**Renovation of the Heart** Dec 26 2020 As Christians, we know that we are new creations in Jesus. So we try to act differently, hoping this will make us more like Him. But changing our outward behavior doesn't change our hearts. Only by God's grace can we be transformed internally. Renovation of the Heart lays a biblical foundation for understanding what best-selling author Dallas Willard calls the "transformation of the spirit"—a divine process that "brings every element in our being, working from inside out, into harmony with the will of God." This fresh approach to spiritual growth explains the biblical reasons why Christians need to undergo change in six aspects of life: thought, feeling, will, body, social context, and soul. Willard also outlines a general pattern of transformation in each area, not as a sterile formula but as a practical process that you can follow without the guilt or perfectionism so many Christians wrestle with. Don't settle for complacency. Accept the challenge Renovation of the Heart offers to become an intentional apprentice of Jesus Christ, changing daily as you walk with Him.

You'll learn why Christians hesitate to embrace this powerful statement and how you can put it to work in your life for the sake of God's kingdom. *The Way of a Disciple: Walking with Jesus* Jan 07 2022 The Walking with God series was developed as the curriculum for small groups at Willow Creek Community Church in South Barrington, Illinois. Since its release in 1992, it has been used by

churches and small groups to help raise up devoted disciples of Christ. Group members who work through the program will lay a solid foundation for a lifelong walk with God. While small groups may be formed for a variety of purposes, the goal of this curriculum is for groups to produce disciples—fully devoted followers of Christ—by studying God’s Word in community. To this end, the goal of the study is to produce disciples who walk with God, have a personal relationship with Jesus, and live in step with the Holy Spirit. It is also to produce believers who live the Word in all areas of life and contribute to the work that God is doing in the local church. Ultimately, the goal is to develop believers who impact the world and are prepared and eager to spread the good news of Christ to others. This material will help develop these attributes in group members. Each lesson includes group Bible study and discussion questions in addition to devotions, reflections, and personal study for use by individuals between the group sessions.

*Foundations* Oct 24 2020 Is there a secret to growing strong in faith? Yes. Are you troubled by Christians who preach one way but live another? Does the Bible contain simple principles to ensure your life never collapses under the strains of everyday life? Author and pastor Casey Sabella has served in pastoral ministry for over forty years, knowing fellow believers' heartache who start strong but end poorly. Casey has condensed the principles of Hebrews 6:1,2 into a guide that will help you understand and become grounded in the same faith possessed by first-century believers. You'll discover why so many mistake mental assent for genuine repentance. What does it mean to have faith in God? Most confuse faith with hope and become disappointed. Is water baptism essential to salvation? What about infant baptism? Is it valid? Does belonging to a church matter, or can we serve God without joining a local gathering of believers? What is the baptism with the Holy Spirit? Are all Christians baptized with the Holy Spirit? Is speaking with tongues for today? What about physical healing? Why is laying on of hands a foundation stone? Is there a real hell? What about the resurrection? These are many of the questions Casey asks and answers while inviting you to investigate these truths yourself. Drawing from over four decades in pastoral ministry, Casey will help you take crucial steps towards lifelong spiritual transformation. Building on the foundation laid out for us in scripture, you will be empowered to meet any challenge life throws your way. *Foundations* is designed for

individuals or groups who want to get serious about their relationship with God. Each chapter is followed by practical questions to increase understanding and use individually or in a small group study. *Salt and Light Teacher Edition* Oct 16 2022 Our Lord often used common illustrations to teach great truths. He used ordinary objects, relationships, and events to communicate extraordinary principles. Much of Paul's instructions, too, were given through metaphorical language to which his hearers could relate. Analogies and metaphors help us grasp larger truths because they take us from our everyday experiences and lead us to what God desires to be daily realities in our Christian walk. In this curriculum, we will examine thirteen metaphors that will help define, clarify, and instruct us in specific aspects of our relationship with the Lord. As we examine the basic characteristics of each, we will more thoroughly understand our responsibilities as Christians and learn how to successfully fulfill God's design for our lives.
