Creative Living Beyond Fear Scholastic UK

Elizabeth Gilbert's *Eat Pray Love* touched the world and changed countless lives, inspiring and empowering millions of readers to search for their own best selves. Now, this beloved and iconic book returns in a beautiful 10th anniversary edition, complete with an updated introduction from the author, to launch a whole new generation of fans. In her early thirties, Elizabeth Gilbert had everything a modern American woman was supposed to want—husband, country home, successful career—but instead of feeling happy and fulfilled, she was consumed by panic and confusion. This wise and rapturous book is the story of how she left behind all these outward marks of success, and set out to explore three different aspects of her nature, against the backdrop of three different cultures: pleasure in Italy, devotion in India, and on the Indonesian island of Bali, a balance between worldly enjoyment and divine transcendence.

A fun, practical and easy-to-follow guide to manifestation for a whole new generation. 'Like a best friend, Jordanna will hold your hand and guide you towards your dream life.' - Melissa Ambrosini, bestselling author of *Mastering Your Mean Girl* 'Witty, practical and laugh out loud funny.' - Cassie Mendoza-Jones, *You Are Enough* Everyone can manifest. We're all doing it—every second of every day—without even realizing it. For years, journalist and podcaster Jordanna Levin thought that she was psychic. She would worry about things and they would come true. But she wouldn't just worry; she would feel them, take subconscious action towards them and believe with every cell of her being that they would happen—and most of the time, they did. A broken foot, a cancelled flight, a tragic love story... the list went on. She soon realised that she wasn't just predicting the future, she was manifesting it. Until one day she changed the game. If she could manifest mishaps and disasters, why not the things she actually wanted? In this warm and witty book, Jordanna shares her personal experiences and struggles along with her foolproof equation for manifesting whatever you desire, from your dream job to a lasting relationship. Whether you're a matter-of-fact skeptic or a somewhat hippie yoga-lover, *Make It Happen* will empower you to take ownership of your life and create anything you want.

At eighteen, she has returned from boarding school-smart as a whip, feisty, and irredeemably unromantic-determined to throw over her education and join the "stern men" working the lobster boats. AN INSTANT NEW YORK TIMES BESTSELLER! From the # 1 New York Times bestselling author of *Eat*

Pray Love and The Signature of All Things, a delicious novel of glamour, sex, and adventure, about a young woman discovering that you don't have to be a good girl to be a good person. "A spellbinding novel about love, freedom, and finding your own happiness." - PopSugar "Intimate and richly sensual, razzle-dazzle with a hint of danger." -USA Today "Pairs well with a cocktail...or two." - TheSkimm "Life is both fleeting and dangerous, and there is no point in denying yourself pleasure, or being anything other than what you are." Beloved author Elizabeth Gilbert returns to fiction with a unique love story set in the New York City theater world during the 1940s. Told from the perspective of an older woman as she looks back on her youth with both pleasure and regret (but mostly pleasure), City of Girls explores themes of female sexuality and promiscuity, as well as the idiosyncrasies of true love. In 1940, nineteen-year-old Vivian Morris has just been kicked out of Vassar College, owing to her lackluster freshman-year performance. Her affluent parents send her to Manhattan to live with her Aunt Peg, who owns a flamboyant, crumbling midtown theater called the Lily Playhouse. There Vivian is introduced to an entire cosmos of unconventional and charismatic characters, from the fun-chasing showgirls to a sexy male actor, a grand-dame actress, a lady-killer writer, and no-nonsense stage manager. But when Vivian makes a personal mistake that results in professional scandal, it turns her new world upside down in ways that it will take her years to fully understand. Ultimately, though, it leads her to a new understanding of the kind of life she craves - and the kind of freedom it takes to pursue it. It will also lead to the love of her life, a love that stands out from all the rest. Now eighty-nine years old and telling her story at last, Vivian recalls how the events of those years altered the course of her life - and the gusto and autonomy with which she approached it. "At some point in a woman's life, she just gets tired of being ashamed all the time," she muses. "After that, she is free to become whoever she truly is." Written with a powerful wisdom about human desire and connection, City of Girls is a love story like no other.
