Offers tongue-in-cheek insight into American democracy with coverage of such topics as the republican qualities of ancient Rome, the antics of our nation's founders, and the ludicrous nature of today's media. Guide to the syndicated sitcoms Very Special Episodes examines how the quintessential "very special episode" format became a primary way in which the television industry responded to and shaped social change, cultural traumas, and industrial transformations. With essays covering shows ranging from the birth of Desi Arnaz, Jr. on I Love Lucy to contemporary examples such as a delayed episode of Black-ish and the streaming-era phenomenon of the "Very Special Seasons" of UnReal and 13 Reasons Why, this collection seriously and critically uses the "very special episode" to chart the history of American television and its self-identified status as an arbiter of culture. 6x9 100 pages / Track 300 seasons TV Tracker Journal If you ever wish you had a way to keep track of your TV shows this is the journal for you. Inside this TV Tracker you'll find a handy grid that you can complete to keep track of the show name, the season number and most importantly the episodes you have watched. You can even give the season a star rating. Use it to keep track of where you're up to in a season, or as a way to look back and see what you've watched, or so you can remember the name of a show when you want to tell a friend to watch it too! Of course this journal will also make a unique and thoughtful gift for a TV loving friend!

Whether rocketing to other worlds or galloping through time, science fiction television has often featured the best of the medium. The genre's broad appeal allows youngsters to enjoy fantastic premises and far out stories, while offering adults a sublime way to view the human experience in a dramatic perspective. From Alien Nation to World of Giants, this reference work provides comprehensive episode guides and cast and production credits for 62 science fiction series that were aired from 1959 through 1989. For each episode, a brief synopsis is given, along with the writer and director of the show and the guest cast. Using extensive research and interviews with writers, directors, actors, stuntmen and many of the show's creators, an essay about each of the shows is also provided, covering such issues as its genesis and its network and syndication histories. Groundbreaking! Does for TV shows what Leonard Maltin's guides do for movies! Forget movies! Sales of TV DVDs are outpacing all other categories, according to Video Store magazine. The Simpsons, 24, Lost, Desperate

Housewives, Alias, even old chestnuts like Columbo and Home Improvement are blowing out of the stores as fans and collectors rush to buy their favorite shows, compact and complete. How do buyers know which shows are the best, which season contains that favorite moment, which episode features that guest star? They don't—not without their trusty copy of 5,000 Episodes No Commercials which gives full information on every sitcom and drama released on DVD, whether in season-by-season sets, individual episodes, best-of compilations, specials, or made-for-TV movies. Almost 500 pages of listings include year of original airing, information on audio and video quality, extras, Easter eggs, and more. Every couch potato is sure to heave up off the sofa just long enough to buy 5,000 Episodes No Commercials! 6x9 100 pages / Track 300 seasons TV Tracker Journal If you ever wish you had a way to keep track of your TV shows this is the journal for you. Television's Community follows the shenanigans of a diverse group of traditional and nontraditional community college students: Jeff Winger, a former lawyer; Britta Perry, a feminist; Abed Nadir, a pop culture enthusiast; Shirley Bennett, a mother; Troy Barnes, a

former jock; Annie Edison, a naive overachiever; and Pierce Hawthorne, an old-fashioned elderly man. There are also Benjamin Chang, the maniacal Spanish teacher, and Craig Pelton, the eccentric dean of Greendale Community College, along with well-known guest stars who play troublemaking students, nutty professors and frightening administrators. This collection of fresh essays familiarizes readers not only with particular characters and popular episodes, but behind-the-scenes aspects such as screenwriting and production techniques. The essayists explore narrative theme, hyperreality, masculinity, feminism, color blindness, civic discourse, pastiche, intertextuality, media consciousness, how *Community* is influenced by other shows and films, and how fans have contributed to the show. 'Family Guy' includes material from virtually every instalment since the show's inception plus teaser material from the seasons to follow. It will also feature inside jokes, subtle things you might have missed, the most memorable moments and commentary from the show's creator, animators, and voice-over artists. When *Lou Grant* premiered in the fall of 1977, it quickly became a symbol of television drama at its best. During its five years on the air, *Lou Grant* earned critical acclaim as an entertaining yet thoughtful drama about important social and political issues, a rarity for episodic television in the late 1970s.

Douglass K. Daniel reveals how the creators of *Lou Grant* investigated journalism in the post-Watergate era to present a modern-day portrayal of the profession. They based characters, dialogue, and plots on the experiences of dozens of professional journalists. By researching social problems, they developed relevant story lines that gave episodes unusual immediacy. The show won thirteen Emmy Awards, among them two for Best Drama, and a Peabody Award. Journalists hailed the series as television's most realistic newspaper drama. The book describes the bitter controversy that erupted in 1982 when lead actor Edward Asner came under fire for his political beliefs regarding American involvement in El Salvador. Amid calls for advertiser boycotts, right-wing charges that Asner had aided the enemy, and falling ratings, CBS canceled the series. Daniel's intensive retrospect includes interviews with actors, producers, writers, directors, network censors, and journalists. He summarizes all 114 episodes, discusses original character sketches, and includes editorial cartoons. "This is a complete history of *I Spy* and the profound change it evoked in broadcasting, social ideals and racial equality. Rich with interviews and photographs, it discusses *I Spy*'s unique approach to race, co-starring interracial actors as equals. A complete episode guide includes writers, directors, cast, crew, plot synopsis and commentary"--Provided by publisher. If you only want to track the TV Shows, TV Series, and TV Series you love, then this is journal has all the room you need. This notebook makes a great gift for TV watchers and TV lovers. Features: Large 8.5x11 Notebook Table to write in the name of the show, day it airs, time and channel 339 Show slots, each one has 25 Episode check boxes 7 Days of the week quick index to reference show title and page number Notes section at the end of each TV show Do you love to binge-watch TV shows? Wish you had a way to keep track of all of the episodes you have viewed? Sometimes the episodes start to blur together. Don't you hate it when you realize you missed an episode?! the episode Product Details: 6 x 9 inch 120 pages Name and Contact Page 2 page Show/Movie Log 116 Record Pages - 348 sections Glossy Finish Cover The 6x9 size is large enough to write in but small enough to take on a trip. The perfect gift for all of those binge watchers on your list. Hey! Maybe you need one for yourself. The Fugitive made its debut on ABC on September 17, 1963. Over the next four seasons, the show enjoyed enormous commercial and critical success. Millions of fans followed the heroic exploits of Dr. Richard Kimble (David Janssen) as he eluded police lieutenant Philip Gerard (Barry Morse) and doggedly pursued the killer of his wife, the notorious one-armed man. The four-year television run was a commercial and critical success and the 1993 movie of the same name sparked renewed interest in the show. The coverage is episode-by-episode: title, cast lists, director, writer, original airdate, and a comprehensive plot synopsis. Bonanza aired on NBC from September 12, 1959, to January 16, 1973, playing to 480,000,000 viewers in over 97 countries. It was the second longest running western series, surpassed only by Gunsmoke, and continues to provide wholesome entertainment to old and new fans via syndication. This book provides an in-depth chronicle of the series and its stars. A history of the show from its inception to the current made-for-television movies is provided, and an episode guide includes a synopsis of each show and lists such details as the main characters of each episode and the actors who portrayed them, the dates they stayed with the show, date and time of original broadcast, writer, director, producer, executive producer, and supporting cast. Also provided are character sketches for each of the major recurring characters, career biographies of Lorne Green, Pernell Roberts, Dan Blocker, and Michael Landon, brief biographical sketches of the supporting cast, a discography of recordings of the Bonanza theme and recordings of the four major stars, and information on Bonanza television movies.

ABOUT THE BOOK It is the season of the witch in *Bon Temps*. The characters of *True Blood* have dealt with anti-vampire fanatics, a sexed-crazed maenad, werewolves, and have even seen a bit of faerie power. What is left on our horror-genre list of supernatural beings? Witches. Next up, *Godzilla*? Get the play-by-play of this eventful season.

MEET THE AUTHOR Nicki Bixler is an experienced writer and a member of the Hyperink Team, which works hard to bring you high-quality, engaging, fun content. Happy reading!

EXCERPT FROM THE BOOK One running theme seen in various episodes of Season 4 is the process of trying to save face in the media. Nan Flanagan, in charge of PR for the AVL, must fix the mess that vampire Russell Edgington caused when he obliterated a human on live television. Nan and Bill Compton constantly say Russell's name when addressing the media so that the public will associate the incident with him only and believe it to be an isolated event. Additionally, the AVL's purpose is to gain equal rights for vampires, and they know that they have to be careful in the media during a time when many in the public are still anti-vampire. Lastly, civil rights is a theme that was introduced at the inception of *True Blood* and has been streaming through ever since. When the vampires revealed themselves during *The Great Awakening* it is clear the parallel between their cause and gay rights is stressed when the show uses the phrase "out of the coffin." The plight of the American Vampire League, looking for a constitutional amendment supporting the rights of vampires, also suggests a metaphor for any minority group who has fought for equal rights. Comically the parallel is shown in Season 2 when the Fellowship of the Sun, a conservative religious group takes direct aim at vampires.

CHAPTER OUTLINE Background and Basics + Introduction + Alan Ball, Creator and Executive Producer + *True Blood* Season 4 Summary + Episode-by-Episode Commentary and Summary + ...and much more Many proclaimed the "end of television" in the early

years of the twenty-first century, as capabilities and features of the boxes that occupied a central space in American living rooms for the preceding fifty years were radically remade. In this revised, second edition of her definitive book, Amanda D. Lotz proves that rumors of the death of television were greatly exaggerated and explores how new distribution and viewing technologies have resurrected the medium. Shifts in the basic practices of making and distributing television have not been hastening its demise, but are redefining what we can do with television, what we expect from it, how we use it—in short, revolutionizing it. Television, as both a technology and a tool for cultural storytelling, remains as important today as ever, but it has changed in fundamental ways. *The Television Will Be Revolutionized* provides a sophisticated history of the present, examining television in what Lotz terms the “post-network” era while providing frameworks for understanding the continued change in the medium. The second edition addresses adjustments throughout the industry wrought by broadband delivered television such as Netflix, YouTube, and cross-platform initiatives like TV Everywhere, as well as how technologies such as tablets and smartphones have changed how and where we view. Lotz begins to deconstruct the future of different kinds of television—exploring how “prized content,” live television sports and contests, and linear viewing may all be “television,” but very different types of television for both viewers and producers. Through interviews with those working in the industry, surveys of trade publications, and consideration of an extensive array of popular shows, Lotz takes us behind the screen to explore what is changing, why it is changing, and why the changes matter.

Instructor's Guide This work offers a complete episode guide and comprehensive history of *Second City Television*. The influential Canadian sketch comedy series created dozens of memorable characters (i.e. station president Guy Caballero and showbiz mogul Johnny LaRue) and featured well-known performers such as John Candy, Catherine O'Hara, and Martin Short, at the height of their comedic careers. Presenting a thorough summary and review for each of SCTV's 135 episodes, the author traces the initial appearance and evolution of some of comedy's best known television characters and sketches. Two appendices provide guides to the program's compilation shows and recently released boxed sets on DVD.

Calling All Binge Watchers!! Looking for a handy journal to track, record and review your favorite tv series? This 100 pages TV Series Logbook is a perfect gift for all binge-watchers to track and never miss an episode. Grab your copy now. Remember when Edith Bunker was sexually assaulted on *All in the Family*? Or when abortion was the hot topic on *Maude*? Did you know that *Leave it to Beaver* dealt with alcoholism and that “The Bicycle Man” double episode from *Diff'rent Strokes* is one of the most remembered sitcom entries in the annals of American television history? The role of the Very Special Episode was to take a departure from the regular comic stylings of the American TV sitcom and offer a standalone “serious in nature” gesture in addressing subject matter not normally found in such a medium. From racial equality on *Bewitched* and *Happy Days* to suicide on *One Day At A Time* and *The Facts of Life* and beyond, take an in depth look at a number of Very Special Episodes - from early examples to the heyday of the phenomena come the 70s and 80s, with insight from varied historians, critics and individuals who worked on some of the shows. Inside this TV Tracker you'll find a handy grid that you can complete to keep track of the show name, the season number and most importantly the episodes you have watched. You can even give the season a star rating. Use it to keep track of where you're up to in a season, or as a way to look back and see what you've watched, or so you can remember the name of a show when you want to tell a friend to watch it too! Of course this journal will also make a unique and thoughtful gift for a TV loving friend! For the few hundred television viewers in 1946, a special treat on the broadcast schedule was the variety show called Hour Glass. It was the first TV program to go beyond talking heads, cooking demonstrations, and sporting events, featuring instead dancers, comics, singers, and long commercials for its sponsor, Chase and Sanborn coffee. Within two years, another variety show, Texaco Star Theatre, became the first true television hit and would be credited with the sales of thousands of television sets. The variety show formula was a staple of television in its first

30 years, in part because it lent itself to a medium where everything had to be live and preferably inside a studio. Most of the early television stars—including Jackie Gleason, Milton Berle, Sid Caesar, Ed Sullivan, Red Skelton, Dinah Shore, and Arthur Godfrey—rose to prominence through weekly variety shows. In the 1960s, major stars such as Jerry Lewis, Dean Martin, Judy Garland and Danny Kaye were hosting variety shows. By the 1970s, the format was giving way to sitcoms and dramas, but pop music stars Sonny and Cher, Tony Orlando and Dawn, and Donny and Marie Osmond hosted some of the last of the species. This book details 57 variety shows from the 1940s through the 1990s. A history of each show is first provided, followed by a brief look at each episode. Air date, guest stars, sketches performed, and a listing of songs featured are included. The late 1950s and early 1960s were the golden years of horror television. Anthology series such as *Way Out* and *Great Ghost Tales*, along with certain episodes of *Twilight Zone* and *The Alfred Hitchcock Hour*, were among the shows that consistently frightened a generation of television viewers. And perhaps the best of them all was *Thriller*, hosted by Boris Karloff. In *Thriller* the horror was gothic, with a darker, bleaker vision of life than its contemporaries. The show's origins and troubled history is first discussed here, followed by biographies of such key figures as producer William Frye, executive producer Hubbell Robinson, writers Robert Bloch and Donald S. Sanford, and Karloff. The episode guide covers all 67 installments, providing airdate, production credits, cast, plot synopses and critical evaluations. Soon to be a limited Netflix series starring Zoe Saldana! This Reese Witherspoon Book Club Pick and New York Times bestseller is “a captivating story of love lost and found” (Kirkus Reviews) set in the lush Sicilian countryside, where one woman discovers the healing powers of food, family, and unexpected grace in her darkest hours. It was love at first sight when actress Tembi met professional chef, Saro, on a street in Florence. There was just one problem: Saro’s traditional Sicilian family did not approve of his marrying a black American woman. However, the couple, heartbroken but undeterred, forged on. They built a happy life in Los Angeles, with fulfilling careers, deep friendships, and the love of their lives: a baby girl they adopted at birth. Eventually, they reconciled with Saro’s family just as he faced a formidable cancer that would consume all their dreams. *From Scratch* chronicles three summers Tembi spends in Sicily with her daughter, Zoela, as she begins to piece together a life without her husband in his tiny hometown hamlet of farmers. Where once Tembi was estranged from Saro’s family, now she finds solace and nourishment—literally and spiritually—at her mother-in-law’s table. In the Sicilian countryside, she discovers the healing gifts of simple fresh food, the embrace of a close knit community, and timeless traditions and wisdom that light a path forward. All along the way she reflects on her and Saro’s romance—an incredible love story that leaps off the pages. In Sicily, it is said that every story begins with a marriage or a death—in Tembi Locke’s case, it is both. “Locke’s raw and heartfelt memoir will uplift readers suffering from the loss of their own loved ones” (Publishers Weekly), but her story is also about love, finding a home, and chasing flavor as an act of remembrance. *From Scratch* is for anyone who has dared to reach for big love, fought for what mattered most, and those who needed a powerful reminder that life is...delicious. The form is so elemental, so basic, that we have difficulty imagining a time before it existed: a single set, fixed cameras, canned laughter, zany sidekicks, quirky family antics. Obsessively watched and critically ignored, sitcoms were a distraction, a gentle lullaby of a kinder, gentler America—until suddenly the artificial boundary between the world and television entertainment collapsed. In this book we can watch the growth of the sitcom, following the path that leads from Lucy

to *The Phil Silvers Show*; from *The Dick Van Dyke Show* to *The Mary Tyler Moore Show*; from *M*A*S*H* to *Taxi*; from *Cheers* to *Roseanne*; from *Seinfeld* to *Curb Your Enthusiasm*; and from *The Larry Sanders Show* to *30 Rock*. Each sitcom episode is a self-enclosed world, a brief overturning of the established order of its universe before returning to the precise spot from which it had begun. In twenty-four episodes, *Sitcom* surveys the history of the form, and functions as both a TV mixtape of fondly remembered shows that will guide us to notable series and larger trends, and a carefully curated guided tour through the history of one of our most treasured art forms. Saul Austerlitz is the author of *Another Fine Mess: A History of the American Film Comedy*, named by *Booklist* as one of the ten best arts books of 2010, and *Money for Nothing: A History of the Music Video from the Beatles to the White Stripes*. His work has been published in the *New York Times*, *Los Angeles Times*, *Boston Globe*, *Slate*, and elsewhere. 6x9 100 pages / Track 300 seasons TV Tracker Journal If you ever wish you had a way to keep track of your TV shows this is the journal for you. Inside this TV Tracker you'll find a handy grid that you can complete to keep track of the show name, the season number and most importantly the episodes you have watched. You can even give the season a star rating. Use it to keep track of where you're up to in a season, or as a way to look back and see what you've watched, or so you can remember the name of a show when you want to tell a friend to watch it too! Of course this journal will also make a unique and thoughtful gift for a TV loving friend! A celebration of the beloved sitcom twenty-five years after it first aired in 1994. *Friends* has withstood the test of time, and this book offers fans of every generation a deeper look into what makes it so special--and so timeless. Includes commentary on the top ten episodes for each of the ten seasons, original stills from the series, plus new insights from the show's creators, Marta Kauffman and David Crane, and the production designer, John Schaffner. -- Adapted from dust jacket flap. A *New York Times* Notable Book for 2011 A *Washington Post* Notable Fiction Book for 2011 A *USA Today* 10 Books We Loved Reading in 2011 Title One of NPR's 10 Best Novels of 2011 What if—whoosh, right now, with no explanation—a number of us simply vanished? Would some of us collapse? Would others of us go on, one foot in front of the other, as we did before the world turned upside down? That's what the bewildered citizens of Mapleton, who lost many of their neighbors, friends and lovers in the event known as the Sudden Departure, have to figure out. Because nothing has been the same since it happened—not marriages, not friendships, not even the relationships between parents and children. Kevin Garvey, Mapleton's new mayor, wants to speed up the healing process, to bring a sense of renewed hope and purpose to his traumatized community. Kevin's own family has fallen apart in the wake of the disaster: his wife, Laurie, has left to join the Guilty Remnant, a homegrown cult whose members take a vow of silence; his son, Tom, is gone, too, dropping out of college to follow a sketchy prophet named Holy Wayne. Only Kevin's teenaged daughter, Jill, remains, and she's definitely not the sweet "A" student she used to be. Kevin wants to help her, but he's distracted by his growing relationship with Nora Durst,

a woman who lost her entire family on October 14th and is still reeling from the tragedy, even as she struggles to move beyond it and make a new start. With heart, intelligence and a rare ability to illuminate the struggles inherent in ordinary lives, Tom Perrotta's *The Leftovers* is a startling, thought-provoking novel about love, connection and loss. Do you love to binge-watch TV shows? Wish you had a way to keep track of all of the episodes you have viewed? Sometimes the episodes start to blur together. Don't you hate it when you realize you missed an episode?!
