Q: How does Heather Greenblotz, the thirty-one-year-old heiress to the world's leading matzo company, celebrate Passover? A: Alone. In her Manhattan apartment. With an extremely unkosher ham-and-cheese panini. But this year will be different. The Food Channel has asked to film the famous Greenblotz Matzo family's seder, and the publicity op is too good to, ahem, pass over. Heather is being courted by the handsome director and the subtly sexy cameraman, and she's got family coming out of her ears. It's enough to make a formerly dateless heiress feel like a princess. After she casts an ancient shopkeeper as Grandma and coaxes her bisexual father to make an appearance, Heather thinks she's pulled it off. Until her mother stages an unexpected walk-on. As the live broadcast threatens to become a Greenblotz family exposé, Heather must dig deep to find faith in love, family and, most of all, herself. A uniquely conceived Passover Haggadah, structured as a play in which people act out consistent roles throughout the evening. It takes place at Seder tables through history, telling not only the story of the Jews' exodus from Egypt, but also the continuing tale of Jewish survival through the ages. This revised edition includes key updates - including new music by the author - and follows the traditional order more closely than the original version, to enable the widest possible audience to experience and enjoy it. Provides instruction on how to observe a Passover Feast as we recognize Yeshua (Jesus) as the Passover Lamb. Jews and non-Jews alike can learn the significance of the Fifth Cup, Elijah's Cup, in the coming Kingdom as the prophecies of old come to fruition. Assists non-Jewish believers in Messiah Yeshua (Jesus) to acquire a greater understanding and appreciation of the Last Supper. The revolutionary Haggadah is written in gender-inclusive contemporary language and has sold over 900,000 copies since its introduction. New York Times bestsellers Cokie Roberts and Steven V. Roberts offer a unique, personalized vision of the traditional Passover Haggadah, combining their own family traditions with favorites from other families in a fun, intimate guide written especially for couples of mixed faiths. A fresh and informative tour through the rituals of the Pesach Seder as well as a compelling rendition of the Exodus story, Our Haggadah is the perfect book for any interfaith family celebrating Passover. Readers of the couple's compelling account of their marriage, *From This Day Forward* ("Instructive and inspiring" —New York Times Book Review) as well as Cokie Roberts' *We Are Our Mothers' Daughters* and Steven V. Roberts' *My Father's Houses*, will be enthralled by this glimpse into the couple's inclusive Passover rituals. This Passover Seder is not just any Passover Seder. Yes, there will be a quick service and then a festive meal afterwards, but this night is different from all other nights. This will be the night the Golds of Greenwich meet the Rothschilds of New York City. The Rothschilds are the stuff of legends. They control banks, own vineyards in Napa, diamond mines in Africa, and even an organic farm somewhere in the Midwest that produces the most popular Romaine lettuce consumed in this country. And now, Sylvia Gold's daughter is dating one of them. When Sylvia finds out that her youngest of three is going to bring her new boyfriend to the Seder, she's giddy. When she finds out that his

parents are coming, too, she darn near faints. Making a good impression is all she thinks about. Well, almost. She still has to consider her other daughter, Sarah, who'll be coming with her less than appropriate beau and his overly dramatic Italian mother. But the drama won't stop there. Because despite the food and the wine, despite the new linen and the fresh flowers, the holidays are about family. Long forgotten memories come to the surface. Old grievances play out. And Sylvia Gold has to learn how to let her family go. The book you hold before you is no ordinary Haggadah. If you've ever suffered through a Seder, you're well aware of the fact that the entire evening can last as long as the exodus from Egypt itself. There are countless stories, dozens of blessings, and far too many handwashings while the meal turns cold. Now prepare to be entertained by another version of the book that's responsible for this interminable tradition. With this hilarious parody Haggadah from the comedic minds of Dave Barry, Alan Zweibel, and Adam Mansbach, good Jews everywhere will no longer have to sit (and sleep) through a lengthy and boring Seder. In *For This We Left Egypt?*, the authors will take you through every step of the Seder, from getting rid of all the chametz in your home by setting it on fire with a kosher blowtorch to a retelling of the Passover story starring Pharaoh Schmuck and a burning bush that sounds kind of like Morgan Freeman, set against the backdrop of the Promised Land—which turned out not to be a land of milk and honey but rather one of rocks and venomous scorpions the size of Yorkshire terriers. You then eat a celebratory brisket and wrap up the whole evening by taking at least forty-five minutes to say good-bye to everyone. So gather all the Jews in your life (even the few who don't appear to be long-suffering) and settle in for a fun way to pass the time while waiting for Elijah to show up. With illustrations. There are more than the ceremonial four questions when it comes to the Passover Seder: What kinds of traditional dishes should I make? What goes on the Seder plate? What is the Seder plate? Do I have to drink all four cups of wine? Author Zell Schulman puts your mind at ease with *Let My People Eat!* the first Passover Seder cookbook that not only takes you step-by-step through the Seder, but also features six Seder menus to suit your religious background, your diet, your budget, and your time. Zell Schulman is the author of two books, a food editor and columnist for *The American Israelite*, and a columnist for *The National Jewish Post & Opinion*. She has been on several tv cooking segments throughout the country. With just the right blend of text and commentary, the popular *A Family Haggadah*, with new full-color art, is the haggadah of choice for families with young children to use at their Passover seders. Hebrew prayers and songs include English translations and transliterations. In a generation that has seen

an explosion in popularity of books about mystical and meditative traditions, very little has been published about the rich and fascinating mystical traditions of the Jewish holy days. Passover, the first religious holiday of the Jewish people, particularly rewards a reviewing from a mystical perspective. A Mystical Haggadah takes readers through the Passover ritual with Kabbalistic meditations and affirmations in a friendly, accessible format. This Haggadah also includes many Hassidic teachings and stories that have never been presented to the English reading audience. The book is especially valuable for its transliterations of all the major prayers and rituals, and is refreshing in its creative and spiritually-based adaptation and translation of the primary Haggadah text. A Mystical Haggadah is for all spiritual seekers who wish to explore this root tradition of Judaism as a ritual of cosmic importance. The book is also for Jewish seekers of all denominations who wish to explore the mystical, meditative, and empowering aspects of Jewish traditions as seen through the rich and meaningful Passover eve Seder ritual. Nothing provided This Haggadah is written in hopes that it will appeal to nonobservant Jews without offending those who would prefer a more orthodox text with which to celebrate Passover. Grover and Big Bird are in a hurry to get to the Passover seder, but—uh, oh!—there are many delays. Moishe Oofnik comes to the rescue in his tumbledown truck, but will they arrive in time to ask the Four Questions? This Passover is starting to feel like the ten plagues might be coming back to haunt them before the weekend is over...one hilarious misstep after the next. Gaby Fineberg just wants to get through Passover Seder without her “well meaning” family playing matchmaker. She needs a date, just for one simple meal—that includes singing, the history of her forefathers, and not one bit of yeast. The hot guy at her gym would be perfect. He probably hates bread, anyway, with a body like that. But when she finally works up the nerve to ask him...he doesn't hear a word she said. Levi Miller is Deaf and happily single. Initially, he doesn't know why this beautiful woman is talking to him, but it's clear she needs help—and suddenly so does he. In a very complicated situation, Levi finds a simple solution. Gaby will pretend to be his new girlfriend to bail him out, and he'll return the favor. But he didn't bargain for a family dinner quite like this one... Each book in the Matzah Ball Surprise series is **STANDALONE**: * Matzah Ball Surprise * About That Night The haggadahs retelling the epic story, the seder dish filled with foods symbolizing past suffering and the promise of redemption in the future, the goblet of wine poured for Elijah - every item on the seder table is embodied with religious and historical significance. The ultimate children's Haggadah. A child's first seder service with the story of Passover, an explanation of holiday symbols, pictures to colour, songs, recipes and crafts. With just the right blend of text and commentary, the popular A Family Haggadah, with new full-color art, is the haggadah of choice for families with young children to use at their Passover seders. and Passover Seder plate instructions. Hebrew prayers are also provided with transliteration. The treatment given to the four-children (traditionally the four sons) is simply brilliant. The four-questions and their answers are presented in a truly thought provoking way. This fun-to-read Passover Haggadah is perfect for the family on the go and appeals to new and experienced Seder participants alike. In 1969, Arthur Waskow created the Freedom Seder to address America's racial issues a year after the assassination of Martin Luther King. It used the ancient Passover Seder ritual to tell a contemporary story of liberation. The Freedom Seder began a revolution in American Judaism, combining the ancient and the timely in a way that lay the path for subsequent repurposing of the Seder for other messages. This volume tells the story of those innovations while laying the groundwork for future religious creativity. *Liberating Your Passover Seder* tells the history of the Freedom Seder and includes material marking the Freedom Seder's 40th anniversary celebration in 2019. It retells the origin of subsequent new haggadahs, including those focusing on Jewish-Palestinian reconciliation, environmental concerns, feminist and LGBT struggles, and the Covid-19 pandemic of 2020. It includes Susannah Heschel's explanation of why she famously added an orange to the Seder plate. But more than looking back, *Liberating Your Passover Seder* is a challenge to heed Arthur Waskow's renewed call to "Free your seder!" A Passover Haggadah, enhanced with more than fifty original drawings, Elie Wiesel and his friend Mark Podwal invite you to join them for the Passover Seder—the most festive event of the Jewish calendar. Read each year at the Seder table, the Haggadah recounts the miraculous tale of the liberation of the Children of Israel from slavery in Egypt, with a celebration of prayer, ritual, and song. Wiesel and Podwal guide you through the Haggadah and share their understanding and faith in a special illustrated edition that will be treasured for years to come. Accompanying the traditional Haggadah text (which appears here in an accessible new translation) are Elie Wiesel's poetic interpretations, reminiscences, and instructive retellings of ancient legends. The Nobel laureate interweaves past and present as the symbolism of the Seder is explored. Wiesel's commentaries may be read aloud in their entirety or selected passages may be read each year to illuminate the timeless message of this beloved book of redemption. The Open Door includes traditional and innovative blessings, extensive commentaries and supplemental readings, contemporary additions like Miriam's Cup, women's and men's voices in gender inclusive language, more than 40 pages of traditional and newly commissioned music, and magnificent full color art. Arthur Szyk (pronounced "Shick") created his magnificent Haggadah in 1938 in Lodz, on the eve of the Nazi occupation of his native Poland. There is no Haggadah like it, before or since, filled with sumptuous paintings of Jewish heroes and stunning calligraphy. This edition, the first since 1940 to be reproduced from Szyk's original art, boasts a newly commissioned and extremely practical English text by Rabbi Byron L. Sherwin, ideal for use at any family Seder, and a special commentary section by Rabbi Sherwin and Irvin Ungar gives insight into both the rituals of the Seder and Szyk's rich illustrations. The Szyk Haggadah will transform the Seder, bringing the story of the Exodus from Egypt into a more contemporary light.
