14 True Stories of Survival Penguin
Hiding from the Nazis in the "Secret Annex" of an old office building in Amsterdam, a thirteen-year-old girl named Anne Frank became a writer. The now famous diary of her private life and thoughts reveals only part of Anne's story, however. This book completes the portrait of this remarkable and talented young author. *Tales from the Secret Annex* is a complete collection of Anne

Frank's lesser-known writings: short stories, fables, personal reminiscences, and an unfinished novel. Here, too, are portions of the diary originally withheld from publication by her father. By turns fantastical, rebellious, touching, funny, and heartbreaking, these writings reveal the astonishing range of Anne Frank's wisdom and imagination--as well as her indomitable love of life. *Anne Frank's Tales from the Secret Annex* is a testament to this determined young woman's extraordinary genius and to the persistent strength of the creative spirit. Based on the Book Written by Anne

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. “The single most compelling personal account of the Holocaust ... remains astonishing and excruciating.”—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the “Secret Annex” of an old office building. Cut off from the

outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

For readers of *The Boy Who Dared* and *Prisoner B-3087*, a collection of unforgettable true stories of children hidden away during World War II. Jaap Sitters was only eight years old when his mother cut the yellow stars off his clothes and sent him, alone, on a fifteen-mile walk to hide with relatives. It was a terrifying night, one he would never forget. Before the end of the war, he would hide in secret rooms and behind walls. He would suffer from hunger, sickness, and the looming threat of Nazi raids. But he would live. This is just one of the true stories told in *Hidden Like Anne Frank*, a collection of eye-opening

first-person accounts that share the experience of going into hiding to escape the Holocaust. Some were just toddlers when they were hidden; some were teenagers. Some hid with neighbors or family, while many were with complete strangers. But all know the pain of losing their homes, their families, even their own names. They describe the secret network that kept them safe. And they share the coincidences and close calls that made all the difference.
