A playful story about kindness, acceptance, and openness that celebrates how we are not defined by one,

but many wonderful characteristics. This is a fun, interactive and educational children's book. It teaches colors with the use of seeing everyday items in nature and a person's home through poetry, questions for children, and pictures. The colors are vibrant and appealing to young learners. A presentation of the concepts behind the seven laws of Noah that provide the keys to a civilized world and the precepts of universal morality. This is written for a human. So if you are a human, this is for you. Bert, Ernie, and other muppets spend the night in a strange house where each room is decorated in a different color. Take your child on a journey through the colours of the rainbow, with this charming, layered board book. A visual introduction to colours and objects in the world around us, this book is bright and bold, with a positive underlying theme of diversity. There have been many qualities obtained over the years, including work and positions of leadership in several nonprofit organizations. Also a deep interest in color and design, ranging from the ownership in two art shops that bridged the gap between art gallery and a craft shop, with quality and variety. This led to set design for a local theater and interior design that I love. However, the greatest achievement, besides raising four children, was my participation in the Harmonic Convergence. This took place in 1987, and the best place to be was the only sacred site east of the Mississippi at the Serpent Mounds in Ohio. Since I needed an active part, I was The Hug Lady and met people from all over the world. Whatever we did, it helped, because the Berlin Wall came down within three years, and it was the beginning of the end of Communism. I enjoy anything I can do to help others. Reveals how to discover the answers to questions about the meaning of life and happiness through a parable. Seven Colors is a collection of poems that reveals the many facets of being human- the good, the bad, and the ugly. Like a rainbow following a storm, it offers glimpses of hope following stories of struggle. Seven Colors serves as a reminder that only through vulnerability can one achieve true connectedness. In this story you will find reality and fantasy. Love, Love, Love..... words of love woven in a tapestry of poetry, from an award winning author. This is Joanna's debut in U.S. What comes to mind when you think of God? If you've ever thought of Him as distant . . . irrelevant to culture . . boring . . . uninterested in your passions . . . well, He isn't who you thought He was. There are a lot of lies about Him in this world, even in the church. Whether you're a lifelong believer or hardly ever given Him much thought, The Rainbow God workbook teaching series will give you a fresh perspective and maybe even an experience with Him that you never knew you could have Retells the story of a boy who achieves happiness and wealth with the help of his magical horse. A guide to restoring your connection to the wisdom of your soul and returning to heart-centeredness • Explains how unconditional love allows the 7 main energy centers to create the human rainbow • Describes how each energy center processes life and reflects physical, mental, emotional, and spiritual well-being • Includes 29 breathing, relaxation, meditation, and visualization exercises to reconnect with the heart center and access soul guidance Each of us has a light body connecting the spiritual, emotional, and physical levels of our being. When we live in a heart-centered way and choose love as the basis for our actions rather than fear, each of the 7 energy centers of the light body opens to the wisdom of our souls and radiates with a different color, making us walking rainbows of unconditional love and soul guidance. Presenting the Inner Circle Teachings on heart-centeredness from the ancient mystery schools, Jack Angelo explains

Raj cried his heart out all the way home. The road was deserted except for his sobs which reverberated against the surrounding hills and rocks, turning into an echo that only his soul could hear. It was the echo of a broken heart that Raj heard for the first time. After winning seven wishes from a magical horse, the foolish Juan Bobo wastes six of them on his way to try to make the king's daughter laugh. Colors are fun. To learn about colors is easy. Put your picture and read this book. Look at the name of the color; speak the name of the color three times and then close your eyes to remember the color's name. Go around the house and look for the colors you learned. Paint or draw the colors you have found. Have fun and enjoy the book of colors!. Deep in your heart you long for the real God, and He is more accessible than you know. He doesn't want to make you religious; He wants to show His heart of love everywhere—to you, through you, and in the world around you. He wants His true colors to shine in every area of your life and your culture, even the places you may have thought He wasn't interested in. He's creative, surprising, personal, unconventional, and very, very good. If you're ready to see a God that's even better than you have hoped for, but have had a hard time finding, you will surely encounter Him as you take a real and provoking journey with Johnny and Elizabeth in the pages of this book.
