The Style Diary of a Bollywood Diva Harper Collins

Bihar Diaries narrates the thrilling account of how Amit Lodha arrested Vijay Samrat, one of Bihar's most feared ganglords, notorious for extortion, kidnapping and the massacre of scores of people. The book follows the adrenaline-fuelled chase across three states during Amit's tenure as superintendent of police of Shekhpura, a sleepy mofussil town in Bihar. How does Amit navigate between his professional challenges and conquer his demons? What does he do when the ganglord comes after his family? Bihar Diaries captures vividly the battle of nerves between a dreaded outlaw and a young, urbane IPS officer.

Muslim society in India remains in a state of denial when it comes to nikah halala. The Quran allows divorce twice. After that the spouses either live together happily or divorce gracefully. Nowhere does it allow marriage with a pre-arranged date of divorce to a new man only to go back to the former husband. Nikah Halala: Sleeping with a Stranger is a probing exercise that exposes the cycle of instant triple talaq followed by a fake marriage, which too ends with another instant triple talaq that allows the woman to marry the former husband. While the holy book does not mention instant triple talaq, this tradition is unique to the Indian subcontinent that claims to bring squabbling couples together but ends up making a mockery of the faith and punishes women for the crimes of men. The first ever book to talk of the subject, Nikah Halala presents the sordid reality of mock marriages against the background of Quranic injunction on the subject and exposes the departure in practice from the teachings of the holy book that gives divorced women complete freedom to follow their path.

Saudi Arabia is a wealthy and powerful country which wields influence in the West and across the Islamic world. Yet it remains a closed society. Its history in the twentieth century is dominated by the story of state formation. After the collapse of the Ottoman Empire, Ibn Sa'ud fought a long campaign to bring together a disparate people from across the Arabian peninsula. In 1932 the Kingdom of Saudi Arabia was born. Madawi al-Rasheed traces its extraordinary history from the age of emirates in the nineteenth century, through the 1990 Gulf War, to the present day. She fuses chronology with analysis, personal experience with oral histories, and draws on local and foreign documents to illuminate the social and cultural life of the Saudis. This is a rich and rewarding book which will be invaluable to students, and to all those trying to

understand the enigma of Saudi Arabia.

Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An alumnus of Bombay's The J. B. Petit Girls' High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio's Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer Dil Deke Dekho. Instantaneously, the audience and the critics agreed: "A star is born." Followed a concatenation of silver and golden jubilee hits, which established her as the quintessential Hit Girl. Possessed of all the requisites of the cinema of the 1960s and the '70s - felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines - she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes' Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV serials like 'Kora Kagaz' and 'Palash ke Phool' and programmes like 'Baaje Paayal'. Currently she has chosen to retire from acting, but adds, "Never say never." She lives by the famed Juhu shoreline in Mumbai.

Secret Wars Cambridge University Press

A “eye-opening, gritty, and compelling” memoir by one of New York City’s last Times Square peep show girls (The Paris Review Online). In 2006, Gotham City Video was among the last of its kind where, breathing in a cocktail of Pine-Sol and Windex, a man paid \$40 to watch a girl strip naked behind glass. These fantasy lands, left over from the days when 42nd Street was the center of vice, eventually disappeared from the rapidly gentrifying city, their stories lost forever. Not those of tenderloin grinder, Sheila McCelar. Pulling back the curtain on the little-documented world of the peeps, her “ribald . . . memorable and highly relevant” (The Daily Beast) reflection is “both a eulogy and a paean to the freaks and misfits who have long given their souls to the city” (Matthew Gallaway, author of The Metropolis Case). A late bloomer from small-town Michigan, Sheila arrived in New York as a struggling actress and soon found herself adrift. Borderline homeless, and crashing with friends, she finally got steady work that paid the rent—as a stripper along the triple-x stretch of Eighth Avenue. When Times Square seeped into her blood, she ended up staying much longer than she imagined. The story she tells is not just of her own coming-of-age, it’s a “sharp, sweetly personal . . . fascinating and honest” narrative of modern life on the fringes of society in New York City (Mark Jacobson, author of Pale Horse Rider).

 “Combines Alex Rider’s espionage skills with a huge dose of the sarcasm of Artemis Fowl.” —School Library Journal Can an undercover nerd become a superstar agent? In the first book in the New York Times bestselling Spy School series, Ben Ripley sure hopes so—and his life may depend on it! Ben Ripley may only be

in middle school, but he’s already pegged his dream job: CIA or bust. Unfortunately for him, his personality doesn’t exactly scream “secret agent.” In fact, Ben is so awkward, he can barely get to school and back without a mishap. Because of his innate nerdiness, Ben is not surprised when he is recruited for a magnet school with a focus on science—but he’s entirely shocked to discover that the school is actually a front for a junior CIA academy. Could the CIA really want him?

One of the most enduring divas of Hindi cinema, a producer and director for films and television, dancer and choreographer par excellence, magazine editor, an active member of Parliament and now a singer, Hema Malini wears many hats with admirable ease. No other industry name comes close to matching the breadth of her achievements. In an industry where the male star has traditionally driven the commercial success of films, Hema was an exception, with her name alone sufficing to ensure a film’s box-office glory. She was, arguably, India’s first female superstar. Apart from starring in mainstream super-hits like Johny Mera Naam, Jugnu, Andaz, Seeta Aur Geeta, Sholay and, more recently, Baghban, she received critical acclaim for her performances in Lal Patthar, Khushboo, Kinara, Meera, Ek Chadar Maili Si and Razia Sultan. But there is much more to her than just her Bollywood journey. From her efforts at reviving and sustaining classical dance to her graceful handling of her personal life and the controversies that have plagued her in her political avatar, from her relationships to her religious beliefs and her recent tryst with singing, Hema Malini: Beyond the Dream Girl covers it all. With detailed interviews and exclusive anecdotes from her family, friends and co-actors, this is an inside look at the remarkable life of one of our greatest cinema icons, someone who has truly lived life on her own terms.

From the heart of a well-known family of Hyderabad to life in a single room with the barest of necessities, Shaukat Kaifi’s memoir of her life with the renowned poet Kaifi Azmi speaks of love and commitment. A marriage of over a half a century, a life steeped in poetry and progressive politics, continuing involvement with the Indian People’s Theatre Association, the Progressive Writers Association, Prithvi Theatre... all of these and more inform this beautifully told tale of love. Shaukat Kaifi’s writing details life in a communist commune, a long career in theatre and film and a life spent bringing up her two children, cinematographer Baba Azmi and actor Shabana Azmi. Nasreen Rehman’s deft and fluent translation brings this luminous memoir alive with warmth and empathy. “To say that this is a lovely book would be an understatement. It is an enchanting recollection of the life of a hugely talented and sensitive human being, shared with a great poet.” -- Amartya Sen. Published by Zubaan.

“Sutanto brilliantly infuses comedy and culture into the unpredictable rom-com/murder mystery mashup as Meddy navigates familial duty, possible arrest and a groomzilla. I laughed out loud and you will too.”—USA Today (four-star review) “A hilarious, heartfelt romp of a novel about—what else?—accidental murder and the bond of family. This book had me laughing aloud within its first five pages... Utterly clever, deeply funny, and altogether charming, this book is sure to be one of the best of the year!”—Emily Henry, New York Times bestselling author of Beach Read One of NPR’s Best Books of 2021! One of PopSugar’s “42 Books Everyone Will Be Talking About in 2021”! What happens when you mix 1 (accidental) murder with 2 thousand wedding guests, and then toss in a possible curse on 3 generations of an immigrant Chinese-Indonesian family? You get 4 meddling Asian aunties coming to the rescue! When Meddelin Chan ends up accidentally killing her blind date, her meddlesome mother calls for her even more meddlesome aunties to help get rid of the body. Unfortunately, a dead body proves to be a lot more

challenging to dispose of than one might anticipate, especially when it is inadvertently shipped in a cake cooler to the over-the-top billionaire wedding Meddy, her Ma, and aunties are working at an island resort on the California coastline. It's the biggest job yet for the family wedding business—"Don't leave your big day to chance, leave it to the Chans!"—and nothing, not even an unsavory corpse, will get in the way of her auntie's perfect buttercream flowers. But things go from inconvenient to downright torturous when Meddy's great college love—and biggest heartbreak—makes a surprise appearance amid the wedding chaos. Is it possible to escape murder charges, charm her ex back into her life, and pull off a stunning wedding all in one weekend?

Winner of the Healthy Teen Network's Carol Mendez Cassell Award for Excellence in Sexuality Education and the American Sociological Association's Children and Youth Section's 2012 Distinguished Scholarly Research Award For American parents, teenage sex is something to be feared and forbidden: most would never consider allowing their children to have sex at home, and sex is a frequent source of family conflict. In the Netherlands, where teenage pregnancies are far less frequent than in the United States, parents aim above all for family cohesiveness, often permitting young couples to sleep together and providing them with contraceptives. Drawing on extensive interviews with parents and teens, *Not Under My Roof* offers an unprecedented, intimate account of the different ways that girls and boys in both

countries negotiate love, lust, and growing up. Tracing the roots of the parents' divergent attitudes, Amy T. Schalet reveals how they grow out of their respective conceptions of the self, relationships, gender, autonomy, and authority. She provides a probing analysis of the way family culture shapes not just sex but also alcohol consumption and parent-teen relationships. Avoiding caricatures of permissive Europeans and puritanical Americans, Schalet shows that the Dutch require self-control from teens and parents, while Americans guide their children toward autonomous adulthood at the expense of the family bond.

Kaifi and I HarperCollins

Son of a famous father. Father of a famous son. I am the hyphen between them. Only, Rishi Kapoor was and is so much more. Few actors in Hindi cinema have had this sort of a career arc: from the gawky adolescent pining for his schoolteacher (*Mera Naam Joker*, 1970) to the naughty ninety-year-old (*Kapoor & Sons*, 2016), Rishi Kapoor has regaled audiences for close to fifty years. He won a National Award for his debut, became an overnight sensation with his first film as a leading man (*Bobby*, 1973), and carved a niche for himself with a string of romantic musical blockbusters in an era known for its angst-ridden films. He was the youth icon that is still the toast of the satellite TV circuit. The songs he lip-synced are the bread and butter of all radio stations even today. Then there was the second coming after a brief hiatus in the 1990s - as one of the finest actors in mainstream Hindi cinema with powerhouse performances in films like *Do Dooni Chaar*, *D-Day*,

Agneepath and others. Characteristically candid, Rishi Kapoor brings Punjabi brio to the writing of *Khullam Khulla*. This is as up close and personal a biography as any fan could have hoped for. He writes about growing up in the shadow of a legendary father, skipping school to act in *Mera Naam Joker*, the workings of the musical hits of the era, an encounter with Dawood Ibrahim, his heroines (their working relationship, the gossip and the frisson that was sometimes real), his approach to his craft, his tryst with clinical depression, and more. A foreword by Ranbir Kapoor and a stirring afterword by Neetu Singh bookend the warmest, most दिल से biography an Indian star has ever penned.
