Hurry snag this now! Don't miss out on this awesome keto planning notebook. For everyone, men and women, that are maintaining weight loss or losing it by eating a low carb diet and healthy foods to reach ketosis. Great gift for anyone that wants to track, log and journal their daily diet, fitness workouts, meals, recipes, nutrition, meal prepping, motivation, and inspiration. The second of three high-energy thrillers arriving back-to-back from cult crime fiction sensation Duane Swierczynski. Left for dead after an epic shootout that blew the lid off a billion-dollar conspiracy, ex-cop Charlie Hardie quickly realizes that when you're dealing with The Accident People, things can get worse. Drugged, bound and transported by strange operatives of unknown origin, Hardie awakens to find himself captive in a secret prison that houses the most dangerous criminals on earth. And then things get really bad. Because this isn't just any prison. It's a Kafkaesque nightmare that comes springloaded with a brutal catch-22: Hardie's the warden. And any attempt to escape triggers a "death mechanism" that will kill everyone down here--including a group of innocent guards. Faced with an unworkable paradox, and knowing that his wife and son could be next on the Accident People's hit list, Hardie has only one choice: fight his way to the heart of this hell hole and make a deal with the Devil himself. Drop the Battle. Win the War that Matters. Vanessa and Luke met in college. Young and ambitious, they fell in love, married, bought a house in the suburbs, and created a perfect family. He worked tirelessly to advance his career, so she could stay home with the children and manage their busy household. For fifteen years, they built a network of friends, family traditions, and an amazing life together. Everything was going great until it wasn't. Now, they are facing a very painful divorce and a custody battle over two children both parents adore. Family members, friends, and legal professionals- everyone has an opinion about how to come out on top. In You Don't Have to Crush Your Ex, Lori Bonnevier-a clinical social worker and seasoned child custody evaluator-invites you to walk beside Vanessa and Luke, as they face challenges similar to yours. You will have the unique opportunity to make choices about divorce, your children, and how to participate in a custody evaluation to achieve the best outcome. Through this insightful and witty choose-your-own-outcome-style story, Lori shares her more than twenty years of trade secrets to help you navigate the complex and often-thorny experience of participating in family law litigation. By the end of the book, you will know how to: Present your best self to a child custody evaluator. Protect your child's emotional health and well-being. Keep your sanity and thrive on the other side. Discern which attorneys will hurt or help your efforts. Acquire resources to manage specific challenges. Save your family time and money. This book is a must-read for parents, grandparents, and interested third parties involved in or headed toward a custody lawsuit over the children they love. The Choices We Make, Make Us. Lori Bonnevier, a court-appointed evaluator and child advocate for more than two decades, helps parents effectively navigate high-conflict custody battles. The Actionary: To Be or Not To Be? The epic conclusion to the brilliant To Hell and Back series – a trilogy that does for autism what Flowers for Algernon did for intellectual disability Being a crime-fighting superhero with a demon sidekick is not as much fun as Chesney Arnstruther thought it would be. Nor is having his autism “healed” by the historical Jesus. To make things worse, he’s zeroing in on the metaphysical truths behind the notion that reality is a book constantly being rewritten by a deity exploring the nature of good and evil. Satan and the Messiah are holed up in Eden writing fresh chapters, and Chesney’s quest takes him to ancient Babylon and Rome, and into a deep-past encounter with a tribe of God-worshipping dinosaurs. It all leads Chesney toward a choice that no superhero should have to make... FILE UNDER: Fantasy [ The Better Book | Talk the Dinosaur | Scam Busters | Bring Me Barabbas! ] Parenting made easy... even if a narcissist is making your life miserable. Are you dealing with a difficult ex who's ruining your kids' childhoods? Does it feel impossible to be happy because of this, not being able to see a way out? Are the challenges of co-parenting too difficult that you feel lost and hopeless? Being a single parent is hard on its own. When you throw in a narcissistic ex, the process can be unbearable! You probably feel like you want to scream from the top of a mountain or pull your hair out because of the stress. It's okay. You are completely justified to feel this way. Take a break and relax, because there are plenty of solutions you can try. You are here because you care about your children. They need a loving parent to have a happy childhood. While narcissists are complex and open up many grey areas, single parents have been able to raise healthy children without the need to stress themselves out. That's what this guide will do for you. You can move on with your life, handle difficult situations, and focus on your children to the best of your abilities. These challenges might pop up one after the other, but with the right knowledge, you can knock them out of the park! In Co-Parenting HELL, you will discover: 6 distinct signs that you have a narcissistic ex and how

you can deal with this difficult person in your life The importance of empathy parenting and how you can use this to raise healthy and happy children How to navigate a difficult situation if you have chosen to officially divorce your ex The underlying reason why your ex may be a narcissist and why they have developed this personality trait The common coercion techniques narcissists use -- and how you can stop them before it becomes explosive How to deal with difficult family members so you can live a carefree and happy life The importance of self-care to strengthen you and your children's mental well-being The steps to recover from being married to a narcissist and leave the past behind And much more. By having a detailed plan, a healthy way forward, and an eye for the future, your stress will melt away. Even a narcissistic ex that has caused you so much misery will seem like another bump in the road. All it takes is an experienced mentor, the will to move on, and the love for your children. Remember, this isn't about your ex. This is about your children and their happiness. That is the motivation that will get you through this. If you're ready to leave the past behind and raise healthy, happy children, then scroll up and click the "Add to Cart" button right now. Sirius Sinister keeps sleeping with the wrong women. And this time, it's led to his imprisonment in Hell. Literal Hell. Immortal vampire assassin Sirius Sinister has a healthy libido that constantly results in bad relationship decisions. But when he's served divorce papers by Bloodsucker Number One--a shady woman from his past--he realizes there's a major problem: he was never even married to her, or so he thought. Regardless of the truth, Sirius is put under the jurisdiction of Immortal Divorce Court. You would think by now he'd know having sex can lead to horrific consequences like marriage, children, and ex-wives--but some habits just won't die. Leaving his faithful vampire Maltese, Garlic, behind, Sirius travels to court to defend himself with the help of his demon attorney, Maximillian Justice. Unfortunately, the trial quickly spirals out of control, and Sirius is banished to hell for a hundred years. When Sirius finally escapes, he ends up in the Caribbean where he meets his next paramour: the Howler. After a wild romp with his new werewolf lover under the lure of a full blood moon, he finds himself becoming the father of a litter of pups--but, the Howler and her Pack want to put the dead in deadbeat dad. Luckily, Sirius is saved by the Queen of the Merfolk, who comes with a hidden agenda even as they fall in love. Can he make it work with the Queen, or will he have to head to Immortal Divorce Court once again as yet another relationship flounders? For all those who have nursed a broken heart--or a vengeful one--Immortal Divorce Court Volume 1 is a sexy, exciting debut and the start of a hellishly fun new series about the flawed antihero Sirius Sinister. Writing a book about the negative aspects of your life is not easy. It takes a lot of thought and emotional effort to relive circumstances that you have tried to shut out. We are living in a cultural war where the family is the target. Hopefully, *The Ex-Wife From Hell* will motivate you to keep your marriage in place, or if you are single, do not allow the war to keep you single. I hope that my story will inspire all of us to be responsible and change the culture we are living in. From her first assignment in 1998 to explore an increase in the number of missing women to the harrowing 2002 interrogation of convicted serial killer Robert Pickton, Lori Shenher tells a story of massive police failure—failure of the police to use the information about Pickton available to them, failure to understand the dark world of drug addiction and sex work, and failure to save more women from their killer. Shenher explains how police unwillingness to believe the women were missing or murdered, jurisdictional squabbles, and a fear of tunnel vision conspired to leave women unprotected and vulnerable to a serial killer nearly three years after she first received a tip that Pickton could be responsible. She unflinchingly reveals her own pain and psychological distress as a result of these events, which left her unable to work with or trust the police and the criminal justice system. That *Lonely Section of Hell* reveals the deeper truths behind the causes of this tragedy and the myriad ways the system—and society—failed to protect vulnerable people. Dane Cooper is gorgeous, thick-headed, and dangerously hot. He's an ex-cop with an attitude - and my bad ex-boyfriend. Dane wasn't always such an insufferable jerk. Back in the day, we were young, reckless, and madly in love. Then I went and broke his heart. Now, after a string of shocking vandalisms puts my neighborhood in a tizzy, I'm forced to go begging for his help in catching this mystery troublemaker. And you thought you were having a bad day. Can I keep from being seduced by his devilish charm? Have I learned from all the foolish mistakes I made before? Or am I doomed to fall for my bad ex-boyfriend all over again? "My Bad Ex-Boyfriend" is a hot and hilarious second-chance M/M romance from Daryl Banner, author of the Amazon top-selling *Bromosexual*, *Hard For My Boss*, and *Football Sundae*. Fans of Michael Connelly and Steve Cavanagh's courtroom dramas with plenty of twists and turns will love this first entry in the *Cold Case Investigation* series. It's an understatement to say *Cold Case Detective* Lauren Riley and defense attorney Frank Violanti don't get along. While on opposite sides in the courtroom Frank's called Lauren a sloppy cop he doesn't trust. She considers him an obnoxious bully. Now Frank needs her help: he wants to hire her as a private investigator. Frank's eighteen-year-old godson, David, is accused of the rape and brutal murder of a local woman. Frank's convinced David's being set up and he needs Lauren's help to prove it. Lauren doesn't want to get involved in another jurisdiction's homicide case, but things change when she learns the arresting officer is the one man Lauren hates more than Frank . . . her abusive former fiancé, Joe Wheeler. After meeting David, Lauren's determined to prove his innocence and stand up to Joe in one fell swoop. Arthur Quinn has defeated the World Serpent. He's come face-to-face with the Fenris Wolf. But now he faces Loki's most powerful child, Hell's Keeper. With his friends Ash, Ellie and Ex, Arthur sets out to stop this new menace. But Loki has a trick up his sleeve, a trick that changes everything. Arthur must confront Loki for a final showdown. But faced with a terrible secret and enemies at every turn, can Arthur find the courage he needs to defeat the god once and for all, or has Loki finally won? Break the seals of Hell and unleash ultimate evil upon your Pathfinder campaign with an

unholy collection of devils, cultists, and worse. Pathfinder Campaign Setting: Hell Unleashed presents twelve diabolically detailed encounters featuring the slaves and masters of the infernal realm, including an Asmodean summoning ritual primed to rip open reality, a lethal Hellknight test of worthiness, glimpses into the soul-markets of the infernal metropolis of Dis, profane details on the infamous Book of the Damned, and a march through the fortress of one of Hell's god-like gatekeepers. Each entry includes full statistics for running a particular encounter or servant of evil, details on its history and machinations, ways to use it in an ongoing campaign, maps of the related site, and more. In which Tina learns she can be a Fury meting out justice, or a lawyer, not both Tina Clancy's post-bar-exam celebration erupts in a melee after poisonous pink particles leave her neighbors inexplicably pummeling each other, then keeling over, comatose. Her home in Baltimore's already-weird Zone has been contaminated once by Acme Chemical. Now the company is at it again, ferrying the unconscious bodies of friends to a notorious experimental lab instead of to the hospital. After being accidentally damned to hell, Tina's ex-boyfriend Max is back—but not for long if his demon grandmother has her way. If that's not frightening enough, Tina has to prevent her dangerously immoral boss Andre from turning her new home into a battleground in his war with Acme—or from turning his guns on Max. As a daughter of Saturn, Tina has the power to dispense justice, but her gift often comes with disastrous consequences. Only this time, Tina is on her own. There's a very real chance that saving her friends will happen over her dead body. Saturn's Daughters series in order: Boyfriend From Hell Damn Him to Hell Giving Him Hell Drop the Battle. Win the War that Matters. Vanessa and Luke met in college. Young and ambitious, they fell in love, married, bought a house in the suburbs, and created a perfect family. This book is a must-read for parents, grandparents, and interested third parties involved in or headed toward a custody lawsuit over the children they love. The Choices We Make, Make Us. Agatha Raisin and the Love from Hell continues the tradition in M. C. Beaton's beloved Agatha Raisin mystery series—now a hit show on Acorn TV and public television. Recently married to James Lacey, the witty and fractious Agatha Raisin quickly finds that marriage, and love, are not all they are cracked up to be. Rather than basking in marital bliss, the newlyweds are living in separate cottages and accusing each other of infidelity. After a particularly raucous fight in the local pub, James suddenly vanishes—a bloodstain the only clue to his fate—and Agatha is the prime suspect. Determined to clear her name and find her husband, Agatha begins her investigation. But her sleuthing is thwarted when James's suspected mistress, Melissa, is found murdered. Joined by her old friend Sir Charles, Agatha digs into Melissa's past and uncovers two ex-husbands, an angry sister, and dubious relations with bikers. Are Melissa's death and James's disappearance connected? Will Agatha reunite with her husband or will she find herself alone once again? As a leading media ministry, with a global reach, we're committed to creating Christian content that changes the people who change the world. Ignatius Brambleshot, exiled hell-demon and grumpy Private Investigator has a new client; his old boss, Satan himself, appears in Brambleshot's office with a missing person case he can't resist. This special "sampler" edition featuring Part One of the story has been produced specifically for distribution at Comic Conventions. 'Tis the season to be wary... Christmas is coming and all is far from calm in Pointe Judah, Louisiana. Newcomer Christian DeAngelo--Angel to his friends--is at his wit's end trying to manage Sonny, the hotheaded nineteen-year-old everyone believes is his nephew. In fact, Sonny is the orphaned son of a notorious mob boss, a protected witness...and Angel's responsibility. Angel has been commiserating with Eileen Moggeridge, whose lonely son Aaron has latched on to Sonny and gotten into deeper trouble than ever. But nothing could prepare Angel and Eileen for the boys' latest crisis: as they are horsing around in the swamp one afternoon, a shot rings out. Aaron is hit, but was the bullet meant for Sonny? Suddenly, goodwill toward men is in short supply and Angel doesn't know who's more dangerous: the hoodoo mystic with an eerie hold over the boys, the hit man roaming the bayou or Eileen's volatile ex-husband, Chuck. In rural Colorado, four warriors unleash a deadly curse as revenge for the disturbance of their burial grounds, and the self-destructive Seven George holds the town's fate in his hands. Don't sleep with demons or priest, and especially not priests who become demons, and especially not demons who happen to be your ex. Everyone knows that love is blind, but even Riona Dade knows it's supposed to be with a mortal. That's true even if you are a witch with the ability to magically slay the scum of Hell. But when you find out your ex-boyfriend was a demon, you should probably take your lesson about falling for the wrong guy. Probably. It's a great theory, anyway. But if there's one thing Riona can do well, it's picking the wrong guy. With the help of Greek

Gods, practical joke-loving archangels, and her fellow Pure Souls, Riona faces down challenge after challenge, both to her heart and to her head. Seems the reluctant witch plays a key part in a prophecy, one that has her pitted against the Devil at every turn. The Devil isn't quite what he used to be, though, and by the time Riona is through, neither one of them will be the same again. The Ex Hex includes all five installments of this hilarious paranormal romance series, a rollickingly humorous tale of love, lust, magic, and a demon who loves Zima. This collection contains: The Motion of the Potion (All My Exes Die From Hexes, #1) Once You Go Demon (All My Exes Die From Hexes, #2) Hex Goddess (All My Exes Die From Hexes, #3) When Spell Freezes Over (All My Exes Die From Hexes, #4) Hung by the Fireplace (All My Exes Die From Hexes) Alexis McQuillan went looking for spirits. She found a demon. Her life will never be the same. Alexis is a psychic who never believed in demons until she came face to face with pure evil. This is her true story of spiritual warfare with a terrifying entity so powerful it turned her life upside down and put her in mortal danger. The nightmare begins shortly after Alexis and her husband relocate to a small lakeside community. After hearing rumors about the nearby Matthews residence, Alexis investigates the nineteenth-century house and its spirit inhabitants. She soon finds herself caught in a demon's snare of violent fury—isolating her from her family, attacking her in the one place she thinks she is safe, and staining her very soul. There is no shortage of books on the ill-fated Gallipoli campaign of 1915 but this one stands out. In it Geoffrey Moorhouse moves the focus from the more familiar aspects to concentrate on one small mill town, Bury, in Lancashire, and to anatomize the long-lasting effect the Dardanelles had on it. Bury was the regimental home of the Lancashire Fusiliers. In the Gallipoli landings of 25 April 1915 it lost a large proportion of its youth. By May 1915, some 7,000 Bury men had already gone to war, to be followed by many others before Armistice Day. More than 1,600, from just three local battalions of the Fusiliers were among those who never returned. The regiment left 1,816 dead men on Gallipoli alone: it lost 13,642 soldiers in the Great War as a whole. This terrifying sacrifice left its mark. Bury commemorates Gallipoli on a scale similar to Anzac Day in Australia and New Zealand and yet as the Second World War approached, recruitment to the regiment fell far behind that in other Lancashire towns. 'Hurtles one from rage and cynicism to involvement and tenderness . . . Moorhouse offers one of the most fascinating revelations of the orthodox British spirit, religious, political and social . . . This book makes wonderful reading.' Ronald Blythe, Sunday Times 'A fascinating new approach to this tragedy . . . Moorhouse's contribution (to the bibliography of Gallipoli) is of quite outstanding value.' Robert Rhodes James, The Independent 'A subtle and moving exploration of the way that memories of slaughter and loss shaped the town's post-first world war identity.' Terry Eagleton, New Statesman Jersey's countless hours spent combing Australian, Japanese, and U.S. documents and interviewing more than 200 veterans on both sides of the Guadalcanal campaign have resulted in an unprecedented work of impressive scope. Chock-full of gripping battlefield accounts and harrowing first-person narratives, this book draws together for the first time perspectives from both sides of this bloody contest. A kiss from bad boy Kai reawakens Sophie's true identity: Persephone, goddess of spring. She's the key to saving humanity in the war between the underworld and Olympus. Whether you've dated, mated, or just plain slept around, if you're a gay man looking to hook up, you've probably had your share of boy trouble. Was he passive aggressive, a withholder, stalker, or snippy vegan? The one-night stand you thought you'd never escape, the date you couldn't flee fast enough? They may be Hell to live through, but they make for riveting post mortems. Here twenty gay writers have the last word in this collection of sexy, funny, scary, heartbreaking and delightfully vengeful accounts of adventures at the deep end of the dating pool. This Is A New Release Of The Original 1903 Edition. Ignatius Brambleshot, exiled hell-demon and grumpy Private Investigator has a new client; his old boss, Satan himself, appears in Brambleshot's office with a missing person case he can't resist. But following the trail raises more questions than it answers and he soon finds himself up to his horns in a metaphysical conspiracy that could change the universe, while also dealing with a near-endless parade of exploding pets. Maggie Quinn, girl reporter. Honors student, newspaper staffer, yearbook photographer. Six weeks from graduation and all she wants to do is get out of Avalon High in one piece. A sensible nerd would have kept her head down, done her drive-by photo shoot of the prom, and continued the countdown to Diploma Day. But fate seems to have different plans for Maggie. High school may be a natural breeding ground for evil, but the scent of fire and brimstone is still a little out of the ordinary. It's the distinct smell of sulfur that makes Maggie suspect that something's a bit off. And when real Twilight Zone stuff starts happening to the school's ruling clique—the athletic elite and the head cheerleader and her minions, all of whom happen to be named Jessica—Maggie realizes it's up to her to get in touch with her inner Nancy Drew and ferret out who unleashed the ancient evil before all hell breaks loose. Maggie has always suspected that prom is the work of the devil, but it looks like her attendance will be mandatory. Sometimes a girl's got to do some pretty undesirable things if she wants to save her town from soul-crushing demons from hell. And the cheerleading squad. "Dripping with wit on nearly every page."-School Library Journal "Smart (and smart-ass)."-KLIATT "There is a lot to like in this story that takes on magic, romance, and even clique politics."-Publisher's Weekly "Fans of shows like Charmed and Buffy the Vampire Slayer will relish the unflappable, edgy humor Maggie brings to her fight against supernatural evil."-The Horn Book Magazine "Sharp, sarcastic wit...[This book] will appeal to supernatural fans of Meg Cabot's Mediator series."-VOYA The Gates of Hell is the follow up to Michael Livingston's amazing The Shards of Heaven, a historical fantasy that reveals the hidden magic behind the history we know, and commences a war greater than any mere mortal battle. Alexandria has fallen, and with it the great kingdom of Egypt. Cleopatra is dead. Her children are paraded through the streets in

chains wrought of their mother's golden treasures, and within a year all but one of them will be dead. Only her young daughter, Cleopatra Selene, survives to continue her quest for vengeance against Rome and its emperor, Augustus Caesar. To show his strength, Augustus Caesar will go to war against the Cantabrians in northern Spain, and it isn't long before he calls on Juba of Numidia, his adopted half-brother and the man whom Selene has been made to marry—but whom she has grown to love. The young couple journey to the Cantabrian frontier, where they learn that Caesar wants Juba so he can use the Trident of Poseidon to destroy his enemies. Perfidy and treachery abound. Juba's love of Selene will cost him dearly in the epic fight, and the choices made may change the very fabric of the known world.

“Livingston has spiced real history with a compelling dose of fantasy! Wonderfully imaginative and beautifully told.” —Bernard Cornwell, bestselling author of *The Pagan Lord*, on *The Shards of Heaven* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Bai Xiao had married two men in her life. The first was someone she had chased for sixteen years, someone she had loved for sixteen years, someone who was already the most precious part of her life. However, on the anniversary of their wedding, she told him that she had already fallen in love with another person and cruelly swore a divorce oath. Secondly, he used his utmost love to pry open her closed heart. However, when she thought that she had regained her happiness, he told her that everything was just a method to get revenge and push her into hell with his own hands ... Wounded and wounded, she fled in panic. Four years later, she, who had completely transformed, would return in a strong manner, and she would repay for all that she had suffered. Yet, she did not expect that she would be caught unprepared by one truth after another, and what she had to do, and how she had to choose ... With her ex-boyfriend Chance in tow, Corine Solomon journeys back home to Kilmer, Georgia, in order to discover the truth behind her mother's death and the origins of her "gift." But Corine and Chance find that something is rotten in the state of Georgia. Inside Kilmer's borders there are signs of a dark curse affecting the town and all its residents, and it can only be satisfied with death. What do you do when your ex is sabotaging your working life, your current gf isn't quite what your loyal subjects were expecting, and you discover there's a coup d'etat planned right under your nose? Did I mention your ex is Lucifer, your current is only newly dead, and the coup d'etat is from the Amazons? Your allies are really your enemies, your mother expects absolute perfection, and there's a darkness waiting to explode into brilliance. Being God isn't working out like you thought it would. Welcome to the Heavens. HEAVEN'S HELL explores the intertwining nature of salvation and damnation, where good people do bad deeds for the right reasons and bad people do good deeds for the wrong ones.
