students will find easy to  
understand. This book  
includes a wide range of  
activities and exercises  
for self-study, as well as  
examination style  
questions and summaries  
to aid revision."--  
Publisher's description.

*My Revision Notes:*  
*Edexcel International  
GCSE (9-1) Biology* Collins  
Educational

As a five-year-old, George  
Alagiah emigrated with  
his family to Ghana - the  
first African country to  
attain independence from  
the British Empire. A  
PASSAGE TO AFRICA is  
Alagiah's shattering  
catalogue of atrocities  
crafted into a portrait of  
Africa that is infused with  
hope, insight and outrage.

In vivid and evocative  
prose and with a fine eye  
for detail Alagiah's  
viewpoint is spiked with  
the freshness of the  
young George on his  
arrival in Ghana, the  
wonder with which he  
recounts his first  
impressions of Africa and  
the affection with which  
he dresses his stories of  
his early family life. A  
sense of possibility  
lingers, even though the  
book is full of  
uncomfortable truths. It is  
a book neatly balanced on  
his integrity and sense of  
obligation in his role as a  
writer and reporter. The  
shock of recognition is  
always there, but it is the  
personal element that  
gives A PASSAGE TO  
AFRICA its originality.  
Africa becomes not only a  
group of nations or a vast  
continent, but an epic of  
individual pride and  
suffering.

**New Edexcel  
International GCSE  
Chemistry: Grade 8-9  
Targeted Exam  
Practice Workbook  
(with Answers)**

HarperCollins UK

Provides revision notes on the key topic areas with many examples. Written in CGP style, this work has an odd bit of fun thrown in to keep concentration levels up.

Edexcel Hodder Education  
Exam board: Pearson  
Edexcel Level:

International GCSE (9-1)

Subject: History First

teaching: September

2017 First exams:

Summer 2019 Endorsed  
for Pearson Edexcel

qualifications Follow the tried-and-tested methods of bestselling author Ben Walsh. This book builds the skills required for exam success, helps students to remember all the content and makes History really interesting.

The authors have listened to feedback from teachers and students about the challenging aspects of the specification, to ensure that they deliver the support you need. You can rely on this textbook to: B" Ensure that History is accessible to all.

/BStraightforward language, manageable chunks of text and plenty

of bullet points guide you through the content, which is covered in the amount of depth that students needbrbrB" Bring historical events, people and developments to life.B" Focus on what really matters. /BThe features in the book are designed to consolidate students' knowledge of the key points - from 'Focus' boxes and regular 'Knowledge check' questions to end-of-chapter summariesbrbrB" Break down exam skills into small steps. /BActivities throughout the chapters and larger 'Focus tasks' teach students how to select, organise and use their knowledge to explain, analyse, evaluate and make judgementsbrbrB" Provide easy-to-follow exam advice. /BClear explanations of the exam requirements, analysis of what a good answer might look like and handy tips help students to feel confident and preparedbrbrBThis book covers the following units:brbrBHistorical investigations/Bbr" Russia and the Soviet Union, 1905-24br" The USA, 1918-41

**New Grade 9-1 Edexcel  
International GCSE  
Chemistry: Revision  
Guide with Online**

**Edition** Hodder Education

This revision guide helps prepare students for the Edexcel IGCSE Chemistry exam. IGCSEs are becoming increasingly popular with schools and are viewed by many as more rigorous than the standard GCSEs. Can be used in conjunction with the Collins Edexcel IGCSE Student Book for thorough exam preparation.

Revision guide Oxford  
University Press - Children

This text has been developed to give maximum support for students studying for the Cambridge International Examinations GCSE.

International case studies are used throughout, 'localising' learning. An interactive CD ROM, supporting study and revision, and practical work, is included.

**Nail It!** Letts & Lonsdale  
This revision guide for Edexcel IGCSE Physics contains content summaries and key points for all the topics in the specification. It offers numerous revision questions to thoroughly prepare students for their examinations, and also includes revision tips and techniques.

*New Grade 9-1 Edexcel  
International GCSE  
Chemistry: Exam Practice  
Workbook (Includes*

*Answers*) Hachette UK  
 Providing guidance that helps students practice and troubleshoot their exam technique, these books send them into their exam with the confidence to aim for the best grades. - Enables students to avoid common misconceptions and mistakes by highlighting them throughout - Builds students' skills constructing and writing answers as they progress through a range of practice questions - Allows students to mark their own responses and easily identify areas for improvement using the answers in the back of the book - Helps students target their revision and focus on important concepts and skills with key objectives at the beginning of every chapter - Ensures that students maximise their time in the exam by including examiner's tips and suggestions on how to approach the questions  
 This title has not been through the Cambridge International Examinations endorsement process.
