The Way of Kings Nov 15 2022 Introduces the world of Roshar through the experiences of a war-weary royal compelled by visions, a highborn youth condemned to military slavery, and a woman who is desperate to save her impoverished house.

The David Story: A Translation with Commentary of 1 and 2 Samuel Jan 20 2021 "A masterpiece of contemporary Bible translation and commentary."—*Los Angeles Times Book Review*, Best Books of 1999 Acclaimed for its masterful translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagination: David is the creation of a literary artist comparable to the Shakespeare of history plays.

The Justice of Kings Nov 22 2020 Action, intrigue, and magic collide in this epic fantasy following Sir Konrad Vonvalt, an Emperor's Justice, who is a detective

judge, and executioner all in one—but with rebellion and unrest building, these are dangerous times to be a Justice . . . The Empire of the Wolf simmers with unrest. Rebels, heretics, and powerful patricians all challenge the power of the Imperial throne. Only the Order of Justices stands in the way of chaos. Sir Konrad Vonvalt is the most feared Justice of all, upholding the law by way of his sharp mind, arcane powers, and skill as a swordsman. At his side stands Helena Sedanka, his talented protégé, orphaned by the wars that forged the Empire. When the pair investigates the murder of a provincial aristocrat, they unearth a conspiracy that stretches to the very top of Imperial society. As the stakes become ever more personal, Vonvalt and Helena must make a choice: Will they abandon the laws they've sworn to uphold, in order to protect the Empire?

"Richard Swan's sophisticated take on the fantasy genre will leave readers hungry for more." – Sebastien de Castell, author of *Spellslinger* "A fantastic debut." – Peter McLean, author of *Priest of Bones*

A Clash of Kings: The Graphic Novel: Volume One **Dec 06 2022** The first volume of a four-part graphic novel adaptation of the second book in George R. R. Martin's landmark *Song of Ice and Fire* series, the inspiration for HBO's *Game of Thrones*. The four-part graphic novel adaptation of *A Game of Thrones* proved that George R. R. Martin's *A Song of Ice and Fire* has the power to enchant in any medium. Now the story continues as *New York Times* best-selling author Landry Q. Walker and illustrator Mel Rubi introduce a thrilling new series based on the second book in the landmark saga. Time is out of joint. A summer of peace and plenty, ten years long, is drawing to a close, and the chill winter approaches like an angry beast. Two great leaders—Lord Eddard Stark and King Robert Baratheon—who held sway over an age of enforced peace are dead, victims of royal treachery. Now, from the ancient citadel of Dragonstone to the forbidding walls of Winterfell, chaos reigns as pretend kings and the Iron Throne of the Seven Kingdoms prepare to stake their claims through a tempest, turmoil, and war. As a prophecy of doom cuts across the sky—a color of blood and flame—six factions struggle for control of a divided land. Eddard's son Robb has declared himself King in the North. In the south, Joffrey, the heir apparent, rules in name only, victim of the scheming courtiers who surround him over King's Landing. Robert Baratheon's two brothers each seek his own dominion, while a disfavored house turns once more to conquest. And a continent away, an exiled queen, the Mother of Dragons, risks everything to bring her precious brood across a hard, hot desert to win back the crown that is rightfully hers. Against a backdrop of incest and fratricide, alchemy and murder,

the price of glory may be measured in blood. And the spoils of victory may go to the men and women possessed of the coldest steel . . . and the coldest steel. For when rulers clash, all the land feels the tremors.

The Secret Book of Kings Jun 22 2023 The untold story of Jerobaam, fourth king of Israel, and Michal, King David's discarded Queen, by bestselling Israeli author Yochi Brandes.

The Trouble with Kings Mar 27 2021 This book analyzes the book of Kings on the basis of Noth's compositional model for the Deuteronomistic History, while also taking account of recent literary critical treatments of Kings. Consistent with Noth's theory, McKenzie sees Kings and the DH as originally being the work of a single author/editor that has received numerous later additions, some of them quite extensive. He dates Dtr, with Cross, to the reign of Josiah, seeing the two and one-half chapters of Kings as an addition. But he believes that tenets among the additions to Kings show they are not the result of systematic editing (e.g., Dtr2).

The Invasion of Sennacherib in the Book of Kings Jul 27 2023 The invasion of Sennacherib in 701 BCE is a classic issue for both biblical scholars and historians alike. Extant Assyrian, Biblical and even Greek texts all refer to Sennacherib and many different theories have been put forward in attempts to understand the relationship between these various accounts. Despite the rise of new literary-rhetorical criticism in biblical studies, studies tackling the problem of Sennacherib's invasion have been dominated by historical-critical work on this issue and have virtually ignored rhetorical methodology. Against this trend, this book employs both traditional historical-critical methods and newer rhetorical methods in an effort to utilize the biblical texts in a historical reconstruction of this famous Assyrian assault on ancient Judah.

The End of Kings Jan 05 2022 Written in clear, lively prose, *The End of Kings* traces the history of republican governments and the key figures that are defined by the simple republican maxim: No man shall rule alone. Breathtaking in its scope, Everdell's book moves from the Hebrew Bible, Solon's Athens and Brutus's Rome to the impeachment trial of Andrew Johnson and the Watergate proceedings during which Nixon resigned. Along the way, he carefully builds a definition of "republic" which distinguishes democratic republics from aristocratic ones for both history and political science. In a new foreword, Everdell addresses the impeachment trial of President Clinton and argues that impeachment was never meant to punish private crimes. Ultimately, Everdell's brilliant analysis helps us understand how examining the past can shed light

the present. "[An] energetic, aphoristic, wide-ranging book."—Marcus Cunliffe
Washington Post Book World "Ambitious in conception and presented in a clear
and sprightly prose. . . . [This] excellent study . . . is the best statement of
republican faith since Alphonse Aulard's essays almost a century ago." —Chicago Tribune
"A book which ought to be in the hand of every American who agrees with
Benjamin Franklin that the Founding Fathers gave us a Republic and hoped
that we would be able to keep it."—Sam J. Ervin, Jr.

The Book of Kings Apr 20 2023 A collection of stories about kings and princesses
are told from the viewpoints of queens, servants, and mythical beings and
includes the works of such authors as Stephen R. Donaldson, Jane Yolen, and
Alan Dean Foster. Original.

A Draw of Kings Sep 01 2021 Dark Forces Have Gathered and the Final Battle
for Illustra Has Begun Their journey to Merakh should have made Errol and
companions heroes of the realm. Instead, they've been branded enemies of
the kingdom. In the wake of the king's death, Duke Weir is ruling the country--
he intends to marry Adora to bring an heir from the royal line. With Errol and
the others imprisoned and the identity of the rightful heir to the throne still
hidden in secrecy, Illustra is on the verge of civil war--and threatened by
dark forces gathering on every side. A dangerous mission to free Errol is attempted
but the dangers facing the kingdom mount with every passing moment. The
barrier has fallen, ferals are swarming toward the land, and their enemies are
ever closer. Will the discovery of the true heir turn back the tide of Illustra's
destruction? Praise for The Staff and the Sword series "This fast-paced fantasy
debut set in a medieval world is a winner. Both main and secondary characters
are fully drawn and endearing...Fans of epic Christian fantasies will enjoy
discovering a new voice." Library Journal (starred review) on A Cast of Stars
"The adrenaline level remains high..." Publishers Weekly on The Hero's Lot
"The Hero's Lot is a spellbinding, edge-of-your-seat thrill ride that will leave you
breathless and reeling from the truly masterful and immensely pleasurable
writing of Patrick W. Carr." Radiant Lit

Moving Kings Jan 25 2021 A propulsive, incendiary novel about faith, race,
class, and what it means to have a home, from the Pulitzer Prize-winning author
of The Netanyahus "A Jewish Sopranos . . . utterly engrossing, full of passionate
sympathy . . . Cohen is an extraordinary prose stylist, surely one of the most
prodigious at work in American fiction today."—The New Yorker ONE OF THE
BEST BOOKS OF THE YEAR—Vulture, Bookforum One of the boldest voices of
his generation, Joshua Cohen returns with Moving Kings, a powerful and

provocative novel that interweaves, in profoundly intimate terms, the housing crisis in America's poor black and Hispanic neighborhoods with the world's oldest conflict, in the Middle East. The year is 2015, and twenty-one-year-old Yoav and Uri, veterans of the last Gaza War, have just completed their compulsory military service in the Israel Defense Forces. In keeping with national tradition, they take a year off for rest, recovery, and travel. They come to New York City and begin working for Yoav's distant cousin David King—a proud American patriot, Republican, and Jew, and the recently divorced proprietor of King's Moving Inc., a heavyweight in the tri-state area's moving and storage industries. Yoav and Uri now must struggle to become reacquainted with city life, but it's not easy to move beyond their traumatic pasts when their days were spent kicking down doors as eviction-movers in the ungentrified corners of the Bronx, Brooklyn, and Queens, throwing out delinquent tenants and seizing their possessions. And what starts off as a profitable if eerily familiar job—an "Occupation"—quickly turns violent when they encounter one homeowner seeking revenge.

Death of King Oct 14 2022 The sixth installment of Bernard Cornwell's New York Times bestselling series chronicling the epic saga of the making of England, "like Game of Thrones, but real" (The Observer, London)—the basis of The Last Kingdom, the hit television series. As the ninth century wanes, Alfred the Great lies dying, his lifelong goal of a unified England in peril, his kingdom on the brink of chaos. Though his son, Edward, has been named his successor, there are other Saxon claimants to the throne—as well as ambitious pagan Vikings to the north. Torn between his vows to Alfred and the desire to reclaim his long-lost ancestral lands in the north, Uhtred, Saxon-born and Viking-raised, remains the king's warrior but has sworn no oath to the crown prince. Now he must make a momentous decision that will forever transform his life and the course of history: to take up arms—and Alfred's mantle—or lay down his sword and let his liege's dream of a unified kingdom die along with him.

The Way of Kings Feb 23 2021 From #1 New York Times bestselling author Brandon Sanderson, *The Way of Kings*, Book One of the Stormlight Archive begins an incredible new saga of epic proportion. Roshar is a world of stormy storms. Uncanny tempests of incredible power sweep across the rocky terrain frequently that they have shaped ecology and civilization alike. Animals hide in shells, trees pull in branches, and grass retracts into the soilless ground. Cities are built only where the topography offers shelter. It has been centuries since the fall of the ten consecrated orders known as the Knights Radiant, but their

Shardblades and Shardplate remain: mystical swords and suits of armor that transform ordinary men into near-invincible warriors. Men trade kingdoms for Shardblades. Wars were fought for them, and won by them. One such war is fought on a ruined landscape called the Shattered Plains. There, Kaladin, who traded his medical apprenticeship for a spear to protect his little brother, has been reduced to slavery. In a war that makes no sense, where ten armies fight separately against a single foe, he struggles to save his men and to fathom the leaders who consider them expendable. Brightlord Dalinar Kholin commands one of those other armies. Like his brother, the late king, he is fascinated by an ancient text called *The Way of Kings*. Troubled by over-powering visions of ancient times and the Knights Radiant, he has begun to doubt his own sanity. Across the ocean, an untried young woman named Shallan seeks to train under an eminent scholar and notorious heretic, Dalinar's niece, Jasnah. Though she genuinely loves learning, Shallan's motives are less than pure. As she plans a daring theft, her research for Jasnah hints at secrets of the Knights Radiant and the true cause of the war. The result of over ten years of planning, writing, and world-building, *The Way of Kings* is but the opening movement of the Stormlight Archive, a bold masterpiece in the making. Speak again the ancient oaths: Light before death. Strength before weakness. Journey before Destination. and return to men the Shards they once bore. The Knights Radiant must stand again.

Other books by Brandon Sanderson: *The Cosmere*, *The Stormlight Archive*, *The Way of Kings*, *Words of Radiance*, *Edgedancer* (Novella), *Oathbringer*, *The Mistborn Trilogy*, *Mistborn: The Final Empire*, *The Well of Ascension*, *The Hero of Ages*, *Mistborn: The Wax and Wayne series*, *Alloy of Law*, *Shadows of Self*, *Bands of Mourning*, *Collection Arcanum Unbounded*, Other Cosmere novels: *Elantris*, *Warbreaker*, *The Alcatraz vs. the Evil Librarians series*, *Alcatraz vs. the Evil Librarians*, *The Scrivener's Bones*, *The Knights of Crystallia*, *The Shattered Lands*, *The Dark Talent*, *The Rithmatist series*, *The Rithmatist*. Other books by Brandon Sanderson: *The Reckoners*, *Steelheart*, *Firefight*, *Calamity*. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

[The Book of Kings and Exilic Identity](#) by 03 2021 Nathan Lovell proposes that 1 and 2 Kings might be read as a work of written history, produced with the explicit purpose of shaping the communal identity of its first readers in the Babylonian exile. By drawing on sociological approaches to the role of historiography in the construction of political identity, Lovell argues that the book of Kings is intended to reconstruct a sense of Israelite identity in the

of these losses, and that the book of Kings moves beyond providing a reason for the exile in Israel's history, and beyond even connecting its exilic audience to that history. The book recalls the past in order to demonstrate what it means for Israel in the (exilic) present, and to encourage hope for the Israelite nation's future. After developing a reading strategy for 1-2 Kings that treats the book as a coherent narrative, Lovell examines the construction of Israelite identity within 1-2 Kings under the headings of covenant, nationhood, land, and rule. In each chapter he suggests that the narrative of the book creates room for a genuine but temporary expression of Israelite identity in exile: genuine to show that it remains possible for Israel to be Yahweh's people during the exile, but temporary to encourage hope for a future restoration.

The King of Kings County Apr 08 2022 The second novel by Whitney Terrell, author of *The Good Lieutenant*-- an engrossing portrait of a Kansas City father on a suspect pursuit of fortune. In *The Huntsman*, a first novel hailed by *Esquire* as "ambitious, rousing and entirely spectacular," Whitney Terrell introduced us to the streets and neighborhoods of Kansas City. Now he offers us the story of his own creation. A stunning, intensely private portrait of one man's life and his city, *King of Kings County* presents a dazzling fifty-year arc through the heart of the American dream.

The Chapter of Kings Aug 20 2020 "On 1 August, 1818 the Napoleonic War had ended, King George III was on his deathbed, and this little book was published by 'Mr. Collins', an unknown publisher, who took upon himself the unenviable task of presenting to the public of Britain the unvarnished truth about its past. "Veering from affectionate ridicule to idealized adoration, he offers a refreshingly irreverent overview which ranges from Caesar, Emperor of Rome to George, Prince of Wales, the future king. Succinct, concise and unerringly frank, 'Mr. Collins' sizes up the lasting reputations of past rulers and dynasties with wit and affection, but never sentimentality!" "The original book from which this publication is made comes from the Opie Collection of Children's Literature, one of the most important collections of English children's books in the world."--BOOK JACKET.

Weavers, Scribes, and Kings Apr 27 2021 "This sweeping history of the ancient Near East (Mesopotamia, Syria, Anatolia, Iran) takes readers on a journey from the creation of the world's first cities to the conquest of Alexander the Great. The book is built around the life stories of many ancient men and women, from priestesses, and merchants to bricklayers, musicians, and weavers. Their hardships of daily life, beliefs, triumphs, and crises, and the changes that they faced

time are explored through their written words and the archaeological remains of the buildings, cities, and empires in which they lived. Rather than chronicling three thousand years of kingdoms, the book instead creates a tapestry of stories through which readers come to know specific individuals from many walks of life, and to understand their places within the broad history of events and institutions in the ancient Near East. These life stories are preserved on ancient cuneiform tablets, which allow us to trace, for example, the career of a weaver as she advanced to become a supervisor of a workshop, listen to a man trying to persuade his generals to prepare for a siege, and feel the pain of a starving young couple who were driven to sell all four of their young children into slavery during a famine. What might seem at first glance to be a remote and inaccessible ancient culture proves to be a comprehensible world, one that has bequeathed to us many of our institutions and beliefs, a truly fascinating place to visit"--

Gujarat Jun 17 2020 A ground breaking study of the long-neglected fifteen century in South Asian history.

The Ruin of Kings Jul 31 2021 "Everything epic fantasy should be: rich, cruel, gorgeous, brilliant, enthralling and deeply, deeply satisfying. I loved it."—Lev Grossman, author of The Magicians When destiny calls, there's no fighting back. Kihrin grew up in the slums of Quur, a thief and a minstrel's son raised on tales of long-lost princes and magnificent quests. When he is claimed against his will as the missing son of a treasonous prince, Kihrin finds himself at the mercy of his new family's ruthless power plays and political ambitions. Practically a prisoner, Kihrin discovers that being a long-lost prince is nothing like what the storybooks promised. The storybooks have lied about a lot of other things, dragons, demons, gods, prophecies, and how the hero always wins. Then again, maybe he isn't the hero after all. For Kihrin is not destined to save the world. He's destined to destroy it. Jenn Lyons begins the Chorus of Dragons series with *The Ruin of Kings*, an epic fantasy novel about a man who discovers his fate is tied to the future of an empire.

King of Kings Oct 02 2021 Fact, legend, myth, and history merge in an epic portrait of the first great captain-king, the shepherd boy who slew Goliath, conquered the Philistines, overthrew Saul, and became the leader of the Jews.

A King's Book of Kings Aug 24 2023 Reproduces pages from a sixteenth-century Islamic manuscript which details early Iranian history and contains miniatures by leading Safavid painters

Emperor: The Death of King Dec 16 2022 From the author of the bestselling

The Dangerous Book for Boys The acclaimed author of Emperor: The Gates of Rome returns to the extraordinary life of Julius Caesar in a new novel that takes us further down the path to glory . . . as Caesar comes into his own as a warrior, senator, husband, leader. In a sparsely settled region of North Africa, a band of disheveled soldiers turn their eyes toward one man among them: their leader, Julius Caesar. The soldiers are Roman legionaries. And their quarry is a band of pirates who dared to kidnap Julius Caesar for ransom. Now, as Caesar exacts his revenge and builds a legend far from Rome, his friend Marcus Brutus is fighting battles of another sort, rising to power in the wake of the assassination of a dictator. Once Brutus and Caesar were as close as brothers, devoted to the same ideals and attracted to the same forbidden woman. Now they will be torn apart again by a shock wave from the north, where a gladiator named Spartacus is building an army of seventy thousand slaves—to fight a cataclysmic battle that will shake Rome itself.

Book of Kings Dec 24 2020 Book of Kings: The Emperor's Notebook is the unpublished notes, ideals and ideologies of the author Mr. Chris La'Cour. Throughout his 22 years of incarceration he has implemented a rigorous study regimen. Out of the 500 or so books that he has read, his eyes were open to the world around him. The notes in Book of Kings were the statements, ideas and thoughts that brought about the author's metamorphosis. Developing a plan that someday he could help others reach the same transformation. He then goes on to give you an actual blueprint and strategies of how to convert your newfound knowledge into actual wealth and power. Within these notes you get Laws of Power, Art of War, Think & Grow Rich in one small concise book, written specifically for the common person. Most books of such an intellectual capacity will be written for those who can comprehend such capacities. But La'Cour writes this for those in the urban community that have lost out on this kind of jewels because they were in books. But his style makes these complicated concepts comprehensible to anyone. He writes as if he is speaking to you on a street corner instead of lecturing you in a lecture hall.

Legacy of King Sep 20 2020 Royalty. Magic. Love. Betrayal. It's in Their Blood Alexander, Macedon's sixteen-year-old heir, is on the brink of discovering his fated role in conquering the known world. Katerina must navigate the dark secrets of court life while keeping hidden her own mission: kill the queen. She will go to unthinkable lengths to win Katerina, even if it means having to compete with Hephaestion, a murderer sheltered by the prince. And far across the sea, Zofia, a Persian princess, seeks the deadly Spirit Eaters to alter her

destiny.

Kings Or Pawns Apr 15 2020 The first book in JJ Sherwood's Steps of Power epic fantasy series. The Kings, Book I: Kings or Pawns is a political intrigue spirals into an action and adventure series as the final events unfold. 8,999 P.E.-The elven city of Elvorum has become corrupted to the core by politics. With his father dead and the Royal Schism at his back, Prince Hairem ascends the throne as king of the elven world on Sevrigel. Young and bold, Hairem is determined to undo the council's power, but the brutal murders by an assassin loosed within the city threaten to undermine the king's ambitions. As corruption and death threaten to tear Elvorum apart from within, the warlord Saebell threatens the city from without, laying siege to Sevrigel's eastern capital. With the elven world crumbling around him, Hairem finds himself in a dangerous political balance between peace and all out war.

Game of Kings Mar 19 2023 A year with the boy geniuses of the nation's top high school chess team, now in paperback with a new afterword Edward R. Murrow High School has long been one of New York's public-education success stories, a school where there are no varsity sports, and the closest thing to chess found on the powerhouse chess team. Award-winning sportswriter Michael Weinreb follows the members of the Murrow chess team through an entire season. Weinreb delves into the history of chess in America, following the footsteps of greats such as Bobby Fischer, for whom the world within the chessboard is easy to comprehend as the world beyond it is difficult.

The Book of Kings Jul 23 2023 "They're kings wielding scepters and sitting on thrones, they're presidents and prime ministers leading their nations, or the CEOs, scientists, sports stars, artists, and others who are changing the world. Welcome to The Book of Kings, where being a regal royal doesn't just mean wearing a crown." -- back cover.

The Work of Kings Jul 19 2020 The Work of Kings is a stunning new look at the turbulent modern history and sociology of the Sri Lankan Buddhist Monks and its effects upon contemporary society. Using never-before translated Sinhalese documents and extensive interviews with monks, Sri Lankan anthropologist H.L. Seneviratne unravels the inner workings of this New Buddhism and the ideology on which it is based. Beginning with Anagarika Dharmapala's "rationalization" of Buddhism in the early twentieth century, which called for monks to take on a more activist role in the community, Seneviratne shows how the monks have gradually revised their role to include involvement in political and economic spheres. The altruistic, morally pure

monks of Dharamapala's dreams have become, Seneviratne trenchantly argues, self-centered and arrogant, concealing self-aggrandizement behind a façade of "social service." A compelling call for reform and a forceful analysis, *The Wonders of Kings* is essential to anthropologists, historians of religion, and those interested in colonialism, nationalism, and postcolonial politics.

Sword of Kings Mar 07 2022 The twelfth installment of Bernard Cornwell's New York Times bestselling series chronicling the epic saga of the making of England—"superior entertainment that is both engaging and enlightening" (Washington Post), and the basis for *The Last Kingdom*, the hit Netflix series—is a time of political turmoil once more as the fading King Edward begins to lose control over his successors and their supporters. There are two potential heirs—possibly more—and doubt over whether the once separate states of Wessex and Mercia will hold together. Despite attempts at pulling him into the political fray, Uhtred of Bebbanburg cares solely about his beloved Northumbria and its continuing independence from southern control. But an oath is a strong, almost sacred commitment and such a promise had been exchanged between Uhtred and Aethelstan, his onetime companion in arms and now a potential king. Uhtred is tempted to ignore the demands of the oath and stay in his northern fastness, leaving the quarrelling Anglo-Saxons to sort out their own issues. But an appeal on him by a leading supporter of one of the candidates and an unexpected offer for help from another, drives Uhtred with a small band of warriors south, into battle for kingship—and England's fate.

Last Argument of Kings May 29 2021 The final novel in the First Law Trilogy by New York Times bestseller Joe Abercrombie. Logen Ninefingers might only have one more fight in him -- but it's going to be a big one. Battle rages across the North, the king of the Northmen still stands firm, and there's only one man who can stop him. His oldest friend, and his oldest enemy: it's time for the Blood-Drinker Nine to come home. With too many masters and too little time, Superior General is fighting a different kind of war. A secret struggle in which no one is safe, and no one can be trusted. As his days with a sword are far behind him, it's fortunate that he's deadly with his remaining weapons: blackmail, threats, and torture. Jezal dan Luthar has decided that winning glory is too painful an undertaking and turned his back on soldiering for a simple life with the woman he loves. But love can be painful too -- and glory has a nasty habit of creeping up on a man when he least expects it. The king of the Union lies on his deathbed, the people revolt, and the nobles scramble to steal his crown. No one believes that the shadow of war is about to fall across the heart of the Union. Only the First

Magi can save the world, but there are risks. There is no risk more terrible to break the First Law. . .

The Book of King Feb 18 2023 In this electrifying grand-scale novel set on the eve of the Nazi invasion of Europe, the idyllic student life of four friends in gives way to the frenzy of war.

Queen of Kings Jul 11 2022 In this stunningly original debut, go beyond the legend of Queen Cleopatra and discover a passion steeped in the bloodlust of vampires... The year is 30 BC. A messenger delivers word to Queen Cleopatra her beloved husband, Antony, has died at his own hand. Desperate to save her kingdom, Cleopatra strikes a mortal bargain in exchange for Antony's soul, transforming her into an immortal—a vampire with superhuman strength and an insatiable hunger for blood. Leaving a trail of fiery retribution, Cleopatra journeys from the tombs of Egypt to the ancient underworld in order to resurrect her husband again. But to resurrect him, Cleopatra will need to challenge mythical beings with power beyond comprehension—risking the fate of both this world and the next for a love that will not die...

A Clash of Kings: The Illustrated Edition Sep 13 2022 A stunning illustrated edition of the second book in the beloved A Song of Ice and Fire series, from HBO's Game of Thrones Continuing the celebration of the twentieth anniversary of George R. R. Martin's landmark series, this gorgeously illustrated special edition of A Clash of Kings features over twenty all-new illustrations by Lauren K. Cannon, both color and black-and-white, bringing glorious new life to this modern classic. A CLASH OF KINGS A SONG OF ICE AND FIRE: BOOK TWO With a special foreword by Bernard Cornwell Time is out of joint. The summer of peace and plenty, ten years long, is drawing to a close, and the chill winter approaches like an angry beast. Two great leaders—Lord Eddard Stark and Robert Baratheon—who held sway over an age of enforced peace are dead . . . victims of royal treachery. Now, from the ancient citadel of Dragonstone to the forbidding shores of Winterfell, chaos reigns, as pretenders to the Iron Throne of the Seven Kingdoms prepare to stake their claims through tempest, turmoil, and war. As a prophecy of doom cuts across the sky—a comet the color of blood and flame—six factions struggle for control of a divided land. Eddard's son Robb has declared himself King in the North. In the south, Joffrey, the heir apparent, rules in name only, victim of the scheming courtiers who teem on King's Landing. Robert's two brothers each seek their own dominion, while a disfavored house turns once more to conquest. And a continent away, an exiled queen, the Mother of Dragons, risks everything to lead her precious brood

a hard hot desert to win back the crown that is rightfully hers. Against a backdrop of incest and fratricide, alchemy and murder, the price of glory measured in blood. And the spoils of victory may just go to the men and women possessed of the coldest steel . . . and the coldest hearts. For when rulers clash, all of the land feels the tremors.

A Clash of Kings May 21 2023 THE BOOK BEHIND THE SECOND SEASON OF GAME OF THRONES, AN ORIGINAL SERIES NOW ON HBO. Here is the second volume in George R.R. Martin magnificent cycle of novels that includes A Game of Thrones and A Storm of Swords. As a whole, this series comprises a genuine masterpiece of modern fantasy, bringing together the genre has to offer. Magic, mystery, intrigue, romance, and adventure fill these pages and transport us to a world unlike any we have ever experienced. Already hailed as a classic, George R.R. Martin stunning series is destined to stand as one of the great achievements of imaginative fiction. **A CLASH OF KINGS** A comet the color of blood and flame cuts across the sky. Two great leaders—Lord Eddard Stark and Robert Baratheon—who hold sway over an enforced peace are dead, victims of royal treachery. Now, from the ancient of Dragonstone to the forbidding shores of Winterfell, chaos reigns. Six factions struggle for control of a divided land and the Iron Throne of the Seven Kingdoms, preparing to stake their claims through tempest, turmoil, and war. This is a tale in which brother plots against brother and the dead rise to walk in the night. Here a princess masquerades as an orphan boy; a knight of the mind prepares a poison for a treacherous sorceress; and wild men descend from the Mountains of the Moon to ravage the countryside. Against a backdrop of incest and fratricide, alchemy and murder, victory may go to the men and women possessed of the coldest steel...and the coldest hearts. For when kings clash, the whole land trembles.

The Sport of Kings May 09 2022 A Finalist for the Pulitzer Prize Winner of the Kirkus Prize for Fiction • A Recipient of the Windham-Campbell Prize for Fiction • A Finalist for the James Tait Black Prize for Fiction • A Finalist for the Baileys Women's Prize for Fiction • A Finalist for the Rathbones Folio Prize • Longlisted for an Andrew Carnegie Medal for Excellence • One of New York Times Book Review 100 Notable Book Named a Best Book of the Year by Entertainment Weekly • GQ • The New York Times (Selected by Dwight Garner) • NPR • The Wall Street Journal • San Francisco Chronicle • Refinery29 • Booklist • Kirkus Reviews • Commonweal Magazine "In its poetic splendor and moral seriousness, The Sport of Kings bears the traces of Faulkner, Morrison,

and McCarthy. . . . It is a contemporary masterpiece."—San Francisco Chronicle
Hailed by The New Yorker for its "remarkable achievements," *The Sport of Kings* is an American tale centered on a horse and two families: one white, one Southern dynasty whose forefathers were among the founders of Kentucky; the other African-American, the descendants of their slaves. It is a dauntless narrative that stretches from the fields of the Virginia piedmont to the abundant pastures of the Bluegrass, and across the dark waters of the Ohio River; from the final shots of the Revolutionary War to the resounding clang of the starting gun at Churchill Downs. As C. E. Morgan unspools a fabric of shared histories, past and present converge in a Thoroughbred named Hellsmouth, heir to Secretariat and a contender for the Triple Crown. Newly confronted with one another in the quest for victory, the two families must face the consequences of their actions as each is driven---and haunted---by the same, enduring question: How far from your father can you run? A sweeping narrative of wealth and poverty, racism and rage, *The Sport of Kings* is an unflinching portrait of lives cast in the shadow of slavery and a moral epic for our time.

Oct 22 2020 It's the final act of Newbery Medalist Cynthia Voigt's Mister Max trilogy, in which the solutioneer sets out to rescue his missing parents! Ever since Max's parents were spirited away on a mysterious ship, he has longed to find them. He's solved case after case for people in his business as "solutioneer." And he's puzzled out the coded messages sent by his father. Max doesn't know exactly what's happened, but he knows his parents are in danger—and it's up to him to save them. Max and his friends (and a few old foes) don disguises and set sail on a rescue mission. It will take Max's cleverness and daring to outmaneuver the villains that lie in wait: poisonous hungry aristocrats, snake-handling assassins, and bombardier pastry chefs. Behind the scenes, a master solutioneer is pulling all the strings. . . . Has Max finally met his match? "A satisfying conclusion to the trilogy, [and] a rewarding adventure story." —Booklist "Immensely appealing." —The New York Times Book Review "A perfect read-aloud, the story will appeal to fans of fantasy, adventure, mystery, and humor." —The Christian Science Monitor

Dec 4 2021 This volume contains a collection of Julio Treballe's papers on textual and compositional history of 1-2 Kings, via Septuagint, Old Latin. His research is a key contribution to the landscape of textual plurality in the history of the Bible.

Aug 12 2022 "[Rennie Airth's] meticulously detailed procedural mysteries are beautifully written . . . well worth reading, and

rereading."—Marilyn Stasio, The New York Times Book Review Rennie Airth's *The Decent Inn of Death* is forthcoming from Penguin On a hot summer day in 1938, a beautiful actress is murdered on the grand Kent estate of Sir Jack, a close friend of the Prince of Wales. The arrest of an ex-convict and his subsequent confession swiftly bring the case to a close, but in 1949, the reappearance of a jade necklace raises questions about the murder. Was the convicted and executed the decade before truly guilty? Though happily retired from the police force, John Madden is persuaded to investigate the case again. In a story of honor and justice that takes Madden through the idyllic English countryside, post-war streets of London, and into the criminal underworld of Chinese Triads, *The Death of Kings* is an atmospheric and captivating police procedural.

Israeli Hebrew in the Book of Kings
10 2022 Reconstruction based upon grammatical and lexical items in the book of Kings of the dialect of Hebrew peculiar to the northern kingdom of Israel. Occasional Publications of the Department of Near Eastern Studies and the Program of Jewish Studies, Cornell University, no. 5

The Way of Kings May 17 2020 From #1 New York Times bestselling author Brandon Sanderson, *The Way of Kings*, Book One of the Stormlight Archive begins an incredible new saga of epic proportion. Roshar is a world of storms and tempests. Uncanny tempests of incredible power sweep across the rocky terrain frequently that they have shaped ecology and civilization alike. Animals hide in shells, trees pull in branches, and grass retracts into the soilless ground. Cities are built only where the topography offers shelter. It has been centuries since the fall of the ten consecrated orders known as the Knights Radiant, but their Shardblades and Shardplate remain: mystical swords and suits of armor that transform ordinary men into near-invincible warriors. Men trade kingdoms for Shardblades. Wars were fought for them, and won by them. One such war was fought on a ruined landscape called the Shattered Plains. There, Kaladin, who traded his medical apprenticeship for a spear to protect his little brother, has been reduced to slavery. In a war that makes no sense, where ten armies fight separately against a single foe, he struggles to save his men and to fathom the leaders who consider them expendable. Brightlord Dalinar Kholin commands one of those other armies. Like his brother, the late king, he is fascinated by an ancient text called *The Way of Kings*. Troubled by over-powering visions of ancient times and the Knights Radiant, he has begun to doubt his own sanity. Across the ocean, an untried young woman named Shallan seeks to train in

an eminent scholar and notorious heretic, Dalinar's niece, Jasnah. Though she genuinely loves learning, Shallan's motives are less than pure. As she plans a daring theft, her research for Jasnah hints at secrets of the Knights Radiant and the true cause of the war. The result of over ten years of planning, writing, and world-building, *The Way of Kings* is but the opening movement of the Stormlight Archive, a bold masterpiece in the making. Speak again the ancient oaths: Light before death. Strength before weakness. Journey before Destination. and return to men the Shards they once bore. The Knights Radiant must stand again. Other books by Brandon Sanderson: *The Cosmere*, *The Stormlight Archive*, *The Way of Kings*, *Words of Radiance*, *Edgedancer* (Novella), *Oathbringer* (forthcoming), *The Mistborn trilogy*, *Mistborn: The Final Empire*, *The Well of Ascension*, *The Hero of Ages*, *Mistborn: The Wax and Wayne series*, *Alloy of Law*, *Shadows of Self*, *Bands of Mourning Collection*, *Arcanum Unbounded*, *Other Cosmere novellas*, *Elantris*, *Warbreaker*, *The Alcatraz vs. the Evil Librarians series*, *Alcatraz vs. the Evil Librarians*, *The Scrivener's Bones*, *The Knights of Crystallia*, *The Shattered Lens*, *The Dark Talent*, *The Rithmatist series*, *The Rithmatist*, *Other books by Brandon Sanderson*, *The Reckoners*, *Steelheart*, *Firefight*, *Calamity*
