Aqa GCSE English Language Papers 1 and 2

Revision Guide Nov 20 2020 The only book you'll need to ace your AQA GCSE English Language exam Written for anyone preparing for their AQA GCSE English Language exam, this book gets you right inside the head of the examiner so that every single thing you write gets a mark. You see, this exam is all about technique, and once you know the skills the examiner will mark you on, you can focus all your attention on the things that pile on the marks rather than wasting time on vague or irrelevant details. Learn how to:- Approach each of the Section A questions in the right way so that you get right down to the important stuff and spend as little time as possible on the questions that award the lowest marks;- Understand the difference between each of the questions and what the examiner is looking for when they mark (aka assessment objectives);- Plan the longer questions so that your writing is tight and controlled and easy to read;- Think originally when writing for Section B, so that your creative responses aren't the same as everyone else's;- Write in such a way as to give yourself the best possible chance of a Grade 8 or 9. Darren Coxon has been teaching English for more than twenty years. In that time he estimates he's put at least 1,000 students through GCSE exams. He can count on the fingers of one hand the number who haven't obtained a Grade 5 or above (and that was always teaching in non-selective schools). He puts this success down to a unique method which he'll share with you inside these pages. By buying this book you'll also have access to the Examiner's Head Facebook community, for further support and guidance. So come with him on a journey inside the head of the examiner! He's with you all the way.
