Capricious and free-spirited, Mina Tepes is forever trying to intervene. Some would say she interferes. Her attempt to save a friend worsens a war already waging between her people, the Darks, and their reviled overlords, the Mages. Desperate, she turns to the man who saved her life as

child—an enemy Mage named Xander. As part of the ruling class, Xander Fjordson should never have taken notice of Mina, but even as boy, one look into her large dark eyes and he was lost. As an adult, involvement with her has ripped his world to shreds. Though the war she unintentionally instigated has made them enemies, when she comes to him bleeding and injured, he is unable to say no. He puts at risk what is left of his status and his family as he follows her, knowing in the end he'll have to betray her. Together Xander and Mina begin to unravel terrible secrets as the war escalates. Soon Xander must choose: save his family or the woman who's come to mean more to

him than his own life. *Effortless* Createspace Independent Pub

Whirlwind KT Publishing
 Kaye Trilby and her ex-husband, world-famous author Samuel Cabral, vowed to fight for their rekindled love in rain or shine. They didn't realize they'd be caught in a deluge so quickly. A near-fatal skydiving accident shows Kaye how her reckless behavior

affects the ones she loves. But while she knows Samuel is afraid to lose her again, she isn't ready to give up the thrill of the wild backcountry.

Something darker is slipping into Samuel's mind, though. The specters of his past are re-emerging. His polish is deteriorating, just as all of Hollywood is bracing for his blockbuster book-to-movie adaptation.

When he appears on Kaye's doorstep late one night in a rumpled tuxedo, erratic and agitated, it seems that romance with her ex might be her biggest leap yet. A string of failed relationships has pushed Samuel to the brink, the fall-out leaving him in a dark place—a place where Kaye is powerless to help him. She is

reluctantly drawn back into Samuel's glittering and backbiting world of celebrity, all the while clinging to the steadfast peaks of home.

"Your family is the most important part of your life. Your families are the people you love, and love is what separates us from scoundrels and criminals. It maintains order. Your parents, your sibling, and your Partner, are the ones you love. There should never, ever, be anyone else who comes close to that bond. You have only one best friend, and that is the person you'll be marrying someday. We must learn to differentiate the relationships in our lives: the people we love, and the ones we

don't. It's inappropriate, it's foolish, and it's forbidden to think otherwise." Trace Bailey's mouth is her worst enemy - somehow it always gets her in trouble. Luckily, she has a partner in crime - her best friend and neighbor since age seven, Piren Allston. He can't get enough of her crazy sense of humor, and she loves that he's always up for another adventure. They can't be friends, though, not in their world. Trace and Piren were Assigned to other people at the age of six, and they're supposed to marry their Partners when they turn twenty-four. Failure to comply leads to Banishment, a fate worse than death. Worse still is the

growing realization that their bond is stronger than just friendship. In a world without freedom, there are still choices to be made. Following their hearts means losing their family, but following the law means losing each other. Forever.
