Cruise Ship Stories Jan 06 2022 If you are reading this intro, then

I take it that you have an interest in cruise ships. It could be you want to work on a cruise ships, you want to or have taken a cruise, maybe you are looking for tips on cruising or maybe you just like fun stories about cruise ships. If you are interested in any of those items I just listed, then this book is for you. Before we begin our journey, I guess I should tell you a little bit about myself and why I have written this book. For my cruise ship experience, I worked about 12 years on cruise ships around the world and 2 years working in shore side offices in Florida. I worked with 4 different cruise lines and worked as a scuba instructor/dive manager, shore excursion manager and then in the shore side offices as an IT geek, and finally a few years as an IT officer (yeah, I know, scuba instructor to computer geek, what can I say, it has been an interesting journey). Stories in this book include ones about: Getting a job on cruise ships Life on board ships On board romance Hurricanes Running aground Adrift at sea Kick backs Falling overboard Living on a tropical island Crazy things the crew and passengers do and much much more.....I also have photos about my life at sea that can be seen at: www.cruiseshipstories.com Looking at these photos will bring my sea faring stories even more to life.

How to Land a Top-Paying Cruise Ship Workers Job Mar 28 2021 For the first time, a book exists that compiles all the information candidates need to apply for their first Cruise ship workers job, or to apply for a better job. What you'll find especially helpful are the worksheets. It is so much easier to write about a work experience using these outlines. It ensures that the narrative will follow a logical structure and reminds you not to leave out the most important points. With this book, you'll be able to revise your application into a much stronger document, be

much better prepared and a step ahead for the next opportunity. The book comes filled with useful cheat sheets. It helps you get your career organized in a tidy, presentable fashion. It also will inspire you to produce some attention-grabbing cover letters that convey your skills persuasively and attractively in your application packets. After studying it, too, you'll be prepared for interviews, or you will be after you conducted the practice sessions where someone sits and asks you potential questions. It makes you think on your feet! This book makes a world of difference in helping you stay away from vague and long-winded answers and you will be finally able to connect with prospective employers, including the one that will actually hire you. This book successfully challenges conventional job search wisdom and doesn't load you with useful but obvious suggestions ('don't forget to wear a nice suit to your interview, ' for example). Instead, it deliberately challenges conventional job search wisdom, and in so doing, offers radical but inspired suggestions for success. Think that 'companies approach hiring with common sense, logic, and good business acumen and consistency?' Think that 'the most qualified candidate gets the job?' Think again! Time and again it is proven that finding a job is a highly subjective business filled with innumerable variables. The triumphant jobseeker is the one who not only recognizes these inconsistencies and but also uses them to his advantage. Not sure how to do this? Don't worry-How to Land a Top-Paying Cruise ship workers Job guides the way. Highly recommended to any harried Cruise ship workers jobseeker, whether you want to work for the government or a company. You'll plan on using it again in your efforts to move up in the world for an even better position down the road. This book offers excellent, insightful

advice for everyone from entry-level to senior professionals. None of the other such career guides compare with this one. It stands out because it: 1) explains how the people doing the hiring think, so that you can win them over on paper and then in your interview; 2) has an engaging, reader-friendly style; 3) explains every step of the job-hunting process - from little-known ways for finding openings to getting ahead on the job. This book covers everything. Whether you are trying to get your first Cruise ship workers Job or move up in the system, get this book.

Welcome Aboard Aug 01 2021 After leaving her job in Hawaii and a failed relationship, moving to Los Angeles and knowing that she was literally going to starve to death at her new job, which was total commission, Penny read about a job in the newspaper that said, 'Sail, see the world, travel.' Thinking it was the Navy but knowing that she had to have a job, she applied. Fortunately for her, it turned out to be a cruise company that offered her a job in the gift shops on board a ship. She accepted, having never b

How To Get A Job On A Cruise Ship Apr 21 2023 Ever

wondered how to get a job on a cruise ship? This booklet will give information that will guide and assist you in finding work on cruise ships, what job would suit you best as well as the steps needed to get you on board. This is a detailed guideline written from my own experience that you will benefit from. I wish I had something like this available to me all those years ago when I started out... If you are already checking out this book, then you know this is something you want to do but maybe you just feel lost as to how to achieve your goal. That's where I come in. I have worked for five different cruise lines in many different positions over a period of 17 years. I have started at the bottom and worked my way up to being part of the Senior Management Team and being involved in hiring and firing of staff. So yes, I know what I'm talking about. I have scrubbed toilets, made beds and more, all in the pursuit of my dream job. Are you willing to do the same? If so, then this is the book for you and the answers you seek will be here.

Combined together they form an exclusive, step-by-step system for next generation applying to the cruise lines. Develop with their help

two crucial qualities your application needs to stand out immediately- focus and impact. Make each step in so outstanding way that you will get a cruise job in 14 days or less!

Nautical Jobs Hunter Nov 04 2021 This pocket book was projected initially during a conversation with one of my best friends which name is sandro pizarro (restaurant manager in uk) which known's my life and career at sea, land, hotels, restaurants, bars, clubs, etc and give it to me the idea to publish a initial step career at sea / land which i accepted straight away, as i never heard about a book like this one, a book which is providing information of all the positions onboard luxury ocean cruises, yachts, ferries, hotels, information which certificates, diplomas, courses each person as to take before starting a carrer at sea / land, in hospitality departments, deck departments, information how to look for jobs safely without been catch in the middle of a scam in the internet, my advise is never pay to anyone to get a job, all the companies have them career website areas, they provide information which agents they have in each single country and agencies plus concessionaires. Here on this book you can learn how to proceed with your career safely and easily. All the certificates can be taked in any country, normally the schools are located more near the sea, but there's a few in the center of the countries also. Don't forget, when you are applying, send your cv to as many contacts as you have, if they delay to answer, keep trying, show your interest. When onboard, be responsible, on time on service always, the job is hard but gratefull and you have the gift to visit many countries and get payed for it, think about, but the most important is that you love what you do and you will do anything to suceed in your career. I wish you now very good luck in your future and please also check for the

nautical jobs hunter 2- cruise career guide book which as thousands of company contacts all over the world.

How to Get a Job on a Cruise Ship Dec 05 2021

So You Want to Work on a Boat Jan 26 2021 This book is a practical guide for employment on commercial vessels. Currently featured on tugboatjobs.net and findmaritimejobs.com, the book provides an overview of the industry and outlines the best places to search for jobs. A wide range of shipboard jobs are described, including those aboard small inland vessels, coastal vessels, cruise ships, and large ocean-going cargo ships. This covers deckhands, tankermen, mates, pilots, captains, staff captains, stewards, cooks, chief engineers, QMEDs, DDEs, chief officers, environmental officers, shipboard IT officers, and other positions. The book provides guidance on how to apply for jobs, prepare for interviews, and develop effective resumes and cover letters. Sample professional mariner resumes and cover letters are included, along with lists of companies and organizations that operate cruise ships, tugboats, ferries, research vessels, dinner cruise vessels, tour boats, dredges, and ocean-going cargo vessels. Regulatory requirements are outlined, such as Merchant Mariner Credentials, Transportation Worker Identification Credentials, STCW Certification (Standards of Training, Certification and Watchkeeping for Seafarers), together with information about Coast Guard license exams. Educational resources are discussed, such as maritime academies, specialized colleges, and training centers. A section on practical maritime law outlines important legal concepts that are applicable to people who work on the water. This isn't an easy industry to work in. Therefore, the book

outlines options in terms of shoreside positions within the maritime community that don't require going to sea. These include opportunities in shipyards, marine insurance, maritime security, cargo operations, and other areas. In an effort to be even-handed, the book discusses both positive and negative aspects of this line of work. While the industry is known for attractive salaries, it can also involve unconventional work schedules, very high levels of accountability, and dangerous working conditions.

Got A Ship Job.... What's Next? Jun 23 2023 By now you've read the first book in this series, explaining how to get a job on a cruise ship. In this book I will prepare you on what to take with you, the medicals needed, the courses and certifications, visas, etc. This is a detailed guideline written from my own experience that you will benefit from. Cruise Ship Jobs! May 22 2023

Careers in Cruise Ship Industry Aug 21 2020 A cruise ship is a luxury carrier that plies the seas and offers passengers with world-class facilities and a great traveling experience. The traveling experience depends on the type of cruise chosen, the luxuries offered and the itinerary planned. Cruises and itineraries need to be planned according to the traveler's taste and preference. Some travelers may wish to sample exotic ports and coastal lands, and should therefore choose port-intensive itineraries. Travelers preferring time in the sea should opt for cruises such as around-the-world cruises or port-intensive cruises. There are diverse departments on a cruise which encompass an array of jobs, such as hospitality, deck maintenance, passenger safety, ship stability, etc. This book provides comprehensive insights into the field of cruising. Most of the topics introduced herein cover the various careers in cruise ships. It is meant for students who are looking for an elaborate reference text to help them choose a cruise ship career.
