharp dialogue, and plenty of suspense” (Booklist). On the way to hurricane-ravaged Isle of Palms, a barrier island off the South Carolina coast, Tempe receives a call from the Charleston coroner. The storm has tossed ashore a medical waste container. Inside are two decomposed bodies wrapped in plastic sheeting and bound with electrical wire. Tempe recognizes many of the details as identical to those of an unsolved case she handled in Quebec fifteen years earlier. With a growing sense of foreboding, she travels to Montreal to gather evidence. Meanwhile, health authorities in South Carolina become increasingly alarmed as a human flesh-eating contagion spreads. So focused is Tempe on identifying the container victims that, initially, she doesn’t register how their murders and the pestilence may be related. But she does recognize one unsettling fact. Someone is protecting a dark secret—and willing to do anything to keep it hidden. An absorbing look at the sinister uses to which genetics can be put and featuring a cascade of ever-more-shocking revelations, *The Bone Code* is “a murder mystery story that races across America at the speed of fright” (James Patterson).

**A Novel** Bantam

\_\_\_\_\_ The first gripping *Temperance Brennan* novel from world-class forensic anthropologist Kathy Reichs, the international no. 1 bestselling crime thriller writer and the inspiration behind the hit TV series *Bones*. Bagged and discarded, the dismembered body of a woman is discovered in the grounds of an abandoned monastery. Dr Temperance Brennan, Director of Forensic Anthropology for the province of Quebec, has been researching recent disappearances in the city. Soon she is convinced that a serial killer is at work. But when no one else seems to care, her anger forces her to take matters into her own hands. Her determined probing has placed those closest to her in mortal danger, however. Can Tempe make her crucial breakthrough before the killer strikes again?

\_\_\_\_\_ Dr Kathy Reichs is a professional forensic anthropologist. She has worked for decades with chief medical examiners, the FBI, and even a United Nations Tribunal on Genocide.

However, she is best known for her internationally bestselling *Temperance Brennan* novels, which draw on her remarkable experience to create the most vividly authentic, true-to-life crime thrillers on the market and which are the inspiration for the hit TV series *Bones*.

\_\_\_\_\_ Many of the world's greatest thriller writers are huge fans of her work: 'Kathy Reichs writes smart – no, make that brilliant – mysteries that are as realistic as nonfiction and as fast-paced as the best thrillers about Jack Reacher, or Alex Cross.' JAMES PATTERSON 'One of my favourite writers.' KARIN SLAUGHTER 'I love Kathy Reichs? – always scary, always suspenseful, and I always learn something.' LEE CHILD 'Nobody does forensics thrillers like Kathy Reichs. She's the real deal.' DAVID BALDACCI 'Each book in Kathy Reichs's fantastic *Temperance Brennan*

series is better than the last. They’re filled with riveting twists and turns – and no matter how many books she writes, I just can’t get enough!' LISA SCOTTOLINE 'Nobody writes a more imaginative thriller than Kathy Reichs.' CLIVE CUSSLER

*Bones to Ashes* Random House

The first *Temperance Brennan* novel in the “cleverly plotted and expertly maintained series” (The New York Times Book Review) from the #1 internationally bestselling thriller writer Kathy Reichs. Her life is devoted to justice—even for those she never knew. In the year since *Temperance Brennan* left behind a shaky marriage in North Carolina, work has often preempted her weekend plans to explore Québec. When a female corpse is discovered meticulously dismembered and stashed in trash bags, *Temperance* detects an alarming pattern—and she plunges into a harrowing search for a killer. But her investigation is about to place those closest to her—her best friend and her own daughter—in mortal danger... “A genius at building suspense” (Daily News, New York), Kathy Reichs’s *Temperance Brennan* books are both “accomplished and chilling” (People) and “ripe with intricate settings and memorable characters” (Milwaukee Journal Sentinel).

*Virals* Simon and Schuster

Freedom - in eleventh-century France, it is a luxury enjoyed by only the King and nobility. For the serf, it is surely worth fighting for. But is it worth dying for? Arriving home disillusioned from the Crusades, Hugh DeLuc discovers that his village has been ransacked and his wife abducted. The dark riders came in the dead of night, like devils, wearing no colours but black crosses on their chests, leaving no clue as to who they are. Knights they may be, but honour and chivalry are not part of their code. They search for a relic, one worth more than any throne in Europe, and no man can stand in their way. Until Hugh, taking on the role of a jester, is able to infiltrate the enemy’s castle where he believes his wife is being held captive. And when a man is fighting for freedom - for his wife, and for everything he holds dear - he will prove a formidable opponent.

**Fatal Voyage** Simon and Schuster

When innocent blood is spilled, forensic anthropologist *Temperance Brennan* deciphers the shattering truth it holds in this exciting thriller from New York Times bestselling author Kathy Reichs. Nine-year-old Emily Anne Toussaint is fatally shot on a Montreal street. A North Carolina teenager disappears from her home, and parts of her skeleton are found hundreds of miles away. These shocking deaths propel *Tempe Brennan* from north to south, and deep into a shattering investigation inside the bizarre culture of outlaw motorcycle gangs—where one misstep could bring disaster for herself or someone she loves. From blood-splatter patterns and ground-penetrating radar to bone-sample analysis, *Deadly Decisions* triumphantly combines the authenticity of a world-class forensic professional with the narrative power of a brilliant crime-writing star.

**Buried Deep** Penguin

After a fatal airline crash in the mountains of North Carolina, Dr. *Temperance Brennan* heads to the site to help identify the victims, but the discovery of body parts that do not belong to any registered passenger leads the investigation into a dangerous confrontation.

**Deadly Decisions** Simon and Schuster

*Temperance* “*Tempe*” Brennan faces down the demons of her past in the seventeenth thriller in Kathy Reichs’s phenomenally successful *Bones* series. Unexpectedly called in to the Charlotte PD’s Cold Case Unit, Dr. *Temperance Brennan* wonders why she’s been asked to meet with a homicide cop who’s a long way from his own jurisdiction. The shocking answer: Two child murders, separated by thousands of miles, have one thing in common—the killer. Years ago, Anique Pomerleau kidnapped and murdered a string of girls in Canada, then narrowly eluded capture. It was a devastating defeat for her pursuers, Brennan and police detective Andrew Ryan. Now, as if summoned from their nightmares, Pomerleau has resurfaced in the United States, linked to victims in Vermont and North Carolina. When another child is snatched, the reign of terror promises to continue—unless Brennan can rise to the challenge and make good on her second chance to stop a psychopath. But Brennan will have to draw her bitter ex-partner out of exile, keep the local police and feds from one another’s throats, and face more than just her own demons as she stalks the deadliest of predators into the darkest depths of madness. In *Bones Never Lie*, Kathy Reichs once again satisfies readers looking for psychological suspense that’s more than skin-deep.

**Speaking in Bones** Simon and Schuster

A new, exclusive straight-to-digital *Temperance Brennan* short story from Kathy Reichs, world leading forensic anthropologist and No.1 bestselling author of *Deja Dead*, *Bones Are Forever* and *Bones of the Lost*. Forensic anthropologist Dr *Temperance Brennan* has just arrived in Florida’s Everglades for a much-needed break when she is unwittingly thrown into the middle of a deadly case with its roots in the darkest depths of the swamp. *Swamp Bones* also gives readers the first chance to read the opening chapters of Kathy’s highly anticipated new *Temperance Brennan* novel, *Bones Never Lie*, out in September.

*Scarpetta (Book 19)* Simon and Schuster

"The latest from Kathy Reichs finds Tempe Brennan investigating the connections between a long-dead business man, the smuggling of mummified dogs from Peru, and the death of a teenage girl killed in a hit and run. When she discovers a human trafficking enterprise at the center of it all, the scope of the case extends from South America to Afghanistan. And Tempe's soon-to-be ex might have connections that run to the very heart of the trafficking ring"--

**Cold, Cold Bones** Simon and Schuster

One recent skeleton among ancient bones raises questions—and danger—for forensic anthropologist *Temperance Brennan* in this newly repackaged thriller from New York Times bestselling author Kathy Reichs. *Tempe Brennan* is stuck teaching an archaeology field school for students at UNCC in

Charleston, South Carolina. When she stumbles upon a recent skeleton among the ancient bones, she starts asking questions. She's the expert they might have called in, but lucky for the local police she's already there. The skeleton leads her to a free street clinic where patients have begun to go missing, and some have wound up dead. What is going on and who is to blame? The charismatic televangelist who oversees the clinic? The shady doctor who practices there? Or is it the clinic staff? Ryan is in Montreal, though he may come down for a visit. If he does, Tempe will have to juggle him and Detective Galiano, an old flame, who is in town investigating the disappearance of wealthy young woman. This is a phenomenally high stakes business where one dead body can save a couple of lives, maybe more. Along with the corpses, Tempe investigates the sick moral logic of the mastermind behind the operation. Kathy Reichs has returned Tempe to America and put her in the middle of a sinister trafficking ring that's local and global. The suspense is intense, and the world is riveting. Kathy Reichs's books are expert, smart, with a taut energy, and this is her best plot and best writing ever.

**Break No Bones** Simon and Schuster

#1 New York Times bestselling author and producer of the Fox hit series *Bones*, Kathy Reichs returns with an unforgettable new novel featuring forensic anthropologist Tempe Brennan, whose examination of a mysterious hit-and-run victim triggers an investigation into human trafficking. When

Charlotte police discover the body of a teenage girl along a desolate stretch of two-lane highway, Temperance Brennan fears the worst. The girl's body shows signs of foul play. Inside her purse, police find an airline club card bearing the name of prominent local businessman John-Henry Story, who died in a horrific fire months earlier. How did Story and the girl know each other? Was she an illegal immigrant turning tricks? Was she murdered? Was he? Tempe must also examine a bundle of Peruvian dog mummies confiscated by U.S. Customs. A Desert Storm veteran named Dominick Rockett stands accused of smuggling the objects into the country. Could there be some connection between the trafficking of antiquities and the trafficking of humans? As the complications pile on, Tempe must also grapple with personal turmoil. Her daughter, Katy, grieving the death of her boyfriend in Afghanistan, impulsively enlists in the army. Meanwhile, Katy's father, Pete, is growing frustrated by Tempe's reluctance to finalize their divorce. As pressure mounts from all corners, Tempe soon finds herself at the center of a conspiracy that extends all the way from South America to Afghanistan and right to the center of Charlotte. A tour de force of imagination, *Bones of the Lost* is a roller coaster of plot twists, punctuated by Tempe's fierce wit and forensic know-how. "A genius at building suspense" (New York Daily News), Kathy Reichs is at her brilliant best in this sixteenth installment of the Temperance Brennan series. With the Fox series *Bones* in its ninth season, Kathy Reichs has reached new heights in suspenseful storytelling.
