Spiritual Depression Feb 03 2022 Spiritual Depression is one of the great classics of the modern Church and tackles the big question: If Christianity is such "good news" why are its followers often unhappy? Dr. Martyn Lloyd-Jones was possibly the greatest Christian preacher and teacher of the twentieth century. A medical doctor by training, Spiritual Depression draws together his professional understanding of the mind with a profound understanding of Christian teaching and the Bible. Spiritual Depression diagnoses the causes of the ill feeling that many Christians experience. It prescribes the practical care that is needed to lift people's spirits and bring them freedom, power and joy. Spiritual health is possible and this book explains how everyone can grasp it for themselves.

Preaching and Preachers Oct 19 2020 "Some may object to my dogmatic assertions; but I do not apologize for them. Every preacher should believe strongly in his own method; and if I cannot persuade all of the rightness of mine, I can at least stimulate them to think and to consider other possibilities. I can say quite honestly that I would not cross the road to listen to myself preaching, and the preachers whom I have enjoyed most have been very different indeed in their method and style. But my business is not to describe them but to state what I believe to be right, however imperfectly I have put my own precepts into practice. I can only hope that the result will be of some help, and especially to young preachers called to this greatest of all tasks, and especially in these sad and evil times. With many others I pray that 'The Lord of the harvest may thrust forth' many mighty preachers to proclaim 'the unsearchable riches of Christ!'"

Total Freedom and Deliverance Oct 31 2021 Believers have received a new life and have been lifted out of the graveyard of sin and sorrow, yet many are unable to fulfill their destinies. Lazarus too was raised from the dead, but could not move properly until Jesus said, "Loose him and let him go." Although many believers are alive, they are still struggling under one form of bondage or the other. This book teaches us how to get our complete deliverance and walk in total freedom.

Willing to Believe Jul 28 2021 What is the role of the will in believing the good news of the gospel? Why is there so much controversy over free will throughout church history? R. C. Sproul finds that Christians have often been influenced by pagan views of the human will that deny the effects of Adam's fall. In *Willing to Believe*, Sproul traces the free-will controversy from its formal beginning in the fifth century, with the writings of Augustine and Pelagius, to the present. Readers will gain understanding into the nuances separating the views of Protestants and Catholics, Calvinists and Arminians, and Reformed and Dispensationalists. This book, like Sproul's *Faith Alone*, is a major work on an essential evangelical tenet.

The Saints Freedom from the Spirit of Bondage; Briefly Opened and Apply'd, in a Sermon on Rom. VIII. 15. by G. M Apr 05 2022 The 18th century was a wealth of knowledge, exploration and rapidly growing technology and expanding record-keeping made possible by advances in the printing press. In its determination to preserve the century of revolution, Gale initiated a revolution of its own: digitization of epic proportions to preserve these invaluable works in the largest archive of its kind. Now for the first time these high-quality digital copies of original 18th century manuscripts are available in print, making them highly accessible to libraries, undergraduate students, and independent scholars. The Age of Enlightenment profoundly enriched religious and philosophical understanding and continues to influence present-day thinking. Works collected here include masterpieces by David Hume, Immanuel Kant, and Jean-Jacques Rousseau, as well as religious sermons and moral debates on the issues of the day, such as the slave trade. The Age of Reason saw conflict between Protestantism and Catholicism transformed into one between faith and logic -- a debate that continues in the twenty-first century. ++++ The below data was compiled from various identification fields in the bibliographic record of this title. Freedom from Bondage Oct 11 2022 This article, "Freedom from Bondage," originally appeared in the January 1915 issue of *Trust*, a magazine produced by Elim Publishing House in Rochester, New York, founded by Mrs. Elizabeth V. Baker (1849-1915) and her three sisters. This article by Mrs. Baker, published posthumously, talks about the spiritual growth, the life of faith that follows after salvation: " He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father.
