Why Does Popcorn Pop? Jun 19 2023 Presents information about various kinds of foods by answering interesting questions.

Popped Culture Apr 17 2023 The history, legends, and cookery of America's favorite snack food Whether in movie theaters or sports arenas, at fairs or theme parks, around campfires or family hearths, Americans consume more popcorn by volume than any other snack. To the world, popcorn seems as American as baseball and apple pie. Within American food lore, popcorn holds a special place, for it was purportedly shared by Native Americans at the first Thanksgiving. In Popped Culture, Andrew F. Smith tests such legends against archaeological, agricultural, culinary, and social findings. While debunking many myths, he discovers a flavorful story of the curious kernel's introduction and ever-increasing consumption in North America. Unlike other culinary fads of the nineteenth century, popcorn has never lost favor with the American public. Smith gauges the reasons for its unflagging popularity: the invention of "wire over the fire" poppers, commercial promotion by shrewd producers, the fascination of children with the kernel's magical "pop," and affordability. To explain popcorn's twentieth-century success, he examines its fortuitous association with new technology—radio, movies, television, microwaves—and recounts the brand-name triumphs of American manufacturers and packagers. His familiarity with the history of the snack allows him to form expectations about popcorn's future in the United States and abroad. Smith concludes his account with more than 160 surprising historical recipes for popcorn cookery, including the intriguing use of the snack in custard, hash, ice cream, omelets, and soup.

The Ghost of Popcorn Hill Jun 14 2020 As two

brothers try to reunite the lonely ghosts of a farmer and a sheepdog, "readers will be cheering them on every step of the way" (Publishers Weekly). In this short-chapter winner of the IRA Children's Choices, Peter and Martin enjoy living atop Popcorn Hill, except for two things: They long for a big dog and their cabin is haunted by a lonely ghost. They do get a frisky mutt named Rosie, but she's not as big or as appealing as the stray sheepdog that has been roaming around outside. When the boys learn the sheepdog is a ghost, however, they devise a plan for bringing the two ghosts together. In the process, they learn to appreciate their real pet, Rosie.

The Popcorn Princess Mar 24 2021 Penelope loves popcorn. She thinks the popcorn popper is magical. In fact, the very first word she says is popcorn. Penelopes wagon is filled with popcorn. Her fluffy mattress, pillow, and quilt are filled with popcorn. She puts popcorn in her swimming pool for splash parties. Her mother and father call her Popcorn Princess. Theres popcorn everywhere. Even her dog gets lost in the popcorn. But one day, something tragic happens. The house pops apart with a popping sound that can be heard throughout the neighborhood. Penelope discovers that too much of a good thing can be a bad thing. With one surprise popcorn recipe included, this picture book for children tells a fun tale about one girl who loves light, fluffy clouds of popcorn more than anything else.

Popcorn Jul 08 2022 Literature-based thematic teaching unit on popcorn. Its core contains three children's literature selections: *Popcorn* by Frank Asch, *The popcorn book* by Tomie dePaola and *The popcorn dragon* by Jane Yolen. The theme of popcorn

is connected to the curriculum with activities in language arts, math, science, social studies, art, music, and life skills (cooking, physical education, etc.). Also includes ideas and patterns for bulletin boards, reproducible student activity sheets, and unit management tools.

Popcorn Bob Aug 09 2022 Ellis loves popcorn. Who doesn't? But one day her school goes on a healthy eating campaign and her dads decide to follow suit, banning all snack foods from their house, INCLUDING POPCORN. Unfair. Ellis has got to get around that edict, so one night she pops a bag of popcorn out back in the garage...and she's met with more than just her favorite salty snack. One kernel refuses to pop, and soon it's sprouted a face, arms, and legs! He introduces himself as Popcorn Bob, and he is NOT in a good mood. (Ever, really.) He's absolutely ravenous, and no amount of food keeps him from being hangry. Bob causes no end of chaos for Ellis, and she decides to rid herself of him once and for all, except...she actually starts to like him. A chapter book for all ages, Popcorn Bob is a laugh-out-loud story about the power of friendship, and a perfect bowl of popcorn.

Pop Goes the Murder Jul 16 2020 Gourmet popcorn entrepreneur Rebecca Anderson and her poodle, Sprocket, are back on the case, in the second *Popcorn Shop Mystery* from the author of *Kernel of Truth*. Despite Rebecca Anderson's best efforts to distance herself from her ex-husband, the guy keeps popping up. When Antoine offers to feature her breakfast bars and popcorn fudge on his popular cooking show, she suspects he's once again trying to butter her up—but the TV exposure for her gourmet popcorn shop, POPS, is too good to turn down. Things take a shocking turn when the crew comes to Grand Lake to film in her shop, and Rebecca discovers Antoine's assistant electrocuted in a hotel bathtub. Now the police want Antoine to come clean. Her ex may be a pain, but he's no killer. So Rebecca decides to bag the real culprit. If she isn't

careful, however, she may be the next one getting burned. INCLUDES POPCORN RELATED RECIPES!

Popcorn Favorites Mar 16 2023 Popcorn Favorites: Everything You Want to Know about Popcorn and More by John (Jack) Podojil Trafford Publishing reviewed by J.A. Garcia "May all of your days and nights resemble popping corn, Bright, cheerful and full of wonderful mouth-watering flavor." An author of motivational books and proponent of education, Podojil combines his love of popcorn with his passion for inspiring children to learn in this volume that is both informative and entertaining. Podojil begins by providing readers with basic facts about this salty snack, briefly exploring the various types of kernels as well as the science behind what makes this particular type of corn pop. The chapters that follow provide greater detail on the history of popcorn, several mechanical innovations that forever changed the way popcorn is made, and a wealth of Native American folklore surrounding this tasty and versatile treat. Readers will also find information on surprising attractions devoted entirely to popcorn as well as fun popcorn trivia. After providing this rich foundation of popcorn knowledge, Podojil goes on to describe practical applications for the classroom by including detailed lessons and activities for a variety of subjects and age groups. Finally, this unique popcorn guide reveals various recipes for not only the familiar varieties of candied popcorn or savory flavorings, but several unexpected culinary treats as well, such as "Popcorn Soup" and "Popcorn Diner Meatloaf." This multifaceted popcorn guide is useful for not only popcorn aficionados, but

parents, educators, and home cooks alike.

Intuitively laid out, this volume provides a wealth of knowledge on the history, science, economics, and culture surrounding this popular treat. And perhaps best of all, popcorns lovers will be happy to find over eighty easy-to-follow, diverse recipes that are sure to please the most discerning popcorn fan.

"*Popcorn Popping on the Apricot Tree*" Sep 29 2021

The Popcorn Dragon Aug 29 2021 You could hardly blame Dexter, ordinarily a well-behaved young dragon, for showing off when he suddenly found that he could make clouds of smoke. The temptation is

irresistible, but Dexter quickly becomes insufferable. First he watches his own reflection in the river in order to admire the smoke. Then he puffs it in the faces of his friends: the zebra, the giraffe, and the elephant. He even blows smoke rings around his own tail to prove how clever he is. Soon Dexter has no friends left. He is a very lonely dragon indeed, until quite by accident he discovers a way his talent can be used to win back his playmates. This wonderful story -- first published in 1953 -- will delight both young readers and their parents, and so will Lisa McCue's appealing new pictures of this lovable show-off.
