Model Rules of Professional Conduct provides an up-to-date
resource for information on legal ethics. Federal, state and
local courts in all jurisdictions look to the Rules for guidance
in solving lawyer malpractice cases, disciplinary actions,
disqualification issues, sanctions questions and much more. In
this volume, black-letter Rules of Professional Conduct are

followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Changes in the Fifth Edition of Drafting Limited Liability Company include: Thoroughly updated content rewritten to suit modern trends and needs Complete reorganization to chapters making it easier to find the content you need

Streamlined content for online purposes All forms previously available on the CD-ROM of this book have been updated and moved online for easy viewing and downloading Note: Online subscriptions are for three-month periods.

Drafting Delaware Limited Liability Company Agreements

Aug 18 2020 Drafting Delaware LLC Agreements: Forms and Practice Manual provides a comprehensive and sophisticated analysis of the Delaware Limited Liability Company Act from an entity formation viewpoint and sets forth extensive practical guidelines for lawyers planning, negotiating and drafting Delaware LLC agreements. Among other features: The book exhaustively identifies the definitional, mandatory, default and permissive provisions critical in forming Delaware LLCs, and it addresses in detail the more important of these provisions. It contains detailed criteria and practical examples for use in choosing among Delaware LLCs and other types of Delaware entities, including limited partnerships and corporations, In business entity formations (“ non-tax choice of entity ”). To the authors ’ knowledge, it provides the most complete analysis of the series LLC provisions of the Delaware Act currently available in LLC literature. It provides in digital form model LLC agreements that address all of the various ownership structures, management structures and tax structures that Delaware LLC formation clients may need—a total of nine agreements for single-member LLC s and 33 for multi-member LLCs. Finally, The book contains plain-English explanations for lawyers who are not tax specialists concerning all principal federal and state tax issues likely to be important to Delaware entity formation clients. International Handbook of Accounting Education and Certification Feb 16 2023 This is the first work of its kind. Original contributions from leading academicians, practitioners and accounting associations from around the world make this handbook a unique source of information on international accounting education and certification processes. A uniform format in most of the chapters allows for easy comparison between countries. This volume documents the development of accounting education and practice at country and global levels; studies the sensitivity of accounting education and practices to the unique socio-economic needs of its environment; and allows comparative studies at a time when attempts have begun to harmonize accounting education internationally. Most importantly, it shows how educational programmes around the world are preparing future accounting professionals to deal with the rapid

technological and environmental changes of the 21st century.

Folk on the Delaware General Corporation Law Apr 13 2020

Because Delaware corporate law has virtually become national corporate law, its statutes and cutting-edge case law regarding corporations and alternative business entities have attracted practitioners nationwide to look to Delaware as the place of formation for corporations and other business entities. The definitive section-by-section guide to the country's most important corporate law, the Sixth Edition of Folk on the Delaware General Corporation Law is the place to turn for accurate, up-to-date, authoritative coverage of the Delaware statute. Its uniquely logical code section organization with penetrating and extensively annotated commentary brings you the best in: Effective strategies and options for specific business decisions and activities under the statute Detailed analysis of each key statutory provision and judicial decision Coverage of all the major cases, many of them unreported and unavailable in any other source Analysis organized by code section, with incisive and extensively annotated commentary Because it is a widely accepted authority in the field, Folk on the Delaware General Corporation Law is regularly cited by courts in states other than Delaware. Its section-by-section coverage makes it easy to quickly find the complete law text and analysis, including astute commentary on recent legislation and the most significant cases (including unreported opinions) with special attention to the more complex areas of practical concern.
