Recall Healing® helps one to discover the events, conflicts and traumas in their life that underpin specific behaviors and disease processes. The facilitator helps the client to become aware of the "why?" that underlies their behavior or illness by using consciousness awakening tools to clear

conflicts and trauma and begin the healing process. Recall Healing - Sanjevani.net Recall Healing is a method of healing that focusses on how to identify and heal the deepest causes and roots of a disease that originate in the subconscious.
