This volume is part of a series which provides a fundamental resource for feminist biblical scholarship, containing a comprehensive selection of essays, both reprinted and specially written for the series, by leading feminist scholars. The contributors to this volume are Lyn Bechtel, Mark Bredin, Athalya Brenner, Edna Brocke, Carole Fontaine, Lillian Klein, Amy-Jill Levine, Judith Lieu, Heather McKay, Adele Reinhartz, Jane Schaberg, Marla Selvidge, Leonore Siegele-Wenschkewitz, Beverly Stratton, Arie Troost, Pieter van der Horst, and Bea Wyler.

**The Hebrew Bible Today** Regent College Publishing

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is

tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away. *The Origins of the New Testament Images of Jesus (Second Edition)* Baker Books

"From beyond the Rivers of Ethiopia My worshippers, My

dispersed ones, Will bring My offerings." - Zephaniah 3:10 Modern Jewry has been looking for the "10 Lost Tribes of Israel" in countries like Afghanistan, Pakistan, China, Arabia, and India but they never seem to look in Africa. The Ethiopian Jews and the Lemba Jews have been recognized by modern Jewry as having a connection to Ancient Israel but other African countries are often overlooked. Why is this? Jews today now boast to have "Israelite" heritage based on the "Cohen Model Haplogroup" genetic marker that they say links them to the High Priest Cohenite clan of Aaron, the brother of Moses. But what exactly is this "Cohen Model Haplogroup"? Who else in the world has it and is it really an "Israelite Genetic Marker" as they claim? In the Book, "Hebrews to Negroes 2: Volume 2, I dive in deep into the "world of genetics" to debunk the lies that has been spread about who we call "Jews" or the "Chosen People" today. Using Linguistics, Ancient written records from Arab historians, Craniometry, Tooth records, Ancient maps, Ancient archaeological relics, Ancient pictures, the Bible, Genetics and "Critical Thinking" one can find out the TRUTH about who the REAL ISRAELITES of the Bible are. It will tell us where we should be looking in regards to finding the "authentic" scattered "Children of Israel," not "outsiders" who have invaded Judea for the last 2,000 years and decided to convert to Judaism. In this Book many clues to our "many" questions about the Bible will be answered and explored. Such as: Who are the descendants of the Ancient Egyptians, Canaanites, Cushites and Phuttites today? Who are the "Original Arabs" and where are they at today? What is the connection between the Lemba Jews, African-Americans, Caribbean Blacks, Afro-Latinos and "Bantus" West/East Africans? Who are the indigenous Native Amerindians? Are they descendants of Ham, Shem or Japheth? Are the Native Amerindians Israelites? Do Latinos have any "Israelite" heritage? Where did the 10 Lost Tribes of Northern Israel (Samaria) go after they were exiled in 700 B.C. and is there any DNA proof of this? Who were the Jews that were exiled from Spain and Portugal in 1492 A.D.' Were they "Black Jews" or "White Jews"? Who are the Sephardic Jews and are they "imposters" as well? Who were the Moors? Were they mixed with "Israelite Blood"? Can we trace the migration pattern of the Edomites? If so, where are the Edomites today and what nations of people can we find the "bloodline" of Edom in? How do we know that the Ashkenazi Jew, the Sephardic Jew and the Mizrahi Jew today are "Gentiles" and not "Jews"? Are there any Israelites in Asia or the Middle East? A LIE CANNOT LIVE FOREVER! It is time for "Black America" and the World to know the Truth!"

The David Story: A Translation with Commentary of 1 and 2 Samuel Living Stream Ministry

This 12-week study will help readers understand and appreciate how the book of Hebrews testifies to Christ's supremacy through imagery, metaphor, and Old Testament analogy. Part of the Knowing the Bible series.

An Exposition of Hebrews Abingdon Press

One Abingdon's most beloved studies of the Bible has been updated!

Feminist Companion to the Hebrew Bible in the New Testament Princeton University Press

Are the tribes of Israel really "lost" or were they hidden as prophesied in Psalms 83? The Bible seems to indicate a multi national conspiracy to hide Israel and wipe out the memory of who they really are. If this is true, then history as we know it has

been hijacked, and it is only through searching that we will find the truth. In this book, you'll find the answers to the following questions, just to name a few: Why does a 1747 English map place the tribe of Judah on the "slave coast" of Africa? Why do slave ledgers show slaves being registered with Hebrew names fresh off of the ships? Why did slaves sing songs in Hebrew and call out to Yah for help? Why did Christ mention the slavery of Israel as a sign of the end of the age? Are "the times of the Gentiles" coming to an end? If you are 100% honest with yourself as you find the answers to these questions, your eyes will be opened. If you're ready to start this eye opening adventure through scripture then keep reading. ISRAEL IS STILL A NATION TO GOD AND ALWAYS WILL BE! "Thus saith the LORD, which giveth the sun for a light by day, and the ordinances of the moon and of the stars for a light by night, which divideth the sea when the waves thereof roar; The LORD of hosts is his name: If those ordinances depart from before me, saith the LORD, then the seed of Israel also shall cease from being a nation before me for ever. Thus saith the LORD; If heaven above can be measured, and the foundations of the earth searched out beneath, I will also cast off all the seed of Israel for all that they have done, saith the LORD." - Jeremiah 31:35-37

A Quick Reference Guide to End Times Prophecy Moody Publishers

Call It English identifies the distinctive voice of Jewish American literature by recovering the multilingual Jewish culture that Jews brought to the United States in their creative encounter with English. In transnational readings of works from the late-nineteenth century to the present by both immigrant and postimmigrant generations, Hana Wirth-Nesher traces the evolution of Yiddish and Hebrew in modern Jewish American prose writing through dialect and accent, cross-cultural translations, and bilingual wordplay. Call It English tells a story of preoccupation with pronunciation, diction, translation, the figurality of Hebrew letters, and the linguistic dimension of home and exile in a culture constituted of sacred, secular, familial, and ancestral languages. Through readings of works by Abraham Cahan, Mary Antin, Henry Roth, Delmore Schwartz, Bernard Malamud, Saul Bellow, Cynthia Ozick, Grace Paley, Philip Roth, Aryeh Lev Stollman, and other writers, it demonstrates how inventive literary strategies are sites of loss and gain, evasion and invention. The first part of the book examines immigrant writing that enacts the drama of acquiring and relinquishing language in an America marked by language debates, local color writing, and nativism. The second part addresses multilingual writing by native-born authors in response to Jewish America's postwar social transformation and to the Holocaust. A profound and eloquently written exploration of bilingual aesthetics and cross-cultural translation, Call It English resounds also with pertinence to other minority and ethnic literatures in the United States.

**Exhibiting the Destruction of Jerusalem; the Certain Restoration of Judah and Israel; the Present State of Judah and Israel; and an Address of the Prophet Isaiah Relative to Their Restoration** Abingdon Press

Although the Book of Hebrews "is not exactly what most of us would regard as a user-friendly book," notes Donald Hagner, "Hebrews has always been popular among Christians." Encountering the Book of Hebrews was written to help students more fully appreciate the complexities of this favorite section of Scripture. Hagner begins by exploring introductory issues (e.g., historical backgrounds, author, audience, date, purpose, structure, genre) and overarching themes (e.g., heavenly archetypes and earthly copies, the use of the Old Testament, the attitude toward Judaism). The heart of the book then offers a

chapter-by-chapter exposition of Hebrews. Unlike commentaries, it does not try to be exhaustive--examining all details and answering all questions--but instead guides students to the issues that are most important for their study of this difficult book. Hagner concludes with a final look at the contribution of Hebrews to the New Testament, New Testament theology, the church, and the individual Christian. As with other volumes in the Encountering Biblical Studies series, Encountering the Book of Hebrews is designed for classroom use and includes a number of helpful features, including further-reading sections, key terms, chapter objectives, and outlines along with numerous sidebars and illustrations.

#### **Hebrews For You** Simon and Schuster

The book of Hebrews shines the magnificence of Jesus on every page. Written for every believer today, Hebrews explains the superiority of Christ and how his story is woven into the life and narrative of Israel. This epistle takes us into the holy of holies. Without a veil or anything to hinder our intimacy with God, we come to his mercy-throne, where we encounter enough grace to empower us through every difficulty. The book of James offers practical truths about what it means to be declared righteous by God. James is rich with life-changing revelation, and we may even consider this epistle the New Testament Proverbs, for much of it speaks of heavenly wisdom from God. James also helps us understand the power of faith to produce good works. Faith works! Heaven's words are before us. We read them with a spiritual hunger and a passion to embrace truth, then live them out by the grace of Jesus, our Messiah, in whom we find our true life. Move your heart closer and closer to God, and he will come even closer to you. James 4:8

#### Selections Adapted from the Hebrew Dante Fortson

While all of the New Testament writings offer windows into the personal religious experiences of their authors, says Kevin McCrudden, the Letter to the Hebrews affords us a truly exquisite example of a particularly creative interpretation of such religious experience. It also supplies us with something all too rare in many of the documents of the New Testament: a glimpse into the personal experiences of the ancient persons who first heard this text. Partially obscured beneath the author's characteristic emphasis on the superiority of transcendent realities is the indelible imprint of the real-life experiences of early Christians who suffered emotionally and physically for the countercultural commitment that they placed in Jesus. For such persons, Hebrews vividly celebrates the unseen vindication of Jesus and, in this way, provides a hope-filled portrait of the victorious Son of God. At the same time, Hebrews is also very much concerned with what we might call the life of Christian discipleship--that is, what it means to journey this side of the age to come in a manner that is faithful to the countercultural character of God's kingdom embodied by Jesus. This brief study will help illumine for readers something of this creative balance between the transcendent and the concrete that Hebrews illustrates so well.

#### *Grace and Gratitude* Yale University Press

The Book of Hebrews helps us see the connection between God's grace in our lives and the call to invest ourselves in God's mission in the world. In doing so, we express gratitude for the salvation we have received and respond to God's grace by being faithful to the One who delivers us. In Hebrews: Grace and Gratitude, author and New Testament scholar David deSilva takes you through a study of Hebrews, tracing the themes of grace and gratitude through this unique New Testament book. In the Book of Hebrews, you will discover a bold perspective on who Jesus is and what he has done, as well as a powerful reflection on the meaning and significance of his death and resurrection in light of the Old Testament. As you read and study this letter, you will

receive a deeper appreciation for the salvation we have received through Christ and hear afresh God's call to a life of gratitude and faithfulness. The Leader Guide contains everything needed to guide a group through the six-week study including session plans, activities, and discussion questions, as well as multiple format options.

#### *Hebrews Leader Guide* G Publishing

"Now faith is being sure of what we hope for, and certain of what we do not see." Those were the words of the author of the Book of Hebrews. The temptation was strong amongst the Jews that they keep their faith, that they hold on to the traditions and rituals of their fathers. The author, due to the circumstances of his serious study of the Bible, and opportunities to teach it for now over 50 years, has long regarded it as his favorite book of the Bible, and the one that he's studied the most. At this stage of life, it now rings similar to Matthew, Peter's epistles, Revelation, and James, all written about the same time, all dealing with the persecution of Christians by unbelieving Jews, all dealing with an imminent judgment coming on Old Covenant Israel, and all dealing with the passing away of old heaven and earth, AND the inauguration of the new heavens and earth. These are topics which he's researched extensively in his latest books.

#### **Its Challenge from Zion** Westminster John Knox Press

"Magisterial. . . . A learned, brilliant and enjoyable study."—Géza Vermès, Times Literary Supplement In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology. "Brilliant and lucidly written, full of original and fascinating insights."—Reginald H. Fuller, Journal of the American Academy of Religion "This is a first-rate work of a first-rate historian."—James D. Tabor, Journal of Religion "Fredriksen confronts her documents—principally the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, Christian Science Monitor

#### B&H Publishing Group

The book "Hebrews to Negroes: Wake Up Black America" touches on subjects too controversial for most authors to reveal to the people. This book will expose the truths that have been hidden by the powers that be in America. Since the European and Arab slave traders stepped foot into Africa, blacks have been told lies about their heritage. This was all by Satan's design for he is the father of lies. There is an old stereotypical expression that says "If you want to hide something from a Black person, put it in a book." Well, this is THE BOOK that ALL Black people must read! Since biblical times, there has been a satanic agenda to destroy God's Chosen People. This agenda still exists today and is carried on by man in many forms. Satan knows who God's Chosen People are, but for centuries we have been blind to this knowledge even though it's been right in front of our face. After many years of research, the time has finally come for ALL Black people to know the truth. Inside Hebrews To Negroes you will find the answers to all the burning questions you have wanted ask your parents, teachers and pastors for years. It has been said that the mind has a strong drive to correct itself over a period of time if it can touch some substantial ORIGINAL historical base about itself. This time period is ending and the truth is being exposed! Is this signs of the End Times? The bible says in the last days that knowledge will increase. It also says "In the last days, saith God, I will pour

out of my Spirit upon all flesh: and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams: " Knowledge is the TRUTH and Satan's time is running out. Don't be left behind. Find out what's really going on behind the scenes as it relates to BLACK AMERICA then and now. Afterwards you be the judge as to who God's Chosen People really are and who Satan's army is really after. AT THE END OF READING THIS BOOK, I GUARANTEE YOU WON'T REGRET IT.

*The Concept of Salvation in the Old Testament in the Call of the Hebrews Through Abraham and Moses* The Good Book Company  
 "A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999  
 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

**From Jesus to Christ** Liturgical Press

From the author of *The Gospel According to Jesus* comes a new adaptation of the psalms. Leading biblical scholar and translator

Stephen Mitchell translates fifty of the most powerful and popular bible psalms to create poems that recreate the music of the original Hebrew verse.

*The Black Hebrews and the Black Christ* Bloomsbury Publishing  
 Dealing with each section of the canon, this book explains standard questions, paying special attention to where scholars agree and where they don't.

*A Body You Have Prepared for Me* Crossway Books

By surpassing most traditional commentaries, Lane's work unveils Hebrews as a sermon rendered by a concerned "preacher" to his Roman church, which is under persecution and dangerously close to rejecting the faith. As an exposition of encouragement and exhortation, Hebrews addresses the central concerns of our contemporary church as well: the felt absence of God, a climate of uncertainty and insecurity, the tension between secular conformity and spiritual maturity and the treat of societal perversion and materialism to a Christian commitment. Christians are called upon to express a faith that is rooted in the future and to continue this life of pilgrimage with a radical new view of reality, which is based on sure confidence in the intervention of God in daily life. Tracing the writer's development thought by thought, rather than verse by verse, careful attention is paid to the cultural and historical background. This work is useful as a study guide for groups and individuals, or for any reader who wishes a mature understanding of the book of Hebrews.

*The Call of the Hebrews* W. W. Norton & Company

An attempt to identify the lost tribes of Israel with the North American Indians.
