The Astonishing Life of Octavian Nothing, Traitor to the Nation, Volume II May 21 2023 "A novel of the first rank, the kind of monumental work Italo Calvino called 'encyclopedic' in the way it sweeps up history into a comprehensible and deeply textured pattern." — The New York Times Book Review Fearing a death sentence, Octavian and his tutor, Dr. Trefusis, escape through rising tides and pouring rain to find shelter in British-occupied Boston. Sundered from all he knows — the College of Lucidity, the rebel cause — Octavian hopes to find safe harbor. Instead, he is soon to learn of Lord Dunmore's proclamation offering freedom to slaves who join the counterrevolutionary forces. In Volume II of his unparalleled masterwork, M. T. Anderson recounts Octavian's experiences as the Revolutionary War explodes around him, thrusting him into intense battles and tantalizing him with elusive visions of liberty. Ultimately, this astonishing narrative escalates to a startling, deeply satisfying climax, while reexamining our national origins in a singularly provocative light.

Bulletin Apr 08 2022

The Astonishing Life of Octavian Nothing, Traitor to the Nation, Volume I Aug 12 2022 National Book Award Winner! This deeply provocative novel reimagines the past as an eerie place that has startling resonance for readers today. It sounds like a fairy tale. He is a boy dressed in silks and white wigs and given the finest of classical educations. Raised by a

group of rational philosophers known only by numbers, the boy and his mother — a princess in exile from a faraway land — are the only persons in their household assigned names. As the boy's regal mother, Cassiopeia, entertains the house scholars with her beauty and wit, young Octavian begins to question the purpose behind his guardians' fanatical studies. Only after he dares to open a forbidden door does he learn the hideous nature of their experiments — and his own chilling role in them. Set against the disquiet of Revolutionary Boston, M. T. Anderson's extraordinary novel takes place at a time when American Patriots rioted and battled to win liberty while African slaves were entreated to risk their lives for a freedom they would never claim. The first of two parts, this deeply provocative novel reimagines the past as an eerie place that has startling resonance for readers today.

The Astonishing Chronicles of Oscar from Elsewhere Jan 17 2023 Oscar is just skipping school and hanging out at the local skatepark when he suddenly finds himself transported into a world very different to his. And this is his own account of his adventures from Monday to Friday last week. In the company of Bronte Mettlestone, Esther, Imogen and Alejandro, ordinary Oscar finds himself on a quest to locate nine separate pieces of a key, held by nine separate people, in order to unlock a complicated spell that had trapped the Elven city of Dun-sorey-lo-vay-lo-hey. If they don't succeed in their quest, on Friday at noon the spell becomes permanent, the Elves will be crushed to death and Oscar will be trapped in this magical world forever. (The account, it should be noted, has been written at the request of Oscar's school's Deputy Head Teacher. She wants to know exactly what Oscar considered more important than coming to school last week.)

The Kingdom on the Waves Sep 01 2021 When he and his tutor escape to British-occupied Boston, Octavian learns of Lord Dunmore's proclamation offering freedom to slaves who join the counterrevolutionary Royal Ethiopian Regiment.

The Astonishing Color of After Jul 23 2023 A stunning, heartbreaking debut novel about grief, love, and family, perfect for fans of Jandy Nelson and Celeste Ng. Leigh Chen Sanders is absolutely certain about one thing: When her mother died by suicide, she turned into a bird. Leigh, who is half Asian and half white, travels to Taiwan to meet her maternal grandparents for the first time. There, she is determined to find her mother, the bird. In her search, she

winds up chasing after ghosts, uncovering family secrets, and forging a new relationship with her grandparents. And as she grieves, she must try to reconcile the fact that on the same day she kissed her best friend and longtime secret crush, Axel, her mother was taking her own life. Alternating between real and magic, past and present, friendship and romance, hope and despair, *The Astonishing Color of After* is a stunning and heartbreaking novel about finding oneself through family history, art, grief, and love. "Emily X.R. Pan's brilliantly crafted, harrowing first novel portrays the vast spectrum of love and grief with heart-wrenching beauty and candor. This is a very special book."--John Green, bestselling author of *The Fault in Our Stars* and *Turtles All the Way Down*

How Santa Claus Came Into Existence Jun 22 2023 The legend of Santa Claus can be followed back many years to a priest named St. Nicholas. It is accepted that Nicholas was conceived at some point around A.D. 280 in Patara, close to Myra in current Turkey. Much appreciated for his devotion and generosity, St. Nicholas turned into the subject of numerous legends. This book is filled with so many details about the beginning of Santa Claus. It is also recommended for children so they could know how their best holiday (CHRISTMAS) started.

Featuring current cognitive neuroscience research and updated references, the book includes: Detailed breakdowns of the essential elements all great stories share, and templates for creating yours Tips for supercharging your stories by drawing from personal experience as well as familiar movies, TV shows, and popular media. A guide to effective story delivery, including optimized vocal inflection and body language.

The Astonishing Maybe Nov 15 2022 Friendship, heartbreak, and defining what family means are rarely as sensitively, beautifully portrayed in middle-grade fiction. Shaunta Grimes is an extraordinary new talent. Gideon hates the idea of moving to Nevada from the East Coast. It's so empty and hot in his new neighborhood. Only one person his age lives nearby: the girl next door, Roona. Gid notices right away that Roona is . . . different. She wears roller skates and a blanket as a cape

when she needs to feel strong. What he doesn't bargain for, however, is how far outside his comfort zone Roona will take him as she enlists his help in finding her long-gone father. For a kid who's not allowed to ride his bike more than a few blocks from home, this will be an adventure of a lifetime.

Astonishing Splashes of Colour Jul 31 2021

Taking its title from a description of Peter Pan's Neverland, *Astonishing Splashes of Colour* follows the life of Kitty, a woman who, in a sense, has never grown up. As her moods swing dramatically from high to low, they are illuminated by an unusual ability to interpret people and emotions through colour. Kitty struggles to come to terms with her life, including the loss of her mother, a miscarriage, and an unconventional marriage to her husband, who lives in the apartment next door. And when her father and brothers reveal a family secret long hidden, it overwhelms Kitty's tenuous hold on reality and propels her on an impetuous journey to the brink of madness. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

The Day the Whale Came Jan 25 2021 The real-life story of how the world's most famous female long-distance swimmer encountered a grey whale separated from its mother - and how she helped to reunite them. Lynne Cox is the author of 'Swimming to Antarctica', a memoir of her life as a swimmer. From the age of fourteen she has been breaking records for long-distance swimming, culminating in a mile-long swim in Antarctica, in zero degree-temperature water. When Lynne was 17, and on a training swim off the California mainland, she found herself swimming with a grey whale that had lost its mother. For the next seven hours, she swam with the whale - through pods of dolphin, and schools of sun-fish, between the pilings of a pier, and out to the base of an oil-rig, diving down as deeply as Lynne was able to, losing sight of the whale for minutes only to have it return and listen to its strange clicking and singing - in an increasingly desperate attempt to locate its mother. The whale was too young to survive by itself, and Lynne's account of the hours she spent swimming with it, and of the moment when they finally found its mother is remarkable. Heartwarming, beautifully-written, atmospheric and sparkling with descriptions of the ocean and the behavior of the magnificent creatures that live in it, 'The Day the Whale Came' is an unforgettable story of human resilience and natural wonder.

The Astonishing Power of Emotions Nov 22 2020 Abraham, channeled through Esther Hicks, explains how to understand emotions and follow the life-affirming guidance that they provide, in a book that discusses how to deal with thirty-three specific situations.

Annual Report Jan 05 2022

Devil at My Heels Jun 17 2020 The bestselling autobiography of the legendary Louis Zamperini, hero of the blockbuster *Unbroken*. A modern classic by an American legend, *Devil at My Heels* is the riveting and deeply personal

memoir by U.S. Olympian, World War II bombardier, and POW survivor Louis Zamperini. His inspiring story of courage, resilience, and faith has captivated readers and audiences of *Unbroken*, now a major motion picture directed by Angelina Jolie. In *Devil at My Heels*, his official autobiography (co-written with longtime collaborator David Rensin), Zamperini shares his own first-hand account of extraordinary journey—hailed as “one of the most incredible American lives of the past century” (People). A youthful troublemaker, a world-class NCAA miler, a 1936 Olympian, a WWII bombardier: Louis Zamperini had a fuller life than most. But on May 27, 1943, it all changed in an instant when his B-24 crashed into the Pacific Ocean, leaving Louis and two other survivors drifting on a raft for forty-seven days and two thousand miles, waiting in vain to be rescued. And the worst was yet to come when they finally reached land, only to be captured by the Japanese. Louis spent the next two years as a prisoner of war—tortured and humiliated, routinely beaten, starved and forced into slave labor—while the Army Air Corps declared him dead and sent official condolences to his family. On his return home, memories of the war haunted him nearly destroyed his marriage until a spiritual rebirth transformed him and led him to dedicate the rest of his long and happy life to helping at-risk youth. Told in Zamperini's own voice, *Devil at My Heels* is an unforgettable memoir from one of the greatest of the “Greatest Generation,” a living document about the brutality of war, the tenacity of the human spirit, and the power of faith.

Brandon Bird's Astonishing World of Art Jul 19 2020 From Pop artist Brandon Bird, this activity book is bursting with pages of coloring, stickering, and connect-the-dots fun! Featuring activities and portraits inspired by (and parodying) popular artists and television shows—including *Law & Order*, Nicolas Cage, Christopher Walken, Mr. T, *Ghostbusters*, and more—Brandon Bird's *Astonishing World of Art* offers endless entertainment for adult children of all ages.

Astonishing Animals Feb 06 2022 From the authors of *A Gap in Nature*, a breathtaking visual adventure showcasing ninety of the world's most astounding creatures. Sumptuous birds of paradise, amazing soft-shell turtles, frogs that look like tomatoes, and terrifying fish (including the deep-water angler fish from *Finding Nemo*) are just some of the extraordinary creatures that can be found in Tim Flannery and Peter Schouten's new book, *Astonishing Animals*. Superbly illustrated with lifelike full-color paintings, *Astonishing Animals* details ninety of the world's most amazing animals from around the world. In this book you will find the hairy seadevil; the spectacular Sulawesi naked bat; and in the depths of the limestone caves in Slovenia, the olm, a pink, four-legged, sightless salamander that lives for a hundred years. In fascinating vignettes, Flannery offers the true evolutionary tale of how each of these bizarre creatures came to look the way they do. Alongside each historical account is a stunning hand-painted color reproduction (life-size in the original painting) by Schouten. Filled with purple-faced apes, jagged-toothed dolphins, and antlered lizards, *Astonishing Animals* is a remarkable collection

of the world's most incredible creatures and the stories behind their remarkable survival into a modern age. “An elegant paean to some of the world's strangest and/or most beautiful creatures.” —Mary Ann Gwinn, *The Seattle Times* “As beautiful as it is fascinating, this book will be relished by animal lovers of all stripes.” —Publishers Weekly, starred review *The Astonishing Life of Octavian Nothing, Traitor to the Nation, Volume 1: The Pox Party* May 17 2020 Various diaries, letters, and other manuscripts chronicle the experiences of Octavian, a young African American, from birth to age sixteen, as he is brought up as part of a science experiment in the years leading up to and during the Revolutionary War.

Visions of Glory Aug 20 2020

Music Oct 22 2020

When the Floods Came Jun 29 2021 In a world prone to violent flooding, Britain, ravaged 20 years earlier by a deadly virus, has been largely cut off from the rest of the world. Survivors are few and far between, most of them infertile. Children, the only hope for the future, are a rare commodity. For 22-year-old Roza Polanski, life with her family in their isolated tower block is relatively comfortable. She's safe, happy enough. But when a stranger called Aashay Kent arrives, everything changes. At first he's a welcome addition, his magnetism drawing the Polanskis out of their shells, promising an alternative to a lonely existence. But Roza can't shake the feeling that there's more to Aashay than he's letting on. Is there more to life beyond their isolated bubble? Is it true that children are being kidnapped? And what will it cost to find out? Clare Morrall, author of the Man Booker Prize-shortlisted *Astonishing Splashes of Colour*, creates a startling vision of the future in a world not so very far from our own, and a thrilling story of suspense.

The Story of Oliver Cromwell Dec 24 2020

The Astonishing Stereoscope Apr 20 2023 A magical stereoscope transports Eleanor and Eddy to adventures in a strange three-dimensional world.

HAIDA TEXTS AND MYTHS May 09 2022

The Astonishing Aug 24 2023 In a not so distant future, our world returns to feudalism. Only this time, the powerful control the servant class with the very thing that once inspired revolution-music. Not the music of old. A new music engineered entirely by machines. But one person fights back with music as a human expression. That fight brings pain. And perhaps redemption.

The Bible Came from Syria (Revised Edition)

Dec 04 2021 Are the Bible Stories true? Yes, says the author, James Rappai and goes on to

reveal a mind-numbing archaeological reconstruction error in the volatile Middle Eastern arena. Modern-day scholars have misidentified and misplaced ancient Egypt on the reconstructed map of the core biblical arena (Levant). Since Egypt was the sheet anchor for this reconstruction, this fundamental flaw spawned multiple errors in the map, including the Bible anomaly of missing archaeological evidence. James hints of cover-up conspiracy as well. The Bible anomaly is probably being used to conceal the underlying reconstruction error, he adds. The author's fascinating conclusions are based on a 5-year long study that began with his suspicion that 'Ethiopia of the secular Greek scholars' and 'Canaan of the Bible' were one and not two different kingdoms as scholars currently assume. This proved true and a subsequent search for the root cause of this inadvertent duplication led to the 'Egypt can of worms.' Biblical geographical pointers unequivocally corroborated by secular ancient world textual sources such as Strabo and Herodotus were

then gleaned and used to reconstruct a brand new map of the core biblical arena. The new map firmly places Egypt as well as ancient Israel in the Middle Eastern arena. The new map when 'test run' to find Jerusalem, delivered an astonishing find! It triangulated a fort-temple ruin upon a high ridge, hidden deep in the mountains of modern-day Syria. Based on the description given by Josephus and Strabo, this ruin is a hand-in-glove fit and instantly recognizable as the Fort Antonia cum temple complex of Jerusalem upon the Moriah Ridge! It is surprisingly intact... almost exactly as Titus left it in 70 AD!

The Trump Prophecies Jul 11 2022 In November of 2016, the world witnessed the impossible. Nearly every household in America was tuned in to the election feeds, and every update pointed to a loss for the Republican Party. But when the map of the states flipped red in the final hour, there were a select few who weren't surprised. They had always known Trump was going to win. He was chosen for such a time as this. The prophecy had said so. This prophet, this reserved man of God, was

retired firefighter Mark Taylor. The word given by the Holy Spirit was delivered on April 28, 2011, years before Trump's victory. The election, however, was only the beginning. In this UPDATED AND EXPANDED release of The Trump Prophecies, Defender Publishing revisits what the Lord revealed to Mark Taylor in both the celebrated "Commander-In-Chief Prophecy" that played such a key role in bolstering Trump's 2016 win, as well as many other messages the Holy Spirit inspired Taylor to write about what would transpire next for the most powerful nation on earth today. Fast forward! Halfway into Trump's first term, have Taylor's prophecies come true? Is Trump who he said he was, and is he delivering on the promises he made during his campaign? And what of the other prophecies God gave Mark regarding economics, criminal justice, leadership turnover in the Supreme Court, and several other specific details? Have all of these inspired writings carried equal reliability as "Commander-In-Chief"? So far, Mark Taylor is batting a thousand.
