Whether it's a locked door without a key, a padlock with no combination, or even an eight-hundred pound safe ... he can open them all. It's an unforgivable talent. A talent that will make young Michael a hot commodity with the wrong people and, whether he likes it or not, push him ever close to a life of crime. Until he finally sees his chance to escape, and with one desperate gamble risks everything to come back home to the only person he ever loved, and to unlock the secret that has kept him silent for so long. The Tattoo Artist Feb 20 2023 In 1970, Sara Ehrenreich boards a small plane and returns to New York City with much fanfare; she will be featured in Life magazine. She has not left Ta'unuu—the South Seas island upon which she and her husband, Philip, were marooned during a storm—in more than thirty years. Sara doesn't know that man has landed on the moon. She has never seen a ballpoint pen. Her body is covered, head to toe, in tattoos. Flashback: it's 1918 and Sara, a shop girl and aspiring artist, meets Philip, a wealthy member of the avant-garde elite. The two fall in love, marry, and collaborate to make art, surrounded by socialites and revolutionaries—until the Depression cripples not just Sara and Philip, but most of their patrons. When Philip is offered a job gathering masks from the South Seas, they jump at a chance to escape America's sorrows, traveling to Ta'unuu for what they think will be a week's stay. The rest is history—a history Sara records on her skin through the traditional tattoos that become her masterpiece and provide an accounting of her days. Narrated in vivid and starkly moving prose, *The Tattoo Artist* reminds us of the unforeseeable forces that shape each human life.

The Marriage Artist Jul 13 2022 Two mysterious deaths unlock one man's past and another's future in this moving tale of art, love, and history When the wife of renowned art critic Daniel Lichtmann plunges to her death, she is not alone. Lying next to her is her suspected lover, Benjamin Wind, the very artist Daniel most championed. Tormented by questions about the circumstances of their deaths, Daniel dedicates himself to uncovering the secrets of their relationship and the inspiration behind Wind's dazzling final exhibition. What Daniel discovers is a web of mysteries leading back to pre-World War II Vienna and the magnificent life of Josef Pick, a forgotten artist who may have been the twentieth century's greatest painter of love. But the most astonishing discovery is what connects these two artists across half a century: a remarkable woman whose response to the tragedy of her generation offers Daniel answers to the questions he never knew to ask. Ambitious, haunting, and stunningly written, *The Marriage Artist* tells a universal tale of a family dramatically reshaped by the quest for personal freedom in the face of inherited beliefs, public prejudices, and the unfathomable turns of history. It is at once a provocative snapshot of contemporary marriage, the recovery of a passion that history never recorded, and a fierce reminder of the way we enlist love in our perpetual search for meaning and permanence.

The Artist's Novel: A New Medium Jul 25 2023 Why do artists write novels? What impact does the artist's novel have on the visual arts? How should such a novel be experienced? In recent years, there has been a proliferation of visual artists who create novels as part of their broader art practice. They do so in order to address artistic issues by means of novelistic devices, favoring a sort of art predicated on process and subjectivity, introducing notions such as fiction, narrative, and imagination. In this sense, it is possible to see the novel as a new medium in the visual arts; yet very little is known about it. This two-volume publication is the first to explore in depth the subject of the artist's novel. Part 1, 'A New Medium', is a theoretical examination that looks critically at the different ways contemporary artists employ the artist's novel, focusing mainly on four key case studies: Benjamin Seror's 'Mime Radio', Cally Spooner's 'Collapsing in Parts', Mai-Thu Perret's 'The Crystal Frontier', and Goldin+Senneby's 'Headless'. It seeks to situate the artist's novel within the broader context of the visual arts in the hopes of sparking a much-needed discussion about a practice that has long been ignored by critical strands in art discourse. It includes valuable resources, such as the only existing bibliography of artists' novels. Published with Part 2: 'The Fantasy of the Novel' (ISBN 9788867494255) as a two-volume publication.

The Death of the Artist Mar 09 2022 A deeply researched warning about how the digital economy threatens artists' lives and work—the music, writing, and visual art that sustain our souls and societies—from an award-winning essayist and critic There are two stories you hear about earning a living as an artist in the digital age. One comes from Silicon Valley. There's never been a better time to be an artist, it goes. If you've got a laptop, you've got a recording studio. If you've got an iPhone, you've got a movie camera. And if production is cheap, distribution is free: it's called the Internet. Everyone's an artist; just tap your creativity and put your stuff out there. The other comes from artists themselves. Sure, it goes, you can put your stuff out there, but who's going to pay you for it? Everyone is not an artist. Making art takes years of dedication, and that requires a means of support. If things don't change, a lot of art will cease to be sustainable. So which account is true? Since people are still making a living as artists today, how are they managing to do it? William Deresiewicz, a leading critic of the arts and of contemporary culture, set out to answer those questions. Based on interviews with artists of all kinds, *The Death of the Artist* argues that we are in the midst of an epochal transformation. If artists were artisans in the Renaissance, bohemians in the nineteenth century, and professionals in the twentieth, a new paradigm is emerging in the digital age, one that is changing our fundamental ideas about the nature of art and the role of the artist in society.

The Artist's Novel: The Fantasy of the Novel Nov 05 2021 Why do artists write novels? What impact does the artist's novel have on the visual arts? How should such a novel be experienced? The creative process was affected by the circumstances of production, including intersubjective relationships usually invisible to audiences. The protagonist assumes the role of a detective who tries to understand the conditions under which an artist

decides to write, and how this writing is possible within an artistic setting.00Published with Part 1: 'A New Medium'(ISBN 9788867494224) as a two-volume publication.

The Spiritual Artist Apr 29 2021 Many people try to describe their experience when "in the zone" or "in the flow" during the creative process. Some claim that a Greater Power or Divine Guidance assisted them. But, what is this state of consciousness, and how do we replicate it? In search of answers, writer and painter Christopher J. Miller took the suggestion of one of his art mentors to watch and chronicle his creative process. Join him on his journey home as he outlines his approach and rediscovers God's presence while creating his art. Miller confirms that our first task as humans is to create, whether painting, raising children, starting a new business, making dinner, or writing a novel. This book is for everyone, for we are all creators.

The Chalk Artist Apr 22 2023 A tender affair and the redemptive power of art are at the core of this compelling novel from National Book Award finalist Allegra Goodman, “a romantic realist who dazzles with wit [and] compassion” (The Wall Street Journal). Collin James is young, creative, and unhappy. A college dropout, he waits tables and spends his free time beautifying the streets of Cambridge, Massachusetts, with his medium of choice: chalk. Collin’s art captivates passersby with its vibrant colors and intricate lines—until the moment he wipes it all away. Nothing in Collin’s life is meant to last. Then he meets Nina. . . . The daughter of a tech mogul who is revolutionizing virtual reality, Nina Lazare is trying to give back as a high school teacher—but her students won’t listen to her. When Collin enters her world, he inspires her to think bigger. Nina wants to return the favor—even if it means losing him. Against this poignant backdrop, Allegra Goodman paints a tableau of students, neighbors, and colleagues: Diana, a teenage girl trying to make herself invisible; her twin brother, Aidan, who’s addicted to the games produced by Nina’s father; and Daphne, a viral-marketing trickster who unites them all, for better or worse. Wise, warm, and enchanting, *The Chalk Artist* is both a finely rendered portrait of modern love and a celebration of all the realms we inhabit: real and imagined, visual and virtual, seemingly independent yet hopelessly tangled. Praise for *The Chalk Artist* “The virtual world Goodman conjures is as feverishly vivid as it is mysterious and alluring. Not since I pushed my way through C. S. Lewis’s fusty mothballed wardrobe and stepped out into the frozen, pine-scented forests of Narnia can I remember being so effectively transported into a viscerally, sometimes terrifyingly plausible alternate universe. . . . This is a novel full of wit and spark. . . . Irresistible and arresting.”—The New York Times Book Review “Enjoyably sharp dialogue and convincing portraits of multiple mindsets and terrains . . . One can’t help but marvel at how Goodman has captured the atmosphere of this virtual fantasy land so effectively in words.”—NPR “Mesmerizing depictions of virtual-reality landscapes of ‘Neverwhen’ and ‘Underworld’ make the games’ dangerous power over one of Nina’s students very real.”—People “Goodman’s latest combines fantastical flourishes (an imagined video game called ‘Underworld’) and realistic Cambridge details . . . in a narrative about art and ambition.”—The Boston Globe “Allegra Goodman creates suspense where you might least expect to find it.”—The Atlantic

An Artist of the Floating World Aug 14 2022 From the winner of the Nobel Prize in Literature and author of the Booker Prize-winning novel *The Remains of the Day* In the face of the misery in his homeland, the artist Masuji Ono was unwilling to devote his art solely to the celebration of physical beauty. He's seen more than his share of blood and death, and knows what it means to be afraid. But what he's never known is the terror that grabs him when, on a tranquil summer afternoon, he ceases to be an observer of the dark side and, to his shock, becomes enmeshed in it. Separated from his wife, and struggling not to become a stranger to his six-year-old twin sons, Alex is logging some all-too-rare quality time with the boys, when they vanish without a trace amid the hurly-burly of a countryside Renaissance Fair. Then the phone call comes. A chilling silence; slow, steady breathing; and the familiar, plaintive voice of a child—"Daddy?"—complete the nightmare . . . and set in motion a juggernaut of frenzy and agony. The longer the police search, exhausting leads without success, the deeper Alex's certainty grows that time is running out. And when, at last, telltale signs reveal a hidden pattern of bizarre and ghoulish abductions, Alex vows to use his own relentless investigative skills to rescue his children from the shadowy figure dubbed *The Piper*. Whoever this elusive stranger is, the profile that slowly emerges—from previous crimes involving twins, from the zealously secret world of professional magicians, and from the eerie culture of voodoo—suggests that *The Piper* is a predator unlike any other. In a new novel called "searingly fresh... A Nabokovian cat's cradle" on the cover of *The New York Times* Book Review, the internationally bestselling author tells the provocative story of artist Harriet Burden, who, after years of having her work ignored, ignites an explosive scandal in New York's art world when she recruits three young men to present her creations as their own. Yet when the shows succeed and Burden steps

forward for her triumphant reveal, she is betrayed by the third man, Rune. Many critics side with him, and Burden and Rune find themselves in a charged and dangerous game, one that ends in his bizarre death. An intricately conceived, diabolical puzzle presented as a collection of texts, including Harriet's journals, assembled after her death, this "glorious mashup of storytelling and scholarship" (San Francisco Chronicle) unfolds from multiple perspectives as Harriet's critics, fans, family, and others offer their own conflicting opinions of where the truth lies. Writing in Slate, Katie Roiphe declared it "a spectacularly good read...feminism in the tradition of Simone de Beauvoir's *The Second Sex* or Virginia Woolf's *A Room of One's Own*: richly complex, densely psychological, dazzlingly nuanced." It is a masterpiece that will be remembered for years to come.

The Book Lover's Publication May 23 2023 This publication is devoted to the phenomenon of the artist novel, and whether it can be considered to be a medium in its own right within the visual arts. Visual artists create different strategies to integrate their novels into their practice. Introducing traits that are particular to narrative literature into the visual arts implies the accentuation of some features over others, such as narration, fiction, identification, and the act of reading and its protracted engagement, as well as distribution in public space. An artist's approach comes fundamentally from the visual arts. The creation of an artist novel doesn't differ from any other artwork. Both processes feed into each other as they evolve within the same body of works. Thanks to the contributions of a selected group of artists, writers, curators, and scholars this publication strives to demonstrate that literature, when treated by visual artists, can take place well beyond the space of the book.

Escaping from an abusive marriage, seventeen-year-old Lakshmi makes her way alone from her 1950s rural village to the pink city of Jaipur. There she becomes the henna artist-and confidante-most in demand to women of the upper class. Known for her original designs and sage advice, Lakshmi must tread carefully to avoid the jealous gossips who could ruin her reputation and her livelihood. As she pursues her dream of an independent life, she is startled one day when she is confronted by her husband, who has tracked her down these many years later with a young girl in tow-a sister Lakshmi never knew she had. Suddenly the caution that she has carefully cultivated as protection is threatened. Vivid and compelling in its portrait of one woman's struggle for fulfillment in society, *The Henna Artist* opens a door into a world that is at once fascinating, stark and cruel.
