For every classic Disney fairytale, the Disney princess has always been the beating heart and soul, the magic ingredient that ties the masterpiece together. Now, with the release of never-before-seen concept art from the legendary Disney archive, nostalgic fans and collectors finally have the chance to get a closer look at how each of these princesses came to be. With over 200 colourful images, this spectacular eye-catching package serves as the definitive celebration and history of the Disney princess from 1937 to 2019. Features somewhat more advanced techniques for drawing the cast of characters from Disney's Beauty and the Beast. In this fantasy adventure graphic novel, a shy goblin must play the role of hero. They say no one returns from the Enchanted Forest—but that won't discourage Pella.

Earthquakes are destroying her village, and worst of all, they've caused the Midsummer Festival to be canceled. According to legend, the Earth Queen is to blame for these violent quakes—and the Earth Queen's tower lies at the heart of the Enchanted Forest. Late one night, Pella sneaks away to find the Earth Queen and give her a piece of her mind. But she's not afraid—she's never afraid. It's Bix, Pella's sister, who does the worrying for both of them. She's the one, after all, who was tasked with keeping her sister safe after they lost their parents. But despite her fears and the very real dangers that lie ahead, Bix will do anything to protect her little sister—even walk into the Enchanted Forest with only a ball of yarn to guide them home. They say no one returns from the Enchanted Forest. Will Bix and Pella be the first? Young princesses-in-training and budding artists will love learning to draw their favorite Disney princesses with the project book and tools included in *Learn to Draw Disney Enchanted Princesses Drawing Book & Kit*. In *Watch Me Draw 'n' Go: Cinderella's Enchanted World*, the exciting adventures of the classic Disney character will capture every kid's imagination, and the easy-to-follow drawing instructions make drawing fun. Includes: * 11 stickers * Drawing pad * Poster * 4 twistable crayons Step by step help about how to draw superheros and supervillains. The handsome thief Flynn Rider has sailed through life by looking good, talking fast, and being lucky. But when he picks a mysterious and secluded tower as his hideout, it looks like his luck may have run out. Flynn is knocked out, tied up, and taken hostage by the beautiful and feisty Rapunzel, whose 70 feet of magical, golden hair isn't even the strangest

thing about her. Locked-away and lonely, Rapunzel sees this smooth-talking criminal as her ticket out of the tower. One comical kidnapping and a bit of blackmail later, Flynn and his curious captor are off on one of the most tangled tales ever told. After watching the story unfold onscreen, young fans of the film can re-live the magic, fun, and adventure with this special Learn to Draw book. In addition to a detailed story synopsis, this beautifully illustrated 32-page book features step-by-step instructions for drawing favorite characters from the film, as well as art tips from professional Disney animators. Disney Princess celebrates the most magical adventures, each woven around a relatable, empowered heroine who inspires kids (and adults!) to realize their full potential. And you can realize your full artistic potential with Disney Princess: Learn to Draw Favorite Princesses, where you journey to a magic kingdom under the sea to draw the little mermaid Ariel, to an enchanted castle where all the objects come alive to draw Belle, and to China during the Han Dynasty to draw the brave warrior Mulan. This edition also includes the newest princess, Moana! After an introduction to art tools and materials, a series of drawing exercises invites you to warm up and learn a few basic drawing techniques. Then the real fun begins! Find drawing projects for all the Disney princesses: Snow White, Cinderella, Aurora, Ariel, Belle, Jasmine, Pocahontas, Mulan, Tiana, Rapunzel, Merida, and Moana. You can also draw their faithful friends, including Cinderella's mouse companions Jaq and Gus, Jasmine's tiger Rajah, Mulan's guardian spirit Mushu, and more. The easy-to-follow instructions in this book guide you through the drawing process; each step builds upon the last until the character is complete! You just need to grab a pencil, a piece

of paper, and your copy of *Disney Princess: Learn to Draw Favorite Princesses*, and flip to the character you want to draw. Draw the basic shapes shown in step one, and move on to step two, step three, and keep going! The new lines in each step are shown in blue, so you know exactly what to draw. After adding all the details in each step, darken the lines you want to keep and erase the rest. Finally, add color to your Disney princess drawing with felt-tip markers, colored pencils, watercolors, or acrylic paints. Plus, learn some fun facts about the Disney princesses as you learn to draw them. For example, did you know that Aurora from *Sleeping Beauty* is drawn one thick eyelash? Or that Rapunzel's chameleon friend Pascal has three toes on each foot? Brief character descriptions and art instruction from professional Disney animators round out this exciting artistic adventure. So grab your drawing pencils and go on an artistic journey with the Disney princesses! Now an original movie on Disney+! Based on a true story, this beautifully illustrated picture book tells the sweet story of Ruby and Ivan. A tale of friendship, courage, and creativity. Ivan is a gorilla in captivity. Life wasn't always that way, but he has trouble remembering a time when he wasn't living in a shopping mall. In his cage, he draws with crayon and paper, gifted to him from his human friend. There is no doubt that Ivan is special. And he's always been the star of the show. Until the day a little elephant named Ruby enters his world and shows him the significance of the place we call home. This literary classic is now available in a charming picture book with adorable illustrations that little ones can relate to. Written by New York Times-bestselling author, Beth Ferry and illustrated by Gonzalo Kenny. With *Learn to Draw Disney Princess Palace Pets*, young artists will learn to draw the adorable pets of their favorite

Disney princesses step by step. The book opens with a brief introduction, drawing exercises, and an overview of the necessary tools and materials to get started. Featured drawing projects include the adorable pets of Snow White, Aurora, Cinderella, Tiana, Mulan, Jasmine, Belle, Ariel, and Rapunzel, while scenes of each princess alongside her furry friend provide additional inspiration. Along the way, young artists will be enchanted by the stories associated with each pet, including the dramatic rescue of Treasure, Ariel's kitten, found during one of Prince Eric's voyages on the high seas, or Snow White's discovery of her bunny, Berry, hiding beneath a blueberry bush in the forest. Each lesson begins with a simple shape before progressing to a finished color piece of artwork, making it easy for beginning artists to follow along. The fate of Never Land rests on their shoulders. In the second edition of *The Idea of Nature in Disney Animation*, David Whitley updates his 2008 book to reflect recent developments in Disney and Disney-Pixar animation such as the apocalyptic tale of earth's failed ecosystem, *WALL-E*. As Whitley has shown, and Disney's newest films continue to demonstrate, the messages animated films convey about the natural world are of crucial importance to their child viewers. Beginning with *Snow White*, Whitley examines a wide range of Disney's feature animations, in which images of wild nature are central to the narrative. He challenges the notion that the sentimentality of the Disney aesthetic, an oft-criticized aspect of such films as *Bambi*, *The Jungle Book*, *Pocahontas*, *Beauty and the Beast*, and *Finding Nemo*, necessarily prevents audiences from developing a critical awareness of contested environmental issues. On the contrary, even as the films communicate the central ideologies of the times in which they were produced, they also express the ambiguities and tensions that underlie these dominant values. In distinguishing among the effects produced by each film and revealing the diverse ways in which images of nature are mediated, Whitley urges us towards a more complex interpretation of the classic Disney canon and makes an

important contribution to our understanding of the role popular art plays in shaping the emotions and ideas that are central to contemporary experience. **Learn to Draw Disney's Classic Fairy Tales** teaches young artists how to draw favorite characters from the most popular animated fairy tales of Disney history, including Cinderella, Beauty and the Beast, The Little Mermaid, Snow White and the Seven Dwarfs, and Sleeping Beauty.
