Set your pulse racing with this stunning visual guide to over 1000 pin-up machines - iconic symbols of wanderlust, speed, and the open road. From Gottlieb Daimler's gas-powered "engine on a bicycle" which set fire to the seat on its first outing, to superbikes such as the Ducati 916, *Motorcycle: The Definitive Visual History* takes you on an enthralling tour of the bike's history. It shows you bikes that appeal to the head - practical forms of transport - and to the heart - a parade of classic pin-ups including cult machines such as the Honda RC30, the Triumph Bonneville, and the Harley-Davidson XR750. *Motorcycle: The Definitive Visual History* shows the brilliance and impracticality of different designs and features detailed cross-sections of engines such as the air-cooled two-stroke. It explains how the great marques such as the Royal Enfield, the "legendary" Indian Scout, Vespa, and Norton all became household names. Whether you are a hardcore enthusiast or looking forward to your first machine, this is one title you cannot be without.

Why do people fight about water rights? Who decides how much water can be used by a city or irrigator? Does the federal government get involved in state water issues? Why is water in Colorado so controversial? These questions, and others like them, are addressed in *Colorado Water Law for Non-Lawyers*. This concise and understandable treatment of the complex web of Colorado water laws is the first book of its kind. Legal issues related to water rights in Colorado first surfaced during the gold mining era in the 1800s and continue to be contentious today with the explosive population growth of the twenty-first century. Drawing on geography and history, the authors explore the flashpoints and water wars that have shaped Colorado's present system of water allocation and management. They also address how this system, developed in the mid-1800s, is standing up to current tests—including the drought of the past decade and the competing interests for scarce water resources—and predict how it will stand up to new demands in the future. This book will appeal to at students, non-lawyers involved with water issues, and general readers interested in Colorado's complex water rights law.

AdrenalineMoto is an authorized dealer of Parts-Unlimited and claims no ownership or rights to this catalog. The Parts Unlimited 2014 Street catalog is more than "just a book." It is designed to help you and your customers get the most out of your passion for powersports. It showcases the new, exciting, in-demand products, as well as highlighting trusted favorites. The well-organized catalog sections make it easy to find the items you want. And every part is supported with the latest fitment information and technical updates available. Looking for tires? See the Drag Specialties/Parts Unlimited Tire catalog. It has tires, tire accessories and tire/wheel service tools from all the top brands. And for riding gear or casual wear, see the Drag Specialties/ Parts Unlimited Helmet/Apparel catalog. Combine all three catalogs for the most complete powersports resource of 2014.

"Joyful and funny . . . Park uses science, compassion, humor, diverse stories and examples of her own shame-free living to take the stigma out of these infections." —The New York Times With curiosity and wit, *Strange Bedfellows* rips back the bedsheets to expose what really happens when STDs enter the sack. Sexually transmitted diseases have been hidden players in our lives for the whole of human history, with roles in everything from World War II to the growth of the Internet to *The Bachelor*. But despite their prominence, STDs have been shrouded in mystery and taboo for centuries, which begs the question: why do we know so little about them? Enter Ina Park, MD, who has been pushing boundaries to empower and inform others about sexual health for decades. With *Strange Bedfellows*, she ventures far beyond the bedroom to examine the hidden role and influence of these widely misunderstood infections and share their untold stories. Covering everything from AIDS to Zika, Park explores STDs on the cellular, individual, and population-level. She blends science and storytelling with historical tales, real life sexual escapades, and interviews with leading scientists—weaving in a healthy dose of hilarity along the way. The truth is, most of us are sexually active, yet we're often unaware of the universe of microscopic bedfellows inside our pants. Park aims to change this by bringing knowledge to the masses in an accessible, no-nonsense, humorous way—helping readers understand the broad impact STDs have on our lives, while at the same time erasing the unfair stigmas attached to them. A departure from the cone of awkward silence and shame that so often surrounds sexual health,

Strange Bedfellows is the straight-shooting book about the consequences of sex that all curious readers have been looking for.

2021 Causey Enterprises, LLC  
 Edited by award-winning and bestselling author Cynthia Leitich Smith, this collection of intersecting stories by both new and veteran Native writers bursts with hope, joy, resilience, the strength of community, and Native pride. Native families from Nations across the continent gather at the Dance for Mother Earth Powwow in Ann Arbor, Michigan. In a high school gym full of color and song, people dance, sell beadwork and books, and celebrate friendship and heritage. Young protagonists will meet relatives from faraway, mysterious strangers, and sometimes one another (plus one scrappy rez dog). They are the heroes of their own stories. Featuring stories and poems by: Joseph Bruchac Art Coulson Christine Day Eric Gansworth Carole Lindstrom Dawn Quigley Rebecca Roanhorse David A. Robertson Andrea L. Rogers Kim Rogers Cynthia Leitich Smith Monique Gray Smith Traci Sorell, Tim Tingle Erika T. Wurth Brian Young In partnership with We Need Diverse Books Strange Bedfellows Penguin

For many motorcyclists, the next best thing to riding or working on their bikes is reading Peter Egan's Cycle World columns. His conversational style and adroit language make his writing appeal to all types of riders.

**Cycle World Magazine** University Press of Colorado

There aren't many other ways to better escape everyday woes than on a motorbike. They invoke emotions and a longing for adventure. Form and precision define these machines as timeless and important cultural objects. Simply put, motorcycles make a

statement. All you have to do is just hop on, rev up, and go. Within these pages you'll experience the thrill of feeling the wind on your face on a journey through the exciting world of motorcycles.

Readers will delve into the game changing bikes and gear as well as the songs and films that sought to replicate the yearning for independence and rebellion. Riveting tours, the world's most unique motorcycle shops, and legendary events are also highlighted throughout this compelling title. **SELLING POINTS:** \* Motorcycle Passion presents motorcycles as timeless objects of desire \* A journey through the world of motorbike culture \* Photographs and text that are wonderfully inspiring and informative 250 colour photos **WALNECK'S CLASSIC CYCLE TRADER, FEBRUARY 2008** Motorbooks International

Choosing, preparing and equipping a motorbike, documentation and shipping, life on the road, trans-continental route outlines: Asia, Africa & Latin America.

Updated and now in full colour, this best-seller has been in print for almost 30 years.

**People I Want to Punch in the Throat** Causey Enterprises, LLC

In their professional lives, courtroom lawyers must do these two things well:

speak persuasively and write persuasively. In this noteworthy book, two noted legal writers systematically present every important idea about judicial persuasion in a fresh, entertaining way. The book covers the essentials of sound legal reasoning, including how to develop the syllogism that underlies any argument. From there the authors explain the art of brief writing, especially what to include and what to omit, so that you can induce the judge to focus closely on your arguments. Finally, they show what it takes to succeed in oral argument.

Leanings 2 Causey Enterprises, LLC Motorcycles are mythic, far more than mere transportation, but some are in a class of their own, truly legendary machines. There are the Triumphs: James Dean's, Marlon Brando's in *The Wild Ones*, the one Steve McQueen took over the fence in *The Great Escape*. There are Evel Knievel's and Elvis's Harleys, the Easy Rider Stars 'n' Stripes bike, and T. E. Lawrence's Brough Superior SS100; Von Dutch's Condor, Craig Vetter's Mystery Ship, and Mike Hailwood's Honda RC162. These are just some of the machines that have made motorcycle history, and that make this book a feast for the eyes and a fact-filled odyssey for the motorcycle aficionado. Illustrated with commissioned photographs and historical images, the book profiles the bikes--not just the models but the actual motorcycles--that have achieved legendary status in the last century. Their stories, told here in detail for the first time, make up the story of the motorcycle in American culture. *Yamaha PW50 Y-Zinger, PW80 Y-Zinger and BW80 Big Wheel 81-02* Flatiron Books

NATIONAL BESTSELLER • A debut collection of witty, biting essays laced with a surprising warmth, from Jen Mann, the writer behind the popular blog *People I Want to Punch in the Throat*

*People I want to punch in the throat:*

- anyone who feels the need to bling her washer and dryer
- humblebraggers
- people who treat their pets like children

Jen Mann doesn't have a filter, which sometimes gets her in trouble with her neighbors, her fellow PTA moms, and that one woman who tried to sell her sex toys at a home shopping party. Known for her hilariously acerbic observations on her blog, *People I Want to Punch in the Throat*, Mann now brings her sharp wit to bear on suburban life, marriage, and motherhood in this laugh-out-loud collection of essays. From the politics of joining a play group, to the thrill of mothers' night out at the gun range, to the rewards of your most meaningful relationship (the one you have with your cleaning lady), nothing is sacred or off-limits. So the next time you find yourself wearing fuzzy bunny pajamas in the school carpool line or accidentally stuck at a co-worker's swingers party, just think, What would Jen Mann do? Or better yet, buy her book. Praise for *People I Want to Punch in the Throat*

"*People I Want to Punch in the Throat* is so good that it'll make you want to adopt all the cats in the world. I'm not sure about the correlation, but it's that good. It should come with a warning."—Jenny Lawson, author of *Let's Pretend This Never Happened*

"Jen Mann has an amazing way of telling stories that will make you cringe and burst out laughing at the same time. From swinger parties to racist toddlers, she makes the

suburbs unbelievably funny.”—Karen Alpert, author of *I Heart My Little A-Holes* “Jen Mann says the things we’re all too afraid to say. Her honest and hilarious writing style reminds me of David Sedaris and Tina Fey.”—Robin O’Bryant, author of *Ketchup Is a Vegetable: And Other Lies Moms Tell Themselves* “Jen Mann’s shrewd and unrelenting assault on the absurdity of suburban life is an honest peek into the occasional nightmare that is part of living the American dream. I love Jen. I wish she was my neighbor. It’s so refreshing to

know that I’m not the only one who wants to punch almost everyone in the f\*\*\*ing throat.”—Nicole Knepper, author of *Moms Who Drink And Swear Modern Drummer* HarperCollins Many books have been published about Japanese motorcycles, but none has focused exclusively on the Japanese motorcycle-based chopper, bobber, trike and quad custom bike scene ... until now. Featuring stunning photography, this is a great book for Japanese bike fans, and fans of the custom bike scene in general.
