Ibiza '98 Jan 19 2023 "Before I'd even stepped into the interview room I'd already resigned myself to the fact that there was no limit to what I was going to do to get that job. If it meant getting naked there and then in a room full of strangers, so be it. I was determined. The humiliation that would potentially await paled in comparison to the sweet reward of working in one of the world's largest party resorts. The shame that I would feel was going to be insignificant to the endless supply of drinks and girls that would await me in Ibiza at the end of the 90s." Want a disarmingly frank and honest account of what it was like working for one of the largest adult tour operators in the Mediterranean? What was considered naughty in the nineties would be scandalous today. But without smartphones, selfies, social media and tagging, there's no evidence of what went on and, now everyone has grown up and moved on, no one left to confirm it was true. More than twenty years have passed since my first season as a holiday rep in Ibiza, but the outrageous incidents and accidents are as fresh as last week. If you can remember being on one on these holidays, wouldn't you like to know what was going on behind the scenes? Let me pull back the curtain and start at the beginning...

Confessions of a Holiday Rep - My Hideous and Hilarious Stories of Sun, Sea, Sand and Sex Feb 20

2023 When Cy Flood applied for work as a holiday rep, his reasons were simple. He wanted to party like crazy, booze like there was no tomorrow and pull like it was going out of fashion! In his ten years working for holiday companies as a rep, Cy has seen it all. From Lanzarote to Ibiza, from Palma to the Greek Islands, there have been flying cockroaches, flying televisions, drunken pub crawls, angry clients, wild sex and a TV crew on the scene. There are tales so tall that they defy belief. As well as the sun, sea, sand and shameless excess, a shockingly true picture of life as a travel rep is exposed; a world of violent crime, corruption and drug dealing. Cy's confessions allow us to peep into a world we all see from the outside but wish we knew more about. Confessions of a Holiday Rep is a truly behind the scenes picture of the resort scene and a real eye-opener for any holiday maker. A funny, honest and crazy must have summer read that will make you laugh, shudder and maybe even cry!

The Life of Riley Feb 25 2021 Riley's dream of becoming a holiday rep is slowly becoming a reality.

Following a nerve-fuelled 'X Factor' type interview day with tour operator, Hightail Holidays, she hears the words she's waited for since she was a little girl. Little does she realise that she's about to discover the girl of her dreams, too. Keri is the manager delivering Riley's induction training (working hard and playing harder for a whole week) and quite unexpectedly, the girls end up kissing on a night out. They quickly become smitten. And although separated due to their different work commitments, Riley and Keri know that this is a strong mutual connection that cannot be ignored. When Keri's jealous ex, Emma, finds out about their relationship, she hatches a plan to split the lovebirds up, and succeeds. Crushed, the two women try to move on with their lives and forget the pain. Riley throws herself into her new job and tries to enjoy the summer she has dreamt of for so long. Sharing a room with workmate, 'sex-obsessed' Ben, brings all kinds of frustration, humour and toe-curling antics. And when her best friend Cara visits, Riley's life becomes a series of comical predicaments and disasters that help her see the funny side of life as she tries to mend her broken heart. Hurting just as much as Riley, Keri is trying (through gritted teeth) to accept the 'help' her friends are offering - from blind dates and lesbian sexual positions on booze cruises to honorary aunts to take care of her - but deep down she knows she can never move on from Riley. Will Riley make it in her dream job? Will she and Keri be able to move on without each other? Will the truth about the saboteur finally come out?

Aegean Sun: Room 101 Oct 16 2022 This fast paced contemporary story takes place at the Aegean Sun Hotel in Greece over the summer season. Focusing on the various visitors who stay in room 101 on a weekly basis, it interweaves with the stories of the hotel staff and holiday reps based there over a six month period. The karaoke nights, bar crawls, barbeques and boat cruises are enjoyed by some more than others, but they all have a tale to tell. Several characters are open and honest whilst others keep secrets from their fellow holidaymakers, reps and even their own partners. Costas may look like a Greek Pierce Brosnan, but is he

smooth and refined or just vain and selfish? Michalis is the perfect young Adonis and has different girls every night, but will any of them find true love? Will Mark make it through the whole season after he gets landed with numerous extra duties? Just who are these people who either get lost on the day trip, go to Turkey with a hangover, hide an affair, wake up in the hospital, or end up sharing the same man without ever knowing? This believable account of holiday fun, described by a former holiday rep herself, can be read as an on-going story of a Greek way of life, or as a series of connected short stories describing each character's individual experiences. Either way, the entertainment is just beginning...

It Could Only Happen to a Holiday Rep Dec 18 2022

Misguided May 31 2021 He thought that his brand new degree would open the door to a posh job in Athens, but his depleted bank account had other plans. Before he knew it, Ruard became a holiday rep for a small Greek tour operator. What followed was an eventful summer of dodgy travel agents, noisy hotels, demanding customers, undercover guiding by not-so-official tour guides and coaches that were way too small (or way too big). This is the gripping and often hilarious account of The Prince (a.k.a. The Snake), the "self-taught-the-hard-way" Mr. Mangas, the beautiful Kali and the dramatic Helena. Even Woody Allen makes a guest appearance! They are all supporting characters in the heart-warming story of a long hot summer set against the backdrop of the sunny skies, the deep blue sea and some of the most gorgeous locations in Greece.

Aegean Sun: the Office Feb 08 2022 Meet the office girls: Janet, Carla and Melissa. It's another hot Greek summer season and they have many issues to deal with, both in their workplace and in their private lives, but just how much does one affect the other? Janet is settling into a serious relationship, until outside influences start pushing her towards a future she may not be ready for. Carla embarks on a new romance, oblivious to the secret anguish this arouses in her close friend. Melissa is searching for Mr Right, although Mr Rich would be more preferable. Mark - in his new role as Head Rep - often uses the office as a base and that brings

him into a closer working relationship with his manager, Sara. She should be supportive and understanding, but is her mind actually on the job or does she succumb to the Greek delights on offer? Once the work is done, the entertainment carries on...

Aegean Sun: the Diaries Sep 15 2022 Take a sneak peak at the private diaries of Mark, the holiday representative at the Aegean Sun Hotel, and see why describing his guests as Disney characters, an 80s pop duo and various Hollywood actors makes his summer season a bit more interesting. He experiences several unexpected events whilst caring for his guests which lead to a few sticky situations, including a predicament at the hospital, a confrontation in a hotel room, a dilemma on the bar crawl and a sleepless night on a flight delay. His reports for Head Office must be professional, so he uses his diary to express his real feelings about what has happened and to convey his true personal opinions, however unflattering that may be to the people concerned. Each short story can be read separately, but they are linked by Mark's descriptions of his working life and his attempts to maintain a happy and successful private life as he progresses through the summer. Whatever the impediment or obstacle, the entertainment goes on...
