An Anthology MIRA

After her last politically minded suitor left her heartbroken and pregnant, Rowena has sworn off the Capitol Hill dating pool. But even she isn't immune to Colin Middlebury's British charms, and his skills extend beyond the political arena. As a diplomat, Colin has dealt with a lot of demands, but none like Senator Tate's warning to stay away from his beautiful daughter. Colin needs the senator's support, but resistance is futile where Rowena is concerned. What harm could there be in getting to know her a little better? International relations are about to become quite...intimate.

*A View from Abroad* Pickle Partners Publishing

In the final days of World War II, Koreans were determined to take back control of their country from the Japanese and end the suffering caused by the Japanese occupation. As an eleven-year-old girl living with her Japanese family in northern Korea, Yoko is suddenly fleeing for her life with her mother and

older sister, Ko, trying to escape to Japan, a country Yoko hardly knows. Their journey is terrifying—and remarkable. It's a true story of courage and survival that highlights the plight of individual people in wartime. In the midst of suffering, acts of kindness, as exemplified by a family of Koreans who risk their own lives to help Yoko's brother, are inspiring reminders of the strength and resilience of the human spirit.

On the Beach Psychology Press

Lily McCann, the daughter of a U.S. foreign service officer, uses her considerable beauty to attract glamorous lovers but meets her match in Worth Deloit, a rising star in the State Department. 25,000 first printing. \$25,000 ad/promo.

*In the Garden of Beasts* Simon and Schuster

By the New York Times bestselling author of *The Bone Clocks* | Shortlisted for the Man Booker Prize A postmodern visionary and one of the leading voices in twenty-first-century fiction, David Mitchell combines flat-out adventure, a Nabokovian love of puzzles, a keen eye for character, and a taste for mind-bending, philosophical and

scientific speculation in the tradition of Umberto Eco, Haruki Murakami, and Philip K. Dick. The result is brilliantly original fiction as profound as it is playful. In this groundbreaking novel, an influential favorite among a new generation of writers, Mitchell explores with daring artistry fundamental questions of reality and identity. *Cloud Atlas* begins in 1850 with Adam Ewing, an American notary voyaging from the Chatham Isles to his home in California. Along the way, Ewing is befriended by a physician, Dr. Goose, who begins to treat him for a rare species of brain parasite. . . . Abruptly, the action jumps to Belgium in 1931, where Robert Frobisher, a disinherited bisexual composer, contrives his way into the household of an infirm maestro who has a beguiling wife and a nubile daughter. . . . From there we jump to the West Coast in the 1970s and a troubled reporter named Luisa Rey, who stumbles upon a web of corporate greed and murder that threatens to claim her life. . . . And onward, with dazzling virtuosity, to an inglorious present-day England; to a Korean superstate of the near future where

neocapitalism has run amok; and, finally, to a postapocalyptic Iron Age Hawaii in the last days of history. But the story doesn't end even there. The narrative then boomerangs back through centuries and space, returning by the same route, in reverse, to its starting point. Along the way, Mitchell reveals how his disparate characters connect, how their fates intertwine, and how their souls drift across time like clouds across the sky. As wild as a videogame, as mysterious as a Zen koan, *Cloud Atlas* is an unforgettable tour de force that, like its incomparable author, has transcended its cult classic status to become a worldwide phenomenon. Praise for *Cloud Atlas* "[David] Mitchell is, clearly, a genius. He writes as though at the helm of some perpetual dream machine, can evidently do anything, and his ambition is written in magma across this novel's every page."—The New York Times Book Review "One of those how-the-holy-hell-did-he-do-it? modern classics that no doubt is—and should be—read by any student of contemporary literature."—Dave Eggers "Wildly entertaining . . . a

head rush, both action-packed and chillingly ruminative."—People "The novel as series of nested dolls or Chinese boxes, a puzzle-book, and yet—not just dazzling, amusing, or clever but heartbreaking and passionate, too. I've never read anything quite like it, and I'm grateful to have lived, for a while, in all its many worlds."—Michael Chabon "Cloud Atlas ought to make [Mitchell] famous on both sides of the Atlantic as a writer whose fearlessness is matched by his talent."—The Washington Post Book World "Thrilling . . . One of the biggest joys in *Cloud Atlas* is watching Mitchell sashay from genre to genre without a hitch in his dance step."—Boston Sunday Globe "Grand and elaborate . . . [Mitchell] creates a world and language at once foreign and strange, yet strikingly familiar and intimate."—Los Angeles Times *Love, Terror, and an American Family in Hitler's Berlin* Penguin After leaving her glamorous job for a journalist position at the *Capitolist*, a popular political media outlet, Adrienne Brown finds herself in a frenetic, cutthroat industry, where

the scoop of a lifetime may leave her in trouble. *A Japanese Diplomat's Daughter* Da Capo Press *The Diplomat's Daughter* A Novel Simon and Schuster **The Dao of World Politics** Harlequin This book is the first of its kind: a historical inquiry into the family life of British diplomats between 1945 and 1990. It examines the ways in which the British Diplomatic Service reacted to and were influenced by the radical social changes that took place in Britain during the latter half of the twentieth century. It asks to what extent diplomats, who strove to protect their enclosed and elite circles, were suitable to represent this changing nation. Drawing on previously unseen primary sources and interview testimony, this book explores themes of societal change, end of empire, second wave feminism, new approaches to childcare, and developments in the civil service. It explores questions of belonging and identity, as well as enduring perceptions of this organisation that is (often mistakenly) understood to be quintessentially 'British'. Offering new and fresh insights, this book will be

of interest to students and scholars in history, historical geography, political studies, sociology, feminist studies and cultural studies.

**The Complete Review Guide to Contemporary World Fiction** Harper Collins

Before the Corleones, before the Lannisters, there were the Borgias. One of history's notorious families comes to life in a captivating novel from the author of *The Birth of Venus*. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY COSMOPOLITAN (UK) AND THE TIMES (UK) "In the end, what's a historical novelist's obligation to the dead? Accuracy? Empathy? Justice? Or is it only to make them live again? Dunant pays these debts with a passion that makes me want to go straight out and read all her other books."—Diana Gabaldon, *The Washington Post* Bestselling novelist Sarah Dunant has long been drawn to the high drama of Renaissance Italy: power, passion, beauty, brutality, and the ties of blood. With *In the Name of the Family*, she offers a thrilling exploration of the House of Borgia's final years, in the company of a young diplomat named Niccolò Machiavelli. It is

1502 and Rodrigo Borgia, a self-confessed womanizer and master of political corruption, is now on the papal throne as Alexander VI. His daughter Lucrezia, aged twenty-two—already three times married and a pawn in her father's plans—is discovering her own power. And then there is his son Cesare Borgia, brilliant, ruthless, and increasingly unstable; it is his relationship with Machiavelli that gives the Florentine diplomat a master class in the dark arts of power and politics. What Machiavelli learns will go on to inform his great work of modern politics, *The Prince*. But while the pope rails against old age and his son's increasingly erratic behavior, it is Lucrezia who must navigate the treacherous court of Urbino, her new home, and another challenging marriage to create her own place in history. Sarah Dunant again employs her remarkable gifts as a storyteller to bring to life the passionate men and women of the Borgia family, as well as the ever-compelling figure of Machiavelli, through whom the reader will experience one of the most fascinating—and

doomed—dynasties of all time. "Enthralling . . . combines flawless historical scholarship with beguiling storytelling."—The Guardian "Renaissance-rich details fill out the humanity of the Borgias, rendering them into the kind of relatable figures whom we would hope to discover behind the cold brilliance of *The Prince*."—NPR "[Dunant] has an enviable command of this complex political scene, with its shifting alliances and subtle betrayals. . . . [She] has a special gift for attending to her female characters."—The New York Times  
[A Tournament of Misfits](#)  
Ballantine Books  
This remarkable anthology assembles for the first time 144 primary texts and documents written by women between 1550 and 1700 and reveals an unprecedented view of the intellectual and literary lives of women in early modern England  
[Bedroom Diplomacy](#)  
Simon and Schuster  
The best-selling author of *Devil in the White City* documents the efforts of first American ambassador to Hitler's Germany William E. Dodd to acclimate to a

residence in an increasingly violent city where he is forced to associate with the Nazis while his daughter pursues a relationship with Gestapo chief Rudolf Diels.

*English for Diplomatic Purposes* Routledge  
NEW YORK TIMES BESTSELLER • This sweeping novel from the author of *A Long Petal of the Sea* tells the epic story of Violeta Del Valle, a woman whose life spans one hundred years and bears witness to the greatest upheavals of the twentieth century. ONE OF THE MOST ANTICIPATED BOOKS OF 2022—Oprah Daily, The Washington Post, Business Insider, Marie Claire, Bustle, Ms. magazine, PopSugar, The Week, Electric Lit, The Millions, She Reads, Lit Hub, Book Riot Violeta comes into the world on a stormy day in 1920, the first girl in a family with five boisterous sons. From the start, her life is marked by extraordinary events, for the ripples of the Great War are still being felt, even as the Spanish flu arrives on the shores of her South American homeland almost at the moment of her birth. Through her father's prescience, the

family will come through that crisis unscathed, only to face a new one as the Great Depression transforms the genteel city life she has known. Her family loses everything and is forced to retreat to a wild and beautiful but remote part of the country. There, she will come of age, and her first suitor will come calling. She tells her story in the form of a letter to someone she loves above all others, recounting times of devastating heartbreak and passionate affairs, poverty and wealth, terrible loss and immense joy. Her life is shaped by some of the most important events of history: the fight for women's rights, the rise and fall of tyrants, and ultimately not one, but two pandemics. Through the eyes of a woman whose unforgettable passion, determination, and sense of humor carry her through a lifetime of upheaval, Isabel Allende once more brings us an epic that is both fiercely inspiring and deeply emotional.

*A Diplomat's Daughter*  
Simon and Schuster  
Ayako accompanies her parents to San Francisco, London, Ottawa, Tokyo, and Buenos Aires. Taunted as a "dirty Jap" in

San Francisco, Ayako learns English well in London and makes friends. In Ottawa she feels Canadian, but back in Tokyo, Ayako is too Western. World War II breaks out while the Tomiis are in Buenos Aires and they are interned. This memoir describes Ayako's attempts to lead a normal childhood, with its ordinary pleasures, amidst the glamour and uncertainty of diplomatic life in the 1930s and 1940s.

### **The Giver of Stars**

Routledge  
Includes more than 25 illustrations  
WALTER LORD NEVER STARTS FROM SCRATCH. For months before a word of this book was written, he could be found roaming the country, ferreting out the fascinating people who helped shape these years. One week it might be Elijah Baum, who piloted Wilbur Wright to his first lodgings at Kitty Hawk...the next, and old fireman who fought the flames at San Francisco...the next, some militant suffragette. Even in his raids on old diaries, letters, memoirs and newspapers, Mr. Lord usually headed straight for the scene. He was as likely to be found in an attic with a flashlight as at a desk with a pencil.

That's why the book is full of such fresh discoveries: secret Pinkerton reports on a famous murder, unpublished notes left by McKinley's physician, the caterer's instructions for Mrs. Astor's ball, and many other factors unknown to the participants themselves. It's his loving attention to first-hand sources that makes Mr. Lord's books so vivid for the thousands who read them. Editorial Reviews: "Informative and entertaining...although *The Good Years* is naturally and properly selective, it still achieves something of a panoramic effect." —The New York Times "[Lord uses] a kind of literary pointillism, the arrangement of contrasting bits of fact and emotion in such a fashion that a vividly real impression of an event is conveyed to the reader." —New York Herald Tribune "[Lord had] the extraordinary ability to bring the past to life." —Jenny Lawrence, author of *The Way It Was: Walter Lord on His Life and Books* *The Diplomat's Daughter* Multilingual Matters Spanning eight decades and chronicling the wild ride of a Greek-American family through the vicissitudes of the twentieth century, Jeffrey

Eugenides' witty, exuberant novel on one level tells a traditional story about three generations of a fantastic, absurd, lovable immigrant family -- blessed and cursed with generous doses of tragedy and high comedy. But there's a provocative twist. Cal, the narrator -- also Callie -- is a hermaphrodite. And the explanation for this takes us spooling back in time, through a breathtaking review of the twentieth century, to 1922, when the Turks sacked Smyrna and Callie's grandparents fled for their lives. Back to a tiny village in Asia Minor where two lovers, and one rare genetic mutation, set our narrator's life in motion. Middlesex is a grand, utterly original fable of crossed bloodlines, the intricacies of gender, and the deep, untidy promptings of desire. It's a brilliant exploration of divided people, divided families, divided cities and nations -- the connected halves that make up ourselves and our world.

**A Woman of Intelligence** BRILL

A user-friendly reference for English-language readers who are eager to explore contemporary fiction from around the world. Profiling hundreds

of titles and authors from 1945 to today, with an emphasis on fiction published in the past two decades, this guide introduces the styles, trends, and genres of the world's literatures, from Scandinavian crime thrillers and cutting-edge Chinese works to Latin American narco-fiction and award-winning French novels. The book's critical selection of titles defines the arc of a country's literary development. Entries illuminate the fiction of individual nations, cultures, and peoples, while concise biographies sketch the careers of noteworthy authors. Compiled by M. A. Orthofer, an avid book reviewer and the founder of the literary review site the Complete Review, this reference is perfect for readers who wish to expand their reading choices and knowledge of contemporary world fiction. "A bird's-eye view of titles and authors from everywhere—a book overfull with reminders of why we love to read international fiction. Keep it close by."—Robert Con Davis-Udiano, executive director, World Literature Today "M. A. Orthofer has done more to bring literature in translation to America than perhaps any

other individual. [This book] will introduce more new worlds to you than any other book on the market.”—Tyler Cowen, George Mason University  
 “A relaxed, riverine guide through the main currents of international writing, with sections for more than a hundred countries on six continents.”—Karan Mahajan, Page-Turner blog, The New Yorker  
A Hundred Suns Penguin  
 “During the turbulent months following the 1941 bombing of Pearl Harbor, twenty-one-year-old Emi Kato, the daughter of a Japanese diplomat, is locked behind barbed wire in a Texas internment camp ... Plagued by fence sickness, her world changes when she meets Christian Lange, whose German-born parents were wrongfully arrested for un-American activities. Together, they live as prisoners with thousands of other German and Japanese families, but discover that young love can triumph over even the most unjust circumstances. When Emi and her mother are abruptly sent back to Japan, Christian enlists in the US Army, with his sights set on the Pacific front--and a reunion with Emi”--

Middlesex Beautiful Books  
 The acclaimed debut novel by the author of *Little Fires Everywhere* and *Our Missing Hearts* “A taut tale of ever deepening and quickening suspense.” —O, the Oprah Magazine “Explosive . . . Both a propulsive mystery and a profound examination of a mixed-race family.”  
 —Entertainment Weekly  
 “Lydia is dead. But they don’t know this yet.” So begins this exquisite novel about a Chinese American family living in 1970s small-town Ohio. Lydia is the favorite child of Marilyn and James Lee, and her parents are determined that she will fulfill the dreams they were unable to pursue. But when Lydia’s body is found in the local lake, the delicate balancing act that has been keeping the Lee family together is destroyed, tumbling them into chaos. A profoundly moving story of family, secrets, and longing, *Everything I Never Told You* is both a gripping page-turner and a sensitive family portrait, uncovering the ways in which mothers and daughters, fathers and sons, and husbands and wives struggle, all their lives, to understand one another.

The Diplomat's Wife Routledge  
 In 1919, Margot Rosenthal is brought by her father, a German diplomat, to a peace conference in Paris where she meets Georg, a dashing naval officer who gives her a job—and a reason to question everything she thought she knew about where her true loyalties should lie. Original.  
My Forty Years as a Diplomat Crown Pub  
 In the post Cold War, the role of diplomacy has visibly expanded in much more unstable international conditions. This is partly because more complex relationships between a larger number of power centers have emerged including non-governmental organizations as well as states. These developments are adding to the machinery of diplomacy expanding the number of topics of negotiation and modifying the established character of diplomacy in significant ways. This book explores the historical development of diplomacy from the earliest times and shows how it has grown and adapted its methods to the needs of previous international environments. It follows

these developments from the late twentieth century and concludes that while diplomacy techniques have adapted in response to very new needs and technological advances in communication, the activity itself remains inevitable and has never been more important.-- Publisher description.

Houghton Mifflin

A captivating historical novel based on the true story of Anita Hemmings, the first Black student to attend the prestigious Vassar College by – passing as white. For fans of *The Vanishing Half* and *The Gilded Age*. SOON TO BE A MAJOR MOTION PICTURE Since childhood, Anita Hemmings has longed to attend the country's most exclusive school for women, Vassar College. Now, a bright, beautiful senior in the class of 1897, she is hiding a secret that would have banned her from

admission: Anita is the only African-American student ever to attend Vassar. With her olive complexion and dark hair, she has successfully passed as white, but now finds herself rooming with Lottie Taylor, an heiress of one of New York's most prominent families.

Though Anita has kept herself at a distance from her classmates, Lottie's sphere of influence is inescapable, her energy irresistible, and the two become fast friends. Pulled into her elite world, Anita learns what it's like to be treated as a wealthy, educated white woman – the person everyone believes her to be – and even finds herself in a heady romance with a well-off Harvard student. But when Lottie becomes curious about Anita's family the situation becomes particularly perilous, and as Anita's graduation looms, those

closest to her will be the ones to dangerously threaten her secret. Set against the vibrant backdrop of the Gilded Age, an era when old money traditions collided with modern ideas, *The Gilded Years* is a story of hope, sacrifice and betrayal – and a gripping account of how one woman dared to risk everything for the chance at a better life. 'Smart and thoughtful ... A must-read' PopSugar 'Insightfully grapples with complex and compelling issues' Booklist 'The beautiful and the damned takes on a whole new meaning ... A poignant imagining inside the most complex survival phenomenon: passing. With the grandeur of the Gilded Age intertwined with romance and suspense, you won't be able to put this period piece down until you know how her story ends.'
