Blade of Empire Jan 22 2021 FROM THE AUTHORS OF NEW YORK TIMES BESTSELLERS WHEN DARKNESS FALLS AND THE PHOENIX TRANSFORMED, AND USA TODAY BESTSELLER TO LIGHT A CANDLE They thought the war was over. They were wrong. Runacarendalur Caerthalien has been a master of battle for hundreds of years, but he found himself on the wrong side—the losing side—in the last war. Betrayed by his brother, trapped in a prophecy he does not understand, Runacar flees the battlefield. Yet Runacar is no coward. In a twist he could never have imagined, the Elven War-Prince finds himself leading a new army into battle—a force of centaurs, merfolk, gryphons, minotaurs, and talking bears who can perform magic. For centuries they have been trying to reclaim their lands from Elven invaders. With Runacar at the helm, they just might manage it. Mercedes Lackey and James Mallory's first collaboration, the Obsidian Mountain trilogy, introduced readers to a brilliant, continent-spanning fantasy world of high adventure and epic battle. Civilization shimmered with magic while in the nooks and crannies of the world, dragons and unicorns hid from people who believed them to be nothing more than legends. *The Dragon Prophecy*, set thousands of years before that story, illuminates a

time when long-lived Elves rule the Fortunate Lands. It is a time of dire prophecy, of battle and bloodshed, of great magics unlike any the Elvenkind have seen before. It is the story of the end of one world and the beginning of the next. Magic swords, dragons, giants, quests, love, honor, nobility—all the familiar features of fantasy come to fresh life in this masterful work. The first half of the journey, *The Knight* -- which you are advised to read first, to let the whole story engulf you from the beginning -- took a teenage boy from America into Mythgarthr, the middle realm of seven fantastic worlds. Above are the gods of Skai; below are the capricious Aelf, and more dangerous things still. Journeying throughout Mythgarthr, Able gains a new brother, an Aelf queen lover, a supernatural hound, and the desire to prove his honor and become the noble knight he always knew he would be. Coming into Jotunland, home of the Frost Giants, Able -- now Sir Able of the High Heart -- claims the great sword Eterne from the dragon who has it. In reward, he is ushered into the castle of the Valfather, king of all the Gods of Skai. Thus begins the second part of his quest. *The Wizard* begins with Able's return to Mythgarthr on his steed Cloud, a

great mare the color of her name. Able is filled with new knowledge of the ways of the seven-fold world and possessed of great magical secrets. His knighthood now beyond question, Able works to fulfill his vows to his king, his lover, his friends, his gods, and even his enemies. Able must set his world right, restoring the proper order among the denizens of all the seven worlds. *The Wizard* is a charming, riveting, emotionally charged tale of wonders, written with all the beauty one would expect from a writer whom Damon Knight called "a national treasure." The Hidden Family Feb 15 2023 *The Merchant Princes* is a sweeping new series from the hottest new writer in science fiction! The six families of the Clan rule the kingdom of Gruinmarkt from behind the scenes, a mixture of nobility and criminal conspirators whose power to walk between their world and ours make them rich in both. Braids of family loyalty and intermarriage provide a fragile guarantee of peace, but a recently ended civil war has left the families shaken and suspicious. Now, as the prodigal Countess Helge Thorold-Hyorth, she finds herself ensnared in schemes and plots centuries in the making. A simple pill, it had been discovered, could wipe out the memory of any traumatic event. At almost the same moment in humanity's broad history, mankind had discovered the means for bringing about its utter downfall. And the ability to forget it ever happened. Dawn must confront the questions she's never truly asked: What does a life well lived look like? When we leave this earth, what do we leave behind? Do we make choices . . . or do our choices make us?
