Ojos de Mi Princesa 3, Los. Sheccid, Cuando El Amor Duele

Morgan Rice

Las drogas están por todos lados. Cada vez hay más variedad y presentaciones; también los vendedores son más creativos para enganchar a los jóvenes. Este libro es una fuente de información indispensable. El lector se "beberá" sus páginas con avidez. De principio a fin quedará atrapado con la historia de los personajes e impactado por los efectos que causan drogas actuales como GHB, rohipnol, éxtasis, PCP, efedrina, ketamina, crack, LSD, cannabis y muchas otras, incluyendo el alcohol. LA DROGA es el principal enemigo social, pero lo es más la ignorancia y la creencia de que lo sabemos todo al respecto. Ha llegado el momento de informarnos, de entender que estamos en guerra y no podemos darnos el lujo de descuidarnos. Seguramente nunca antes has tenido en las manos un libro sobre las drogas tan interesante y útil como éste. Aprovechalo y compártelo.

A Novel of the Spanish Civil War Ediciones Selectas Diamante SA de CV

NEW YORK TIMES BESTSELLER • From the author of The House of

the Spirits, this epic novel spanning decades and crossing continents follows two young people as they flee the aftermath of the Spanish Civil War in search of a place to call home. "One of the most richly imagined portrayals of the Spanish Civil War to date, and one of the strongest and most affecting works in [Isabel Allende's] long career."—The New York Times Book Review
NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Esquire • Good Housekeeping • Parade In the late 1930s, civil war grips Spain. When General Franco and his Fascists succeed in overthrowing the government, hundreds of thousands are forced to flee in a treacherous journey over the mountains to the French border. Among them is Roser, a pregnant young widow, who finds her life intertwined with that of Victor Dalmau, an army doctor and the brother of her deceased love. In order to survive, the two must unite in a marriage neither of them desires. Together with two thousand other refugees, Roser and Victor embark on the SS Winnipeg, a ship chartered by the poet Pablo Neruda, to Chile: "the long petal of sea and wine and snow." As unlikely partners, the couple embraces exile as the rest of Europe erupts in world war. Starting over on a new continent, they face trial after trial, but they will also find joy as they patiently await the day when they might go home. Through it all, their hope of returning to Spain keeps them going. Destined to witness the battle between freedom and repression as it plays out across the world, Roser and Victor will find that home might have been closer than they thought all along. A masterful work of historical fiction about hope, exile, and belonging, *A Long Petal of the Sea* shows Isabel Allende at the height of her powers. Praise for *A Long Petal of the Sea* "Both an intimate look at the relationship between one man and one woman and an epic story of love, war, family, and the search for home, this gorgeous novel, like all the best novels, transports the reader to another time and place, and also sheds light on the way we live now."—J. Courtney Sullivan, author of *Saints for All Occasions* "This is a novel not just for those of us who have been Allende fans for decades, but also for those who are brand-new to her work: What a joy it must be to come upon Allende for the first time. She knows that all stories are love stories, and the greatest love stories are told by time."—Colum McCann, National Book Award-winning author of *Let the Great World Spin*

Graciela Iturbide: Mi Ojo Ediciones Selectas Diamante SA de CV After he escapes from the dungeon, Thor is horrified to learn of another assassination attempt on King MacGil. When MacGil dies, the kingdom is set into turmoil. As everyone vies for the throne, King's Court is more rife than ever with its family dramas, power struggles, ambitions, jealousy, violence and betrayal. An heir must be chosen from among the children, and the ancient Dynasty Sword, the source of all their power, will have a chance to be wielded by someone new. But all this might be upended: the murder weapon is recovered, and the noose tightens on finding the assassin. Simultaneously, the MacGils face a new threat by the McClouds, who are set to attack again from within the Ring. Thor fights to win back Gwendolyn's love, but there may not be time: he is told to pack up, to prepare with his brothers in arms for The Hundred, a hundred grueling days of hell that all Legion members must survive. The Legion will have to cross the Canyon, beyond the protection of the Ring, into the Wilds, and set sail across the Tartuvian Sea for the Isle of Mist, said to be patrolled by a dragon, for their initiation into manhood. Will they make it back? Will the Ring survive in their absence? And will Thor finally learn the secret of his destiny? With its sophisticated world-building and characterization, *A MARCH OF KINGS* is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and

betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 60,000 words. Book #3 in the series will be published soon.

Have a New Husband by Friday Ediciones Selectas Diamante SA de CV

"Cautious, conservative Molly Driscoll still works at the same Jersey shore hospital in which she completed her nurses training more than a decade ago. When her now-ex-husband, Jason, is diagnosed with terminal cancer, Molly tries to convince him to undergo a recommended course of chemotherapy. In spite of their past difficulties, Molly volunteers to take on something that is equally daunting in exchange for her ex-husband's agreement to give chemotherapy a try. She quits her old familiar job, becomes a Travel Nurse, and trades in her nice, safe Honda Civic for a Harley Davidson motorcycle. Her assignments take her into the blizzards and biker-bars of New England, the genteel beauty and smoky pool-halls of South Carolina, and the carnival atmosphere of a busy walk-in clinic in Key West as well as to some very surprising and unexplored regions of her own heart. Along the way, Molly experiences a terrifying ordeal with a stranger, tender moments with patients who leave lasting impressions on her, the possibility of a would-be-stalker, and a fellow Travel Nurse who claims to be an angel. In spite of all her old self-doubts, Molly grows in confidence, proving that though she may not be very good at driving a motorcycle, she is quite good at surviving and maybe even resilient enough to love again."

I Don't Want To Kill You Sheccid Cuando El Amor Duele/ When Love Hurts Ojos de Mi Princesa 3, Los. Sheccid, Cuando El Amor Duele

I Don't Want to Kill You is the third darkly comic novel in the John Wayne Carver series by Dan Wells, the first of which - *I Am Not a Serial Killer* - is now a major motion picture. Sixteen-year-old John Wayne Cleaver has always known he's different, but not because he only has one friend (and doesn't much like him) and not

because he regularly helps out in his mother's mortuary. He's different because he recognizes the classic signs of an incipient serial killer in his own personality, and he's created a rigid set of rules to follow to keep his darker nature, the one he calls Mr Monster in check. But John discovers it's the personality traits he so fears that put him in the best position to save the people of his town from a series of horrific and disturbing killers...

'Pure awesome... There were moments when I laughed, moments where I gasped in surprise, and moments where I knew I could not read fast enough because I had to know what was going to happen next... My only complaint? That it ended and now I need to wait. I must know what happens next. I must!!!!' Series Tracker 'Are you ready for a grip the edge of your seat-repeating mantra of OMG as you turn the pages eagerly? Looking for something with intensity but also something that leaves you begging for more??? Looking for a new fav??? YES. This book is all of what you need and so much more! Go Into This One Knowing. Best. Book. Ever.' Crossroad Reviews 'This was incredible!... such a slow burn romance but the build-up had my heart beating out of my chest, the angst and suspense was killing me... This book was perfectly paced and the lack of info-dumping, love triangles and insta-love made for a perfect start to a new series. Switching from POV's from England and Paris and following the characters as they go from across countries was a great concept. With the addition of magic, action and adventure this book could really do no wrong in my eyes. There isn't a cliffhanger ending just the promise of lots more to come in the next installment which I'm now anxiously awaiting. I highly recommend this to fellow fantasy lovers who are looking for a brand new world to immerse themselves in, with great characters, a promising romance and a thrilling journey ahead.' Literary-ly Obsessed 'I love this book! It was really great! I've always loved books that include Alchemy as its major fantasy core, I just think that it's such a fascinating 'science'! ... I read the first chapter, and I was completely swept into this amazing world! ... can't wait until the second book comes out, and to continue exploring this amazing story! Just Another Bookish Blog 'thrilling and exciting all at the same time... an excellent paranormal fantasy... such amazing story telling' Books at Dawn

A funny and wise guide and workbook for conquering fears, from the existential to the everyday, and defeating the monster those fears can become: anxiety This is a book about fear. About how it works, how it takes hold over us, and how it dogs us from childhood (the monsters under the bed) to adulthood (careers, relationships, accidentally sending that risky text to the wrong person--all the things that make us want to bite our nails). But this is also a book about that monster our fear can warp into when it grows too powerful, a phenomenon we are all too familiar with and that more and more of us are struggling against: anxiety. Author and illustrator Amalia Andrade had her own battle with anxiety, and not only did she make it out the other side, she learned sometimes it's the very thing that almost sinks you that can save you. Through the lessons, exercises, and often hilarious personal stories Amalia shares in these pages, together you will learn how to make those feelings your friends and turn your fears into superpowers. A PENGUIN LIFE TITLE

Love Has Forgotten No One Penguin Books

Appearing here in English translation for the first time, General Escobar's War won Spain's prestigious Planeta Prize for fiction. The historical novel takes the form of an imagined diary by General Antonio Escobar, the highest-ranking officer of the Republican Army remaining in Spain at the end of the Spanish

Civil War, while he awaited trial and execution. Besides being a vivid reminder of how destructive political passions can be, General Escobar's War is also a profoundly intimate portrait of an inspiring man. By his decisive action on July 19, 1936, Escobar, then a Civil Guard colonel and a man of profound religious conviction, succeeded in thwarting the military uprising in Barcelona. Although his father was a hero of the Spanish-American War in Cuba, his daughter was a nun, and one of his sons was a Falangist fighter, Escobar freely chose to defend the Republic in accordance with his oath to support the legally constituted government. The author gives a rare perspective of the Spanish Civil War, free of partisanship and ideology, through a soldier who, in Spain's great historic schism, chose to take a

deeply uncomfortable stance because he believed his duty called him to do so.
