Designed and written by real English teachers with over 25 years of experience! ¿Has estado estudiando inglés durante mucho tiempo pero te da la impresión de que todavía no entiendes con claridad a la gente inglesa? O, lo que es peor, ¿no consigues hacer que te entiendan? Se trata de un problema muy común entre los hispanohablantes que han invertido muchos años de su vida en clases de inglés, logrando alcanzar un excelente nivel de vocabulario y gramática, y todavía con grandes dificultades a la hora de comunicarse oralmente. La mayoría de esos problemas podrían resolverse si los hispanohablantes hubiesen prestado más atención al aspecto de la pronunciación, teniendo en cuenta que es el área en la que más difieren el inglés y el español. Este libro está pensado para ayudar a resolver esos problemas de comunicación en inglés, presentando las cuestiones más relevantes de la pronunciación inglesa y comparándolas con aquellas de la pronunciación española. No sólo abarca las vocales y las consonantes, si no también otros aspectos como el ritmo, la entonación, o la colocación del acento. El libro viene acompañado de un CD-ROM con material de audio y ejercicios interactivos. Juntos: Italian for Speakers of English

and Spanish, Third Edition, is the first comprehensive textbook for the teaching of Italian to students who already possess knowledge of Spanish, whether as L1 Spanish speakers, heritage speakers, or L2 Spanish learners. Suitable for students at the high school and college levels, *Juntos* is also the first textbook to cultivate interlinguistic awareness through intercomprehension, developing bridges that foster the recognition and use of students' bilingual repertoire as a tool for learning Italian and acquiring other Romance languages.

Features: Networked approach that motivates learners to draw on their multilingual language repertoire to acquire reading, writing, speaking, and listening skills in Italian Innovative activities that encourage multilingual, multicultural, and metalinguistic thinking and analysis Readings and translation activities that promote and develop translanguaging—the practice of drawing from one's multilingual linguistic repertoire as a whole when thinking, speaking, and writing Instruction that reinforces learners' knowledge of English and Spanish, while building understanding of the links and interactions between global Romance languages and cultures Inclusive readings on topics of transnational interest that invite students to reflect on the interconnectedness of cultures around the world Companion website (available on the book title page on www.hackettpublishing.com) with audio files and supplemental web-based activities that reinforce students' intercultural awareness and literacy Full-color interior, with illustrations and easy-to-read, color-coded

The Spanish Language in the United States addresses the rootedness of Spanish in the United States, its racialization, and Spanish speakers' resistance against racialization. This novel approach challenges the "foreigner" status of Spanish and shows that racialization victims do not take their oppression meekly. It traces the rootedness of Spanish since the 1500s, when the Spanish empire began the settlement of the new land, till today, when 39 million U.S. Latinos speak Spanish at home. Authors show how whites categorize Spanish speaking in ways that denigrate the non-standard language habits of Spanish speakers—including in schools—highlighting ways of overcoming racism. This easy-to-read pronunciation guide helps language learners speak English more clearly and confidently, using everyday language examples and special exercises for both self-study and collaborative work. It shows how speakers of English as a foreign language can avoid being misunderstood in various contexts. The book examines how the Spanish language influences English pronunciation, concentrating on 11 fundamental pronunciation issues that have been observed in Spanish speakers of all ages around the

world. The online audios feature native speakers communicating in real-life words and sounds. Learners can practice their listening skills and compare their own speaking to standard English accents and pronunciation. Everything a beginner needs for learning English in one book!
