How to Make an American Quilt Aug 28 2020 "Remarkable . . . It is a tribute to an art form that allowed women self-expression even when society did not. Above all, though, it is an affirmation of the strength and power of individual lives, and the way they cannot help fitting together."—The New York Times Book Review An extraordinary and moving novel, How to Make an American Quilt is an exploration of women of yesterday and today, who join together in a uniquely female experience. As they gather year after year, their stories, their wisdom, their lives, form the pattern from which all of us draw warmth and comfort for ourselves. The inspiration for the major motion picture featuring Winona Ryder, Anne Bancroft, Ellen Burstyn, and Maya Angelou Praise for How to Make an American Quilt "Fascinating . . . highly original . . . These are beautiful individual stories, stitched into a profoundly moving whole. . . . A spectrum of women's experience in the twentieth century."—Los Angeles Times "Intensely thoughtful . . . In Grasse, a small town outside Bakersfield, the women meet weekly for a quilting circle, piercing together scraps of their husbands' old workshirts, children's ragged blankets, and kitchen curtains. . . . Like the richly colored, well-placed shreds that make up the substance of an American quilt, details serve to expand and illuminate these characters. . . . The book spans half a century and addresses not only [these women's] histories but also their children's, their lovers', their country's, and in the process, their gender's."—San Francisco Chronicle "A radiant work of art . . . It is about mothers and daughters; it is about the estrangement and intimacy between generations. . . . A compelling tale."—The Seattle Times

Quilts Are Forever Jul 28 2020 QUILTS -- PIECES OF FABRIC SEWN TOGETHER LIKE MOMENTS IN TIME, AS HANDMADE AS LIFE ITSELF Every quilt has a story to tell, an endearing story that lasts forever. Whether it is a craft-fair find, a generations-old family heirloom, or an art collector's most prized piece, quilts warm our bodies and our hearts. Ever since pioneer women organized sewing circles to combat the harshness and isolation of the American West, women have turned to quilting to celebrate, share, and heal. In this heartwarming collection of inspirational stories, we see the celebrations, joys, and heartaches behind the stitches. One family lovingly pieces together a birthday present for their aging father, while a garage-sale quilt comes to symbolize the ties between a young man and his mother. Thirteen pre-Civil War ladies sew squares for their schoolmate's wedding quilt, while a young boy adds his own square to the NAMES Project AIDS Memorial Quilt in honor of his father. The Sleep Quilt Sep 02 2023 The Sleep Quilt is unlike any other quilt you will have seen. Commissioned by Tracy Chevalier, it is entirely stitched and quilted by prisoners in some of Britain's toughest jails. Each of the 63 squares explores what sleep means in prison. A moment of escape for some, for others a dark return to all they most regret in life, sleep has a great significance in jail that is only strengthened by the difficulty of finding it in the relentlessly noisy, hot and cramped environment. By turns poignant, witty, lighthearted and tragic, The Sleep Quilt shines a light on lives that few outside can guess at. An essay by Tracy Chevalier and an introduction by Katy Emck of Fine Cell Work, the charity that made the quilt possible, as well as many quotations from

prisoners, frame this remarkable work.

Beatrice Coleman likes to have all the seams stitched together—but her plans keep getting tangled up in unexpected ways... Beatrice has never crashed a party but now her fellow quilt guild member, Meadow Downey, is driving them to a Victorian mansion in the mountains beyond Dappled Hills, North Carolina. Muriel Starnes, an elderly eccentric, has organized a meeting of quilters to pick someone to administer a quilting scholarship. The fact that the Village Quilters weren't invited isn't enough to keep Meadow from speaking her piece. But once the quilters arrive at the mansion, it seems they may never leave. An ice storm sends an old tree crashing across the driveway, leaving them stranded for the night. And by the next morning, they are one fewer—for Muriel has been sent to meet her maker. With everyone in the house a suspect, it's up to Beatrice and the Village Quilters to figure out who has a guilty conscience before someone else gets tied up in knots. Includes Quilting Tips!
