Developing Practical Nursing Skills Dec 09 2021 *Developing Practical Nursing Skills* helps you learn and perfect the practical skills required to become a qualified nurse. Adopting a patient-focused and caring approach, this essential text helps you integrate nursing values alongside physical skills in your daily practice. Now in its fifth edition, the text takes into account the NMC standards of proficiency and is relevant to nurses across all fields. Key features of the book include: i) New chapters on mental health assessment and end-of-life care, along with expanded content on sleep, pain and medication management. ii) Full-colour text design with clear illustrations and clinical photographs to aid visual learning. iii) Reader-friendly style with learning outcomes, activities and reflection points to help you link theory to practice. iv) Scenarios from a range of settings, including community, mental health and learning disabilities nursing. v) A focus on adults and young people, and with 'pointers' on caring for children and pregnant women to promote a lifespan approach. This is a complete clinical skills resource for all pre-registration nursing students. It is also a useful text for nursing associate and

healthcare support workers.
