The Wizard of Oz in the Wild

West Harper

Collins

“Eurydice is a

luminous retelling of the Orpheus myth from his beloved wife’s point of view.

Watching it, we enter a singular, surreal world,

as lush and limpid as a dream—an anxiety dream of love and loss—where both author and audience swim in the magical,

sometimes menacing, and always thrilling flow of the unconscious... Ruhl's theatrical voice is reticent and daring, accurate and outlandish." —John Lahr, *New Yorker* A reimagining of the classic myth of Orpheus through the eyes of its heroine. Dying too young on her wedding day, Eurydice journeys to the underworld, where she reunites with her beloved father and

struggles to recover lost memories of her husband and the world she left behind.  
**Dorothy Meets Alice, Or, The Wizard of Wonderland**  
 Harper Collins  
 This picture storybook adaptation of Frank L. Baum's classic tale will take little ones on a magical adventure through Emerald City, encountering the Scarecrow, the Tin Man and the Cowardly Lion along the way.  
**The Wizard**

**of Oz**  
 Lexington Books  
 Agency and Imagination in the Films of David Lynch: Philosophical Perspectives offers a sustained philosophical interpretation of the filmmaker's work in light of classic and contemporary discussions of human agency and the complex relations between our capacity to act and our ability to imagine. With the help of the pathological characters that so often

leave their unforgettable mark on Lynch's films, this book reveals several important ways in which human beings fail to achieve fuller embodiments of agency or seek substitute satisfactions in spaces of fantasy. In keeping with Lynch's penchant for unconventional narrative techniques, James D. Reid and Candace R. Craig explore the possibility, scope, and limits of the

very idea of agency itself and what it might be like to renounce concepts of agency altogether in the interpretation and depiction of human life. In a series of interlocking readings of eight feature-length films and *Twin Peaks: The Return* that combine suggestive philosophical analysis with close attention to cinematic detail, Reid and Craig make a convincing case for the

importance of David Lynch's work in the philosophical examination of agency, the vagaries of the human imagination, and the relevance of film for the philosophy of human action. Scholars of film studies and philosophy will find this book particularly useful.

#### **Am I Blue**

Samuel French, Inc. The long-anticipated sequel to the million-copy bestselling novel *Wicked*. Ten years after the

publication of Wicked, beloved novelist Gregory Maguire returns at last to the land of Oz. There he introduces us to Liir, an adolescent boy last seen hiding in the shadows of the castle after Dorothy did in the Witch. Bruised, comatose, and left for dead in a gully, Liir is shattered in spirit as well as in form. But he is tended at the Cloister of Saint Glinda by the silent novice called Candle, who

wills him back to life with her musical gifts. What dark force left Liir in this condition? Is he really Elphaba's son? He has her broom and her cape -- but what of her powers? Can he find his supposed half-sister, Nor, last seen in the forbidding prison, Southstairs? Can he fulfill the last wishes of a dying princess? In an Oz that, since the Wizard's departure, is under new and

dangerous management, can Liir keep his head down long enough to grow up? For the countless fans who have been dazzled and entranced by Maguire's Oz, Son of a Witch is the rich reward they have awaited so long.

Kiss the land where troubles melt like lemon drops good-bye. Here there's danger around every corner, and magical shoes won't be able to save you. *Dorothy and the Wizard in Oz* Routledge The Emerald City of Oz is the sixth of L. Frank Baum's fourteen Land of Oz books. It was also adapted into a Canadian animated film in 1987. Originally published on July 20, 1910, it is the story of Dorothy Gale and her

Uncle Henry and Aunt Em coming to live in Oz permanently. While they are toured through the Quadling Country, the Nome King is assembling allies for an invasion of Oz. This is the first time in the Oz series that Baum made use of double plots for one of the books.[1] Baum had intended to cease writing Oz stories with this book, but financial pressures prompted him to write and publish The

Patchwork Girl of Oz, with seven other Oz books to follow **The Gayest Christmas Pageant Ever!** Hal Leonard Corporation During a California earthquake Dorothy falls into the underground Land of the Manaboos where she again meets the Wizard of Oz. **The Wonderful Wizard of Oz** Little Hippo Travel to the land of Oz with Dorothy and find out what inspired

the forthcoming film blockbuster Oz: The Great and Powerful **Pretty Theft** Samuel French, Inc. Actors of colour need the best speeches to demonstrate their skills and hone their craft. Roberta Uno has carefully selected monologues that represent African-American, Native American, Latino, and Asian-American identities. Each monologue

comes with an introduction and notes on the characters and stage directions to set the scene for the actor. This new edition now includes more of the most exciting and accomplished playwrights to have emerged over the 15 years since the Monologues for Actors of Color books were first published, from new, cutting edge talent to Pulitzer winners. 1001 Stagey Things to Do Before Kicking

the Bucket Macmillan A diverse collection of monologues featuring the voices of women through the ages Drawn from poetry, fiction, diaries, journals, and documents of public record, these selections, although not originally intended for theatrical or cinematic performances, offer unique dramatic opportunities for actors, speakers, students, or anyone interested in women's

studies. Stefan Rudnicki has brought together selections from well-known as well as obscure authors, providing a tremendous range of women's perspectives from a variety of sources: poems by Elizabeth Barrett Browning, Emily Dickinson, Christina Rossetti, and Sappho, among others; passages from Mary Shelley's journal, the diaries of Anais Nin, and

the memoirs of Isadora Duncan; polemics from Mary Wollstonecraft and Joan of Arc, as well as Susan B. Anthony's "On Woman's Right to Suffrage"; and selections from the novels of Emily and Charlotte Bronte, Jane Austen, Ursula K. LeGuin, and others. **Talking With--** Harper Collins MY LITTLE RED BOOK is an anthology of stories about first periods, collected from

women of all ages from around the world. The accounts range from light-hearted (the editor got hers while water skiing in a yellow bathing suit) to heart-stopping (a first period discovered just as one girl was about to be strip-searched by the Nazis). The contributors include well-known women writers (Meg Cabot, Erica Jong, Gloria Steinem, Cecily von Ziegesar), alongside

today's teens. And while the authors differ in race, faith, or cultural background, their stories share a common bond: they are all accessible, deeply honest, and highly informative. Whatever a girl experiences or expects, she'll find stories that speak to her thoughts and feelings. Ultimately, MY LITTLE READ BOOK is more than a collection of stories. It is a call for a change in attitude, for a new way of

seeing periods. In a time when the taboo around menstruation seems to be one of the few left standing, it makes a difficult subject easier to talk about, and helps girls feel proud instead of embarrassed or ashamed. By revealing what it feels like to undergo this experience first hand, and giving women the chance to explain their feelings in their own words, it aims to provide support, entertainment

, and a starting point for discussion for mothers and daughters everywhere. It is a book every girl should have. Period. [Life and Times of the Wicked Witch of the West](#) Hesperus Press Tip and his creation, Jack Pumpkin, run away to Oz where they save the city after it is captured by girls. **Dorothy Must Die Stories** WhitGBooks "Collection of monologues from the

Playscripts, Inc. catalog of plays, representing a variety of American playwrights. *the Rainbow's Daughter* Candlewick Press  
 \*\*The full series all in one sexy, thrilling set!\*\*  
 The man I fell in love with is a f-cking liar... I don't have much time to reveal all the details, but I will say this: The "Woman disappears after wedding" and "Woman flees after honeymoon" headlines are lying. I'm not missing. I didn't run away after my wedding. I would've never run away right after our

amazing honeymoon. My husband has taken me. No, correction: He's kidnapped me because he claims that "its what's best." That I'm a mere pawn in his twisted game of chess. Despite the fact that my heart is still tethered to his, or the fact that he's still the most gorgeous and beautiful man I've ever met in my life (he can still make me wet with a single sentence), I have to focus on getting away from

him. I have to accept that he's no longer the man I fell in love with. He's the king of lies...	maelstrom of magic and murder in the lush, moody Pacific Northwest. When Rona Blackburn landed on Anathema Island more than a century ago, her otherworldly skills might have benefited friendlier neighbors. Guilt and fear instead led the island's original eight settlers to burn "the witch" out of her home. So Rona cursed them. Fast-forward one hundred-some years: All Nor	Blackburn wants is to live an unremarkable teenage life. She has reason to hope: First, her supernatural powers, if they can be called that, are unexceptional. Second, her love life is nonexistent, which means she might escape the other perverse side effect of the matriarch's backfiring curse, too. But then a mysterious book comes out, promising to cast any spell for the

right price. Nor senses a storm coming and is pretty sure she'll be smack in the eye of it. In her second novel, Leslye Walton spins a dark, mesmerizing tale of a girl stumbling along the path toward self-acceptance and first love, even as the Price Guide's malevolent author — Nor's own mother — looms and threatens to strangle any hope for happiness. *Can't Take My Eyes Off of You* Routledge

“Maguire’s work is melodic, symphonic, and beautiful; it is dejected and biting and brave. How great that people flock to these magical novels.” —Los Angeles Times Book Review  
Bestselling author Gregory Maguire’s remarkable series, *The Wicked Years*, comes full circle with this, his fourth and final excursion across a darker, richer, more complex landscape of “the magical land of Oz.”

*Out of Oz* brilliantly reimagines L. Frank Baum’s world over the rainbow as wracked with social unrest—plac-ing Glinda the good witch under house arrest and having the cowardly Lion on the lam from the law as the Emerald City prepares to make war on Munchkinland. Even Dorothy makes a triumphant return in Maguire’s magnificent Oz finale—tying up every loose green end of

the series he began with his classic Wicked, the basis for the smash hit Broadway musical.
