Bring these practical things home and put them to work. Great results have already been seen from individuals who respect God's Word and value what it can bring to the Board room as well as to the church service. You will not be sorry you invested in this training for you and your ministry team. Rev. Lloyd Tremain, Paradise Community Church of the Nazarene A thorough, practical and much needed Biblically sound treatment. Wish it had been available 20 years ago when I could have used it to a great

positive effect Dan Wilderman, Retired Assemblies of God Pastor the order and practical instruction presented will benefit all organizational levels of any Christian Church today. John Steffensen, Radio Host, Christ Today KKXX Radio Chico CA Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry. I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore, or church maintenance, or the myriad other duties needed to keep a church going. The result was that the church stayed the same size. Some leave; others enter. But no growth was apparent despite the considerable preaching talents of the pastor. God is apparently making sure he has only the amount of people that he can handle. We learn that the ancient church had some of the same challenges we face today. Acts 6:14 says, Now in those days, when the number of the disciples was multiplying, there arose a complaint against the Hebrews by the Hellenists, because their widows were neglected in the daily distribution. Then the twelve summoned the multitude of the disciples

and said, It is not desirable that we should leave the word of God and serve tables. (Read this as doing manual labor.) Therefore, brethren, seek out from among you seven men of good reputation, full of the Holy Spirit and wisdom, whom we may appoint over this business; (the manual labor) but we will give ourselves continually to prayer and to the ministry of the word. It was even bringing strife to the local body. What did they do? And what was the result? The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties (the manual labor). This freed up the apostles so they could minister the Word of God. Wow, Gods way is so simple, and our grandiose plans just waste time and get nothing done. Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes Gods church. This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them. The church is in the hands of its elders. While the popular perception is that the aged are needy and infirm, Gentzler affirms that the majority of older adults have plenty to give. The church needs to tap into their wisdom, energy, experience, and talents. Gentzler stresses that older adult ministries need to be by and with elders as well as for them, since participants will represent all stages of retirement and activity levels. In

addition to the practical issues of programming, Gentzler takes on more difficult topics of aging including chronic conditions, depression, and death. He also recommends that churches pay special attention to the needs of the Baby Boomer generation, since they are now becoming the older adults who will determine the church's path for years to come. "As Boomers have cycled through their various life stages, they passed through 'hippie' and 'yuppie' to become 'abbies': aging Baby Boomers," Gentzler writes. "But don't tell Boomers they're aging. ...They really do expect to stay young and see getting old as an option, rather than a reality." The Leader's Guide is here. This book has been written for Christian Ministers and for all those who are seeking to become one. Hot coals of Fire is the title that the author has chosen because it well describes the spiritual realities of Divine ministry. Throughout his forty years of Christian life and ministry, the author has become increasingly aware of the need to remind those who are engaged in the ministry of Christ; that they are handling the holy things of God. In an age where spiritual things are not readily understood, it is the ignorance of the sacred that has caused many to be burned. Hot coals of Fire will hopefully help to redress this imbalance - gently but firmly warning the Ministers of Christ, that working for God is a wonderful and yet, dangerous thing! MINISTRY OF PRESENCE speaks to the heart of chaplaincy. It deals with the history and

definition of chaplaincy as well as the chaplain's call to ministry and relationship to his church. Specific challenges within the framework of chaplain ministry such as pluralism, prayer, and proselytizing are also addressed. MINISTRY OF PRESENCE would easily fit in the library of those already in the chaplaincy, chaplain candidates who are preparing for ministry, or anyone who is interested in learning about chaplaincy. The principles presented are not simply theory but have been born out of the context of Whit's experience and practicing what he preaches. His insights will encourage and challenge anyone seeking to minister from a biblical perspective in any venue of chaplaincy." Ministry is often examined in terms of who the minister is, not what the minister does. But the vocation to ministry must be understood as a call to identity as well as to practice, one that is rooted in Jesus' life and ministry as well as the Spirit's charisms. In Introducing the Practice of Ministry Kathleen A. Cahalan defines ministerial leadership as carried out through the practices of teaching, preaching, pastoral care, worship, social ministry, and administration for the sake of nurturing the life of discipleship in the community of believers. In her examination of charisms for each of the practices of ministry, Cahalan presents readers with a Trinitarian foundation, noting that the practices of discipleship and ministry have their origin in the very practices of God." Kathleen A. Cahalan is associate professor of theology at Saint

John's University School of Theology, Seminary in Collegeville, Minnesota. She is author of *Formed in the Image of Christ: The Sacramental-Moral Theology of Bernard Häring* (Liturgical Press, 2004) and *Projects That Matter: Successful Planning and Evaluation for Religious Organizations* (Alban Institute, 2003). She is the past-president of the Association of Practical Theology. Watchman Nee's writings have become well known for their deep spiritual insight among Christians in many nations for many years. Through these volumes a full understanding of his balanced and proper view concerning the Bible and the spiritual life can be accurately appreciated. This new compilation and retranslation of Watchman Nee's writings present the reader a fresh and unedited version of his ministry and promises to shed new light on the reader's understanding of Watchman Nee's ministry. The aim of this book is to help every believer and minister of the Gospel to boldly speak about their painful past with the intent to positively impact lives through their respective testimonies and ministries that were born out of their past miseries. Thus, "My Ministry Is Where My Misery Was." Some of us are conscious of the genesis of our calling and the correlation between our painful past and present ministry, some may not. However, through these difficulties of life came our present ministries. There are many of such ministries out there, probably including yours. The ministry of Tim Ryan to whom I dedicated this book to, is one of

such ministries that has touched my life in many ways. Tim shares his personal testimony of liberation from addiction with many today. us, his present ministry was his past misery. The book further discussed how we respond to God's call, the challenges associated with the call and how to overcome them and thrive in ministry. "But as for you, you meant evil against me; but God meant it for good, in order to bring it about as it is this day, to save many people alive" (Gen. 50:20, NKJV). Joseph's past misery became his ministry that liberated an entire nation to the glory of God. Messy is okay, even in a world gone mad with perfectionism. In this book Amanda Robbie draws on her own life experience to show that it's okay to do things imperfectly, and even fail. This book will lift the burden of guilt and free you to enjoy serving God, imperfectly by this world's standards, but in a way that pleases our heavenly Father. Most churches don't have written job descriptions for any or all of their church's ministry positions! Here is your answer! The book is reproducible—you can use each description as is—or use the CD-ROM to customize each description to fit your unique needs. • Any church or organization can use to develop comprehensive job descriptions for recruiting and evaluation • Job descriptions range far—from executive pastor to pantry organizer! • You may discover a new ministry your church has never have thought of! Does Scripture exclude women from full participation in all forms of Christian ministry simply on the basis

of gender? What insights can the church's "rule of faith," theology, Scripture, Christian history, and testimonies give women and men exploring this important issue today? In many Christian congregations and college classrooms, debates over the ordination and ministry of women create hurtful and debilitating divisions among believers. This new book by Shannon Smythe leans into those inhospitable places by inviting readers into a process of discernment that intends to lead them, and women especially, into a fresh awareness of their sacred calling to a ministry of the gospel. In *Women in Ministry* Smythe presents a carefully curated collection of thoughtful answers to common questions asked by those investigating this topic, inviting them to share in the communal practice of studying scripture together in dialogue with the church's theological traditions and the testimonies of faithful women. Readers are asked to reflect in deeply personal ways upon the truth they have found in their study, which then enables the Spirit to direct (or redirect) them forward in the ways of God. "Shannon's accessible, practical, and theologically astute writing on women in ministry has served as a vital conversation partner for many of our students over the years. This new version amplifies the dialogue and creates space to wrestle with this question in light of Scripture, theology, tradition, and experience. Its catechetical format actively engages the reader, its personal testimonies of faithful women bring theological abstractions to

life, and its questions prompt authentic reflection. What a gift!" --Celeste M. Cranston, Director, Center for Biblical and Theological Education, Seattle Pacific University, Seattle, WA "In Women in Ministry, Shannon Smythe gives us a comprehensive, intelligent, and thoughtful guide to the topic of women in church leadership. Biblical scholarship and commentary are interwoven with personal testimony and historical biography to give readers a broad base from which to understand this important topic. I will recommend this book to every seminarian I can--both men and women!" --Traci Smith, pastor, Northwood Presbyterian Church, San Antonio, TX "A must-read for Christians committed to digging down to the bedrock on the issue of women in ministry. Smythe asks the right questions and offers thoughtful and accessible answers. Perfect for church and classroom settings." -- Priscilla Pope-Levison, Professor of Theology, Seattle Pacific University, Seattle, WA Shannon Nicole Smythe is an ordained ruling elder in the Presbyterian Church (USA) and independent scholar in the field of systematic theology. She lives with her family in Bellingham, Washington. Church and Ministry Strategic Planning assists readers in developing a Biblically based blueprint for carrying out the many activities in which the church or ministry is involved. The authors show clearly how careful planning is inspired by the Scriptures ("Suppose one of you wants to build a tower. Will he not first sit down and estimate the cost to see if he has enough money to complete it?"-- Luke 14:28) and how it improves making decisions today which ultimately affect the ministry's effectiveness tomorrow. Church and Ministry Strategic Planning covers all areas of this type of planning and can be read and reviewed quickly. Through the use of a model of the strategic planning process, the authors

show how to develop mission statements, define strategic objectives, develop strategy options and operating strategies, appraise performance, and monitor strategic planning. Readers are led step-by-step through these key areas of creating a strategic plan. Examples and worksheets at the end of each chapter enable pastors, administrators, and lay leaders to develop a strategic plan fitting to their specific ministry or church. The appendixes provide tools used in planning as well as a complete sample strategic plan for a large church. Put these concepts to immediate use in decisionmaking and pursue God's purpose and vision for the church or ministry. If readers take the time and effort to study this book, apply its format, and prayerfully keep God in every step of the plan, here is what the authors believe plan administrators can expect: 1. A sense of enthusiasm in the church or ministry 2. A 5-year plan in writing to which everyone is committed 3. A sense of commitment by the entire church to its overall direction 4. Time for the leaders to do what they have been called to do 5. Clear job duties and responsibilities 6. Clear and evident improvement in the health and vitality of every member of the church staff 7. Measurable improvement in the personal lives of all those in responsible positions with time for vacations, family, and personal pursuits 8. The ability to measure very specifically, the growth and contribution made by senior pastors or evangelists at the close of their careers 9. Guaranteed leadership of the

church or ministry because a plan is in place--in writing--and is understood. Even more importantly, a management team and philosophy will be in place to guide the church or ministry into its next era of growth Explore this Biblical perspective on planning and develop a strategic plan that is systematic and continuous and allows the church or ministry to assess its market position, establish goals, objectives, priorities, and strategies to be completed within specified time periods, achieve greater staff and member commitment and teamwork aimed at meeting challenges and solving problems, and muster its resources to meet these changes through anticipation. There is nothing more fundamental to the Christian faith and to building godly men than discipleship. In today's vernacular, discipleship would best be described as "Spiritual Mentoring." Why are discipleship and mentoring so important? How does discipleship connect to men and the struggles they face today? Authentic discipleship is about developing a caring concern and a genuine love for others through modeling Christ-like attitudes and behavior in the context of relational environments. A fresh approach is needed to define, implement, and equip men with a passion to make disciples. It starts with relationship. Men are desperate for meaningful relationships both with God and other men. Building a Ministry of Spiritual Mentoring will help churches and ministry leaders create dynamic environments for men to experience

real transformation and develop authentic Christian relationships. This proven method will assist your church or group in effectively developing and deploying a ministry of spiritual mentoring. Features include: Metaphors, anecdotes, and practical applications Proven tools for developing a ministry around spiritual mentoring Discussion questions Solomon said, "The words of wise men are like goads, and masters of these collections are like well-driven nails..." This book was written

from the front lines of ministry for those in the front lines of ministry. When it comes to church growth, know the right thing to measure. Throughout his ministry, Andrew Murray passionately prayed and taught people about prayer. In this volume he combines his devotional writing with his only study guide on prayer: "Pray Without Ceasing." His simple but profound goal is teaching Christians how to change the world through the powerful ministry of intercession. More people received the baptism of Holy Ghost under Billy Cole's ministry than any other preacher or minister in the entire history of the Church. In the introduction, he recounts when God gave him faith to raise a woman from the dead, and how it happened. Billy Cole was one of the greatest men of God to live on this earth from the time of the Book of Acts until now. He was a chosen vessel of God, filled with faith, and mightily anointed. God used him to do amazing miracles. You will not be able to put this book down! Money is a key issue in today's Christian faith communities but it can be a touchy subject to address. With this book, pastors and clergy finally have a practical resource for managing money in the church. Ministry and Money serves as an excellent primer on accounting practices, church financial reports, and church budgets. Throughout, the authors provide real-life examples to help clarify basic approaches to issues of money. A great church website is more about ministry than technology. He started the Ginghamburg CyberMinistry back in 1996 as an unpaid servant. Over the years, as the ministry grew, Mark joined the Ginghamburg staff, first part time and then full time. Currently, Ginghamburg Church has

one of the largest and most innovative church internet ministries in the world, and the ministry remains unpaid-servant based and "home grown" (no outside companies or consultants have been hired). The website has received national acclaim -- from write-ups in the Wall Street Journal to the Dallas Morning News to Christian Computing Magazine, and television stories by WBNS Channel 10 in Columbus, Ohio and on Fox News. Visionary leaders like Bill Easum and Len Sweet champion it as a must-see website. Mark, the "Church CyberGuy," is also a well-known speaker on CyberMinistry as he conducts presentations and workshops around North America for such organizations as Leadership Network, United Methodist Communications, North American Christian Convention, Brethren in Christ Church of North America, and Miami University of Ohio. Mark has provided consulting support to numerous churches from around the world to help them develop their web ministries. His passion for helping churches led him to start and lead the Web-Empowered Church, a ministry of The Foundation for Evangelism, to develop free web-ministry software for churches and ministries worldwide. Jonathan Edwards has been recognized as the most influential evangelical theologian of all time. Before his death at the age of fifty-four, he had sparked a new movement of Reformed evangelicals who played a major role in fueling the rise of modern missions, preaching revivals far and

wide, and wielding the cutting edge of American theology. He has never gone out of print, and Christians today continue to flock to seminars and conferences on him. In this biography of the great preacher and teacher, historian Douglas Sweeney locates for us the core and key to Edwards' enduring impact. Sweeney finds that Edwards' profound and meticulous study of the Bible securely anchored his powerful preaching, his lively theological passions and his discerning pastoral work. Beyond introducing you to Edwards' life and times, this book will provide you with a model of Christian faith, thought and ministry. Here, Wallace Alston Jr. presents for us a newly revised and expanded version of his book, The Church. Alston summarizes the identity, nature, and ministry of the church from a Reformed perspective, and places this doctrine within its historical and contemporary context. A new introductory chapter on "The Church for Such a Time," an epilogue on "The Church That People Love," and updated Scripture passages from NRSV are a few of the new features of this new edition. Popular blogger Shannan Martin offers Christians who are longing for a more meaningful life a simple starting point: learn what it is to love and be loved right where God has placed you. For Christ-followers living in an increasingly complicated world, it can be easy to feel overwhelmed and unsure of how to live a life of intention and meaning. Where do we even begin? Shannan Martin offers a surprisingly simple answer: uncover the hidden

corners of our cities and neighborhoods and invest deeply in the lives of people around us. She walks us through her own discoveries about the vital importance of paying attention, as well as the hard but rewarding truth about showing up and committing for the long haul, despite the inevitable encounters with brokenness and uncertainty. With transparency, humor, heart-tugging storytelling, and more than a little personal confession, Martin shows us that no matter where we live or how much we have, as we learn what it is to be with people as Jesus was, we'll find our very lives. The details will look quiet and ordinary, and the call will both exhaust and exhilarate us. But it will be the most worth-it adventure we will ever take. "This is a message the world needs. So often we overcomplicate 'service' or this elusive call to ministry when all the while ministry is right in front of us. Shannan reminds us of the simple, yet beautiful call to love our neighbor and what that could really look like today. We are reminded that extravagant love in ordinary moments does indeed lead to an extraordinary life." --Katie Davis Majors, New York Times bestselling author of *Kisses from Katie* (I made up this attribution, so you may want to check on that) "This is the book we all need right now. If you're longing for authentic community but aren't sure where to begin, Shannan and this beautifully written book are the perfect guide. I truly believe when we stand together we stand a chance. I cheered along with every word."

—Korie Robertson, New York Times bestselling author "These are the days when we could all use a firm but gentle nudge to extend extra kindness to the people around us. Shannan reminds us to pay attention, look outside of ourselves, to lay aside our preconceived judgments, and stay put, bearing with each other, carrying each other's burdens, and finding Jesus at the center of it all." —LaTasha Morrison, founder of Be the Bridge "Our nonstop consumer society seduces us into forsaking the ordinary. Even as believers, we are prone to aspire to do sexy ministry that garners headlines and warrants photo ops. But Shannan Martin helps us resist these impulses by calling the body to reclaim the sanctity and significance of ordinary places. Through personal stories, theology, and Scripture, she helps us discern God's call upon our lives right where we are and illuminates why the most faithful ministry is oftentimes mundane, overlooked, and seemingly unimpressive. This book will help you thrive in your faith in practical and rooted ways!" —Dominique DuBois Gilliard, author of *Rethinking Incarceration: Advocating for Justice That Restores* "Sometimes when reading a book, I think 'I'll recommend this to that group' or 'this one goes go that community,' but hand to heaven, I would put this book in every single pair of hands across ideology, camps, and tribes. Part storytelling, part prophetic, with dizzyingly wonderful writing, Shannan brings us back to the neighborhood, back to ordinary

tables, back to a life we know in our deepest hearts is meant for us. I love her. I love this book." —Jen Hatmaker, New York Times bestselling author of *7, For the Love*, and *Of Mess and Moxie* *Introducing the First Biography of the Life and Ministry of R. C. Sproul* R. C. Sproul (1939–2017) was a pastor, a professor, an author, and the founder and president of Ligonier Ministries. His contributions in the areas of biblical studies, theology, worldview and culture, Christian living, and church history continue to be held in high regard. In this book, Stephen J. Nichols offers an in-depth look at Sproul's life and ministry—his childhood; his formative seminary education; his marriage and partnership with his beloved wife, Vesta; his influence on broader American evangelicalism; and his many friendships with key figures such as James Montgomery Boice, John MacArthur, John Piper, J. I. Packer, and Chuck Colson. This biography details the profound impact Sproul had on the lives of many during his lifetime, and highlights the various ways his legacy continues to influence countless pastors and students worldwide. *Bible Study Book* by Beth Moore provides a personal study experience five days a week plus viewer guides for the group video sessions of this in-depth women's Bible study. Why is theology often divorced from ministry? Why is ministry left bereft of a robust theology? Ray S. Anderson, a professor at Fuller Theological Seminary for over thirty years, has left a legacy of provocative

reflections on these questions. In this book Christian Kettler provides a sure guide to major themes in the work of one of the most creative theological minds to have sought to integrate theology and ministry. Early experience on a South Dakota farm and in a California parish helped form the theologian whose radical incarnational theology of the "kenotic community" provided a new basis for a broader, risk-taking ecclesiology. Anderson also brought theological anthropology to the front of the agenda, and therefore into ministry to actual hurting human persons. His challenging theological reflections can provoke the mind, stir the heart, and guide compassionate and wise incarnational ministry. Each chapter ends with a case study from an actual life situation, to "test out" and work through the implications of Anderson's theology. Focusing on pastoral leadership within local churches or groups of churches, Derek Tidball provides a comprehensive survey of the variety of ministry models and patterns found in the New Testament with applications for today's ministry. Develop an excellent Christian education ministry with this introductory guide from the faculty of Biola University's Talbot School of Theology. This volume is a collection of essays by leading United Methodist scholars about the implications of the revised orders of ministry in The United Methodist Church. Eagerness to effectively communicate the gospel has driven an approach to ministry that is fundamentally pragmatic and functional. In

approaching the question of the role of ordained ministry within the overall calling of the people of God, Methodists have traditionally asked "What works?" and then gone on to reflect theologically on the approach they are considering. In 1996, UM General Conference enacted sweeping changes regarding the offices of deacon and elder. The decisions of General Conference have raised a number of questions that we are just now beginning to explore. This book addresses major recent changes within the denomination and explores these changes from a historical, theological, and practical point of view. It helps readers understand the dynamics of and the reasons for the new order of ministry and helps them understand the implications of the changes for the denomination and for individuals. What would it be like to haul in a miraculous draft of fish at the command of the Master . . . or hear the ram's horn sound from Herod's temple at the very moment when Jesus is breathing his last breath? What would you think? How would you think? What meanings would the places and events in the life of Jesus hold for you as a person of a different time and culture? Thanks to Ray Vander Laan and *That the World May Know Ministries*, you can understand their significance in a way that transforms your faith today. Filmed in Israel by Focus on the Family, *Faith Lessons on the Life and Ministry of the Messiah* helps small groups understand Jesus from the mindset of a citizen of those times. approach, this powerful curriculum provides a dynamic way for participants to engage with biblical truths in a life-changing, group-interactive format. *Faith Lessons on the Life and Ministry of the Messiah* includes an all-new Leader's Guide and Participant's Guide designed for maximum clarity, relevance, and ease of use. Drawing on Ray Vander Laan's video presentations, participants will enjoy spirited discussions and find practical applications that turn faith lessons learned from past millennia into faith lessons lived today. In *To Live Is Christ*, best-selling author Beth Moore travels on a spiritual odyssey through the life of one of Christianity's most fervent journeymen, the apostle Paul, tracing his story from childhood to martyrdom. Proclaiming his faith as a benchmark in New Testament Scripture, Beth writes, "I have accepted many of Paul's words as a personal challenge. 'I want to know Christ' has become my plea. 'To live is Christ and to die is gain' has become my hope. And to borrow his words once more, 'Not that I have already obtained all this . . . but I press on.'" Paul's undying passion for Christ continues to inspire and challenge those with a deep spiritual hunger for the things of God. Readers will be greatly refreshed by the obvious mercy of God that causes those who have failed him to repent and serve him wholeheartedly and effectively. Pastoral Ministry brings together the mandate of God, the needs of the sheep, and the model of the good Shepherd to uniquely inspire and equip

you to fulfill your ministry as a shepherd. In this popular book, you'll see Jesus in His present-day ministry at the right hand of the Father as our High Priest, Advocate, Intercessor, and Shepherd.
