If you want a VERY thorough walk through AdWords, this book will serve your needs quite well. It is dense, full of very useful information and techniques. The author also includes a great deal of supporting info and tools. If you are new or have played around with purchasing ad words, but never really understood enough to get the results you were hoping for - this is the book for you. Despite the high potential, it's a subject that can very quickly get complicated. This book makes it clear how adwords work and how to set them up to your advantage, and miraculously, it does it all in a painless (okay, enjoyable) way. If you've been wanting to take part in the biggest thing to hit advertising since the invention of the 30 second TV commercial, but didn't know how or where to start, buy this book and you'll be on your way. This book is outstanding. You will find a massive topic, cut up into bite sized pieces and served up in business boosting scoops. This book offers actionable ideas (no guessing what you're supposed to do), easy to digest material (great job teaching) and is easy to read (keeps you going) Many books of this nature are dry and filled with lots of technical jargon. You will find this book like a ray of light... a breath of fresh air for non-tech people in a TECH world. If you want a book that you will actually understand, that will get you excited about these topics and that you will actually implement, buy this book today. Written for business owners who want to market and promote their business through search and content advertising, this guide explains how to research keywords, how to choose a niche in which market, how to sign up for AdWords, and how to begin posting ads. It also explains how to become Google AdWords certified and work as a Google AdWords consultant. Part 1 explains basics of the Google AdWords program and helps readers determine how Google AdWords can work best to increase their revenue. Part 2 walks through establishing a Google AdWords account, and part 3 tells how to measure effectiveness, how to work with Google Business Solutions, and how to explore other Internet advertising options. The book includes case studies, examples, worksheets, and quizzes, plus a list of websites. Lambert is a consultant in advertising and marketing. Do you want to know how to make money from your blogs or websites? There's nothing right now that's easier, and certainly there's nothing more that pays more, than making tons of cash from the Google AdSense ads you put on your blogs/websites. Unfortunately, many people fail because they just don't know how to do SEO for AdSense. My book is the best visual guide you can find that explains step by step how to make \$100 a day with your blog like I do. How much I wish you knew the great effort I put into writing and compiling the information in this book! If you did, you'd realize the value of this information and you'd want to keep this the secret to yourself, just like I've done for a couple of years until now that I decided to reveal it all! If you've already heard of Google AdSense but thinking that it's a slow or a poor way of making money online, you're completely wrong! The truth still remains that Google AdSense is still by far the fastest and the best source of income I've seen for all bloggers. I cannot be more than convinced of this fact because I've been making \$100-\$120 every day for over 2 years now and I am now ready to tell you every bit of my experience. The most important thing in this book is the very crucial SEO secrets I added for you. This will make you understand how to rank #1 on Google in the easiest and fastest way. Google Compliance Secrets is not just another book of "tricks" or "hacks" to help marketers keep their Google ads up a little bit longer until Google's Policy Team takes them down again. It is not about circumventing Google's detection systems to sneak a noncompliant offer onto the network. These secrets will teach you how to take your product or service and present it in a way that will allow you to walk right through Google's front door without the worry of getting banned or suspended. The secret is not to abandon your copywriting techniques that convert, either. You will know how to continue using some of the most powerful copywriting techniques to convert. Google Compliance Secrets is the go-to compliance bible for any marketer who wants to guarantee their website gets approved and whitelisted by Google without killing their conversions. There is a time-tested blueprint elite marketers have been using for years to keep their

ads up and running on Google. Inside this book, I give you access to the same closely guarded secrets to compliance I teach the titans of the marketing industry. These secrets have allowed my clients to spend over four hundred million dollars on Google Ads, without fear of the "red bar of death," the dreaded Google Ads account suspension.
