After the Ball Oct 23 2020 First published in 1972, Ian Whitcomb's After the Ball is an exuberant account of the origins and explosion of popular music, informed by the author's store of experience in the field as a pop sensation of The Sixties. 'Brash, learned, funny and perspicacious.... The author of this free-wheeling, diverting history was a student at Trinity College, Dublin, when he created a rock hit 'You Turn Me On,' and experienced a brief, bewildering season as a touring rock celebrity. This book... is his effort to explain that experience to himself, and, well-educated man that he is, he goes all the way back to the first pop bestseller (in sheet music, of course), 'After The Ball,' and all the way forward to the 1960s.' New Yorker 'One of the best books on popular music to come along in the last few years.... Whitcomb's own involvement with music constantly surfaces to make the book both revealing and highly enjoyable.' Seattle Times

[Celebrating The Rag: Austin's Iconic Underground Newspaper](#) Aug 01 2021 Celebrating The Rag tells the remarkable story of the legendary underground newspaper that sparked a political and cultural revolution and helped make Austin weird. The book features more than 100 articles from The Rag's 11-year history plus contemporary essays and eye-popping vintage art and photography. This collection captures the radical politics and subversive humor that marked the pages of this upstart newspaper between 1966 and 1977.

Scott Joplin's Greatest Hits (Songbook) Mar 20 2023 (Easy Piano Composer Collection). 12 of the best from "The King of Ragtime," complete with an introduction, a biography, and extensive playing tips to help the beginning ragtime player. Transactions of the Illinois State Agricultural Society May 18 2020 Reprint of the original, first published in 1871.

The Very Best of the Red Lodge Local Rag Jan 18 2023 In 1991, Lou Ward started an alternative newspaper in Red Lodge, Montana called the Red Lodge Local, which changed names several times, finally settling on the Local Rag. The final issue came out in December of 2014. Gary Robson, who has owned the Rag since 2007, has gathered the funniest, the loquaciest, the VERY BEST of the Local Rag for this book. In these 250 full-color pages, he has pulled together features from all six editors, including the wildly popular "Where do you read YOUR Local Rag," where readers submitted pictures of themselves reading the Rag in 50 countries, spanning all seven continents.

Rag Rug Techniques for Beginners Dec 17 2022 Learn ten different rag-rugging methods and use them to create 30 stylish and practical items for yourself and your home. In Rag Rug Techniques for Beginners, Elspeth Jackson details ten methods that will help you learn the art of rag rugs, and inspire your craft creativity. Each chapter focuses on a different technique, from Shaggy to Locker Hooking, Loopy to Two-String Loom and more. Elspeth will show you the skills, tools and equipment you'll need for each one, as well as providing advice on choices of fabrics and design. She will help you to identify common mistakes that you might run into, building for you a strong foundation in the craft. Each chapter includes step-by-step instructions for a traditional rug plus two other projects for yourself or your home, such as placemats, bowls, wall hangings and more, so that you can show off the new skills you've learned. Using upcycled fabrics, only a few basic tools and simple techniques, you'll master rag-rugging in no time!

[Rag Paper Manufacture in the United States, 1801-1900](#) Dec 25 2020 Outlining the early history of the U.S. paper industry, this book provides details on paper manufacturing from the early 1800s, when American paper was created almost entirely by hand out of cotton and other plant fibers, to the discovery of wood-pulp paper and the introduction of commercial-grade paper machines during the post-Civil War period. It discusses paper machine manufacturing, major U.S. mills, the papermaking traditions of Dutch and German immigrants, the politics of papermaking, and the eventual expansion of the paper industry from New England to the forests of the Northeast, Midwest, and Northwest. Two appendices provide a census listing of more than 1,100 U.S. paper mills, along with a directory of more than 1,300 mill owners and companies. The book contains around 70 illustrations and diagrams of major mills and relevant manufacturing technologies.

[The Music of the 4 Seasons Featuring Frankie Valli](#) Sep 21 2020 The 4 Seasons & Frankie Valli, rank among the top American vocal acts of all time. Collectively, they amassed seven #1 hits, 18 Top Ten, and an incredible 61 singles in the Hot 100. They also placed 32 LPS on the top albums charts. Their hit making years spanned more than a half-century. Their hits include: Sherry, Big Girls Don't Cry, Walk Like a Man, Rag Doll, Working My Way Back to You, Can't Take My Eyes Off of You, My Eyes Adored You, December, 1963 (Oh, What a Night), Grease. Their stardom was no overnight success, as they struggled through lean years and recorded many flops while searching for that elusive hit record. The rag-to-riches story has been told via an award-winning Broadway musical & a Clint Eastwood produced motion picture. Learn about the hits, misses, obscure album tracks and B-sides as they sang their way from delinquents to esteemed members of the R&R Hall of Fame. The book examines the music they made famous and tells of all the glorious years that passed between.

[Rag Darlings](#) Nov 23 2020 Discover the history behind more than 250 dolls, with photos, fabric panels, and ephemera that bring America's past to life. Since the day a simple rag doll was carried off the Mayflower, dolls have captured our hearts, and thrifty Americans have always made dolls for their children. As the centuries progressed, early homemade dolls with painted faces gave way to commercial cut-and-sew versions. Then advertisers jumped in with dolls printed on flour sacks and fabric panels—which became precious possessions of little girls during the dark days of the Great Depression and World War II. In this book, you'll find history and photographs of more than 250 dolls, fabric panels, and doll ephemera, many rarely seen items, carefully collected and documented by historian Gloria Nixon.

[Rags and Ragtime](#) Jul 24 2023 Definitive history traces the genre's growth and diversification from its 19th-century origins through its heyday and modern revival. Discusses 48 major composers and 800 rags. More than 100 photos.
