Against All Things Ending Dec 29 2020 The long-awaited sequel to *The Runes of the Earth* and *Fatal Revenant* returns readers to the Land—and unravels some of the mysteries haunting Covenant and Linden Avery. His resurrection is Linden's defiant act of love, despite warnings from mortals and immortals that unleashing this much power would destroy the world. She brought his spirit back from its prison in the Arch of Time, and revived his slain body, so that Covenant lies whole on the cool grass, and the world seems at peace. But the truth is inescapable: The thunderclap of power has awakened the Worm of the World's End, and all of them, and the Land itself, are forfeit to its devouring. If they have any chance to save the Land, it will come from unlikely sources—including the mysterious boy Jeremiah, Linden's adopted son, whose secrets are only beginning to come to light.

The Power That Preserves May 14 2022 Twice before, Thomas Covenant had been summoned to the Land, the strange other-world where magic worked.

Power That Preserves Mar 12 2022 “A trilogy of remarkable scope and sophistication.”—Los Angeles Times Twice before Thomas Covenant had been summoned to the strange otherworld where magic worked. Twice before he had been forced to join with the Lords of Revelstone in their war against Lord Foul, the ancient enemy of the Land. Now he was back—to a Land ravaged by the armies of Lord Foul. The Lords were besieged and helpless. No place was safe, and Foul's victory seemed certain.

Only Covenant could avert it. Desperately and without hope, he set out to confront the might of the Enemy. Along with him traveled a Giant, a Bloodguard, and the madwoman he had wronged. And in Foul's Creche, Lord Foul grew in power with each new defeat for the Land. . . .

Lord Foul's Bane Feb 23 2023 “Covenant is [Stephen R.] Donaldson's genius!”—The Village Voice He called himself Thomas Covenant the Unbeliever, because he dared not believe in this strange alternate world on which he suddenly found himself. Yet the Land tempted him. He had been sick; now he seemed better than ever before. Through no fault of his own, he had been outcast, unclean, a pariah. Now he was regarded as a reincarnation of the Land's greatest hero—Berek Halfhand—armed with the mystic power of White Gold. That power alone could protect the Lords of the Land from the ancient evil of the Despiser, Lord Foul. Except that Covenant had no idea how to use that power. . . .

A Man Rides Through Feb 11 2022 In The Mirror of Her Dreams, the dazzling first volume of Mordant's Need, New York Times

bestselling author Stephen R. Donaldson introduced us to the richly imagined world of Mordant, where mirrors are magical portals into places of beauty and terror. Now, with *A Man Rides Through*, Donaldson brings the story of Terisa Morgan to an unforgettable conclusion. . . . Aided by the powerful magic of Vagel, the evil Arch-Imager, the merciless armies are marching against the kingdom of Mordant. In its hour of greatest need, two unlikely champions emerge. One is Geraden, whose inability to master the simplest skills of Imagery has made him a laughingstock. The other is Terisa Morgan, transferred to Mordant from a Manhattan apartment by Geraden's faulty magic. Together, Geraden and Terisa discover undreamed-of talents within themselves—talents that make them more than a match for any Imager . . . including Vagel himself. Unfortunately, those talents also mark them for death. Branded as traitors, they are forced to flee the castle for their lives. Now, all but defenseless in a war-torn countryside ravaged by the vilest horrors Imagery can spawn, Geraden and Terisa must put aside past failures and find the courage to embrace their powers—and their love—before Vagel can spring his final trap.

The Runes of the Earth Jul 16 2022 New York Times bestselling author Stephen R. Donaldson presents the first novel of the four-volume finale to the series that's become a modern fantasy classic: *The Chronicles of Thomas Covenant*. Thomas Covenant lost everything. Abandoned by his wife and child, sick and alone, he was transported while unconscious to a magical, dreamlike world called the Land. Convinced it was all a delusion, Covenant was christened *The Unbeliever* by the Land's inhabitants—but gave his life to save this new-found world he came to regard as precious. Ten years after Covenant's death, Linden Avery still mourns for her beloved companion. But a violent confrontation with Covenant's son, who is doing the evil Lord Foul's bidding, forces her into the Land, where a dark malevolence is about to unmake the laws of nature—and of life and death itself. It is here

that she comes upon Esmer, son of the Dancers of the Sea, a creature of strange powers who draws Linden backwards through time to witness Thomas Covenant's return to life, and to reinvent the mysterious, dangerous, and violent history of the Land.

The Engines Of God Aug 05 2021 The first Priscilla Hutchins novel from Jack McDevitt, hailed by Stephen King as "the logical heir to Isaac Asimov and Arthur C. Clarke." Humans call them the Monument-Makers. An unknown race, they left stunning alien statues on distant planets in the galaxy. Each relic is different. Each inscription defies translation. Yet all are heartbreakingly beautiful. And for planet Earth, on the brink of disaster, they may hold the only key to survival for the entire human race.

World of Warcraft: Arthas Oct 07 2021 Frostmourne. It was caught in a hovering, jagged chunk of ice, the runes that ran the length of its blade glowing a cool blue. Below it was a dais of some sort, standing on a large gently raised mound that was covered in a dusting of snow. A soft light, coming from somewhere high above where the cavern was open to daylight, shone down on the runeblade. The icy prison hid some details of the sword's shape and form, exaggerated others. It was revealed and concealed at the same time, and all the more tempting, like a new lover imperfectly glimpsed through a gauzy curtain. Arthas knew the blade -- it was the selfsame sword he had seen in his dream when he first arrived. The sword that had not killed Invincible, but that had brought him back healed and healthy. He'd thought it a good omen then, but now he knew it was a true sign. This was what he had come to find. This sword would change everything. Arthas stared raptly at it, his hands almost physically aching to grasp it, his fingers to wrap themselves around the hilt, his arms to feel the weapon swinging smoothly in the blow that would end Mal'Ganis, end the torment he had visited upon the people of Lordaeron, end this lust for revenge. Drawn, he stepped forward. The uncanny elemental spirit drew its icy sword. "Turn away, before it is too late," it intoned. * * *

His evil is legend. Lord of the undead Scourge, wielder of the runeblade Frostmourne, and enemy of the free peoples of Azeroth. The Lich King is an entity of incalculable power and unparalleled malice -- his icy soul utterly consumed by his plans to destroy all life on the World of Warcraft. But it was not always so. Long before his soul was fused with that of the orc shaman Ner'zhul, the Lich King was Arthas Menethil, crown prince of Lordaeron and faithful paladin of the Silver Hand. When a plague of undeath threatened all that he loved, Arthas was driven to pursue an ill-fated quest for a runeblade powerful enough to save his homeland. Yet the object of his search would exact a heavy price from its new master, beginning a horrifying descent into damnation. Arthas's path would lead him through the arctic northern wastes toward the Frozen Throne, where he would face, at long last, the darkest of destinies.

The Mirror of Her Dreams Nov 27 2020 The daughter of rich but neglectful parents, Terisa Morgan lives alone in a New York City apartment, a young woman who has grown to doubt her own existence. Surrounded by the flat reassurance of mirrors, she leads an unfulfilled life-until the night a strange man named Geraden comes crashing through one of her mirrors, on a quest to find a champion to save his kingdom of Mordant from a pervasive evil that threatens the land. Terisa is no champion. She wields neither magic nor power. And yet, much to her own surprise, when Geraden begs her to come back with him, she agrees. Now, in a culture where women are little more than the playthings of powerful men, in a castle honeycombed with secret passages and clever traps, in a kingdom threatened from without and within by enemies able to appear and vanish out of thin air, Terisa must become more than the pale reflection of a person. For the way back to Earth is closed to her. And the enemies of Mordant will stop at nothing to see her dead.

Against All Things Ending Jun 22 2020 A restored Thomas Covenant inadvertently unleashes an apocalyptic force that

endangers the entire world, a threat that is countered by the mysterious Jeremiah.

Of Silver and Shadow Dec 09 2021 Ren Kolins, a magic wielder in hiding, strikes a deal with a broody rebel plotting to overthrow the tyrant king, while king's guard member Adley Farre is hunting down the rebels one by one. But time is running out for all of them.

Dreamwielder Oct 27 2020 “Blends the high adventure and courtly intrigue of the classic epic fantasy with a fresh, new magic born of the infinite and dangerous power of dreams” (Misty Massey, author of *Mad Kestrel*). In a world shrouded by soot and smoke, young Makarria has literally been forbidden to dream . . . Legend has foretold the demise of Emperor Thedric Guderian at the hands of a sorceress with royal blood, and the emperor has made it his legacy to stamp out all magic from the Sargothian Empire in favor of primitive coal-fired smelters and steam-powered machines. When Guderian’s minions discover a Dreamwielder on a seaside farmstead, a chain of events forces Guderian’s new threat—the young Makarria—to flee from her

home and embark upon an epic journey where her path intertwines with that of Princess Taera, her headstrong brother, Prince Caile, and the northman Siegbjorn, who captains a night-flying airship. Dogging their every step is the part-wolf, part-raven sorcerer, Wulfram, and Emperor Guderian, himself, a man who has the ability to stunt magic and a vision to create a world where the laws of nature are beholden to men and machines. Only by learning to control the power she wields can Makarria save her newfound companions and stop the emperor from irreversibly exterminating both the magic in humans and their bond with nature. Fish Wielder Jul 04 2021 Fish Wielder is kind of like Lord of the Rings, set in Narnia, if it was written by the guys who made Monty Python and the Holy Grail while they were listening to the music of They Might Be Giants. In ancient times, the Dark Lord Mauron cooked the most powerful magic chocolate dessert ever made, the Pudding of Power. One thousand and two years later, the evil leader of the Bad Religion, the Heartless One, is trying to recover the lost pudding in order to enslave the peoples of Grome. Only the depressed barbarian warrior Thoralf Might Fist and his best friend, Brad the talking Koi fish, have a chance to save the world of Grome from destruction, but that's going to take a ridiculous amount of magic and mayhem. Thus begins the epically silly epic fantasy of epic proportions, Fish Wielder--book one of the Fish Wielder Trilogy.

The King's Justice Apr 01 2021 A cause for celebration among Stephen R. Donaldson's many fans: two original novellas—his first publication since finishing the Thomas Covenant series. In “The King's Justice,” a stranger dressed in black arrives in the village of Settle's Crossways, following the scent of a terrible crime. He even calls himself Black, though almost certainly that is not his name. The people of the village discover that they have a surprising urge to cooperate with this stranger, though the desire of inhabitants of quiet villages to cooperate with strangers is not common in their land, or most lands. But this gift will not save him as he discovers the nature of the evil concealed in Settle's Crossways. The “Augur's Gambit” is a daring plan created by Mayhew Gordian, Hieronomer to the Queen of Indemnie, a plan to

save his Queen and his country. Gordian is a reader of entrails. In the bodies of chickens, lambs, piglets, and one stillborn infant he sees the same message: the island nation of Indemnie is doomed. But even in the face of certain destruction a man may fight, and the Hieronomer is utterly loyal to his beautiful Queen—and to her only daughter. The “Augur’s Gambit” is his mad attempt to save a kingdom.
