M. Eugene Boring and
Fred B. Craddock present
this new one-volume
commentary on the New
Testament. Writing from

the fundamental conviction that the New Testament is the people's book, Boring and Craddock examine the theological themes and messages of Scripture that speak to the life of discipleship. Their work clarifies matters of history, culture, geography, literature, and translation, enabling people to listen more carefully to the text. This unique commentary is the perfect resource for clergy and church school teachers who seek a reference tool midway

between a study Bible and a multivolume commentary on the Bible. The People's New Testament Commentary Berghahn Books
The writings in this volume cast a glimmer of light upon the emerging traditions and organization of the infant church, during an otherwise little-known period of its development. A selection of letters and small-scale theological treatises from a group known as the Apostolic Fathers, several of whom were probably disciples of

the Apostles, they provide a first-hand account of the early Church and outline a form of early Christianity still drawing on the theology and traditions of its parent religion, Judaism. Included here are the first Epistle of Bishop Clement of Rome, an impassioned plea for harmony; The Epistle of Polycarp; The Epistle of Barnabas; The Didache; and the Seven Epistles written by Ignatius of Antioch - among them his moving appeal to the Romans that they grant him a martyr's death.

Compendium Our Sunday Visitor "Magisterial. . . . A learned, brilliant and enjoyable study."—Géza Vermès, Times Literary Supplement In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent

scholarship on Jesus and its implications for both history and theology. "Brilliant and lucidly written, full of original and fascinating insights."—Reginald H. Fuller, Journal of the American Academy of Religion "This is a first-rate work of a first-rate historian."—James D. Tabor, Journal of Religion "Fredriksen confronts her documents—principally the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she

distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, Christian Science Monitor **Instituting the Ministry of Catechist** Cambridge University Press This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches

upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include:

Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.

Called to Believe is an

abridgment and condensation of the more comprehensive text, Called to Believe, Teach, and Confess. It offers an accessible, introductory overview of the major doctrines of Christianity. Written from a Lutheran Christian perspective, this book is a helpful resource for those within that tradition and to others who seek a deeper and broader understanding of Christian teaching. Firmly rooted in Scripture, this book directs the reader back to the Bible. It emphasizes the

interrelatedness of all Christian teachings, with its central teaching being the doctrine of justification by grace through faith in Jesus Christ. It also includes the text of the three ecumenical creeds accompanied by a brief introduction to their historical background. This book is ideal as an introductory text for university or advanced high school students and for other Christian adults who seek to expand their knowledge of God's revelation and its

application in human lives. It introduces and uses classic theological vocabulary and terminology, while offering clear definitions and application. Key terms, study questions, and a glossary help make this a valuable resource. Suggested readings from Scripture, and secondary sources guide the reader into deeper study.

To young Christians of the world, Pope Francis has a message for you: "Christ

is alive, and he wants you to be alive!" In his fourth apostolic exhortation, *Christus Vivit*, Pope Francis encapsulates the work of the 2018 synod of bishops on "Young People, The Faith, and Vocational Discernment." Pope Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the

world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment *Christus Vivit* is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. "May the Holy Spirit

urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us."

What It (Really) Said, What It Means, and How It Calls Us to Renew the Church Routledge
As hunger for the faith continues to grow, Pope Benedict XVI gives the Catholic Church the food it seeks with 598 questions and answers in the Dictionary of the Apostolic Church AuthorHouse
The writings of the Apostolic Fathers give a rich and diverse picture of Christian life and thought in the period immediately after New Testament

times. Some of them were accorded almost Scriptural authority in the early Church. This new Loeb edition of these essential texts reflects current idiom and the latest scholarship. Here are the Letters of Ignatius, bishop of Antioch, among the most famous documents of early Christianity; these letters, addressing core theological questions, were written to a half dozen different congregations while Ignatius was en route to Rome as a prisoner,

condemned to die in the wild-beast arena. Also in this collection is a letter to the Philippian church by Polycarp, bishop of Smyrna and friend of Ignatius, as well as an account of Polycarp's martyrdom. There are several kinds of texts in the Apostolic Fathers collection, representing different religious outlooks. The manual called the Didache sets forth precepts for religious instruction, worship, and ministry. The Epistle of Barnabas searches the Old Testament, the Jewish

Bible, for testimony in support of Christianity and against Judaism. Probably the most widely read in the early Christian centuries was The Shepherd of Hermas, a book of revelations that develops a doctrine of repentance.

Now with a new foreword by Mark Galli. A collection of the earliest known writings of the church, The Apostolic Fathers includes a sermon and six

brief documents: the First and Second Epistles of Clement, the Didache, the Epistles of Ignatius, the Epistle of Polycarp, the Epistle about Polycarp's Martyrdom, and the Shepherd of Hermas.

"There are two ways, one of life and one of death," begins the Didache, "and between the two ways there is a great difference." Followers of the way of life today will find much encouragement of those who first embarked on the path two millennia ago. The John Lightfoot (1602-1675)

translation was the source used for this edition of Apostolic Fathers.

History of the Apostolic Church with a General Introduction to Church History InterVarsity Press
When Pope Paul VI implemented the decision of the Second Vatican Council to renew the diaconate as a permanent order of ministry, he asked the logical question: "What about women deacons?" That question continues to be asked throughout the Church as the possibility of restoring women to the

diaconate emerges more and more as a pressing answer to the ministerial needs of the Church. In *Women in Ministry: Emerging Questions about the Diaconate*, theologian Phyllis Zagano examines three distinct questions about the possibility of women in the diaconate: Is the inclusion of women in the permanent diaconate part of the unfinished business of Vatican II? What are the ecumenical implications of women ordained as deacons? Did Pope Benedict XVI envision the

inclusion of women in the diaconate? These three timely and important essays are introduced by Deacon William T. Ditewig, PhD, director of lay and deacon formation in the Diocese of Monterey in California and former executive director of the Secretariat for the Diaconate of the United States Conference of Catholic Bishops in Washington, DC. of the United States is a Catholic Family of Faith, based within the United States. As inheritors of Apostolic Succession from the Western Latin (Catholic) Church, the Ancient Oriental Churches and the Eastern Byzantine (Orthodox) Churches, we possess a rich theological heritage. We are a sacramental church, embracing the fullness of Christianity as expressed within Catholic understanding. We stand, holding fast to the teachings of the ancient faith, in a modern society

that is often hostile, towards Christians in general and Catholics in particular, and choose to obey the timeless message of Christ rather than yield to the "Spirit of the Age". "I am very happy with the contents, and feel that yet again it is a wonderful work and look forward to having this in print to use here in the UK."-Most Rev. studying the faith."-Most Rev. Andre' Queen, Provincial Ordinary of the Western United States. *Lumen Gentium* Moody Publishers

Moral Passion During Botswana's Time of AIDs
Christus Vivit

The central document of the Second Vatican Council, *Lumen Gentium* was promulgated by Pope Paul VI on November 21, 1964. This document is "the keystone" of the Councils whole Magisterium. It focuses on the whole Church as a communion of charity. With it, according to John Paul II, the Second Vatican Council wished to shed light on the Church's reality: a wonderful but complex reality consisting

of human and divine elements, visible and invisible.

Pope Francis's Apostolic letter surveys the ancient ministry of catechist beginning with those men and women who helped the Apostle Paul through to the many catechist Saints and Blesseds who

advanced the Church's mission over the centuries. Recognizing the work of catechists around the world this document establishes the lay ministry of catechist for "men and women of deep faith and human maturity, active participants in the life of the Christian community, capable of welcoming others, being generous and living a life of fraternal communion" who have received suitable formation.

The perfect gift! A specially priced, beautifully designed hardcover edition of The Joy of the Gospel with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis

This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and

current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth.
