A USA TODAY BESTSELLER! "A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts forever."—Susanna Kearsley, New York Times bestselling author of *Belleweather* and *The Vanished Days*
A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing, highlighting the power of our own stories. The smallest items can hold centuries of secrets... While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. The truth behind the silk sleeve dated back to 1886, when Mei Lien, the lone survivor of a cruel purge of the Chinese in Seattle found refuge on Orcas Island and shared her tragic experience by embroidering it. As Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes interwoven with that of Mei Lein. Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson, *The Girl Who Wrote in Silk* is a dual-time period novel that explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Praise for *The Girl Who Wrote in Silk*: "A beautiful, elegiac novel, as finely and delicately woven as the title suggests. Kelli Estes

spins a spellbinding tale that illuminates the past in all its brutality and beauty, and the humanity that binds us all together." —Susan Wiggs, New York Times bestselling author of *The Beekeeper's Ball* "A touching and tender story about discovering the past to bring peace to the present." —Duncan Jepson, author of *All the Flowers in Shanghai* "Vibrant and tragic, *The Girl Who Wrote in Silk* explores a horrific, little-known era in our nation's history. Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free." —Margaret Dilloway, author of *How to Be an American Housewife* and *Sisters of Heart and Snow*

A 2018 Pura Belpré Author Honor Book
The First Rule of Punk is a wry and heartfelt exploration of friendship, finding your place, and learning to rock out like no one's watching. There are no shortcuts to surviving your first day at a new school—you can't fix it with duct tape like you would your Chuck Taylors. On Day One, twelve-year-old Malú (María Luisa, if you want to annoy her) inadvertently upsets Posada Middle School's queen bee, violates the school's dress code with her punk rock look, and disappoints her college-professor mom in the process. Her dad, who now lives a thousand miles away, says things will get better as long as she remembers the first rule of punk: be yourself. The real Malú loves rock music, skateboarding, zines, and Soyrizo (hold the cilantro, please). And when she assembles a group of like-minded misfits at school and starts a band, Malú finally begins to feel at home. She'll do anything to preserve this, which includes standing up to an anti-punk school administration to fight for her right to express herself! Black and white illustrations and collage art by award-winning author Celia C. Pérez are featured throughout. "Malú rocks!" —Victoria Jamieson, author and illustrator of the New York Times bestselling and Newbery Honor-winning *Roller Girl*

Have you lost someone--or something--dear to you? At some point, whether through the loss of a friend or family member, a decline in health, or the end of a career or a relationship, everyone will encounter grief. After nearly twenty-five years in the mental health field, author and licensed professional counselor Katherine B. Barner is well-acquainted with the ways grief can impact a life. While grief is unavoidable, it is also a valuable aspect of the human experience. Utilizing Biblical examples of human grief--and God's acceptance of its complicated rawness--Barner demonstrates how a person's response to loss does not indicate a lack of faith but testifies instead to their humanity and the life-affirming choice to love and be loved. Filled with practical tips for handling loss and avoiding contention with those who lack compassion or grieve differently, this valuable resource includes a section dedicated to navigating holidays and events while grieving. Crafting this guide from her professional experience as well as from lessons learned during her own seasons of mourning, Barner offers compassion and guidance to those suffering a loss. Designed not only to assist readers through the process of grief but to grant them permission to fully experience it, *God Help Me, I'm Grieving* validates each reader's unique response to loss, allowing it to become a vehicle of inner change and spiritual and emotional growth.

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? "Isaiah. Isaiah! Get up, son! Isaiah! You have to get up! Get off the floor! I can't stop!" I reached one hand behind me and shook him the best I could while driving. My heart pounded, and my body trembled. What could be so wrong that he can't control his body? Things go downhill quickly after Christina Custodio picks up

her thirteen-year-old son early from football practice due to a headache. By the time she arrives, he has little control of his body and quickly becomes unresponsive. Soon, he is rushed into surgery, his brain filled with blood from a severe brain hemorrhage. From the time he was born, Christina had always felt Isaiah would die young. Though a typical boy with no health issues, the thought always lingered. Now Christina begs God to change His mind and save her son's life. When God Changed His Mind chronicles Christina's inspiring and emotional story of trusting God through the unknown, peace among the chaos, and joy in the midst of sorrow. Grateful that Isaiah survives but unsure he will ever recover his speech and mobility, Christina shares of her dependence on God during the ups and downs of their journey, the power of prayer, and her determination to use challenges and struggles for His glory.
