Prayer of Petition Apr 24 2021 When God's people pray, they want answers. Yet many Christians don't know how to pray both effectively--in a way that gets results--and humbly--in a way that aligns with God's will. Prayer is a powerful weapon against the true adversaries of God's people: principalities, powers, dark rulers, and spiritual wickedness in high places. These forces are the perpetrators of all kinds of evil: addiction, abuse, poverty, and spiritual bondage run rampant through families, churches, cities, and nations. What can believers do to battle these forces? They can pray. Not just any prayer, but the prayer of petition, known throughout Christian history as the prayer that gets results. Prayer of Petition explores this powerful prayer in detail, from the many examples found in God's Word to more recent instances of incredible miracles ushered in by this prayer. Readers will learn the biblical definitions of petition and supplication and examine the key components of preparation, thanksgiving, and humility. As readers learn to petition the Ruler of All, their confidence that God will prevail--no matter what--will grow. As they learn to rest in His promises, peace will reign over their hearts through the coming revival.

**Healing and the Prayer of Faith** May 14 2020 In this foundational Bible study, David draws on both the Old and New Testaments with an emphasis on healing of spirit, soul, and

body. David shows God's desire to heal us through the finished work of the cross of Christ and the manifestation of the presence of God. This book is a faith-builder and provides a strong biblical basis for not just our own healing, but ministering healing to others. There are some who are not against healing, they are opposed to God doing it. All healing ultimately comes from God. A way was provided in the Old Covenant for healing. It was conditional and based on the Law. The New Covenant of Grace is unconditional and demands that blessings are not earned but received by grace through faith in the finished work of the Lord Jesus Christ. Today we are under a better covenant. Our basis for healing cannot be based on the Law but on the Grace of God through the Blood of the Eternal Covenant. Through this study we will better understand the ministry of praying for the sick according to the New Covenant. We desire to see the Divine Presence of God manifested in the local church and in His people as they are made whole in spirit, soul and body. Some of the topics touched on are: Our relationship to the Law, The Covenants, Knowing God's Will, Doctors and medicine, Communion, The Gift of Faith, Laying on of Hands, Dealing with Fear, Resting in Him, Testing and Thorn in the Flesh. Many of the deep things of God in scripture are not hidden from us they are hidden for us. To us that are being saved they are hidden in such a way that they may be found. When you hid your kids Easter eggs you hid them in such a way that they could be found. So it is with our loving Heavenly Father. David Bachoroski came to the Lord in 1972 and for the past 40 plus years has been a Bible teacher in Colorado Springs, CO. His emphasis has been strengthening God's people through properly understanding the Word of God. I trust this book will be a blessing to all who read it.

**The 1662 Book of Common Prayer** Aug 29 2021 The words of the Book of Common Prayer have permeated deep into the English language all over the world. For nearly 500 years, and for countless people, it has provided a background fanfare for a

marriage or a funeral march at a burial. Yet this familiarity also hides a violent and controversial history. When it was first produced the Book of Common Prayer provoked riots and rebellion, and it was banned before being translated into a host of global languages and adopted as the basis for worship.
