The Hitchhiker's Guide to the Galaxy May 21 2023 'One of the greatest achievements in comedy. A work of staggering genius' - David Walliams An international phenomenon and pop-culture classic, *The Hitchhiker's Guide to the Galaxy* has been a radio show, TV series, novel, stage play, comic book and film. Following the galactic (mis)adventures of Arthur Dent, Hitchhiker's in its various incarnations has captured the imaginations of curious minds around the world . . . It's an ordinary Thursday lunchtime for Arthur Dent until his house gets demolished. The Earth follows shortly afterwards to make way for a new hyperspace express route, and his best friend has just announced that he's an alien. At this moment, they're hurtling through space with nothing but their towels and an innocuous-looking book inscribed, in large friendly letters, with the words: DON'T PANIC. The

weekend has only just begun . . . This 42nd Anniversary Edition includes exclusive bonus material from the Douglas Adams archives, and an introduction by former Doctor Who showrunner, Russell T Davies. Continue Arthur Dent's intergalactic adventures in the rest of the trilogy with five parts: The Restaurant at the End of the Universe, Life, the Universe and Everything, So Long, and Thanks for All the Fish, and Mostly Harmless.

Mostly Harmless Sep 13 2022 Now celebrating the 42nd anniversary of The Hitchhiker's Guide to the Galaxy, soon to be a Hulu original series! "Hitchhiker fans rejoice! . . . [Here's] more of the same zany nonsensical mayhem."—The New York Times Book Review It's easy to get disheartened when your planet has been blown up and the woman you love has vanished due to a misunderstanding about space/time. However, instead of being disheartened, Arthur Dent makes the terrible mistake of starting to enjoy life a bit—and immediately all hell breaks loose. Hell takes a number of forms: there's the standard Ford Prefect version, in the shape of an all-new edition of The Hitchhiker's Guide to the Galaxy, and a totally unexpected manifestation in the form of a teenage girl who startles Arthur Dent by being his daughter when he didn't even know he had one. Can Arthur save the Earth from total multidimensional obliteration? Can he save the Guide from a hostile alien takeover? Can he save his daughter, Random, from herself? Of course not. He never works out exactly what is going on. Will you? "Douglas Adams is a terrific satirist. . . . He is anything but harmless."—The Washington Post Book World

Eight years after the death of its creator, Douglas Adams, the author's widow, Jane Belson, has given her approval for the project to be continued by the international number one bestselling children's writer, Eoin Colfer, author of the *Artemis Fowl* novels. Belson said of Eoin Colfer, 'I love his books and could not think of a better person to transport Arthur, Zaphod and Marvin to pastures new.' Colfer, a fan of *Hitchhiker* since his schooldays, said, 'Being given the chance to write this book is like suddenly being offered the superpower of your choice. For years I have been finishing this incredible story in my head and now I have the opportunity to do it in the real world.' Prepare to be amazed...

Don't Panic Jun 17 2020 The #1 New York Times–bestselling author's “hilarious . . . idiosyncratic . . . delightful” and definitive companion to a global phenomenon (Publishers Weekly). Douglas Adams's “six-part trilogy,” *The Hitchhiker's Guide to the Galaxy* grew from a blip of a notion into an ever-expanding multimedia universe that amassed an unprecedented

cult of followers and became an international sensation. As a young journalist, Neil Gaiman was given complete access to Adams's life, times, gossip, unpublished outtakes, and files (and became privy to his writing process, insecurities, disillusionments, challenges, and triumphs). The resulting volume illuminates the unique, funny, dramatic, and improbable chronicle of an idea, an incredibly tall man, and a mind-boggling success story. In *Don't Panic*, Gaiman celebrates everything Hitchhiker: the original radio play, the books, comics, video and computer games, films, television series, record albums, stage musicals, one-man shows, the Great One himself, and towels. And as Douglas Adams himself attested: "It's all absolutely devastatingly true—except the bits that are lies." Updated several times in the thirty years since its original publication, *Don't Panic* is available for the first time in digital form. Part biography, part tell-all parody, part pop-culture history, part guide to a guide, *Don't Panic* "deserves as much cult success as the Hitchhiker's books themselves" (Time Out).
