Juni 2018 goodword
"This work offers a fresh assessment of the sources for the prophet Muhammad's life, integrating the earliest non-Muslim and documentary sources with the earliest prophetic biographies written in Arabic during the eighth-ninth centuries C.E. By placing these sources within the intellectual and cultural world of Late Antiquity, the author carves out a methodological approach to studying the historical Muhammad that, though reliant on the methods of critical historical scholarship, strikes a balance between revisionist historical skepticism and naïve historical realism"--

This book is a comparative analysis of the medieval Sunni

historiography of the caliphate of Uthman b. Affan and the revolt against him. By comparing treatments of Uthman in pietistic literature and universal chronicles, the work traces the gradual silencing of more critical accounts in favor of those that portray Uthman as a saintly companion of the Prophet Muhammad. Through a comparative analysis of authors between genres and time periods, this book shows how authors were able to convey their personal perspectives on important religio-political tensions that emerged through the revolt against Uthman, namely the tension between Sunnis and Shiis, religious and political authority and appeals to maintain stability and unity vs. appeals for greater justice. This last debate, which in many ways began with the revolt against Uthman, has been repeated most recently in the Arab Spring. This work therefore provides readers with helpful historical context for important contemporary debates.

Michael Ventura, entrepreneur and CEO of award-winning strategy and design firm Sub Rosa, shares "how to unlock our ability to design solutions, spark innovation, and solve tough challenges with empathy at the center" (Arianna Huffington). Having built his career working with iconic brands and institutions such as General Electric, Google, Nike, Warby Parker, and also The United Nations and the Obama Administration, Michael Ventura offers entrepreneurs and executives a radical new business book and way forward. Empathy is not about being nice. It's not about pity or sympathy either. It's about understanding—your consumers, your colleagues, and yourself—and it's a direct path to powerful leadership. As such, Applied Empathy presents real strategies, based on Sub Rosa's design work and the popular class Ventura and his team have taught at Princeton University, on how to make lasting connections and evolve your business internally (your employees, culture, and product/services) as well as externally (your brand,

consumers, and value). "The most neglected fact in business is we're all human. Michael Ventura makes a powerful argument that empathy is the secret sauce of 21st century business. The more digital we get, the more empathy we need" (Chip Conley, New York Times bestselling author of Emotional Equation). For leaders of all levels, this groundbreaking guide lays the foundation to establish a diverse, inventive, and driven team that can meet the challenges of today's ever-evolving marketplace. If you want to connect to the people you work with, you have to understand them first. UNESCO

Jilid 1 Pustaka Al-Kautsar This is the story of the legendary Muhammad Al Fateh, following him from his childhood and how he was raised by his father to become a Caliph of Islam, through to his appointment as the Caliph of the Ottoman Empire at the tender age of 19 and subsequent rule. Without Constantinople under its jurisdiction, the Ottoman Empire was incomplete. And so, Sultan Muhammad AlFateh set out to conquer it. Al Fateh was not the first person to attempt conquering Constantinople. Many warriors and caliphs of Islam before him had tried in vain. Learning from their past failures, AlFateh carefully assembled and equipped his army.

Finally, after an epic battle, Constantinople was conquered. Al Fateh changed the name of the city to Istanbul. At his peak, Al Fateh was the ruler of 25 countries. In the end, he was poisoned and killed by his enemies. Yet, the Ottoman Empire and legacy he left behind stayed standing strong.

Fakhr al-Din Razi's Tafsir, The Great Exegesis, also known as Mafatih al-Ghayb, is one of the great classics of Arabic and Islamic scholarship. Written in the twelfth century, this commentary on the Qur'an has remained until today an indispensable reference work. The Great Exegesis

Sleep, or rather the lack of it, is the issue of paramount concern to the overwhelming majority of new parents. Getting enough sleep is vital for the health of a growing baby or toddler, and the sanity of mums and dads. Yet striking the right balance between their differing needs can be

hard to achieve. Once sleep problems set in, they can fast demoralise and exhaust parents, undermining confidence in their ability to cope.

Gina Ford has come to the rescue with her answer: the key to a good night's sleep for the whole family lies in teaching parents to understand the changing sleep needs of their growing baby. This book informs and reassures parents, dispelling many common myths and anxieties and offering practical solutions that work. By creating a structure of regular feeding, sleeping and playing times, Gina explains how parents can help their baby to find a rhythm that will be comfortable for all concerned. Whether parents want to establish good sleeping habits from the start, or find they need to cure sleep problems and get their child back on track, Gina has the answers.

The Life of Muhammad
Penguin

A biography of the prominent Turkish theologian and thinker. *Islam in Modern Turkey* presents one of the most comprehensive studies in English of the seminal Turkish thinker and theologian, Bediuzzaman

Said Nursi (1876–1960). A devout Muslim who strongly believed in peacefully coexisting with the West, Nursi inspired a faith movement that has played a vital role in the revival of Islam in Turkey and now numbers several million followers worldwide. While Nursi's ideas have been afforded considerable analysis, this book is the first to situate these ideas and his related activities in their historical contexts. Based on the available sources and Nursi's own works, here is a complete and balanced view of this important theologian's life and thought. Şükran Vahide is Resident Scholar at the Istanbul Culture and Science Foundation in Istanbul, Turkey. Ibrahim M. Abu-Rabi> is Professor of Islamic Studies and Christian-Muslim Relations at the Hartford Seminary. He edited and wrote the introduction for *Islam at the Crossroads: On the Life and Thought of Bediuzzaman Said Nursi*, also published by SUNY Press.

Learning Sirah Nabawiyah Ibnu Hisyam Jilid 1
Centuries after his death, al-Ghazali remains one of the most influential figures of the Islamic intellectual tradition. Although he is best known for his *Incoherence of the Philosophers*, *Moderation in Belief* is his most profound work of philosophical theology. In it, he offers what scholars consider to be the best defense of the Ash'arite school of Islamic theology that gained acceptance within orthodox Sunni theology in the twelfth century, though he also diverges from Ash'arism with his more rationalist approach to the Quran. Together with *The Incoherence of the Philosophers*, *Moderation in Belief* informs many subsequent theological debates, and its influence extends beyond the Islamic tradition, informing broader questions within Western philosophical and theological thought. The first complete English-language edition of *Moderation in Belief*, this

new annotated translation by Aladdin M. Yaqub draws on the most esteemed critical editions of the Arabic texts and offers detailed commentary that analyzes and reconstructs the arguments found in the work's four treatises. Explanations of the historical and intellectual background of the texts also enable readers with a limited knowledge of classical Arabic to fully explore al-Ghazali and this foundational text for the first time. With the recent resurgence of interest in Islamic philosophy and the conflict between philosophy and religion, this new translation will be a welcome addition to the scholarship.
