The Artistry and Alchemy of Creating the Perfect Cocktail

REGINA SAIGE**A History of the New World in Ten Cocktails** The Countryman Press

A good bottle of bourbon should be enjoyed in good company. During their travels in bourbon country and beyond to conduct tastings and seminars, entertainment experts Peggy Noe Stevens and Susan Reigler often heard the question, "How do I do this in my home?" This book is their definitive answer. *Which Fork Do I Use with My Bourbon?* offers a step-by-step guide to hosting a successful bourbon-tasting party -- complete with recipes, photos, and tips for beginners and experienced aficionados alike. From decorations to glassware, this one-stop resource will guide readers from the day they mail invitations to the moment they welcome guests through the door. Alongside their favorite snack, entrée, dessert, and cocktail recipes, Stevens and Reigler offer expert tips and tricks from the trade on how to set up a bar, arrange tables, and pair recipes with specific bourbons. Once readers are ready, Stevens and Reigler move on to advanced pairings for the bourbon foodie and present two innovative examples of tasting parties -- a bourbon cocktail soiree and, of course, the traditional Kentucky Derby party. Inspired by the hosting traditions of five Kentucky distilleries, this book promises to motivate bourbon lovers to start their own bourbon-tasting traditions and to expand the expertise of longtime bourbon enthusiasts.

Why Would Anyone Want to Swing a Cat? Рипол Классик

The story of Derek Sandhaus's journey into the world's oldest drinking culture.

The Spirit of Rum University Press of Kentucky

This book is inspired by the recent popularity of rum among cocktail circles, and by the advent of so many new rum craft distilleries in North America. Included is: the story of rum and how it is made, the ingredients, equipment, and processes used to make rum; the lubricious effects of barrel aging, and the various ways that it is done. And, a step-by-step description on how to make a 155-gallon batch of rum mash and how to distill and age it-including a recipe.

Mercy Among the Children Hodder & Stoughton

"There isn't another guide on the market like it."--Jim Meehan, author of *The PDT Cocktail Book*. The first, most definitive guide to the exciting revolution happening in the world of Japanese whisky! "Japanese single malts have achieved cult status around the world," wrote Eric Asimov in the *New York Times*. Indeed, Japanese whiskies have become some of the most sought after and highly valued whiskies in the world. They have blended and melded traditional Scotch and American methods with new ideas, and imbued the whisky with exotic flavors from local Japanese woods to make a unique and signature product that not only rings true of whisky, but also speaks to Japanese terroir. In international competitions they have bested the traditional producer, and they have become absolutely the object of affection in the distilled spirits world! Now here in *Whisky Rising*, whisky authority and Japanese whisky expert Stefan Van Eycken takes you on a guided tour to some of the most coveted whiskies in the world. This elegant book includes: *Fascinating interviews and profiles with the most celebrated distillers and blenders *Behind-the-scenes look into past and present distilleries *An insider's guide to the best whisky bars *How to drink whisky properly and cocktail recipes *Tasting notes and reviews of THE best Japanese whiskies

Simon and Schuster

"This text charts the trajectory of Russian avant-garde architecture during the brief but intense period of design and construction which took place between 1922 and 1935"--OCLC

Blank Lined Notebook Journal Gift Idea Nation Books

In 1885, Alfred Barnard was charged with the task of visiting and reporting on every active Whisky distillery throughout Scotland, Ireland and England. It took him two exhaustive years. In this book you will see the distilleries through his eyes. His detailed descriptions of every step in the distilling process is work that remains unparalleled to this day. But that's only part of the story. As he and his companions traveled the countryside, he fell in love with Scotland and all its grandeur as well as the lush landscapes of Ireland. As you read through this book - presented as an ebook for the very first time - you'll fall in love, as well. Part technical document and part travelogue, you're almost getting two books in one intertwined volume. Granted, this text lacks the visual beauty and splendor of the fine print editions, but the words stand up on their own and will transport you to a Victorian adventure that was, is and always will be one of a kind. This edition does not contain the additional writings of Alfred Barnard that are found in recent print editions, just the text of his original book. There are two additional chapters from his writings giving added detail for Glenglassaugh and Glenfarclas.

101 Whiskies to Try Before You Die (Revised & Updated) Oxford University Press

Mercy Among the Children received effusive praise from the critics, was nominated for a Governor General's Award and won the Giller Prize. It was named one of 2000's best books, became a national bestseller in hardcover for months, and would be published in the US and UK. It is seen, however, as being at odds with literary fashion for concerning itself with good and evil and the human freedom to choose between them -- an approach that puts Richards, as Maclean's magazine says, firmly in the tradition of Tolstoy and Dostoevsky. Author Wayne Johnston recounts hearing Richards read in 1983 and being struck by his unqualified love for every one of his characters, even though "it was not then fashionable to love your characters". Pottersfield Portfolio editor Tony Tremblay calls Richards the most misunderstood Canadian writer of the century, and a "great moralist", comparing him to Morley Callaghan, Kafka and Melville. As a boy, Sydney Henderson thinks he has killed Connie Devlin when he pushes him from a roof for stealing his sandwich. He vows to God he will never again harm another if Connie survives. Connie walks away, laughing, and Sydney embarks upon a life of self-immolating goodness. In spite of having educated himself with such classics as Tolstoy and Marcus Aurelius, he is not taken seriously enough to enter university because of his background of dire poverty and abuse, which leads everyone to expect the worst of him. His saintly generosity of spirit is treated with suspicion and contempt, especially when he manages to win the love of beautiful Elly. Unwilling to harm another in thought or deed, or to defend himself against false accusations, he is exploited and tormented by others in this rural community, and finally implicated in the death of a 19-year-old boy. Lyle Henderson knows his father is innocent, but is angry that the family has been ridiculed for years, and that his mother and sister suffer for it. He feels betrayed by his father's passivity in the face of one blow after another, and unable to accept his belief in long-term salvation. Unlike his father, he cannot believe that evil will be punished in the end. While his father turns the other cheek, Lyle decides the right way is in fighting, and embarks on a morally empty life of

stealing, drinking and violence. A compassionate, powerful story of humanity confronting inhumanity, it is a culmination of Richards' last seven books, beginning with *Road to the Stilt House*. It takes place in New Brunswick's Miramichi Valley, like all of his novels so far, which has led some urban critics to misjudge his work as regional — a criticism leveled at Thomas Hardy, Joseph Conrad and Emily Bronte in their own day. Like his literary heroes, Richards aims to evoke universal human struggles through his depiction of the events of a small, rural place, where one person's actions impact inevitably on others in a tragic web of interconnectedness. The setting is extremely important in Richards' work, "because the characters come from the soil"; but as British Columbia author Jack Hodgins once told Richards, "every character you talk about is a character I've met here in Campbell River".

Building the Revolution Royal Society of Chemistry

"Provides everything you need to know to stock your home bar and make classic cocktails, including what equipment to use, ingredients to stock, and recipes for making delicious drinks"--

The Bar Cart Bible Princeton Review

A fascinating journey through Scotland's famous distilleries with legendary author Iain Banks No true Scotsman can resist the allure of the nation's whisky distilleries. In an absorbing voyage as interesting to non-drinkers as to true whisky connoisseurs, sci-fi and literary author Iain Banks explores the rich heritage of Scottish whisky, from the largest and most famous distilleries to the smallest, most obscure operations. Whisky is more than a drink: it's a culture, a binder that joins together people, places and products far across Scotland's rugged terrain. Switching from cars to ferries to bicycles, Banks crisscrosses his homeland, weaving an engrossing narrative from the strange people, fascinating traditions, and downright bizarre places he encounters on his journey down Scotland's great golden road.

Skye and Outer Hebrides Focus Guide Simon and Schuster

Revised and updated in 2013, *101 Whiskies to Try Before You Die* is a whisky guide with a difference. It is not an awards list. It is not a list of the 101 'best' whiskies in the world in the opinion of a self-appointed whisky guru. It is simply a guide to the 101 whiskies that enthusiasts must seek out and try in order to complete their whisky education. Avoiding the deliberately obscure, the ridiculously limited and the absurdly expensive, whisky expert Ian Buxton recommends an eclectic selection of old favourites, stellar newcomers and mystifyingly unknown drams that simply have to be drunk. The book decodes the marketing hype and gets straight to the point; whether from India,

America, Sweden, Ireland, Japan or the hills, glens and islands of Scotland, here are the 101 whiskies that you really want. Try them before you die - Slainte!

Rum □□□□□□□□□□

This is the story of how one man, with a bit of help from his friends, created a revolution in the hitherto staid world of Scotch Whisky. But by creating the Scotch Malt Whisky Society, he gave whisky drinkers access to the finest distilled liquor on the planet - and what's more, he had a great time doing it. The book is a collection of stories about Pip and his friends and how they brought Scotland's finest product to a waiting world. It begins in a small farm in Aberdeenshire and moves through high places (The World Trade Center) and low (a jungle dive in the South Seas), with the help of the famous and the obscure, the good, the bad and the mildly delinquent. There are high mountains and wild seas, and a trip (with whisky) to Communist eastern Europe in a vintage Lagonda.

Whisky Rising Birlinn

A good cocktail used to be a simple affair--a spirit or two, a mixer and a little ice. Those days are over. Thanks to a new trend in molecular mixology, cocktails have become far more interesting. In *The Book of Cocktail Alchemy*, rising star of the cocktail scene Tristan Stephenson explores the art of preparing the perfect cocktail. Taking the classics, he explains their fascinating origins, introducing the colorful characters who inspired or created them and how they were intertwined within their historical context. Moving on, he reinvents each cocktail from his laboratory adding modern twists which are sure to amaze. Stick to the classics and stir up a Sazerac or a Rob Roy, or try some of his contemporary variations, and create a Green Fairy Sazerac topped with an absinthe 'air' or a Insta-age Rob Roy with the 'age' on the side. Also included is a comprehensive reference section, detailing all the techniques you will ever need, classic and modern. Using a mixture of science and an amazing aptitude for understanding flavor and the universal appeal of the cocktail, Tristan has created an exciting, essential anthology for any cocktail enthusiast.

A Guide to Their History, Production, and Enjoyment Ryland Peters & Small

Since the publication of the first edition in 2014, the whisky industry has continued to change. This book provides the reader with an overview of the latest academic research and industry best practice in an accessible and authoritative format. Despite the recession, new distillation capacity has been added at a record pace and new consumers in new markets have entered the arena. Distillers are experimenting with new finishes, packaging and marketing techniques and amongst consumers there is a hunger for knowledge and informed commentary. An entirely new chapter discussing the management and utilization of co-products and recent developments in areas such as anaerobic digestion is included along with revisions and updates to most chapters. Written by acknowledged and experienced authorities of the subject, this book provide an up to date treatment of this fast developing area. Aimed at the popular market, it provides a leading text for students of distilling, industry practitioners, new craft distillers and whisky enthusiasts. Review of the 1st Edition 'The authors have clearly put much effort into this book... I enjoyed the book almost as much as I enjoy whisky. Fascinating stuff from cover to cover.' Ian W. Davies, *Chromatographia*, 2014, 77, 1733-1734 'Sometimes, you come across a book that's so comprehensive that it's worth shouting about....a fascinating book that can be engaged with on numerous levels, even if you aren't a

student of distilling. Pop it on the shelf and consult it from time to time over the coming years. This might be the only whisky book you'll ever need.' <http://malt-review.com/2014/08/01/book-review-the-science-and-commerce-of-whisky/>

Anthropologists and historians have confirmed the central role alcohol has played in nearly every society since the dawn of human civilization, but it is only recently that it has been the subject of serious scholarly inquiry. The Oxford Companion to Spirits and Cocktails is the first major reference work to cover the subject from a global perspective, and provides an authoritative, enlightening, and entertaining overview of this third branch of the alcohol family. It will stand alongside the bestselling Companions to Wine and Beer, presenting an in-depth exploration of the world of spirits and cocktails in a groundbreaking synthesis. The Companion covers drinks, processes, and techniques from around the world as well as those in the US and Europe. It provides clear explanations of the different ways that spirits are produced, including fermentation, distillation, and ageing, alongside a wealth of new detail on the emergence of cocktails and cocktail bars, including entries on key cocktails and influential mixologists and cocktail bars. With entries ranging from Manhattan and mixology to sloe gin and stills, the Companion combines coverage of the range of spirit-based drinks around the world with clear explanations of production processes, and the history and culture of their consumption. It is the ultimate guide to understanding what is in your glass. The Companion is lavishly illustrated throughout, and appendices include a timeline of spirits and distillation and a

guide to mixing drinks.

The Clanlands Almanac Dark Horse Comics

An authority on Scotch whisky An ideal addition to a collection of whisky books for beginners or whisky distilling books Fantastic gift for any whisky lovers Have you ever wondered why Scotch whisky tastes the way it does? Have you ever questioned the history of whisky and how its flavor notes have changed over the years? If so, then this book is for you! The flavor of Scotch whisky is influenced by a combination of history, craft, science, and tradition. Whether it is single malt Scotch whisky, dalmore whisky, or peat whisky, you will learn something about it in this book. This book on scotch is also a compendium of curiosities! Learn about bottles of scotch, including orbit bottle labels, whiskey green labels, and more. Whiskypedia also outlines information about individual distilleries. Each one provides their whiskies with unique characteristics. They are grounded in the craft and custom of the distillery and its district, but the real key influences on the flavor are how the spirit is matured, the distilling equipment itself, and how the distilling equipment is operated. This guide explores all of those influences and more. Whiskypedia is the first comprehensive source of the flavor and character of every malt whisky in Scotland. Written by Charles MacLean, "a world authority on malt whisky" (Daily Telegraph), shares his wisdom throughout this book. The history of Scotch whisky and information on Scotch distilling are also included. John MacPherson's stunning photos compliment the text well. This is an ideal book about Scotch for any whisky fan. Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
